- Members Not Present: John Markham, Elizabeth Desnoyers-Colas

- Call to order 1:00

- The board reviewed, edited, and approved the minutes from the last three IRB meetings.

- Review of IRB #1110 - Kristina Pascutti with Inst. Donna Mullenax
  - The board members reviewed the updated protocol submitted by the researcher.
  - It was suggested in an informal IRB meeting that that the researcher use soccer players only, have the participants head a maximum of 15 times spaced out evening across 60 minutes, and have the soccer coach substantiate that 15 headers in 60 minutes is within the norm for a soccer player during training.
  - It was also suggested that consent form be improved in accordance with the guidelines of the Office for Human Research Protections (OHRP)
  - A board member suggested a minor editorial update on the consent.
  - The board voted unanimously to approve the IRB application.

- The board adjourned at approximately 1:30 pm.
