The GSCC will have the 3rd reading of their By-Laws and the Constitution; it has been 10 years since the constitution was updated. Campus police has updated their website with current parking and moving traffic violation information. There was a problem of students trying to use their ID over the holiday break. It appears student codes were changed to a staff category in the ADP system. Ms. Bild requested training for graduate assistants since ADP and People Soft Financials/ESS is now required for processing travel claims. Dr. Whitford offered to speak to Human Resources on these two issues. Ms Bild confirmed all departments had appointed a representative except the nursing department.

Of the 309 applicants, 196 were accepted. Of the 196, 136 were enrolled. New applications are down from last spring; however, applications are expected to go up during flex term.

Remarks from Dr. Ellen V. Whitford, Vice President of Academic Affairs and Dean of Faculty: Dr. Whitford discussed possible future procedures for commencement. It is recommended that graduate students be Hooded by their respective faculty before receiving their diploma and shaking hands with the president. It was also recommended that the order of degrees to be conferred fall 2010 commencement will be in the order of: Doctorial, Master’s, and Undergraduate. The members of the committee agreed making these changes would help commencement run more smoothly.

Graduate Student Learning Outcomes from last year are due February 15. Please send to Dr. Anne Thompson by the due date.
Graduate faculty must have the appropriate credentials and have those credentials documented if they are teaching graduate courses. Policies and procedures must be in place and the policies followed by students and faculty. The graduate faculty handbook also needs to be reorganized and made accessible.

The 2009-2010 graduate catalog is on-line and on disk.

VIII. Adjournment: The meeting was adjourned at 3:25 PM.

Respectfully submitted,

Linda C. Hansen
Coordinator of Graduate Faculty Services
