Art and Anthropology in Argentina

June 12 - July 2, 2017
$3,387 plus tuition

After exploring the Museums and sites of Buenos Aires, head up to Salta to watch the Gaucho’s parade in all their splendor. The most exciting part of the program is the time spent with the Wichi people in Mosconi. You will get to see parts of Argentina that only this indigenous group know.

Christine Powell, comments, “I fell in love with the variety of landscapes we were fortunate to experience while visiting Argentina and Bolivia. My artwork, inspired by the trip, will hopefully help a handful of others to relive many extraordinary memories and ignite in others a desire to someday visit South America.”

Ruth Tobin said of her experience, “Magnificent landscapes, ancient ruins, gauchos, open air markets, and wonderful new friends are only a few of the many wonderful memories I have of my trip to Argentina.”
