APPROVAL OF MINUTES – April 9, 2013

ITEMS

I. College of Education

A. Adolescent and Adult Education
   1. Create the following course-
      MGSE 3080 Student and Classroom Assessment 2-0-2
      Prerequisites: Admission into candidacy in the College of Education
      Co-requisite: MGSE 3750
      An examination of roles, tools, and approaches of assessment including planning and implementing standards based assessment; measuring and evaluating instructional impact on student learning; and interpreting and communicating national and state standardized test data. This course is to be taken during the same semester as the MGSE 3750 Internship I course.

      Rationale: Pre-service candidates must be able to utilize data results to make informed instructional decisions that will lead to improved student learning and achievement. This course allows the teacher candidate to further their knowledge in the assessment area that will lead to improved student learning.

      CURCAT:
      Major Department: Adolescent & Adult Education
Can course be repeated for additional credit? No
Maximum number of credit hours: 2
Instruction type: Lecture

Effective Term: Fall 2014

2. Delete the following course:
  MGSE 3300 Adolescent Literature

Rationale: The content in MGSE 3300 is addressed in the MGSE 4200 Reading and Writing Across the Curriculum course, and the past Professional Standards Commission and NACTE reviews, it showed we were lacking in an assessment component for our degree program. The MGSE 3300 is being dropped so that we can add the MGSE 3080 course into the program of study.
