* Reading Endorsement: **RDEN 7070 must be taken** prior to RDEN 7071 or RDEN 7072. Following successful completion of these three courses, the student must follow the necessary procedures for adding the Reading Endorsement to one’s renewable certificate. Please see your instructor or forms page on our website for instructions.

Important Notes:

- Students assume primary responsibility for knowledge of and compliance with program requirements. Questions should be directed to the student’s advisor and/or the Department Head.
- If a student holds a state of Georgia T-4 certificate and is currently a Teacher of Record in Georgia, a certificate upgrade may be obtained through the school system Human Resources Office. If a student holds an out-of-state certificate and is interested in obtaining a Georgia T-5 certificate, please see [http://www.gapsc.com/Application/SelfEvaluation.asp](http://www.gapsc.com/Application/SelfEvaluation.asp) for more information.

Academic Probation and Academic Dismissal

Every student admitted to Armstrong with graduate student status must maintain a record of academic success. A student may earn one C grade or below without being academically dismissed. If a student earns a second C or below the student will be dismissed regardless of overall GPA. After being academically dismissed, the student must wait one semester before reapplying for admission.

This policy takes effect Fall 2010 semester. Retaking a course and earning a grade above the C level does not change the implementation of this policy. For the purposes of the graduate studies probation and dismissal policy, the following grades are included in the definition of C or below: C, D, F, WF, and U.
