

Minutes for the Student Success Committee  
Met on August 29, 2011

In attendance: Pamela Sears, Melissa Jackson, David Bringman, Lynn Roberts, Regina Rahimi, Leon Jaynes, Charles Belin, Faustina Smith, David Wheeler, John Hobe, Greg Anderson, John Kraft.

As the official Faculty Senator, Pamela Sears introduced the committee members to each other and then called for elections of the Chair and Vice-Chair. Melissa Jackson agreed to serve as Chair and David Bringman agreed to serve as Vice-Chair.

John Kraft then gave the committee a charge to review the University's Hardship Withdrawal Policy. A copy of the current policy was given out and discussed. It was decided that the committee needed to see other policies for comparison, and Charles Belin volunteered to obtain examples from other USG universities to bring to the next meeting. The committee also decided to invite the Deans and Assistant Deans to the next meeting to share their ideas about the Hardship Withdrawal policy.

Leon Jaynes distributed a report from last year's working Scholarship Selection Committees to all members.

Melissa Jackson was asked to contact Al Harris to discover who will be assigned to the committee as official student representatives. She will also contact Scott Joyner in Advancement to discuss his ideas and concerns about how the scholarships are awarded each Spring.

The next meeting will be September 14, 2011 at 3:00PM in Lane Library in room 224.
