Connecting to Armstrong Wi-Fi: Windows 8

1. From the Start screen, place the mouse cursor in the bottom right corner.

2. The Charms bar appears. Click **Settings**.

3. The Start Settings menu appears. Click the **Available** wireless network icon.
4. The list of available wireless networks appears. Select **Armstrong**.

5. Click **Connect**.

6. Enter your **Port username** and **password**.

7. Click **OK**.
8. The Windows can’t verify the server’s identity screen should appear. Click **Connect**.

9. You are now connected to the **Armstrong** WiFi.
