The InterProfessional Collaborative Practice Project, along with Armstrong’s College of Health Professions and St. Joseph’s Candler Health System, cordially invite you to register for its April 10, 2015 conference.

The 2015 conference location is the Coastal Georgia Center, which is located in downtown Savannah and within convenient walking distance to restaurants, hotels, and historic sites.

REGISTRATION PROCESS
Conference registration fees will include: lunch, and refreshment breaks. Registration for Professionals is $75 with students receiving a reduced rate of $40. Registration is completely online. Nursing CE credits are pending.

REFUND, TRANSFER, AND CANCELLATION POLICY
No refunds will be granted. Please contact us prior to March 13, 2015 if you cannot attend and would like another person to attend in your place.

VISITING SAVANNAH
We have reserved a block of rooms at three local hotels. Rooms must be reserved by March 9 to receive the discounted conference rate:
- Embassy Suites Savannah — 0.2 miles from the Coastal Georgia Center (Make your reservations online)
- Hampton Inn & Suites Savannah Historic District — 0.2 miles from the Coastal Georgia Center (Make your reservations online)
- Residence Inn Historic District — 0.4 miles from the Coastal Georgia Center (Make your reservations online)

Airline reservations should be made to and from Savannah/Hilton Head International Airport (SAV). The conference site is approximately 17 miles from the airport. Taxi or car rental is advised. For more information on Savannah, one of the nation’s oldest cities, check out our Visitor Information page.

SUMMIT THEMES
Summit themes include: interprofessional clinical practice, education, and team science. Other topical areas are welcomed with an emphasis on InterProfessional practice strategies. Possible examples are outlined below:
- **Clinical Practice**: Patient and population outcomes, interprofessional methods to increase quality of care, informatics (data, EHR, etc.)
- **Education**: Innovative instructional delivery, development of interprofessional faculty, curricular design
- **Team Science**: Interprofessional team development, evaluation of interprofessional care: costs, outcomes and policy, team leadership

QUESTIONS REGARDING THE SUMMIT?
Email Ruth.Davis-Rehnstrom@armstrong.edu or call 912.344.3291.

The InterProfessional Collaborative Practice Project is a collaborative project made possible through a grant from the Health Resources and Services Administration Nurse Education, Practice, Quality, and Retention: InterProfessional Collaborative Practice, Grant #UD7HP25051.
