Our Mission

The Office of Housing and Residence Life creates a safe living environment, which promotes holistic learning and personal growth. Through our programs and services, we challenge students to be engaged, community minded and academically successful.

Our Values

The Office of Housing and Residence Life embraces these core values:

- Providing residents with the support and resources to promote successful transitions throughout their collegiate experience
- We strive to ensure that students are connected to the community by providing engaging opportunities for involvement with Armstrong and the greater Savannah area.
- We encourage students to understand, appreciate, and promote tolerance of diverging views, opinions and differing backgrounds through intentional programs and educational conversations.
- We collaborate strategically and closely with University Police Department and Facilities Services to ensure that student's residences are safe, secure and well maintained.

Learning Outcomes 2015-2016

1. Living-Learning community participants will show higher retention rates than their non-LLC counterparts.
2. More than 55% of current residential students will renew to housing for the 2016-2017 academic year.
3. More than 80% of current residential students who renew to housing will do so utilizing the self-selection feature of the housing application.
4. 90% of quality of life survey respondents will report that their Resident Assistant engaged them and made them aware of campus programs and resources.
5. Housing will celebrate the academic success of our residential population through the institution of a National Residence Hall Honorary (NRHH) chapter.
6. Housing will rebuild the Resident Student Association (RSA) and officially affiliate with NACURH (National Association of College and University Residence Halls).
7. 90% of quality of life survey respondents will report that Housing and Residence Life made them aware of the opportunity to join the RSA.
8. 88% of program survey respondents will agree that participation in residential programs has provided them information and connected them with resources conducive to their success as students.
9. Housing will reduce cancellations after the deadline by 5% for fiscal year 2015-2016 by educating students about the housing application process and appropriate retention programming.
