Connecting to Armstrong Wi-Fi: iPad

1. Tap on Settings.

2. Tap on General.
3. Tap on **Network**.

4. Tap on **Wi-Fi**.
5. Tap on **OFF**. If **ON** is already showing then disregard.

6. Tap on **Armstrong**.

The Enter the password for “Armstrong” window appears.
7. Enter your Port username and password.

The nps01.armstrong.edu or nps02.armstrong.edu certificate window appears.

8. Tap on Accept.

You should now be connected to the Armstrong wireless network.
