ARMSTRONG LATINO

KICK-OFF LUNCHEON

Hispanic Outreach & Leadership at Armstrong
Aligning with Armstrong’s Strategic Plan, the Hispanic Outreach & Leadership at Armstrong (HOLA) program is a student-focused Hispanic/Latino initiative that provides student support services and cultural awareness programs which strengthen the collegiate experience of a diverse body of campus constituents and community partners.

Hispanic Outreach & Retention at Armstrong
The HOLA collaborate and works closely with HORA office which serves the Hispanic/Latino students and their families as they transition into postsecondary studies at Armstrong. Being in a new environment can be challenging, and often students don’t know where to turn when they have questions or need help. We support current and prospective students and their families, while introducing them to available academic resources and services.
