F. Languages, Literature, & Philosophy

1. Create the following course:

ENGL 3150 Mythology

3-0-3

Prerequisite: ENGL 2100

Description: An introduction to the major characters, plots, and themes of mythological narratives.

Rationale: World literatures from the earliest eras to the present often make reference to mythological stories and figures. A knowledge of these mythological systems and of the nature of myth-making will enhance a student's appreciation of literature, human cultures, and the making of non-scientific meaning. This course, while focusing primarily upon Classical (Greek and Roman) myth, could be adapted to other mythologies (Norse, Asian, etc.); hence, its title has no modifier. This course would benefit not only English majors but also students of history, sociology, anthropology, religion, and psychology as a useful upper-level elective.

Effective Date: Spring 2013

CURCAT:

Major Department: Languages, Literature, and Philosophy

Can course be repeated for additional credit? No

Maximum number of Credit Hours: 3

Grading Mode: Normal
