OTHER BUSINESS

A. Informational Item.
   MGSE 3080 Student and Classroom Assessment, created at the 9-4-13 UCC meeting, has been changed to MGSE 3081 because the number had been used previously. A blanket change will be done to cover any other occurrences.

B. Labs in Area D. Last month BIOL 1107 was separated into two distinct courses: BIOL 1107 and BIOL 1107L. There was discussion about how this should be reflected in the Core, particularly in areas D.I.2 and D.I.3. Dr. Kraft brought a copy of
the posted Core check sheet. It was noted that there are small differences in the way labs are referenced on the check sheet vs. in the catalog.

BIOL 1107 and 1107L need to be kept together because they are co-requisites, i.e., BIOL 1107L is not an optional lab. However, the question was raised about whether the lecture class on its own could be used in Areas D.I.2 and D.I.3 if the lab was failed.

Dr. Kraft will do some research on what is intended and bring it to the next meeting. He will also evaluate the online check sheet vs. what is in the catalog.

C. Bachelor of Science in Engineering Science. This degree was not approved at this time at the Presidential level due to questions of governance that must be resolved.

D. UCC Elections. If you are in your second year on the committee, you are eligible for re-election. Dr. McGrath has been in conversation with the Senate. A call for nominations should go out soon for the second- and fourth-year seats. All faculty in each college are eligible to nominate, even outside their departments, as long as there is not a sitting member from that department on the committee.

ADJOURNMENT. The meeting was adjourned at 3:30 p.m.

Respectfully submitted,

Phyllis L. Fulton
Catalog Editor and Secretary to the Committee
