**Fall 2004 - Spring 2005**  
**Expenses and Fees Expenses**

Principal expenses and regulations concerning the payment of fees are described herein. Fees and other charges are subject to change without notice. When such changes are made, notice will be given as far in advance as possible. Expenses are in the form of tuition, out-of-state tuition; student services fees and other special fees. Fees of all students are due and payable at the time of registration; registration is not complete until all fees have been paid. Out-of-state residents pay higher fees than Georgia residents.

Fees are charged at either the undergraduate or graduate rate based upon the student classification in the student information system. Out-of-state tuition is charged to students who are not classified as Georgia residents.

- Students in specified courses, for example, applied music or scuba diving, may be subject to additional fees.
- Active duty military personnel and their dependents stationed in Georgia (except military personnel assigned to this institution for educational purposes) will pay the in-state tuition rate. Documentation must be presented to the registrar's office.
- On-campus students must pay an activity fee and an athletic fee each semester, regardless of the number of hours enrolled. On-campus courses are defined as being physically located in Chatham County.
- Students registered for a combination of on- and off-campus courses will be charged student activity and athletic fees.
- Internet courses are categorized as off-campus courses. A course will be considered an Internet course if 100% of the course instruction is delivered over the Internet.
- Tuition and fees are waived for Georgia residents who present to the registrar's office written documentation that they are 62 years of age or older and meet residency requirements.
- All students enrolled for classes will be charged the technology fee, and, if applicable, the activity and athletic fees, regardless of the length of the class.
