The meeting was called to order at 1:30 p.m. for the purpose of electing a committee chairperson. Introductions were made.

Jewell Anderson was nominated for chairperson and agreed to accept the position, if elected. With no other nominations having been made, the group voted to elect Jewell Anderson.

Dorothée Mertz-Weigel was then nominated and elected as secretary.

As the members present were all first year participants, the committee discussed a plan of action for the next few weeks: find out what exactly the committee does and has done in the past.

Members also discussed inviting Dr. Mark Finlay to this committee's meetings as he is interested in interdisciplinary programs and is involved with developing an International Studies curriculum.

The meeting was adjourned at 2:00 p.m.

Respectfully submitted,
