CALL TO ORDER. The meeting was called to order at 3:02 p.m. by Dr. Rick McGrath.

APPROVAL OF MINUTES. The minutes of April 3, 2013 were approved as presented.

ITEMS

I. College of Education

A. Adolescent and Adult Education

Items 1-3 from the Department of Adolescent and Adult Education were discussed and approved by the committee. They are being submitted to the Faculty Senate for approval.

1. Create the following course-
   MGSE 3080 Student and Classroom Assessment
   Prerequisites: Admission into candidacy in the College of Education and EDUC 3200
   Co-requisite: MGSE 3750
   An examination of roles, tools, and approaches of assessment including planning and implementing standards based assessment; measuring and evaluating instructional impact on student learning; and interpreting and communicating national and state standardized test data.
   Rationale: Pre-service candidates must be able to utilize data results to make informed instructional decisions that will lead to improved student learning and achievement. This course allows the teacher candidate to further their knowledge in the assessment area that will lead to improved student learning.

CURCAT:
   Major Department: Adolescent & Adult Education
Can course be repeated for additional credit? No
Maximum number of credit hours: 2
Instruction type: Lecture

Effective Term: Fall 2014

2. Delete the following course:
   MGSE 3300 Adolescence Literature

   Rationale: The content in MGSE 3300 is addressed in the MGSE 4200 Reading and Writing
   Across the Curriculum course, and the past Professional Standards Commission and NCATE
   reviews, it showed we were are lacking in an assessment component for our degree program.
   The MGSE 3300 is being dropped so that we can add the MGSE 3080 course into the
   program of study.

   Effective term: Fall 2014

3. Modify the following program of study:

   PROGRAM FOR THE DEGREE OF BACHELOR OF SCIENCE IN EDUCATION IN
   MIDDLE GRADES EDUCATION

   B. Major Field Courses ................................................................. 40 hours
   EDUC 3100 Technology Applications
   EDUC 3200 Curriculum, Instruction and Assessment
   EDUC 3300 Educating Students with Disabilities in the General Education Classroom
   MGSE 3000 Introduction to Middle Level Teaching
   MGSE 3080 Student and Classroom Assessment
   MGSE 3300 Adolescence Literature
   MGSE 3400 Classroom Management Strategies
   MGSE 3750 Internship I – Pre- Student Teaching
   MGSE 4200 Reading and Writing across the Curriculum
   MGSE 4750 Internship II – Student Teaching
   Any two of the following four method courses:
   MGSE 5300U Content Methods Language Arts
   MGSE 5400U Content Methods Social Studies
   MGSE 5500U Content Methods Science
   MGSE 5600U Content Methods Middle Grades Mathematics

   Effective term: Fall 2014

   B. Childhood and Exceptional Student Education (no items)

   II. College of Health Professions (no items)
   III. College of Liberal Arts (no items)
   IV. College of Science and Technology (no items)
OTHER BUSINESS

A. Information item: BOR acknowledgement of creation of certificate programs. See Attachment 1 for complete list.

B. Information item: BOR acknowledgement of online delivery for programs. See Attachment 2 for complete list.

C. Information item: USG Council on General Education does not approve CHEM 1050 for Area D. See Attachment 3. Note: This item originally came through the UCC on 12/5/2012 as CHEM 1100, Chemistry of the Environment.

D. Prior Learning Assessment workshop. Dr. John Kraft announced that there are two online workshops for people interested in learning about Prior Learning Assessment. There is a sub-grant that will pay $1500 to those who complete the workshop. The workshop runs for seven weeks, two hours a week. There is one starting September 23, and another starting October 21. Please contact Dr. Kraft if interested.

ADJOURNMENT. The meeting was adjourned at 3:20 p.m.

GUESTS: Jill Bell, AndiBeth Mincer

I. Call to Order. The meeting was called to order at 2:30 by Dr. Joey Crosby.

II. Approval of Minutes. The minutes of September 3, 2013 were approved by email on September 11, 2013.

III. Committee Reports
   A. Graduate Faculty Status (see Attachment 1)
      The committee accepted the report of the Graduate Faculty Status Committee as presented.

   B. Graduate Curriculum (see Attachment 2)
      The committee accepted the curriculum items in the report of the Graduate Curriculum Committee (GCC) as presented. The report should proceed through the Senate as an action item for Presidential approval.

IV. Candidates for Fall 2013 graduation (see Attachment 3)
    The list of candidates was approved as amended.

V. GSCC

There were adjustments made to the budget that brought it up to about the same amount as last year. The travel budget is $20,000 travel budget. There have been a large number of requests. The GSCC is looking closely at a number of factors—whether a student is graduating, whether a student is presenting a paper, etc.—to ensure fairness in making awards. They have not voted yet on today’s funding requests. Approximately 50% of the budget has already been used.

The GSCC will be present at Celebrate giving out promotional items.
VI. John Kraft

Requests for Graduate Assistants are due October 15. Dr. Kraft has asked the deans for volunteer graduate faculty to evaluate the applications. He would like to improve the communication process to better help programs use graduate assistantships as recruiting tools. It was asked whether a 1st-year graduate assistant could be kept for a second year. Dr. Kraft said that this would probably be acceptable, since the concept of 2-year appointments is new to this process.

Dr. Kraft reported that Dr. Sandy Streater helped review language for grade appeals for the catalog. This language will be shared with the committee soon. Having consistent language between graduate and undergraduate catalogs is desirable.

VII. Jill Bell

There were two emails sent out today about the Graduate Fair. Ten schools have confirmed that they are coming. There are 15 more that have not yet responded. Ms. Bell can provide a list of colleges that were invited and that have responded.

Information on the fair went to students in the “What’s Happening” email and will continue to do so. Ms. Bell has talked to Brenda Forbis about getting a button for the fair on the home page and about getting it put on the digital sign. There will be a Banner on the student union. Other publicity is being done. Light refreshments will be served at the fair.

Regarding Armstrong and the Graduate Fair, in some colleges the individual programs are registering and in others the College is registering as a whole. There will be another email going out regarding set-up.

Armstrong is scheduled to attend three fairs: University of Georgia, Georgia Southern University, and one other.

Applications are coming in well. Data entry is current as of yesterday. Ms. Bell is trying to keep everyone in the loop while they are trying to get the Argos reports going.

VIII. Adjournment. The meeting was adjourned at 2:47 p.m.

CALL TO ORDER. The meeting was called to order at 2:04 p.m. by Dr. Teresa Winterhalter.

APPROVAL OF MINUTES. The minutes of August 21, 2013 were approved as presented.

ITEMS

I. College of Education (no items)

II. College of Health Professions
   A. Health Sciences

   Items 1-2 from the Department of Health Sciences were discussed and approved by the committee.

   1. Create the following course
      MHSA 7950 Health Service Administration Capstone Project
      Co-requisite: MHSA 7880
      Description: Comprehensive assessment of skill and knowledge-based program competencies based upon student completion, presentation, and defense of results from assigned or approved project(s), case studies, and/or other applied research assignments. Student must earn a grade of A or B to satisfy the requirements for graduation.

      Rationale: This course will allow students the opportunity to synthesize and demonstrate mastery of cross-curricular competencies through the completion and presentation of a faculty assigned project. The MHSA program has increased its focus on improving the methods by which it
currently assesses the educational competencies its students achieve. Currently, most competency assessment is done by the student at different points in the didactic and applied components of the program. Recent program accreditation advice strongly encourages an increase in the rigor and validity of competency assessments by including faculty and practitioner-focused assessments. Effective faculty assessment of student educational competencies requires the creation of a capstone project to allow faculty and students to focus competency assessment efforts at the conclusion of the MHSA program.

Rationale: It was felt that students would be better served by incorporating leadership theory content into several existing courses in the program and phasing MHSA 7100 out as a required course in the program of study and adding a capstone project requirement in its place. In its place, the faculty decided that adding flexibility by allowing students the choice of one directed didactic elective from several existing courses would be appropriate and address a potential accreditation issue before the next site visit.

The Office of Academic Programs is in receipt of Armstrong Atlantic State University's notification of the reactivation of the Master of Science in Computer Science (CIP 11010100).

We understand that the program is viable and will be admitting students. We further note that the campus has slightly modified the name and the program should be reflected as a Master of Science in Computer and Information Sciences.

Thank you for notifying us of the institution's action. With this message, the Office of Research and Policy Analysis has been notified of changes to the Degrees and Majors database for Armstrong Atlantic State University.

Sincerely,

Marci
