Hi Phyllis, As an informational item per your suggestion, here is a recommendation from GFS committee as of our meeting of 3/31:

GFS committee recommends that "Temporary" graduate faculty status should be renamed "Assistant" Graduate faculty status.

Rationale: Regular non-tenure track faculty are more appropriately termed "Assistant" than "Temporary."

We also suggests that GAC consider extending the renewal period for "Temporary" (or "Assistant" if our recommendation adopted from three to five years.

sorry to be late with this
