Georgia Southern Armstrong Campus Honors Program Application

While students must meet Georgia Southern University's minimum entrance requirements, test scores and GPAs do not determine an acceptance or bar entry into the program. Students admitted to the Program in previous years typically earned higher than a 3.5 high school GPA and scored higher than 1200/25 on the redesigned SAT/ACT. Admission is competitive as we have many more strong applicants than available spaces in the Program. Please note: Students will only need to answer the questions below if they would like to be considered for the Honors scholarships. The answers should be typed and double spaced.

Priority Deadline: January 15, 2018 - *After January 15 applications will be reviewed as they are received.*
