Directions to Armstrong State University

**Northbound:** Travel north on Interstate 95 (I-95N). Take exit 94, GA-204, toward Savannah/Pembroke. Turn right onto GA-204 E for 7.3 miles. Armstrong is on your right and has two entrances onto campus. The first entrance (Science Drive) will bring you to the Fine Arts Building.

**Southbound:** Travel south on interstate 95 (I-95N). Take exit 94, GA-204, toward Savannah/Pembroke. Turn left onto GA-204 E for 7.5 miles. Armstrong is on your right and has two entrances onto campus. The first entrance (Science Drive) will bring you to the Fine Arts Building.

**Eastbound:** Travel south on interstate I-16 (I-16E). Take exit 157A onto interstate 95 (I-95S) toward Brunswick/Jacksonville for 5.1 miles. Turn right on GA-204 E for 7.5 miles. Armstrong is on your right and has two entrances onto campus. The first entrance (Science Drive) will bring you to the Fine Arts Building.

Bus parking & Load-In/Out Directions on next page.
1. Buses MUST enter campus on Science Drive, and proceed to the back sidewalk of the Fine Arts Building.

2. Buses can pull on the sidewalk and drive all the way up to the loading dock. They CANNOT drop off or pick up in a manner that would force their students to cross the road. Bus drivers who fail to follow that direction will be cited.

4. Buses that have unloaded and wish to remain on campus must proceed down Science Drive and turn around. Proceed to the first right and follow the bus map to the parking lot. Parking is at the back of this lot, parallel to the wooden fence.

5. When called upon to pick up your students, please reverse the drop-off directions. This will ensure that students are picked up in the same location they were dropped off and also prevent students from being forced to cross the road to load.
