**C. Intercollegiate Athletics**

Dr. Will Lynch

Dr. Lynch, the faculty athletics representative to NCAA, gave the following update on intercollegiate athletics:

Women's soccer and golf have been added to our programs, moving us more into compliance with Title IX and gender equity issues. Ground has recently been broken for building the women's soccer and softball facility, which also moves us more towards compliance.

Eleven AASU student athletes were named All-American. Three of ten athletic teams won Peach Belt titles. Seven teams advanced to championships. Women's tennis placed second nationally. AASU placed second in the Peach Belt Commissioner's Cup standings, and 36<sup>th</sup> nationally in the Director's Cup standings – the highest Peach Belt school in country. Academically, AASU captured their first Peach Belt Presidential Academic Award. Sixty-one student athletes made the Peach Belt Presidential Honor Roll. Forty-nine percent of AASU student athletes had a 3.0 or higher grade point average. Twenty student athletes graduated last year, the highest number ever. The six-year graduation

rate for student athletes is still at forty percent. There were zero violations of NCAA rules this past year.
