Faculty Senate Bill

Selected Standing Committee Elimination

The Bylaws of the Faculty Senate of the Armstrong Atlantic State University are hereby amended to delete Sections C, I, J, K, and M of Article XI, which refer to the missions, duties, membership, meetings, and reports of the Library, Writing, International Programs and Activities, Honors Advisory, and Interdisciplinary Studies Committees, respectively. The elimination of these committees from the Senate is not a statement on their value to the University, but rather recognition of the fact that they can best complete their missions as independently constituted bodies comprising the faculty and administrators most knowledgeable about them.
