CALL FOR CAMP TEACHER ASSISTANTS!

Savannah Children’s Museum is hiring Summer Camp Teachers for their 2017 Summer Camps.

Job Title: Summer Camp Teacher Assistant
Type: Seasonal
Compensation: $7.25-$9.00 depending on experience

All applicants must be able to work from 8:00am-3:00pm Monday-Friday during some weeks in June and July 2017 (schedule below). All promising candidates will be given a background check before hiring. No lesson planning will be required for any of our camps. CHS staff will provide all lessons, materials, and training needed. Camps will be home-based in a classroom at Esther F. Garrison School of Performing Arts, which is across the street from Savannah Children’s Museum. Tricentennial Park (SCM, GSRM, and SHM) will be heavily used for camp activities, but the classroom lab space will also be used for activities and arrival/lunch/dismissal etc...

As a CHS Camp Teacher Assistant you will:
• Assist the lead teacher in engaging kids aged 4-10 with exciting experiments, activities, and explorations related to STEAM, trains, history, or environmental education!
• Assist with management of 10-15 kids per camp
• Assist lead teacher with activities included in provided by the CHS educators

We are looking for teacher assistants who:
• Have experience working with children
• Are proactive and take initiative with our curriculum and activities
• Are passionate about teaching and learning
• Have experience or interest in STEAM, trains, history, or environmental education
• Have availability during some or all of the camp weeks in June and July, Monday-Friday from 8am-3pm. (See schedule)
• Live locally in Savannah
• Can pass a criminal background check
• Have the ability to work with the public, take direction, handle multiple priorities, and follow established safety guidelines
• Have the ability to lift 50lbs and can withstand working in an outdoor environment at times
• Has positive and proactive communication and interpersonal skills,
• Up-to-date CPR and First Aid Certification preferred.
Weeks are as follows:

**Jr. Chef Camp:** Offers campers a chance to cook with Savannah Children’s Museum’s nutrition specialist, Jesse Rosenblum, and our very own Charlie Cart mobile kitchen. Campers will engage in hands-on lessons, preparing healthy snacks, while also learning about nutrition and health, history, science, math, and art! *NOTE: We are only looking for Jr. Counselors for this camp at this time.*

**Jr. Engineer Train Camp:** Offers a unique experience that can only be found at Georgia State Railroad Museum! Campers will work alongside engineers, learn about steam & diesel powered locomotives, and engage in many interactive learning experiences.

**STEAM Studio Camp:** Kids are encouraged to design, build, and create! This camp offers campers a chance to participate in exciting activities that fuse Science, Technology, Engineering, the Arts, and Math together. Campers will experiment with various materials and tools to find creative solutions for the challenges that are presented to them each day.

**Time Travel Camp:** Offers campers a chance to jump through time and space and explore history through a unique lens. Campers will build their own time machines and experience what life was like in the past and predict what it might be like in the future! From dinosaurs to outer space, there is so much to discover!

**Young Explorer Camp:** Offers campers a chance to discover the world around them and learn how to protect it for the future. Campers will learn about plants, animals, and other living things through games, activities, and interactive experiences.

If interested in applying, please email your resume and cover letter with “**HIRING: SUMMER CAMP TEACHER ASSISTANT**” in the subject bar of the email to [JPatersonCHS@gmail.com](mailto:JPatersonCHS@gmail.com). In the e-mail body or cover letter please specify if you have an interest in teaching one of the specific camps.
