President’s Message

Dear Current and Future Students,

We are delighted that you have chosen Armstrong! As you may know, this fall will mark the 80th anniversary of Armstrong’s founding and the 50th anniversary of our move to the southside. With students from 45 states and 72 countries around the world, Armstrong is a rich and diverse community. Our commitment to student success is at the center of all we do. This catalog will help you to know about our many academic programs, life on campus, and the policies that help to guide the university. Please refer to it often, and seek assistance if you have any questions.

Your learning experience at Armstrong will extend far beyond the catalog and the classroom. It will happen in the art studio or the science lab, in the library or on the field, during an internship or as part of a volunteer service project. You will make new friends with diverse backgrounds, interests, and goals, and who will challenge you to view the world in new ways. You will meet Armstrong professors and staff who know how to provide you with inspiring and meaningful learning experiences. As an Armstrong graduate, you will leave here with the skills and confidence you need to become a leader in your profession and your community.

I hope you will continue to explore the opportunities that Armstrong can provide you, and the beautiful coastal environment in which we learn, play, and work. Please visit our website, Armstrong.edu, to learn more, or visit ArmstrongExperience.com to hear what students, faculty, and alumni say about their time at Armstrong.

Sincerely,
Linda M. Bleicken
President
Our **Mission**

Armstrong is teaching-centered and student-focused, providing diverse learning experiences and professional programs grounded in the liberal arts.

Our **Values**

Armstrong embraces these core values:

- We value education that is student–focused, transformative, experiential and rigorous, leading to student success.
- We value balance among teaching, mentoring and scholarship.
- We value an environment of mutual trust and collegiality that builds an inclusive community.
- We value transparency that fosters shared governance.
- We value and respect diversity.
- We value ethical behavior and accountability that support high standards of performance.
- We value civic engagement through outreach and service.
- We value our relationship with Savannah, its unique geographic location, rich history and abundant opportunities.

**Strategic Goal 1**

Armstrong will impart the skills and habits of mind to motivated students that help them realize their potential as productive citizens of the world.

Armstrong will foster student success.

**Strategic Goal 2**

Armstrong will build upon and strengthen its foundational commitment to teaching, ensuring that transformative student learning occurs inside and outside the classroom.

**Strategic Goal 3**

Armstrong will enhance existing campus technologies, expanding both its technological capabilities and reach to meet current and emerging needs.

**Strategic Goal 4**

Armstrong will strengthen its financial base, diversify university resources and wisely invest in initiatives in order to ensure long-term sustainability.

**Strategic Goal 5**

Armstrong will increase its visibility across the state and region by transforming its most compelling strengths, values and offerings into resonant messaging that inspires loyalty among internal stakeholders and alumni and builds lasting relationships with the local community.
Philosophy, Mission, and Goal of Graduate Studies

Graduate education is an integral component of Armstrong State University. Armstrong’s graduate programs provide a graduate education and applied research experiences for students in selected disciplines. The faculty and students create an atmosphere of academic scholarship and investigation which provides graduates with values and skills in their disciplines.

The goal of graduate education at Armstrong State University is to produce graduates with advanced knowledge in their fields so that they are prepared to address issues of significance and provide service to the communities that they serve.

Accreditation

Armstrong State University is accredited by Southern Association of Colleges and Schools Commission on Colleges (SACS-COC) to award associate, baccalaureate, masters and doctorate degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, or call 909.679.4500 for questions about the accreditation of Armstrong State University.

Normal inquiries about Armstrong, such as admission requirements, financial aid, educational programs, etc. should be addressed directly to Armstrong (912.344.2576) and not to the Commission.

The Commission is to be contacted only if there is evidence that appears to support an institution’s significant non-compliance with a requirement or standard.

Armstrong State University programs have earned the following special purpose accreditations:

Communication Sciences and Disorders—by the Council on Academic Accreditation (CAA) of the American Speech-Language Hearing Association (ASHA) for 2009-2016.

Health Services Administration—by the Commission of Accreditation on Healthcare Management Education for the period 2009-2015.

Nursing—(Baccalaureate and Master’s degrees)—by the Commission on Collegiate Nursing Education for the period 2006-2016.

Physical Therapy—by the Commission on Accreditation in Physical Therapy Education (CAPTE), 1111 North Fairfax Street, Alexandria, Virginia 22314; telephone: 703-706-3245; email: accreditation@apta.org; website: www.capteonline.org. The program received initial accreditation in May 1997. Present accreditation continues through December 31, 2022.

Teacher Education Programs—by the National Council for the Accreditation of Teacher Education [Council for the Accreditation of Educator Preparation] and the Georgia Professional Standards Commission for the period 2010-2017.
Admissions

Admission Requirements for Graduate Studies

Graduate studies applicants are required to meet admission requirements for Graduate Studies. Each graduate program stipulates its own minimum admission requirements, but in no case will a degree program (master’s or doctoral level) require less than a 2.5 undergraduate GPA. Please refer to the graduate program of your choice. These minimum requirements, if met before the admission deadline, only guarantee that your application will be considered. The application in its entirety, which may include documentation beyond the minimum requirements, is considered when making a final admission decision.

Categories of Graduate Admission

Degree Category

Applicants who are admitted to Graduate Studies with the expressed intention of following a program leading to a graduate degree are classified as degree-seeking students. All graduate degree programs require a GPA of 2.5 or higher for admissions. When admitted as a degree student, the applicant will be placed in one of the following categories:

Degree-Regular

A prospective candidate for a degree, who meets all requirements for unqualified admission, has been recommended by the graduate program in which the student proposes to study, and approved by Graduate Studies is classified as a degree-regular student.

Degree-Provisional

1. A prospective candidate for a degree who does not satisfy the regular admission requirements may be classified in this category under conditions specified at the time of admission.
2. Graduate Studies will establish these conditions based on the recommendation of the graduate program in which the student proposes to study. Because there is the requirement to carry more than nine semester hours during the first semester of the physical therapy program of study, all provisional graduate students in physical therapy will be allowed to enroll in more than nine hours of approved graduate credit.
3. A student may take no more than nine semester hours of course work which has been determined by the graduate program in which the student proposes to study. Because there is the requirement to carry more than nine semester hours during the first semester of the physical therapy program of study, all provisional graduate students in physical therapy will be allowed to enroll in more than nine hours of approved graduate credit.
4. The student may be reclassified to degree-regular status if at least one course at Armstrong, approved by the advisor, has been completed with a grade of no less than a B and has met all the conditions as set forth by the academic department. Most graduate programs require provisional students to take a minimum of three graduate classes before possible reclassification. Each academic unit may require that specific courses must be completed prior to a student’s reclassification.
5. Failure to satisfy the conditions in the specified time limit will result in the student’s ineligibility to continue in Graduate Studies.
6. Financial aid may not be available for all provisional degree seeking students.

Non-Degree Seeking or Undeclared Category

1. An applicant with the expressed intent of enrolling in graduate courses for the purpose of professional development and/or enrichment, without working toward a graduate degree, is classified as “Non-degree seeking.” Students admitted as non-degree seeking are limited to 12 hours and are not eligible for financial aid. If a non-degree-seeking certificate, professional development and/or enrichment student chooses to become degree seeking, that student must officially apply as a degree seeking student and meet all regular admission criteria for a degree seeking student. Up to a maximum of 12 hours credit taken under non-degree status may be allowed to transfer into a degree seeking graduate program, subject to approval by the program. In order for a non-degree seeking student to apply for a degree program, the student must apply and submit all the required documentation by the posted deadlines for the individual program. This includes items such as original transcripts, original test scores, and letter of intent, etc.
2. Admission requires a bachelor’s degree with a cumulative undergraduate GPA of at least 2.5 from a regionally accredited institution. An official transcript from the degree granting institution is required for admission.
3. Non-degree seeking applicants who were once in Armstrong graduate programs may not be admitted based on their prior conduct as an enrolled student.
4. Financial aid is not available for non-degree seeking or undeclared students.

**Post-Baccalaureate - Teacher Certification**

1. An applicant who seeks enrollment in courses to meet certification requirements or to renew certification.
2. Hours in excess of the twelve semester hours allowed for non-degree students may be earned to complete certification requirements or to renew certification.
3. Financial aid may be available for post-baccalaureate teacher certification students. Contact the Office of Financial Aid for specific details.

**Transient**

There are two types of graduate transient students: transient to Armstrong (different home institution) or an Armstrong student that is attending another institution.

**Transient to Armstrong**

Definition: An applicant who is enrolled in a graduate program at another institution but is approved to enroll in graduate courses at Armstrong.

1. Transferability of credit is the prerogative of the home institution.
2. The home institution will approve the number of semester hours that may be earned at Armstrong.
3. Graduate transient students are not allowed to attend more than two consecutive semesters.
4. Updated letters of good standing are required for each semester attended.
5. Financial Aid is from the home institution. Students are responsible for contacting both their home institution and Armstrong Financial Aid for the required paperwork necessary.

**Armstrong Student Transient to Another Institution**

Definition: An applicant who is enrolled in a graduate program at Armstrong, and has departmental approval and Graduate Studies approval to attend another institution. Graduate transient approval forms may be obtained in Graduate Studies.

1. Transfer credit may be allowed; however this is the discretion of the individual academic department and the Registrar’s Office. Transfer credit will only be allowed for courses with grades of “B” or higher.
2. Armstrong graduate students are not allowed to attend more than 2 consecutive semesters as a transient student and students will only be approved 1 semester at a time. Official transcripts for the first term, with the grade(s) posted, must be received by the Graduate Office prior to permission for the 2nd semester.
3. Armstrong graduate students must have been enrolled at Armstrong at the graduate level for the semester immediately prior to the transient term. (Students are not allowed to attend transient the first term of acceptance.)
4. It is the student’s responsibility to obtain official transcripts from the transient institution and have them delivered to the Graduate Office as soon as possible after the end of semester. An official transcript from the transient institution must be on file with the Graduate Office in order to register for a subsequent term. Copies (Xerox or scanned to e-mail) or faxes are not acceptable.
5. Students that do not attend the transient institution, or withdraw from classes at the transient institution, must contact the transient institution for an official transcript showing the withdrawal or a written enrollment verification indicating non-attendance.
6. A copy of approved graduate transient permission forms will be provided to Armstrong’s Office of Financial Aid. It is the student’s responsibility to contact Armstrong’s Office of Financial Aid in regards to their financial aid status. There is no guarantee that financial aid will be awarded.
7. Attending as a transient student to another institution during the final term prior to graduation is not recommended as official transcripts with all grades posted, must be in received by Graduate Studies, and transfer work completed prior to the awarding and/or posting of the degree. Faxes or copies of transcripts are not acceptable.

**Re-admit**

1. Students who have not been enrolled at Armstrong for one full year (three or more consecutive semesters including the summer semester) must complete a graduate readmission form in Graduate Studies.
2. There is no fee for re-admission.
3. There is no guarantee of re-admission into a prior program.
4. All student records and documents will be reviewed prior to re-admission.
5. Students may be requested to submit additional information in addition to the re-admit form.
Guidelines for Admission Classification
Undergraduate and Graduate Students

Determination of Admission Classification

An applicant with an earned baccalaureate and/or earned graduate degree from a nationally accredited institution may be admitted by the undergraduate admissions office and be classified as an undergraduate or may be admitted by Graduate Studies and be classified as a graduate student.

Tuition and fees are charged at either the undergraduate or graduate rate based upon the student classification in the student information system.

Undergraduate Status

Applicants are classified as undergraduate students if:

• An undergraduate application has been received.
• Pursuing any of the following undergraduate admission categories:
  – Post Baccalaureate, personal enrichment courses, or prerequisite courses for a second degree
  – Second Baccalaureate Degree

Students with an earned baccalaureate and/or earned graduate degree will continue to be classified as an undergraduate student until they wish to enroll in graduate courses for graduate credit at the 5000 level (or 6000, 7000, 8000 levels).

Once an undergraduate student changes admission status from an undergraduate admission category to a graduate admission category, the graduate classification will remain unless the student decides to pursue an undergraduate degree instead.

Graduate Status

Applicants are classified as graduate students if:

• An application to Graduate Studies has been received and prior degrees have been verified.
• Pursuing any of the following graduate admission categories:
  – Degree Seeking (regular or provisional)
  – Non-degree Teacher Certification
  – Graduate courses for personal enrichment (non-degree/undeclared)
  – Certificate at the graduate level

Residence Requirement for Degrees

A minimum of one-half of the hours required for the degree must be earned in residence. A maximum of one-half of the hours required for the degree may be earned in courses offered off-campus, including courses offered through the Area Teacher Education Services. Armstrong courses taken off-campus as part of an approved external degree program are considered to have been completed in residence.

Admission Requirements for International Applicants

In addition to items required of all applicants, international applicants must submit the following:

• Official TOEFL or IELTS scores: Minimum TOEFL score requirements are 523 paper, 193 computer, or 70 internet based. Minimum IELTS score is a 6.5 overall bandwidth in the Academic Training format.
• Original documentation certifying immigrant or non-immigrant status (copy of front and back of I-551 card (permanent alien resident Card), copy of visa information, passport, front and back of I-94 card, etc.)
• Official transcripts of all colleges/universities - U.S. and international
• Official English translation of all college/university transcripts earned outside of the U.S.
• Official evaluations of all non-U.S. transcripts (Acceptable evaluating organizations are Josef Silny, Inc. or World Education Services) This evaluation must state that you have the minimum equivalency of a 4 year U.S. bachelor’s degree and must include a course by course evaluation along with a grade point average calculation.
• Interview with the academic unit may be requested

For international students requesting an I-20, the following documents must also be submitted. These forms are available on the website for Graduate Studies:
Prospective international students must show original financial certification of funds showing availability of funds for one full year of graduate study - certification of funds must be current within 6 months of accepted term. **Having sufficient funds for the cost of living and educational expenses is required by U.S. Immigration regulations.** (The amount of funding required varies with the degree program. Please contact Graduate Studies for current information.)

- Proof of health insurance for entire length of study is required.
- Request for I-20 (form available from Graduate Studies).
- International Student Data Sheet

**International students here on non-immigrant student visas (F-1, J-1, etc.) are not eligible for state or federal loans or scholarships.**

**Readmission**

Students who have not been enrolled at Armstrong for one full year (three or more consecutive semesters including the summer semester) must complete a graduate readmission form in Graduate Studies. Former students who have not attended another institution since leaving Armstrong may be readmitted, provided they have not been disenrolled from Graduate Studies. There is no guarantee of re-admission into a prior program. All student records and documents will be reviewed prior to re-admission. Students may be requested to submit additional information in addition to the re-admit form. Former students who have attended another institution since leaving Armstrong must meet requirements as listed in the catalog in effect at the time of return and submit *original* transcripts from all colleges/universities in the interim. A student who is readmitted after an absence from the university for more than two years must meet degree requirements as listed in the catalog in effect at the time of return.

**Persons Sixty-Two Years of Age or Older**

Persons who are sixty-two years of age or older may enroll in credit courses on a “space available” basis without payment of fees, except for supplies, laboratory, or special course fees. They must be residents of the state of Georgia and must present a birth certificate or comparable written documentation of age to enable Graduate Studies to determine eligibility. They must meet all admission and degree requirements. All residency requirements apply. For questions regarding the 62 Plus program and residency, contact the Armstrong Office of Adult Academic Support Services.

**Admission of Veterans**

Once accepted to Armstrong, veteran students must speak with the Veterans Affairs Office to begin using VA benefits at Armstrong. Upon receipt of certification of eligibility from the Veterans Administration, veterans may begin using VA education benefits under the following programs: Post 9/11 GI Bill (chapter 33), Active Duty MGIB-AD (chapter 30), Selected Reserve MGIB-SR (chapter 1606), Reserve Education Assistance Program REAP (chapter 1607), Veterans Educational Assistance Program VEAP (chapter 32), Survivors’ and Dependents’ Educational Assistance Program DEA (chapter 35), or VA Vocational Rehabilitation (chapter 31). Students using Veterans Affairs educational programs should be prepared to pay tuition and fees at the time of registration.

**Vocational Rehabilitation Applicants**

Those applicants sponsored by Vocational Rehabilitation or other community agencies must apply at least six weeks before the beginning of any semester to ensure proper processing of application.

**Immunization Requirements**

The Board of Regents of the University System of Georgia requires all new students attending Armstrong State University to submit acceptable proof of immunization against the following: MMR (measles, mumps, rubella) 1 & 2, Tetanus-Diphtheria (Td booster in the last 10 years or primary series with DtaP, DTP or Td), and Varicella (either history of chicken pox, positive Varicella antibody, or two doses of vaccine given at least 1 month apart if immunized after age 13) before being allowed to register for classes. It is important that all shots be given after the first birthday. For students born before January 1, 1957, only proof of immunization against tetanus is required. Students who previously attended Armstrong are exempt, assuming records are already in the Armstrong system.
Students who do not present evidence of immunization will not be allowed to register or to attend classes until they can present the required immunization certificate. Students who have religious objections and students whose physicians have certified that they cannot be immunized because of medical reasons may be allowed to register with the understanding that they must leave the campus in the event of an outbreak of the aforementioned diseases. Immunization forms may be obtained from Graduate Studies or the web site.

Admissions Examinations

Prospective candidates for graduate degrees may be required to submit official scores from the examination appropriate to their specific degree program. To be official, test scores must be sent from the testing agency directly to Office for Graduate Studies. Further information on test dates and fees may be obtained from the Testing Center.

Graduate Management Admission Test (GMAT)

The GMAT consists of seven separately-timed sections, each containing multiple choice questions. Total test time is three and one-half hours. The GMAT measures general verbal and mathematical skills that are associated with success during the first year of graduate study. Verbal and quantitative scores are required.

Graduate Record Examination (GRE). The GRE General Test contains sections designed to measure verbal, quantitative, and analytic abilities.

- Verbal Reasoning — Measures your ability to analyze and evaluate written material and synthesize information obtained from it, analyze relationships among component parts of sentences and recognize relationships among words and concepts.
- Quantitative Reasoning — Measures problem-solving ability, focusing on basic concepts of arithmetic, algebra, geometry and data analysis.
- Analytical Writing — Measures critical thinking and analytical writing skills, specifically your ability to articulate and support complex ideas clearly and effectively.

The publisher of the Graduate Record Examination (GRE), Educational Testing Services, revised the quantitative and verbal sections of the revised GRE on a new scale (130-170 instead of 200-800) for examinations taken after August 1, 2011. Graduate programs with GRE requirements use the new scale. Applicants who submit GRE scores based on the prior, but still valid, scale should consult the following concordance tables.

See www.ets.org/gre for updated information about the revised GRE and GRE specialty exams.

**Miller Analogies Test (MAT)**

The MAT consists of 100 multiple choice questions designed to measure verbal aptitude. The total exam time is fifty minutes. A single raw score is assigned.
Academic Policies

Academic Advisors

When the student is notified of admission to Graduate Studies, a faculty member in the student’s degree field will be assigned as an academic advisor. A graduate student may request a change in advisor by contacting the graduate coordinator in writing. If the request is granted, the graduate coordinator, Graduate Studies, and the student will be notified in writing.

The academic advisor will assist in helping the student plan a program of study in keeping with the student’s field and goals. The advisor will also assist in approving all course selections prior to registration. International students will be advised by the international student advisor as well as by an academic advisor in their academic program. Graduate students with physical or developmental disabilities are encouraged to use the services of the director of disability services in the Division of Student Affairs.

Academic Dismissal Due to Low Grades

Every student admitted to Armstrong with graduate student status must maintain a record of academic success in graduate coursework. A student may earn one C grade or below without being academically dismissed. If a student earns a second C or below the student will be dismissed regardless of overall GPA. After being academically dismissed, the student must wait one semester before reapplying for admission. Readmission is not guaranteed. For the purposes of this policy, the summer session is considered a semester.

<table>
<thead>
<tr>
<th>If you are academically dismissed after the ...</th>
<th>You may apply for readmission in...</th>
<th>If readmitted you could be back in school as soon as ...</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall semester</td>
<td>Summer session</td>
<td>Fall semester</td>
</tr>
<tr>
<td>Spring semester</td>
<td>Fall semester</td>
<td>Spring semester</td>
</tr>
<tr>
<td>Summer session</td>
<td>Spring semester</td>
<td>Summer session</td>
</tr>
</tbody>
</table>

This policy took effect in the Fall 2010 semester. Retaking a course and earning a grade above the C level does not change the implementation of this policy. For the purposes of the graduate studies probation and dismissal policy, the following grades are included in the definition of C or below: C, D, F, WF, and U

Academic Standing

A student maintains good academic standing on their academic record when the student achieves a 3.0 or higher cumulative grade point average (GPA). If a student’s GPA falls below 3.0, the academic standing shall be noted as on probation.

Assumption of Financial Responsibility

When a student registers, the act of registering signifies the assumption of definitive obligations between that student and the university. It is an agreement by the student and the student’s family to fulfill the terms of registration. Therefore, students will be required to settle all financial accounts due the university before being allowed to preregister for the upcoming semester and prior to graduation.

Students will not be allowed to register for another term, will not be granted a degree or a certificate, or furnished a transcript of record for any purpose until settlement of all financial accounts is complete.

Attendance and Student Responsibility

It is the student’s responsibility to verify the accuracy of their course schedule at all times. It is imperative that the student verify the accuracy of their course schedule during the attendance verification period.

Students are responsible for dropping all classes that they do not plan to attend or complete. Students are also responsible for registering or adding classes for which they wish to receive credit. Drop/adds must be completed during the drop/add period which is defined on the academic calendar for each term or part of term.
Attendance and Grades

The effect of attendance on course grades is left to the discretion of instructors. Students are responsible for knowing everything that is announced, discussed, or lectured upon in class as well as for mastering all outside assignments. Students are also responsible for submitting all assignments, tests, recitations, and unannounced quizzes on time.

Instructors are responsible for informing all classes in the syllabus and at the first meeting what constitutes excessive absence in the course. Students are responsible for knowing and complying with attendance regulations in all their courses. Instructors may withdraw students from any course with a grade of W or WF on or before the midterm semester dates or with a grade of WF after the midterm semester dates if, in their judgment, absences have been excessive.

Attendance and Enrollment

Federal regulations require the University to confirm that students are attending class before financial aid will be released to the students. Faculty must verify attendance for all students in all classes regardless of whether or not the student is receiving financial aid. Students will not receive aid for classes in which they did not attend. Also, students may be dropped from classes in which they did not attend. It is the students’ responsibility to confirm that they have been dropped from a class in order to ensure appropriate grading and financial charges have occurred.

The attendance verification period is on the academic calendar for each term or part of term. In general, this verification occurs during the first few days of the short terms or the first week of full terms. Faculty are encouraged to verify attendance the day of the first class meeting.

Change in Degree Objective

Students requesting a change in major at the graduate level must complete the Request for Change in Degree Objective Form one semester in advance of the change. The form may be obtained from Graduate Studies. Review and approval must be obtained from the current and requested academic units. Changes can be made at the beginning of the semester only, before classes begin. You must meet all requirements for admission to the new program. All college transcripts, test scores and other admissions documents will be required.

Comprehensive Assessment

Successful completion of a program-specific comprehensive assessment is required for graduation. All registration scheduling and comprehensive assessment results must be obtained from the student’s academic unit. Please check with your academic advisor regarding dates.

Course Load and Limitations

A full-time graduate student is defined as one who registers for six or more credit hours. A full-time graduate student who has been awarded a graduate assistantship must enroll in a minimum of six credit hours in their major. Graduate students may not take more than twelve credit hours per semester, excluding the summer semester during which they may take a maximum of nine credit hours. Exceptions must be approved by the respective dean upon the recommendation of the department head. This does not apply to physical therapy students.

Dropping or Withdrawing from Courses

Policy for Dropping Courses

A student who drops a course before the drop/add period is over does not receive a grade in the course and the course does not appear on the academic transcript. Being dropped for non-attendance, for non-payment, and from a student-initiated request to be dropped from all classes during the established drop/add period for each term or part of term shall result in the same consequences pertaining to academic and financial records.

Course withdrawal policy effective Fall 2012:

Students are allowed to withdraw from a particular course prior to midterm with the possibility of a grade of “W” recorded, at the discretion of the professor, one time. On the second and any subsequent attempt, if a student desires to withdraw
from that course, a grade of “WF” is automatically recorded. A grade of WF is reflected in the academic GPA the same as a grade of “F”.

Policy exceptions:

- Only Armstrong State University course withdrawals will be considered. Therefore, W/WF grades transferred from other institutions will not count.
- With approved documentation, hardship withdrawals from the university are possible due to circumstances of extreme duress or for military obligations. See the sections on “Withdrawing from the University” and “Hardship Withdrawal from the University.”

Experiential Learning Credit

Graduate Studies does not grant graduate credit for experiential learning.

Grade Appeal Process

In accordance with Armstrong State University regulations, appeals for a change of grade are initiated by the student prior to midterm of the semester after the grade was received. A change of grade, other than incomplete, may not be made later than two calendar semesters following the semester in which the grade was received.

A student who contests a grade must follow this procedure:

1. The student must discuss the contested grade with the instructor involved.
2. If the grade dispute remains unresolved, the student must meet with the department head/program director and the instructor. If the grade dispute is with the department head/program director, the student must meet with the dean of the college/school (or designee) and the department head/program director. A “memorandum for the record” will be prepared by the department head (dean or designee) which will include the substance of the conversations and pertinent documentation presented during the meeting. The student will receive a copy upon request.
3. If the grade dispute remains unresolved, the student must request a formal hearing, in writing by mid-term of the semester following the posting of the disputed grade, according to the procedures outlined by the college.
   a. College procedures are available in the dean’s offices
   b. Colleges may choose to have one or two levels of review: departmental appeal committee and/or college appeal committee.
   c. Committees deliberate in closed door sessions after both the student and the instructor have presented their case and documentation. All discussions are confidential.
4. In the event of a departmental review, the department head will appoint the departmental appeal committee to hear the appeal. The committee will operate according to A-D below. If the student plans enrollment in a course for which the course grade being appealed is a prerequisite, see “6” below.
   a. The departmental appeal committee will consist of at least three faculty members, not including the instructor involved. Membership on the departmental appeal committee may include faculty from other departments in the college when deemed necessary by the department head. One of the faculty members will be designated by the department head as the hearing officer.
   b. The departmental appeal committee will hear statements from both the student and the instructor involved and will examine documents that are pertinent to the matter under review.
   c. The departmental appeal committee will hear the grade appeal and present its findings to the assistant dean of the college within 30 business days from the initiation of the appeal.
   d. Students may appeal the departmental appeal committee decision to the assistant dean for a college committee hearing within 10 business days of the departmental appeal committee decision.
5. In the event of a college level review, the dean of the college (or designee) will appoint a college appeal committee to hear the appeal. The college appeal committee will operate according to A-C below. If the student plans enrollment in a course for which the course grade being appealed is a prerequisite, see “6” below.
   a. The college appeal committee will consist of at least one faculty member from each department, not including the instructor involved. The assistant dean of the college (or other faculty chosen by the Dean of the college) will chair the college committee and serve as an ex-officio member of the committee.
   b. The college appeal committee will hear statements from both the student and the instructor involved and will examine documents that are pertinent to the matter under review.
c. The college appeal committee will hear the grade appeal and present its findings to the dean of the college prior to the last day of the semester.

6. If the student plans enrollment in a course for which the course grade being appealed is a prerequisite, then the following timetable will be met at the first of that semester/term:
   a. If a grade appeal is not resolved with the instructor concerned, the student will file an appeal in writing with the department head/program director (or the college/school dean or designee if the grade dispute is with the department head/program director). This step will be taken by the first day of classes of the semester/term following the posting of the disputed grade.
   b. The college appeal committee will be appointed by the third day of the semester and will hear the grade appeal by the third day of the semester.
   c. The college appeal committee will present its findings to the college dean by the fifth day of the semester
   d. If the appeal to the college dean is denied, the student will be removed from the official class roster of the course if the student is already enrolled.

7. In all cases, if the college dean denies the appeal, the student may appeal to the Provost (or his or her designee). This appeal must be in writing and must be filed within five days of notification from the college dean.

8. Neither the president nor the Board of Regents will accept or consider appeals based on academic grades.

*Students should consult their program and college for further information and their policies that may apply.*

**Grade Reports**

Grade reports are issued directly to the student at the end of each semester. The following grade reports will be used for completed graduate credit:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Honor Points</th>
<th>Grade</th>
<th>Honor Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>4.0</td>
<td>WF</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
<td>3.0</td>
<td>(Student withdraws from the class after the mid-semester period)</td>
</tr>
<tr>
<td>C</td>
<td>Satisfactory</td>
<td>2.0</td>
<td>V</td>
</tr>
<tr>
<td>D</td>
<td>Unacceptable</td>
<td>1.0</td>
<td>S</td>
</tr>
<tr>
<td>F</td>
<td>Failure</td>
<td>0</td>
<td>U</td>
</tr>
<tr>
<td>I</td>
<td>Incomplete (Assigned by the instructor in emergency situations)</td>
<td>0</td>
<td>NR</td>
</tr>
<tr>
<td>IP</td>
<td>In Progress (Assigned by the instructor for practicum/project and/or thesis courses only)</td>
<td>0</td>
<td></td>
</tr>
<tr>
<td>W</td>
<td>Withdrawal with no academic penalty (Student withdraws from the class no later than the mid-semester period in a course)</td>
<td>0</td>
<td></td>
</tr>
<tr>
<td>WH</td>
<td>(Withdraw Hardship, no academic penalty)</td>
<td>0</td>
<td></td>
</tr>
<tr>
<td>WM</td>
<td>(Withdraw Military, no academic penalty)</td>
<td>0</td>
<td></td>
</tr>
</tbody>
</table>

The overall GPA is determined by dividing the total honor points earned by the total hours attempted, with hours and honor points for repeated courses not duplicated in the calculation. An I which has not been removed by the mid-term date of the succeeding semester is changed to an F unless the instructor recommends an extension in writing addressed to the Assistant Vice President for Academic Affairs. An IP will be assigned for practicum/project and/or thesis courses until completed. The S and U symbols must be utilized for completion of the thesis, practicum, or project. The S and U symbols may be used for other courses. A WF (withdrew, failing) is recorded for any student withdrawing after the mid-term date. Exceptions to this policy must be approved by the school or college dean and will be approved only on the basis of hardship.

**Graduate Transfer Credit**

A maximum of six semester hours of credit may be accepted for the program of study from credit completed at another regionally-accredited institution. This is in addition to semester hours which may be taken from approved courses at Savannah State University. This is also in addition to courses taken at other institutions as part of collaborative arrangements in conjunction with approved external degree programs. Decisions regarding acceptability of credit will be made at the program level. Only courses with grades of B or better will be accepted.
Graduation Requirements

Students must apply for graduation by February 15th for May graduation, by June 15th for summer graduation and by September 15th for December graduation. To apply to graduate, a student must complete the application for graduation with the graduate coordinator, pay the graduation fee, and make sure that the Registrar’s Office has received all required documentation (graduation application, signed program of study, etc.) by the deadline. Failure to meet these deadlines could delay graduation. A student must have degree-regular status and earn a 3.0 overall GPA on graduate course work to meet graduation requirements. All required work for the degree program (comps, portfolio, thesis) must be completed before degrees will be awarded. There is no honor designation at Armstrong for graduate students.

Independent Study, Directed Study, and Reading and Conference Courses

Only six credit hours of independently-taught course work, directed study, and reading and conference course work may apply to a degree.

Institutional Review Board (IRB) and Institutional Animal Care and Use Committee (IACUC)

The IRB, a federally-mandated board which monitors the use of human subjects in research, must approve all graduate student research that uses human participants. The IACUC, a federally-mandated board which monitors the use of animal subjects in research, must approve all graduate student research that uses animal participants.

Numbering System for Courses

5000-5999 - Graduate courses with dual enrollment by undergraduate and graduate students
6000-6999 - Graduate courses (undergraduate students may not enroll except for those who have applied and been approved for Senior Privilege.)
7000-9999 - Graduate courses (undergraduate students may not enroll.)

Fifty percent of the graduate program of study must be completed at the 6000-9000 levels.

The dual-enrolled graduate courses at the 5000 level will be designated in the following way:
Example: GER0 5000-U (undergraduate credit only)
GERo 5000-G (graduate credit only)

A student must enroll for either undergraduate or graduate credit in a dual-enrolled course and will not be allowed to change level of credit after the initial enrollment. The above designation (U or G) will be placed on the class rolls and on the individual student transcripts. Upon the advisor’s approval, credit earned in 5000-U courses may be applicable to an undergraduate program of study. Upon the advisor’s approval, credit earned in 5000-G courses may be applicable to a graduate program of study. Credit earned in 5000 level courses may only be used once for one level (undergraduate or graduate). Graduate students cannot apply a 5000-G course to their graduate program of study when they have completed the 5000-U level courses for their Armstrong undergraduate degree unless approved by their graduate program director.

No more than fifty percent of a graduate program of study may be comprised of dual-enrolled courses.

Additional course requirements are included for graduate credit in 5000 level courses. Refer to the course outlines/syllabi from the academic unit for these requirements.

Online and Blended Learning

For students who need more flexibility surrounding when and where their classes take place, Armstrong complements on-campus (face-to-face) course offerings with online course delivery. These courses, taught partly or fully using the Desire2Learn learning management system, are designed to meet the needs of students balancing commitments in addition to school. This is done using three levels of online course delivery and two types of academic programs.

The three levels of online course delivery are:
1. Hybrid: more than half the course is delivered on-campus and less than half delivered online
2. **Partly online:** 51% to 95% online and the rest on-campus
3. **Fully online:** 95 – 100% online and little or no requirements on-campus

Note that while most online components are asynchronous (available anywhere there is internet connectivity and at any time), a growing number of online courses do have synchronous activities (learning activities where all students must meet online at the same time). Instructors make every effort to accommodate student schedules when scheduling synchronous activities.

Armstrong also offers a growing number of programs, certicates, and degree programs with online courses:

1. **Blended** programs consist of a mix of partly and fully online courses
2. **Online** programs include only online courses.

Online and blended learning provides considerable flexibility—often contributing to student success where location or time commitments would have made school impossible—but online and blended programs are just as rigorous as on-campus programs. Instructors interact with students regularly, assignments must be completed by due dates, attendance is measured by online participation and attendance verification assignments, students interact with their peers using discussions, and, increasingly, using blogs, wikis, voice, video and other tools.

Should you take advantage of Armstrong’s online and blended programs or courses? If you have life demands that are hard to meet while taking conventional on-campus courses, and you can meet course time requirements without the structure of regularly scheduled classes, then Armstrong’s online and blended programs may be for you. If you would like to pick up some courses over the summer while you are out of town on vacation, taking them online may help you graduate sooner. And even if you are not sure you can take advantage of our online offerings, the exciting technologies are enhancing on-campus courses, bringing the benefits of the newest technologies to all of Armstrong’s students.

**Program of Study Requirements for Certificate Programs**

A program of study must be maintained by the academic unit for each certificate student. The program of study, signed by the student, advisor, and program coordinator, must be forwarded to the Registrar’s Office. No credit for courses with a grade of D, F, or U will apply to the program of study. Credit hours may vary by certificate program. Financial aid can be awarded only for classes that are on a student’s program of study.

**Program of Study Requirements for Degree Programs**

A program of study must be maintained by the academic unit for each degree-provisional or degree-regular student. The program of study, signed by the student, advisor, and program coordinator, must be forwarded to the Registrar’s Office accompanying the student’s Application for Graduation. No credit for courses with a grade of D, F, or U will apply to the program of study. Credit hours may vary by program of study. Financial aid can be awarded only for classes that are on a student’s program of study.

**Program of Study Requirements for Teacher Certification Programs**

A program of study must be maintained by each academic unit for each certification student. The program of study (signed by the student’s academic advisor) should be forwarded to the Graduate Studies Office. No credit for courses with a grade of D, F, or U will apply to the certification. Certification hours will vary by individual. Students who have been verified by the College of Education as following their individual program of study (as prescribed by the Georgia Professional Standards Commission) who have not exhausted their undergraduate eligibility may be eligible for financial aid as a fifth year senior.

*Please contact the Armstrong Office of Financial Aid for specific information.*

**Project/Practicum/Thesis Requirements**

A minimum of six hours of thesis credit is required of all thesis-option programs of study in Graduate Studies. Students must register for additional project/practicum/thesis hours each semester after the required minimum credit hours are met until a grade is earned. The grade of IP will be reported until the project/practicum/thesis is completed. A grade will be assigned upon completion. The thesis must conform to the guidelines of the program. The project/practicum must conform to guidelines from the academic unit.
Repeating Courses

When a course is repeated, only the last grade earned counts in earned hours requirements, GPA hours, points, and overall GPA. All course work taken remains on a student’s academic record. A student may repeat any course.

Required Hours, Comprehensive Assessment, and Other Requirements

A student must satisfactorily pass a program-specific comprehensive assessment to complete degree requirements. Please refer to specific programs for details.

Second Graduate Degree

Two graduate degrees may be earned simultaneously by one student at Armstrong. Academic credit from a completed graduate degree may also be applied toward another graduate degree. To earn the second graduate degree, the student must meet all program requirements for the second degree. At least fifty percent of the credit hours required for the second degree must be taken in addition to credit earned for the first degree.

Senior Privilege

An undergraduate student with a GPA of 3.0 or higher and within 24 semester hours of graduation may apply for Senior Privilege and enroll in a maximum of 12 hours of graduate coursework at the 5000G and 6000-levels. The maximum of graduate coursework permitted in any one semester is eight hours; the maximum total of all coursework permitted in any semester in which a student is taking graduate coursework is 12 hours. Permission to enroll must be approved by the chairperson of the student’s undergraduate major and by the appropriate graduate program director. The graduate program director holds final authority.

Staff Development Credit

Graduate Studies does not grant staff development credit.

Student Appeals

The student may initiate appeals for admission, progression, and graduation decisions. Appeals must be submitted prior to mid-term of the next regular semester. The student will complete the Graduate Student Appeal Form and submit appropriate documentation, such as test scores, transcripts, letters of recommendation and/or medical records. A student who wishes to appeal any of the above mentioned decisions would have the following line of appeal:

1. Submit completed appeal form and supporting documentation to the appropriate program director.
2. The appeal will be forwarded to the department head and dean for recommendation.
3. The appeal will be sent to the Associate Provost for Academic Affairs and Graduate Studies, and the student will be notified of the decision.

If a student wishes to dispute the result of the appeal, the following procedure must occur:

1. Student will submit a formal letter to the Associate Provost for Academic Affairs and Graduate Studies to request a hearing with the Graduate Student Appeals subcommittee.
2. The chair of the Graduate Student Appeals subcommittee will call a meeting.
3. A representative from the department and the student will attend the hearing to petition the committee to adjudicate the departmental decision.
4. The Graduate Appeals Committee will submit a recommendation to the Provost and Vice President of Academic Affairs.
5. All decisions made by the Provost and Vice President of Academic Affairs are final and will be returned to the Associate Provost for Academic Affairs and Graduate Studies.
6. The Associate Provost for Academic Affairs and Graduate Studies will notify the student of the final decision.

Students should consult their program and college for further information and other policies that may apply.

Student Records

Academic Records. The Registrar’s Office maintains official academic records (credit and non-credit) for undergraduate and graduate students at the university. An individual transcript detailing all course work attempted, hours earned, and
computation of three GPA's (institutional, transfer, and overall) constitutes the student’s permanent academic record. Other student records stored include the admissions application, admissions test scores, transcripts from institutions previously attended, and various data change forms.

Armstrong follows the published guidelines established by the American Association of Collegiate Registrars and Admissions Officers (AACRAO) and the Family Education Rights and Privacy Act (FERPA) for record retention and disposition. Student records are confidential, except for directory information.

Armstrong State University Notification of Student Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) provides students certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student’s education records within 45 days of the day the university receives a request for access.
   A student should submit a request to inspect and review his or her education records to the University Registrar. The University Registrar is located in Victor Hall, Room 104. The written request must identify the record(s) the student wishes to inspect. The Registrar will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Registrar, the Registrar will advise the student of the correct official to whom the request should be addressed.

2. The right to request amendment of education records that the student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.
   A student who wishes to ask the university to amend a record should write the University Registrar and clearly identify the part of the record the student wants changed, and specify why it should be changed. If the university decides not to amend the record as requested, the University Registrar will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the university discloses personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.
   The university discloses education records without a student’s prior written consent to officials with legitimate educational interests, as permitted under FERPA. A school official is a person employed by the university in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the university has contracted as its agent to provide a service instead of using university employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the university. Upon request, the university will also disclose a student’s education records without the student’s consent to officials of another college, university or other institution in which the student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the university to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:
   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue, SW
   Washington, DC 20202-5901

Directory Information. For a description of Directory Information categories used at Armstrong, please visit the Disclosure to Student’s page on the Registrar’s website.

Under the provisions of the Family Educational Rights and Privacy Act of 1974, you have the right to withhold disclosure of such directory information. Armstrong State University will honor your request to withhold directory information.

Time Limitation

All requirements for the degree must be completed within seven years. This may not apply to certificates, based upon recommendation of the advisor. An extension of time may be granted by the respective dean in cases of unusual circumstances. Physical therapy students should refer to the physical therapy section for program-specific time limitations.
Withdraw from the University

Withdraw from the university means that a student has requested to withdraw from all courses for the current term. The last day to formally withdraw from the university is the published last day of classes for the session enrolled.

To withdraw from the university:

1) Students must obtain a “Withdrawal Form” from the Registrar’s Office in Victor Hall.
2) Students who receive financial aid, veterans’ benefits, and/or those who reside in university housing must consult with officials from those offices and secure their signatures on the withdrawal form.
3) Students must secure on the withdrawal form the signature, grade, and last date of attendance from the instructor of each course. Instructors may assign a grade of W or WF at their discretion until the published midterm date for each term or part of term. Any withdrawal after the published midterm date will result in a grade of WF. Students who have withdrawn from a course during Fall 2012 or later will receive a WF for any subsequent withdrawals from that same course, regardless of the midterm date or the grade requested by the instructor.
4) Completed withdrawal form must be submitted to the Registrar’s Office (Victor Hall).

All students who withdraw from the university should verify their academic and financial records on their SHIP account. Any discrepancies must be resolved with the Registrar’s Office no later than midterm of the semester following withdrawal. Withdrawals based on military obligations must include copies of supporting military orders.

Hardship Withdrawal from the University

Overview

In the event a student faces circumstances of extreme duress beyond his or her control, the student may request a hardship withdrawal from the university. Hardship withdrawals are not meant to be used for appealing academic matters (e.g., grades), but should be used when a student seeks to drop all classes and leave the university for the remainder of that semester. Hardship withdrawals should fall into one of three categories: medical, personal, or financial. Students will be required to justify their withdrawal with documentation. On the rare instance that a student’s circumstances warrant only a partial withdrawal, thorough documentation will be required to substantiate why this student is able to continue with some coursework but not all coursework.

Hardship Withdrawal Process

A student seeking a hardship withdrawal will consult the Office of Academic Orientation and Advisement to be informed of the procedure for hardship withdrawal and to be given necessary forms. The Director of the Office of Orientation and Advisement will determine if an in person meeting is required. The student will return the completed forms for hardship withdrawal with supporting documentation to the Office of Academic Orientation and Advisement. The Office of Academic Orientation and Advisement will check the forms for completeness and transmit the forms to the Office of Academic Affairs for a decision by the Associate Provost for Student Engagement and Success.

A student seeking a full hardship withdrawal from the university must initiate the withdrawal process, complete required forms, and return all forms plus documentation to the Office of Academic Orientation and Advisement no later than midterm the semester following the withdrawal.

A student seeking a partial hardship withdrawal from one or more classes must initiate the withdrawal process, complete required forms, and return all forms plus documentation to the Office of Academic Orientation and Advisement no later than the last day of class for the semester in which he/she is seeking a partial hardship withdrawal.

Financial Aid Implications

All students seeking either a partial or full hardship withdrawal are strongly recommended to make an appointment with a financial aid counselor. This is of utmost importance if the student has received any financial aid (e.g. scholarship, loans, etc.). The granting of a hardship withdrawal may affect the student’s ability to receive future financial aid and may greatly affect the student’s ability to meet the Federally mandated Standards of Academic Progress. Students should be advised that the granting of a hardship withdrawal does not negate the requirement of meeting the Standards of Academic Progress or the policies regarding mandatory Return of Title IV funds.
Hardship Withdrawal Documentation

Personal Statement of Hardship. The written personal statement of hardship should explain to the Office of Academic Affairs how and/or why the non-academic emergency impacted studies. It is essential that the student provide accurate details about the circumstances surrounding the hardship, date(s) of the hardship event(s), and an account of how the event(s) specifically prevented the completion of coursework. Each page should be initialed and dated, including a full signature on the last page of the document. In addition, the student will provide official documentation supporting his/her hardship. This documentation should be consistent with the student’s personal statement, and all documentation will be verified prior to the rendering of any decision regarding the student’s hardship withdrawal.

Categories of Hardship and Documentation Requirements

- Medical (e.g. physical or psychological emergencies):

  The student will supply a physician’s report on office letterhead. This document will include the physician’s name, address, phone number, nature of patient’s illness or accident, dates of treatment, prognosis, and the reason they feel that the student can no longer complete his/her coursework. This document must be signed and dated. A physician’s letter is the only approved documentation for hardship withdrawal under the medical category.

- Personal (e.g. severe medical illness within family, death in the family, arrests, etc.):

  The student will supply appropriate documentation that builds a case for hardship withdrawal due to personal issues. These documents may include but are not limited to death certificates, obituaries, police reports, or physician’s letters. The student should obtain documents that contain contact information, are dated, and if possible notarized. All documents will be verified as seen fit by the Office of Academic Affairs.

- Financial (e.g. loss of sole-supporting job, mandatory job changes)

  The student will supply documentation from an employer or supervisor that clearly states the mandatory change and the date that these changes took place or will take place. This document should contain contact information for an organizational representative that can verify these changes, preferably a human resource professional. The student’s inability to have financial aid in place at the start of the term is NOT grounds for hardship withdrawal due to financial issues.

SPECIAL NOTE: Application for a Hardship Withdrawal does not guarantee the student a grade of “WH.”

Privacy and Title IX. Armstrong’s Sexual Misconduct policy, following national guidance from the Office of Civil Rights, requires that faculty and staff follow Armstrong policy as a “mandatory reporter.” Personal disclosure of sexual harassment, abuse, and/or violence related experiences or incidents shared with the faculty or staff member processing Hardship Withdrawals require that the faculty or staff member inform appropriate Armstrong channels to help ensure that the student’s safety and welfare, even if the student requests that the disclosure not be shared. These disclosures include but are not limited to reports of personal relational abuse, relational/domestic violence, and stalking. I understand that once the information in this hardship withdrawal request has been disclosed, the recipient may re-disclose it in certain situations. Privacy laws may not protect the information.

Withdrawal – Involuntary

A student may be administratively withdrawn from the university when in the judgment of the Vice President for Student Affairs and the university physician, if any, and after consultation with the student’s parents and personal physician, if any, it is determined that the student suffers from a physical, mental, emotional or psychological health condition which (a) poses a significant danger or threat of physical harm to the student or to the person or property of others or (b) causes the student to interfere with the rights of other members of the university community, or with the exercise of any proper activities or functions of the university or its personnel, or (c) causes the student to be unable to meet institutional requirements for admission and continued enrollment, as defined in the student conduct code and other publications of the university.

Except in emergency situations, a student shall, upon request, be accorded an appropriate hearing before a final decision concerning his or her continued enrollment in the university.
Student Fees and Financial Policies

Expenses and Fees

Principal expenses and regulations concerning the payment of fees are described herein. Fees and other charges are subject to change without notice. When such changes are made, notice will be given as far in advance as possible. Expenses are in the form of tuition, student services fees and other special fees. Fees are due and payable at the time of registration; registration is not complete until all tuition and fees have been paid. Out-of-state residents pay higher fees than Georgia residents. All tuition and fees are due at registration according to the guidelines of the Board of Regents of the University System of Georgia. There are no deferments of fees or payment plans. The university reserves the right to apply all payments, deposits, or financial aid to any unpaid student balances.

**NOTE:**
- Students who register for online courses only (no on-campus courses) are responsible for the mandatory Technology Fee and Board of Regents Institutional Fee.
- Students who opt to take one or more online courses in conjunction with on-campus courses will be responsible for all mandatory and any course-related fees. In addition, the E-Tuition rate will be assessed for each online course registered, no matter how many courses you are taking.

_Tuition and Fees are assessed at the course level in the student information system. Fees are subject to change._
• Tuition is assessed based on the course level, not the student level. Undergraduate students taking graduate courses will be assigned the applicable graduate tuition rate for those courses. Graduate students taking undergraduate courses will be assigned the applicable undergraduate tuition rate for those courses.

• Students in specified courses may be subject to additional fees for laboratory materials or equipment. Examples include applied music or scuba diving classes. Such course fees are not covered by fee waivers, and are the student’s obligation.

• On-campus students must pay the following fees each semester: activity fee, athletic fee, health fee, recreation fee, student center fee, student ID fee, technology fee and the special institutional fee. On-campus courses are defined as being physically located in Chatham County.

• Students registered for a combination of on- and off-campus courses will be charged the following fees each semester: Activity fee, Athletic fee, Health fee, Recreation fee, Student center fee, Student ID fee, Technology fee and the Institutional fee.

• Internet courses are categorized as off-campus courses. A course will be considered an internet course if 100% of the course instruction is delivered over the internet. Internet courses will only be assessed the Technology and Institutional fees.

• Mandatory Fees may be waived or reduced for: 1) Active duty military students. 2) Students enrolled for fewer than 5 hours. 3) Cross-registered students who reside or study at another institution and pay fees at the home institution. 4) Students who typically do not pay fees, such as senior citizens.

• Active duty military personnel and stationed in Georgia (except military personnel assigned to this institution for educational purposes) and their dependents are eligible for out-of-state tuition waivers. Documentation must be approved by the Registrar’s Office.

• Tuition and mandatory fees are waived for Georgia residents who present to the Registrar’s Office written documentation that they are 62 years of age or older and meet residency requirements.

• High school students enrolled in the Move on When Ready Program will have all Mandatory Fees waived except the Institutional fee, which will be reduced to $50.

Regents’ Policies Governing Residency Requirements

A. United States Citizens

Independent Students

An independent student who has established and maintained a domicile in the State of Georgia for a period of at least twelve (12) consecutive months immediately preceding the first day of classes for the term shall be classified as in-state for tuition purposes.

No student shall gain or acquire in-state classification while attending any postsecondary educational institution in this state without clear evidence of having established domicile in Georgia for purposes other than attending a postsecondary educational institution in this state.

If an independent student classified as in-state for tuition purposes relocates out of state temporarily but returns to the State of Georgia within twelve (12) months of the relocation, such student shall be entitled to retain his/her in-state tuition classification.

Dependent Students

A dependent student shall be classified as in-state for tuition purposes if such dependent student’s parent has established and maintained domicile in the State of Georgia for at least twelve (12) consecutive months immediately preceding the first day of classes for the term and:

1. The student has graduated from a Georgia high school; or,
2. The parent claimed the student as a dependent on the parent’s most recent federal or state income tax return.

A dependent student shall be classified as in-state for tuition purposes if such student’s United States court-appointed legal guardian has established and maintained domicile in the State of Georgia for at least twelve (12) consecutive months immediately preceding the first day of classes for the term, provided that:

1. Such appointment was not made to avoid payment of out-of-state tuition; and,
2. The United States court-appointed legal guardian can provide clear evidence of having established and maintained domicile in the State of Georgia for a period of at least twelve (12) consecutive months immediately preceding the first day of classes for the term.
If the parent or United States court-appointed legal guardian of a dependent student currently classified as in-state for tuition purposes establishes domicile outside of the State of Georgia after having established and maintained domicile in the State of Georgia, such student may retain his/her in-state tuition classification so long as such student remains continuously enrolled in a public postsecondary educational institution in this state, regardless of the domicile of such student’s parent or United States court-appointed legal guardian.

B. Noncitizens

A non-citizen student shall not be classified as in-state for tuition purposes unless the student is legally in this state and there is evidence to warrant consideration of in-state classification as determined by the Board of Regents. Lawful permanent residents, refugees, asylees, or other eligible noncitizens as defined by federal Title IV regulations may be extended the same consideration as citizens of the United States in determining whether they qualify for in-state classification.

International students who reside in the United States under non-immigrant status conditioned at least in part upon intent not to abandon a foreign domicile shall not be eligible for in-state classification.

Waivers*

An institution may award out-of-state tuition differential waivers and assess in-state tuition for certain non-Georgia residents under the conditions listed below. Notwithstanding any provision in this policy, no person who is unable to show by the required evidence that they are lawfully in the United States shall be eligible for any waiver of tuition differential (BoR Minutes, June 2010; October 2013).

Presidential Waivers

Out-of-state students selected by the institution president or an authorized representative, provided that the number of such waivers in effect does not exceed four percent (4%) for the University of Georgia, Georgia Institute of Technology, Georgia State University, and Georgia Regents University, and two percent (2%) for all other institutions of the equivalent full-time students enrolled at the institution in the fall term immediately preceding the term for which the out-of-state tuition is to be waived. Institutions awarding presidential waivers in the spring term semester may use either the fall term one year prior or the fall term immediately prior when calculating the number of allowable waivers. The proportionate percentage of out-of-state tuition waived shall be used when determining the number of waivers in effect such that a full waiver of out-of-state tuition counts as one waiver, while a 50% waiver of out-of-state tuition counts as a .5 waiver (BoR Minutes, April 2012; October 2013).

Institution presidents may award Presidential Waivers at their discretion to students within the following categories:

1. Academic: Students who have demonstrated the potential to excel within a particular program of study offered by the institution as evidenced by scoring within the top half of students matriculating at the institution or the top half of students matriculating within the particular program of study to which the student has applied. Institutions shall determine the top half using the academic criteria (e.g., Freshman Index, standardized test scores, GPA, artistic ability) applicable either for general admission to the institution or for the particular program of study to which the student has applied.

2. Athletic: Students selected to participate in the institution’s intercollegiate athletics program and who have demonstrated the potential to succeed within a particular program of study offered by the institution. The percentage of waivers offered within the Athletic category shall not exceed one-third (1/3) of the total number of Presidential Waivers which the institution is eligible to offer, i.e., 4% or 2%.

3. International: Non-citizen students who are not otherwise ineligible for a tuition differential waiver under this policy and who have demonstrated the potential to succeed within a particular program of study offered by the institution.

Institution presidents shall define institution-specific criteria and procedures for the awarding of and maintaining eligibility for Presidential Waivers and shall submit the institution-specific criteria and procedures for approval to the Chief Academic Officer no later than June 30 prior to the semester in which those criteria and procedures shall take effect. Extraordinary circumstances may arise justifying award of a Presidential Waiver under criteria not specified in this Policy but consistent with the Policy intent and in support of the institution’s mission. Presidents may offer an Academic Presidential Waiver in these circumstances but must first seek approval, on a one-time or standing basis, from the Chief Academic Officer. A student may be eligible under one or more Presidential Waiver categories but shall only be granted a waiver under one specific category and will only be counted within the category assigned by the institution. Institutions shall maintain evidence of said approval. Institutions shall maintain adequate documentation of waiver awards to validate that waiver recipients met the institutional criteria and complied with Board of Regents Policy.
Students receiving a Presidential Waiver must achieve a specified level of academic performance to maintain eligibility for the Presidential Waiver. Students receiving an academic or international Presidential Waiver must maintain a 2.5 GPA calculated on a cumulative basis at the conclusion of each academic year as specified in the respective institution’s approved procedures and using the same GPA method used to calculate Satisfactory Academic Progress (SAP). Students receiving an athletic Presidential Waiver must maintain SAP.

Failure to maintain the specified level of academic performance at the conclusion of the respective academic year shall result in the student being placed in a two-semester probationary period for waiver purposes. The student shall be eligible to maintain a waiver during this probationary period but shall be ineligible for the waiver if the student is not able to achieve the specified level of academic performance for the student’s specific Presidential Waiver sub-category. The student is eligible to re-gain the waiver, subject to the institution’s discretion and consistent with this Policy, should the student achieve the specified level of academic performance for the student’s specific Presidential Waiver sub-category.

Border Residents

1. Students domiciled in an out-of-state county bordering Georgia, enrolling in a program offered at a location approved by the Board of Regents, and for which the offering institution has been granted permission to award Border County waivers (BoR Minutes, October 2008); or
2. Students domiciled in another state bordering Georgia subject to the following conditions. Each year, the Chancellor shall review the enrollment levels at each USG institution to determine whether any USG institutions have sufficient excess capacity to increase recruitment of students from neighboring states. Should the Chancellor determine that cause exists to activate the Border Residents waiver, the Chancellor or his designee will present the list of institutions to the Academic Affairs Committee of the Board of Regents for approval. If an institution is given permission to award the Border Residents waiver, it will be allowed to do so for the next three academic years. Any students receiving the Border Residents waiver will remain qualified for the waiver, so long as they are continuously enrolled at the institution that awarded the waiver. (BoR Minutes, March 2015)

Economic Development

1. Students who are certified by the Commissioner of the Georgia Department of Economic Development as being part of a competitive economic development project.
2. As of the first day of classes for the term, an Economic Advantage Waiver may be granted under the following conditions:

U.S. Citizens, Permanent Residents, and Other Eligible Non-Citizens

A. Dependent Students

Dependent students providing clear and convincing evidence that the student’s parent or U.S. court-appointed legal guardian relocated to the state of Georgia to accept full-time, self-sustaining employment. The relocation must be for reasons other than enrolling in an institution of higher education and appropriate steps to establish domicile in the state must be taken. The employment upon which the relocation was based must be held at the time the waiver is awarded.

B. Independent Students

Independent students providing clear and convincing evidence that they, or their spouse, relocated to the state of Georgia to accept full-time, self-sustaining employment. The relocation to the state must be for reasons other than enrolling in an institution of higher education and appropriate steps to establish domicile in the state must be taken. The employment upon which the relocation was based must be held at the time the waiver is awarded.

C. U.S. refugees, asylees, and other eligible noncitizens as defined by the federal Title IV regulations may be extended the same consideration for the economic advantage waiver as citizens and lawful permanent residents of the United States.

Waiver eligibility for the above qualifying students expires twelve (12) months from the date the waiver is awarded.

Non-Citizens

A. Dependent Students

Non-citizen dependent students providing clear and convincing evidence that the student’s parent or U.S. court-appointed legal guardian relocated to the state of Georgia to accept full-time, self-sustaining employment and entered the state
in a valid, employment-authorized status. The relocation must be for reasons other than enrolling in an institution of higher education and appropriate steps to establish domicile in the state must be taken. The employment upon which the relocation was based must be held at the time the waiver is awarded. Additionally, the non-citizen dependent student must provide clear evidence that the parent, or U.S. court-appointed legal guardian, is taking legally permissible steps to obtain lawful permanent resident status in the United States.

B. Independent Students

Non-citizen independent students must provide clear and convincing evidence that they, or their spouse, relocated to the state of Georgia to accept full-time, self-sustaining employment and entered the state in a valid, employment authorized status. The relocation must be for reasons other than enrolling in an institution of higher education and appropriate steps to establish domicile in the state must be taken. The employment upon which the relocation was based must be held at the time the waiver is awarded. Additionally, non-citizen independent students must provide clear evidence that they, or their spouse, are taking legally permissible steps to obtain lawful permanent resident status in the United States.

Waiver eligibility for the above qualifying students may continue provided full-time, self-sustaining employment in Georgia and the employment-authorized status are maintained. Furthermore, there must be continued evidence of Georgia domicile and efforts to pursue an adjustment to United States lawful permanent resident status.

3. Students who are employees of Georgia-based corporations or organizations that have contracted with the Board of Regents through USG institutions to provide out-of-state tuition differential waivers.
4. Students enrolled in a USG institution based on a referral by the Vocational Rehabilitation Program of the Georgia Department of Labor (BoR Minutes, October 2008).
5. Career consular officers, their spouses, and their dependent children who are citizens of the foreign nation that their consular office represents and who are stationed and living in Georgia under orders of their respective governments.

Employee

1. Full-time USG employees, their spouses, and their dependent children.
2. Full-time employees in the public schools of Georgia or the Technical College System of Georgia (BoR Minutes, October 2008), their spouses, and their dependent children.
3. Teachers employed full-time on military bases in Georgia also shall qualify for this waiver (BoR Minutes, 1988-89, p. 43).

Military

1. Military personnel, their spouses, and their dependent children stationed in or assigned to Georgia and on active duty. Military personnel, their spouses, and their dependent children may continue waiver eligibility if:
   - The military sponsor is reassigned outside of Georgia, and the student(s) remain(s) continuously enrolled and the military sponsor remains on active military status;
   - The military sponsor is reassigned out-of-state and the spouse and dependent children remain in Georgia and the sponsor remains on active military duty; or,
   - The active military personnel and their spouse and dependent children are stationed in a state contiguous to the Georgia border and reside in Georgia. (BoR Minutes, February 2009; October 2013)
2. Active members of the Georgia National Guard, stationed or assigned to Georgia or active members of a unit of the U.S. Military Reserves based in Georgia, and their spouses and their dependent children (BoR Minutes, October 2008).
3. Members of a uniformed military service of the United States who, within thirty-six (36) months of separation from such service, enroll in an academic program and demonstrate intent to become domiciled in Georgia. This waiver may also be granted to their spouses and dependent children. (BoR Minutes, June 2004; October 2008; October 2013).

Reciprocal

1. Students selected to participate in programs offered through the Academic Common Market.
2. Any student who enrolls in a USG institution as a participant in an international or domestic direct exchange program that provides reciprocal benefits to USG students (BoR Minutes, October 2008).
3. Any student who enrolls in a USG study-abroad program to include programs outside the State of Georgia but within the United States and study abroad programs outside the United States. Tuition and fees charged study abroad students
shall be consistent with the procedures established in the USG Business Procedures Manual and as determined by the institution president.

Research and Comprehensive University Graduate Students

1. Graduate students attending a Research or Comprehensive institution and as determined by the respective institution’s approved procedures. The number of students currently receiving waivers under this category shall not exceed the number assigned below:

   University of Georgia:  160  
   Georgia Institute of Technology:  140  
   Georgia State University:  140  
   Georgia Regents University:  40  
   Georgia Southern University:  20  
   Kennesaw State University:  20  
   University of West Georgia:  20  
   Valdosta State University:  20

2. Medical and dental residents and medical and dental interns at Georgia Regents University.

Non-Resident Students.

As of the first day of classes for the term, a non-resident student can be considered for this waiver under the following conditions:

   - If the parent, or United States court-appointed legal guardian has maintained domicile in Georgia for at least twelve (12) consecutive months and the student can provide clear and legal evidence showing the relationship to the parent or United States court-appointed legal guardian has existed for at least twelve (12) consecutive months immediately preceding the first day of classes for the term. Under Georgia code, legal guardianship must be established prior to the student’s 18th birthday (BoR Minutes, October 2008, title amended February 2010); or
   - If the student can provide clear and legal evidence showing a familial relationship to the spouse and the spouse has maintained domicile in Georgia for at least twelve (12) consecutive months immediately preceding the first day of classes for the term (BoR Minutes, February 2010).

2. Students 24 and Older.
   - If the student can provide clear and legal evidence showing a familial relationship to the spouse and the spouse has maintained domicile in Georgia for at least twelve (12) consecutive months immediately preceding the first day of classes for the term. This waiver can remain in effect as long as the student remains continuously enrolled (BoR Minutes, October 2008, title amended February 2010).

This waiver can remain in effect as long as the student remains continuously enrolled (BoR Minutes, October 2008).

If the parent, spouse, or United States court-appointed legal guardian of a continuously enrolled non-resident student establishes domicile in another state after having maintained domicile in the State of Georgia for the required period, the non-resident student may continue to receive this waiver as long as the student remains continuously enrolled in a public post-secondary educational institution in the state, regardless of the domicile of the parent, spouse or United States court-appointed legal guardian (BoR Minutes, June 2006, amended October 2008).

Residency Reclassification

Students are responsible for registering under the proper residency classification. Initial determination of residency is made by the Admissions Office for students during their first semester of enrollment. Determination of residency status for continuing students is done by the Office of the Registrar. Any student who wishes to appeal either one of these decisions must complete the Petition for Georgia Resident Classification form and submit it to the Registrar with all other supporting documentation. The appeal must be submitted by the end of the 5th week of the semester for fall and spring and by the end of the 1st week of the summer term. Appeals submitted after these deadlines will not be reviewed. Appeals of the decision of the Registrar may be made to the Provost’s Office no later than the 10th week of fall or spring and no later than the 3rd week of the summer term. The decision of the Provost’s Office is final. If the petition is granted, reclassification will not be retroactive to prior semesters.
Bordering County Agreements

Armstrong State University has bordering county tuition agreements with Jasper and Beaufort counties in South Carolina. The “South Carolina Border Waiver” form is available in the Registrar’s Office and online. If the Border County waiver is granted, the waiver will not be retroactive to prior semesters. All waiver requests must be submitted by the end of the 5th week of the semester for fall and spring and by the end of the 1st week of the summer term. Waivers submitted after these deadlines will not be reviewed.

Bursar’s Office

The Bursar’s Office is located on the second floor of Victor Hall. The regular office hours are 8:00 a.m. to 5:00 p.m., Monday through Friday. Hours are extended during registration.

Off-Campus Fees

Students enrolled exclusively in courses categorized as off-campus will not be charged health, athletic, student center, access ID, activity, and recreation fees. Off-campus courses are those defined as being physically located outside of Chatham County. Students taking a combination of on and off-campus courses will be charged all of the applicable fees charged to on-campus students. All students pay a technology fee and the Board of Regents special institutional fee.

Online Course Fees

A course will be considered Online if 100% of the course is delivered over the internet without an on-campus component. Students taking online courses will only be assessed the technology fee and the Board of Regents special institutional fee. Students taking a combination of on-campus and online courses will be charged all of the applicable fees charged to on-campus students. Students taking a combination of off-campus and online courses will only be assessed the off-campus fees listed above.

Other Fees and Deposits

Fee rates listed below are for Fall 2015 - Summer 2016.

Exit Exam Fees

Announced in test bulletins.

Graduate Application Fee (Non-Refundable): .........................$30.00
Must accompany initial application. Acceptance of application fees does not constitute acceptance of applicants.

Graduation Fee (Non-Refundable): ..............................................$63.00
Payable by each candidate for graduation when graduation application is submitted (two semesters prior to graduation). If candidate is receiving a second degree at the same graduation ceremonies, an additional $10.00 is due. The full $63.00 is charged for a second degree awarded at a subsequent graduation ceremony. A fee of $25.00 is charged for each replacement diploma

Institution Fee.................................................................$250.00
(or $125.00 if under 4 credit hours)

Late Registration Fee (Non-Refundable): ....................$54.00
A late registration fee is charged to all students who do not complete registration by the close of business during the regular registration period. Registration is completed by registering for class(es) and paying all fees on your student account. Students who have completed registration during the regular registration period and subsequently add classes during late registration are not charged a late registration fee.

Late Payment Fee (Non-Refundable): .........................$54.00
A late payment fee will be added if a student’s tuition, fees, meal plan and housing are not paid after late registration. If a student gets financial aid, they must pay the balance of what they owe after they deduct the amount of financial aid they
are to receive. This includes students receiving the Hope scholarship. Please call the Bursar’s Office if you need help in making this decision.

**Student Athletic Fee** ..................................................$190.00
**Student Activity Fee** ..................................................$49.00
**Student Center Fee** ..................................................$110.00
**Student Access ID Fee** ...............................................$15.00
**Student Recreation Fee** .............................................$43.00
**Student Technology Fee** ............................................$60.00
**Student Health Fee** ..................................................$20.00
**Student Parking Decal** (Non-Refundable) ..................$50.00

Annual fee covering August 1 through July 31.

**Medical Laboratory Science Deposit** (Non-Refundable): ...$50.00
**Nursing Deposit** (Non-Refundable): .............................$200.00
**Physical Therapy Deposit** (Non-Refundable): .............$250.00

For accepted applicants to retain their position in the program.

**Radiologic Sciences Deposit** (Non-Refundable): ...........$100.00

**Teacher Education Practicum Fee**: ..............................$625.00

Students admitted to teacher education programs in the College of Education are required to pay a $625.00 clinical education fee (to be assessed with tuition).

**Refund Policy**

Refund of tuition and fees may be requested only upon written application for withdrawal from school. A Withdrawal Form should be completed in the Office of Student Affairs. Refunds are based on the withdrawal date of the term’s calendar days, not how many times individual classes have met. The refund amount for students withdrawing from the institution shall be based on a pro rata percentage determined by dividing the number of calendar days in the semester that the student completed by the total calendar days in the semester. The total calendar days in a semester includes weekends, but excludes scheduled breaks of five or more days and days that a student was on an approved leave of absence. The unearned portion shall be refunded up to the point of time that the amount earned equals 60%. Students who withdraw from the university when the calculated percentage of completion is greater than 60% are not entitled to a refund of any portion of institutional charges.

Refund checks will be made payable to the student regardless of who may have paid the fees. Refunds to students who paid by personal check will be delayed until assurance is made that the check is valid. Refunds are not made for graduation or late registration fees.

No refunds will be made to students dropping a course after the first day of class.

**Students who register for classes, pay fees, and formally withdraw from school cannot re-register for that term.**

**Students who attend multiple sessions within the same semester may only qualify for a refund if they withdraw from all classes.**

**Summer Term Refunds.** Due to the varying lengths of courses offered during the summer, refunds are based upon individual course length. Due to the multiple lengths of summer term classes, refunds for withdrawals and canceled classes will be mailed at the end of the semester.

**Return Check Policy**

When a check is returned by the bank for non-payment, the Bursar’s Office will notify the student, place a hold on the student’s account, and assess all applicable service charges to the student’s account. The university expects the student to immediately rectify this situation.
A service charge of $30.00 or 5% of the check, whichever is greater, is assessed for returned checks. In addition to this charge, non-sufficient funds checks written for tuition payments will be assessed the late payment fee. Checks returned because of bank errors will be redeposited after written notification is received from the bank and a $30.00 service charge is paid by the student. No late payment fee is assessed for checks returned because of bank error. Students should request reimbursement of the service charge from their bank.

A stop payment of a check does not constitute a formal written withdrawal and is considered a returned check. Writing a non-sufficient funds check or stopping payment on a check does not cancel registration. Students whose check is returned for non-sufficient funds or who places a stop payment on a check must honor the check and pay the applicable service charges before withdrawing from the university. After honoring a returned or stop payment check and formally withdrawing in the office of Student Affairs, the student will receive a refund, if applicable.

A student whose check is returned for tuition may be dropped from classes. When the check and applicable charges are paid, the student may re-register subject to approval of all instructors for that term. If the check and charges are not paid, the student’s account will be placed on “hold” and the student must pay for the future enrollment in cash or cash equivalent for one year. A service charge of $30 or 5% of the returned check, whichever is greater, will be charged at the time of the subsequent enrollment.

If the student does not respond to the Bursar’s Office notice and pay the check and applicable service charges, the student will be removed from the class if the check was written for tuition.

Students with returned checks who do not follow the correct procedures to redeem their checks will have their registration status put on “hold”. After complying with the procedure, the “hold” will remain on their account for one year. A registration permit to register must be obtained from the Bursar’s Office in order to register. The student may request the lifting of the “hold” after one year. After this year period, the student may request reinstatement of check writing privileges.

**Fee Payment by Cash**

All payments must be in U.S. currency. Cash payments can be made at the Bursar’s Office in Victor Hall.

**Fee Payment by Credit Card**

Fee payment by credit card in person. This may only be used to pay for graduation fees, testing fees, parking tickets, parking decals, and other miscellaneous fees. Credit cards accepted are American Express, Discover, VISA, and Mastercard. If you pay by credit card, you may be refunded by credit card depending on what the refund is for.

Fee payment by credit card over the WEB. Credit cards (American Express, Discover, and Mastercard) may be used over the web via Touchnet Paypath to pay for tuition, housing and meal plans. A 2.75% convenience fee will apply. No credit card payments will be accepted over the phone.

1. Go to the Armstrong website (www.armstrong.edu).
2. Click on Current Students.
3. Look under the Money Matters heading and click Bursar’s Office.
4. Click “Pay Online” button on the right side of the screen.

**Fee Payment by WebCheck**

Fee payment by WebCheck. Students may pay via WebCheck over the web via Touchnet. Follow the same steps as you would for paying by credit card, but select Webcheck. You will then be asked for your routing number and account number for your checking or savings account. No convenience fees apply when paying by WebCheck.

**Fee Payment by Check**

Checks should be made payable to Armstrong State University or Armstrong and addressed to Bursar – Tuition Payments, Armstrong State University, 11935 Abercorn Street, Savannah, Georgia 31419. Checks must have a printed bank account number. The university will not accept any checks in which account numbers are hand-written. The total amount due on the invoice (including encumbrances) must be paid in order for the university to accept payment. Encumbrances are other debts owed by the student to the university. Only full payments will be accepted. If you are making a partial payment by check and the rest by cash, you must go to the Bursar’s Office in Victor Hall. Students who have financial aid and pay the balance with cash/check must pay their fees to the cashier during regular registration. Students who mail their invoice...
and check to the Bursar’s Office cannot be guaranteed enrollment unless their envelope is sent by registered mail and is received by the Bursar’s Office by the appropriate deadline.

**The student’s student identification number should be listed on the check. Only checks drawn on U.S. banks will be accepted.**

Do not submit a check that you know will be returned by your bank. Payments for returned checks will be accepted only in cash, cashier’s check, or money order.

**Students with balances from previous semesters must pay in cash, money order, credit card, or cashier’s check in order to have “holds” lifted immediately. If you pay by check or WebCheck, “holds” will remain until proof is provided that the check cleared the bank or you will have to wait 30 days until the hold is removed.**

### Fee Payment using Nelnet

Students may use Nelnet, a company that offers a pre-payment plan. Armstrong partners with Nelnet allowing students to pay tuition and fees over time, making college more affordable. There is a $60.00 enrollment fee per semester to enroll in the plan if enrolled prior to the early enrollment deadline, or $70 for the later deadline.

**Steps to Enroll:** Go to www.armstrong.edu, click on tuition and fees at the bottom of the page. Next, click on “Enroll in a payment plan”, click “Sign up for a payment plan”. Payments may be made by automatic bank payment (ACH), and Credit card/ debit card. (An additional convenience fee will be assessed.)

### Fee Payment by Cellphone

Go to www.m.armstrong.edu and use the pay online button on the log-in page.

### Financial Aid Student Payment

Students who have financial aid will have their aid applied directly to their student account. “Excess” checks (a result of financial aid less tuition and other fees) will be available weekly after the third week of classes throughout the term as financial aid is processed.

Students who do not pre-register or do not complete financial aid paperwork on time experience a delay in receipt of the “excess” check. **In order to receive your “excess” check as soon as possible, you must pre-register and have all financial aid paperwork completed on time.**

Financial Aid students who pre-register, but whose aid does not exceed fees, should submit the remaining payments by the published fee payment deadlines. Financial aid students who register and do not attend classes will not receive financial aid. Financial Aid students who register should go to the Bursar if they still owe fees. If their charges exceed aid, they will be charged for the unpaid amount.

Financial aid students that are scheduled to receive more financial aid than their balance will receive an “excess” check after verification of attendance has been completed, which occurs approximately three weeks after courses have begun. Students whose financial aid is not complete prior to the published fee payment deadline are required to pay their balances. Students who wish to pay any balances must pay by the fee payment deadline.

### Financial Aid “Excess Checks”

All financial “excess” funds will be processed based on the information provided by the student to the Bursar’s Office. Students have the option to receive “excess” funds via direct deposit or by mail. For more information, please contact the Bursar Office. (An excess check is the net amount of financial aid less all fees and charges). “Excess” check processing will begin at the end of the third week of the term. After the third week, subsequent “excess” funds will be disbursed weekly. No “excess” checks will be released directly to students. Students should ensure that their correct mailing address is on file with the Registrar’s Office. It is the student’s responsibility to verify and update mailing address through the Port.

**Direct Deposit:** Students may have their excess financial aid money refunded directly to their checking account if they choose to sign up for Direct Deposit. Login to the Port, then Touchnet Bill Pay System.
Disbursement of financial aid will be made only if the applicant has completed all requirements for receipt of aid (see Disbursement of Financial Aid).

Student Account Information

The Bursar’s Office and the Office of Financial Aid will no longer release specific student account information over the telephone. Students should inquire about their account through the Port. Student account information will be released only if the student appears in person with applicable identification. Required identification is a picture ID and driver’s license or a Social Security card. This action was taken due to the increase in identity theft and because the caller’s identity cannot be verified.

If a student wants their parent to have access to account information, a Family Educational Rights and Privacy Act (FERPA) waiver must be on file in Victor Hall.

Unpaid Financial Obligations

By registering for classes or incurring other financial charges (housing, meal plans, etc.), a student is acknowledging responsibility for payment of amounts due. Failure to pay may result in legal measures to ensure collection. Collection fees of up to 33.333% will be added to the amount owed by the student.

Financial Obligations

Any student delinquent in the payment of any financial obligation to the university will have their grade reports and transcripts of records withheld. Grades and transcripts will not be released, nor will the student be allowed to register at the university until all financial obligations are met. Fees for each semester are to be paid in full at the time of registration.

Off-Campus and Armstrong Liberty Center Financial Policies

Students at the Armstrong Liberty Center and other off-campus locations follow regular payment guidelines. Payments must be received by Armstrong by published payment deadlines.

Students who participate in advance registration, registration, or late registration may use credit cards. Please see the previous section on specifics about paying by credit card. Partial payments, i.e., part credit cards/part cash or check, are not accepted.

Financial Aid Students. If you are an Armstrong financial aid student taking classes at an off campus location your checks will be mailed to your current address on file. If you have direct deposit, then watch for the funds to appear in your checking account.

The student is responsible for:

1. A HOPE transient certificate of eligibility will be sent to the institution you are attending. Students must contact the other institution’s financial aid office for the specific date of disbursement of funds.
2. All students attending other institutions must insure that their transcripts are sent to Armstrong’s Registrar’s Office. A delay in this step will cause future financial aid disbursements to be postponed until grades are received and reviewed.

The office of Financial Aid at Armstrong may be contacted at 912-344-3266 or 1-800-633-2349.

Notification of registration after the start of the term will result in a substantial delay of the process of your financial aid or possible denial of aid.

Refund Policy. Students at the Armstrong Liberty Center and other off-campus locations follow institutional refund policy. Please consult with center staff for specific guidelines and procedures.
Financial Aid

General Information

The Office of Financial Aid provides guidance and support for students who need financial assistance to attend Armstrong State University (Armstrong). The primary responsibility for financing college education rests with students and their families. Financial aid is available to supplement family contributions and is provided through a combination of sources including scholarships, grants, loans, and part-time employment.

Either the Free Application for Federal Student Aid (FAFSA) or the Renewal FAFSA must be used to help determine eligibility for Pell Grant, student loans and other Federal and State programs. Family income, assets, number of family members, number in college, and other factors determine eligibility. The university will attempt to assist students with the difference between the total expected family contribution and the cost of attending college. Any student admitted to or attending Armstrong is encouraged to apply for financial aid.

The Office of Financial Aid helps students find ways to finance their education. However, federal and state law heavily regulates the financial aid application and awards process, and as a result the process takes time. At least thirty-percent of Armstrong students are selected for a process called verification. Armstrong’s Office of Financial Aid does not know who will be selected at the time students apply for aid. All students should be prepared to supply signed copies of their federal tax transcripts and W2s from the previous year, a completed verification worksheet, and a completed credit/benefits worksheet to the Office of Financial Aid. Students who are not considered independent by the federal government would also need to submit signed copies of their parents’ federal tax transcripts and W2s from the previous year. The Office of Financial Aid may also require a number of other documents before aid can be awarded. Please respond quickly and accurately to any and all requests for documentation from the Office of Financial Aid. Requests will be made via the students’ Armstrong email account. This is the Office of Financial Aid’s primary form of communication with students. Students are responsible for obtaining and maintaining their Armstrong email account. Students are encouraged to check their Armstrong email on a regular basis.

Only by meeting the priority deadlines can students expect to have funds available at the beginning of the semester. Students who do not meet the deadlines are required to pay their own fees for the semester. Please keep in mind that although we are here to help you, we are not responsible for delays caused by inaccurate or incomplete applications and files.

Mid Year Transfers. If you have attended another institution during the current academic year (June 30 of the current year to July 31 of next year), you must provide this information to the Office of Financial Aid. Aid received at another institution during this same academic year will be deducted from aid eligibility offered at Armstrong in accordance with federal regulations.

Application Information

An applicant for student financial aid must:

• be accepted and enrolled at Armstrong;
• complete and submit a signed FAFSA or Renewal FAFSA to the federal processor. Armstrong title IV code is 001546;
• students must complete an Armstrong Summer Application, in addition to the FAFSA, to have aid processed for the summer term.

Students are eligible for financial assistance provided they are making satisfactory academic progress and meet the requirements of the student aid program(s) from which assistance is sought. Federal aid cannot be used to pay for audited classes. (Audited courses are courses which are not being taken for credit.) Transient students and exchange students are not eligible for aid from Armstrong, but may seek assistance from their home institution. Students are required to adhere to all regulations and requirements of the program from which they receive assistance, and to notify the Office of Financial Aid of any changes in status that may affect their aid eligibility.

The minimum number of semester hours for which a financial aid recipient may enroll per semester varies with each student aid program. Some require full-time status. Many programs require that the student be enrolled at least half-time.

• You must complete a FAFSA or a Renewal FAFSA to apply for grants, loans, and work-study each year.
• Students should apply on the web at www.fafsa.ed.gov.
Available Information

In accordance with federal regulations governing Armstrong’s financial aid programs, certain information is available to prospective and current students, parents and specified other parties. This information is available in the offices listed:

Rights under Family Educational Rights and Privacy Act (FERPA) ................................................. Registrar’s Office

Types of aid available ............................................Financial Aid Office

Deadlines

The following deadlines are ‘priority’ deadlines. Students meeting these deadlines should have ample notice of their awards prior to the start of the term. All other applicants will be processed in date order.

March 15  Fall semester priority deadline for submitting the completed and signed FAFSA or Renewal FAFSA to the federal processor.
April 20  Fall semester deadline for submitting all supporting documentation requested by the Office of Financial Aid.
August 3  Spring semester priority deadline for submitting the completed and signed FAFSA or Renewal FAFSA to the federal processor.
Sept. 7  Spring semester deadline for submitting all supporting documentation requested by the Office of Financial Aid.
March 5  Summer semester priority deadline for submitting the completed and signed FAFSA or Renewal FAFSA to the federal processor.
April 5  Summer semester deadline for submitting all supporting documentation requested by the Office of Financial Aid.

Students who miss these deadlines must be prepared to pay their own fees. Students must apply for financial aid every year. Awards are made only for the current year.
Disbursement of Financial Aid

Disbursement of financial aid will be made only if the applicant has completed all requirements for receipt of aid, which includes submission of verification documents, if necessary. Students applying for additional loan funds must make a request for these funds before the Office of Financial Aid will process or disburse such funds. Verification of attendance must be attained for classes before aid is disbursed to the student’s account. A student’s enrollment in sessions that begin later in a semester may cause a delay of disbursement of aid due to verification of attendance in such classes. Aid offered is based on full-time enrollment status unless otherwise indicated, and may be adjusted depending on hours enrolled. For options on how you would like to receive your refund, you may contact the Bursar’s Office.

Students who attend off-campus centers are also subject to verification of attendance. Their excess funds will be processed after verification of attendance is completed.

Work study funds are earned on an hourly basis and are only paid for work performed. Funds from this program are paid bi-weekly.

Disbursement of Financial Aid for Transient Students with Consortium Agreements

Armstrong students attending other institutions as transient students may have their aid eligibility based on enrollment at an eligible host institution. Students are required to complete the necessary documentation with the Registrar’s Office and the Office of Financial Aid. The students’ financial aid will be sent to the host institution unless the student receives direct deposit or provides the Office of Financial Aid with proof of payment. Armstrong will still disburse financial aid according to its own schedule. Consortium agreements do not serve as payment to the host institution, nor can Armstrong defer another institution’s fee payment deadline. Students must have all transcripts from the host institutions returned to Armstrong and posted to their records before any future aid can be disbursed.

Employment

Federal College Work Study Program. This federally sponsored program is awarded based on need and availability. Students are awarded a specific dollar amount, and may earn up to this maximum each semester. Funds are earned on an hourly basis and are only paid for work performed. The supervisor to whom the student is assigned will outline the required duties. For more information, contact the Office of Financial Aid.

Students in this program may not exceed sixteen hours of work per week.

Institutional Work Study Program. Students are selected for this program by the heads of the various departments and approved by Armstrong’s Office of Human Resources. Students must be qualified for the available positions. For more information contact Human Resources.

Students in this program may not exceed nineteen hours of work per week.

Graduate Assistantship Programs

A number of qualified students may be given financial aid in the form of an assistantship while pursuing work leading to a graduate degree. To be eligible for appointment as a graduate assistant, the student must have regular or provisional admission to a graduate degree program. Persons holding assistantships are expected to render certain services to the university. The supervisor to whom the student is assigned will outline the required duties. During each semester of the assistantship, a graduate assistant must provide proof of insurance and register for and earn credit for six to twelve hours of graduate course work leading to the degree. A graduate assistant must also maintain a 3.0 GPA. Further information and applications for graduate assistantships are available on the Graduate Studies website.

Grant Programs

Graduate students and students holding baccalaureate degrees are not eligible for the Federal Pell Grant.

Teacher Education Assistance for College and Higher Education (TEACH) Grant Program. The College Cost Reduction and Access Act of 2007 created the Teacher Education Assistance for college and Higher Education (TEACH)
Grant Program. TEACH provides grants to students who are completing, or plan to complete, coursework needed to begin a career in teaching and agree to teach, for at least four complete academic years, in a high-need field that serves students from low-income families.

Due to the impact of Sequestration, award amounts for any TEACH Grant have been reduced each aid year. TEACH Grants that are first disbursed after October 1, 2014 must be reduced by 7.3 percent from the award amount for which a recipient would otherwise have been eligible. For example, the maximum award of $4,000 is reduced by $292, resulting in a maximum award amount of $3,708. Award amounts for any TEACH Grant that is first disbursed after October 1, 2015 must be reduced by 6.8 percent from the award amount for which a recipient would otherwise have been eligible. For example, the maximum award of $4,000 is reduced by $272, resulting in a maximum award amount of $3,728.

Eligibility Requirements for Graduate Students

At Armstrong State University, you must:

- Complete a Free Application for Federal Student Aid (FAFSA)
- Be a US citizen or eligible non-citizen
- Be admitted to the College of Education as Graduate Regular-Admit student in a program of study designated as TEACH Grant-eligible. Eligible programs are:
  - Reading Specialist
  - Special Education
  - Secondary Mathematics
  - Secondary Science
  *All other programs are not eligible. (Post-baccalaureate Teacher Certification seekers are ineligible for this program.)*
- Have at least a 3.25 Cumulative GPA and maintain a cumulative 3.25 GPA each semester you receive the TEACH Grant.
- Be enrolled in coursework that is necessary to begin a career in teaching such as the courses required for the programs listed above.
- Score above the 75th percentile on one of the following college admissions test(s), GRE, OR Miller Analogies OR have at least a 3.25 cumulative GPA (first year grad uses undergraduate GPA) and maintain a cumulative 3.25 GPA each semester you receive the TEACH Grant.
- Sign the TEACH Agreement to Serve and Promise to Pay and Complete the TEACH Grant counseling program (http://www.teach-ats.ed.gov).
- Upon completion of your degree program, complete Exit Counseling at StudentLoans.gov.

Teaching Obligation

In exchange for receiving the TEACH Grant, you must agree to serve as a highly-qualified, full-time teacher in a high-need subject area for at least four years at a school serving low-income students. You must complete the four years of teaching within eight years of finishing the program for which you received the TEACH Grant. You incur a four-year teaching obligation for each educational program for which you received TEACH Grant funds. You may work off multiple four-year obligations simultaneously under certain circumstances.

*If you fail to complete the four-year teaching obligation you will have to repay the grant as a loan with interest.*

Application Procedures

Please keep the application and all pages (1-5) together as one document. Send original pages of your application and forms to the College of Education, 11935 Abercorn Street, Savannah, GA 31419 or deliver the forms to the College of Education on the 2nd Floor of University Hall, Room 242C.

Incomplete applications and forms cannot be processed and will be returned to the address listed on the application.

A student must file the application on or before the last day of the academic term in order to receive funds for that academic term. The last day of the academic term is the last day of exams.

Important Reminder

Failure to complete the teaching obligation, respond to requests for information or properly document your teaching service will cause the TEACH Grant to be permanently converted to a loan with interest.
Once a grant is converted to a loan it cannot be converted back to a grant!

Please note: Legislative changes may affect the availability of some grant programs. Check with the Office of Financial Aid for more information.

Loan Programs

Armstrong participates in the Federal Direct Lending Program as of July 1, 2010. Loan funding comes directly from the Federal Department of Education to students through the Federal Direct Stafford Loan Program and through the Federal Direct Grad PLUS Loan Program. Additional information is available at www.studentloans.gov or on our website at www.finaid.armstrong.edu. Federal Stafford Loans are available for students who are enrolled at least half-time (three semester hours of graduate level courses). Deferment is available until students fall below half-time attendance. Unsubsidized loans are loans in which the student is responsible for the interest which accrues.

Please note: Legislative changes may affect the interest rate and/or other loan terms. Check with the Office of Financial Aid for more information.

Federal Stafford Loans for Graduate Students

• **Unsubsidized:** Not need-based. Students are responsible for all interest.

The government limits the amount of money you can borrow under the Federal Stafford loan program.

As of July 1, 2012, subsidized loans are no longer available to graduate and professional degree students.

### Stafford Loan Amounts after July 1, 2008

</tbody>
</table>

Interest rates are fixed based on current Federal Stafford Loan rates determined by the Federal Department of Education. The Federal Department of Education is required by law to notify students of changes in the interest rate. Origination and processing fees are deducted from the loan amount borrowed.

The cumulative borrowing limit for both undergraduate and graduate students is $138,500.00. Armstrong does not automatically offer additional unsubsidized loans in your award. All loans must be certified before the end date of the term the student wishes to borrow.

**Note:** Graduate students not regularly admitted into a graduate program or not enrolled for graduate level course work do not qualify for graduate level funding. Students admitted on a provisional basis only qualify for aid for one calendar year.

Students enrolling in Teacher Certification programs must have their program of study verified before funds disburse each term. Some Armstrong certificate programs are not eligible for assistance at all.
PLUS Loans for Graduate or Professional Students. Graduate or professional students are now eligible to borrow under the PLUS Loan Program up to their cost of attendance minus other estimated financial assistance.

The deadline to request loan funds is ten business days prior to the last published date of term for which the student is seeking payment.

Academic Scholarship Application and Offerings

With the approval of the President and consistent with Armstrong’s overarching policy of ensuring integrity in the scholarship award process, the university accepts totally private funds donated for scholarships earmarked for certain categories of students. Allocation by Armstrong of such privately funded scholarships is undertaken with the express purpose of broadening the award of scholarship aid to embrace students who otherwise might be excluded.

There are many scholarships which are awarded on the basis of merit, need, or both. These monies will be awarded by a scholarship committee during spring for the academic year. You must apply for these and other scholarships using the Armstrong State University Scholarship Application, which is available on the student’s PORT account. Some of the scholarships for which you are applying were provided by: Anthony Porter, L. Pauline Gooch, Eleanor Webster Boyd Scholarship Fund, Office of Alumni Affairs, Savannah Volunteer Guards, Porter Pierpont Rotary Club, Melaver Foundation, Belk Stores, Sprague-Oxnard Scholarship, Class of ’37, and Bank of America.

Federal Nurse Traineeship Award

Federal Nurse Traineeship Awards may be available for graduate nursing students as federal funds are available. Contact the Graduate Nursing Coordinator.

Dr. Wilbur Lundquist Scholarship

The Wilbur Lundquist Scholarships are available for graduate public health students. Awards are made in the spring semester. Contact the Department of Health Sciences.

Other scholarships are posted by the Office of Financial Aid as they become available from various donors. The majority of the scholarships are offered in the spring preceding the academic year. This information is available at www.es.armstrong.edu/financialaid.

Fellowship Program

Roger K. Warlick Fellowship in History

The purpose of this fellowship is to attract outstanding scholars who wish to pursue a master’s degree in history. Application information may be obtained from the Department of History or the Office of Financial Aid.

Standards of Academic Progress

It is each individual student’s responsibility to read and adhere to the Standards of Academic Progress Policy. The policy is in place because the Higher Education Act of 1965 was amended with Program Integrity regulations passed on October 29, 2010 that mandates institutions of higher education to establish a standard of satisfactory academic progress for a student who receives any financial aid. A student’s entire academic history at all schools attended including transferrable hours is reviewed at the end of the first semester and each semester thereafter whether or not Title IV funded aid was received to ensure compliance with the policy.

What this means to you is that in order to remain eligible to receive financial aid you must meet the standards specified for acceptable academic performance and satisfactory progress toward the completion of your program of study. The progress standards are established within the framework of federal regulations and specifically for the purpose of determining the eligibility of students to receive financial aid under Title IV and State aid programs. These programs include, but are not limited to, Federal PELL Grant, Federal Supplemental Education Opportunity Grant (SEOG), Federal Work-Study, Georgia’s HOPE and Zell Miller Scholarship and Federal Direct Loan Programs.

The University will complete a review of compliance with this policy for all students at the end of the first semester and each semester thereafter.
Standards of Academic Progress (SAP) Status

A student’s SAP status will be evaluated at the completion of each semester of enrollment. At each evaluation period, one of the following SAP statuses will be assigned:

**Satisfactory.** Student is meeting the requirements. Student is eligible to continue receiving financial aid.

**Warning.** Student is not meeting either the Academic Performance or Progress Toward Degree Completion requirements (or both). Student is eligible to continue receiving financial aid for one semester only. Students are notified by email when they are placed in a WARNING status and no appeal is necessary to receive aid for this status. Students on financial aid WARNING will have their progress checked at the end of each semester to determine compliance. Students must meet the SAP requirements at the end of the term of enrollment or lose financial aid eligibility. Students may not have two consecutive Warning terms. If student has met the Credit Hour Limit then they are not eligible for a WARNING status.

**Suspension.** Student is not meeting either the Academic Performance or Progress Toward Degree Completion requirements (or both) after a WARNING semester. Student is not eligible to continue receiving financial aid until the student is meeting the required minimum standards. If student has met the Credit Hour Limit for their degree program then the student is not eligible to continue receiving financial aid. Students on suspension may submit an appeal based on mitigating circumstances.

**Probation.** Student has submitted a SAP appeal and the Armstrong SAP Committee has approved the appeal. Student is eligible to continue receiving financial aid for one semester only. Students on financial aid PROBATION will have their progress checked at the end of each semester to determine compliance.

In some cases, a student must complete the requirements of an Academic Plan developed with their Academic Advisor, which will be monitored by the Office of Financial Aid. Student is eligible to continue receiving financial aid based on the performance and terms of the Academic Plan. The student’s continued eligibility beyond the PROBATION semester will be determined at the conclusion of each semester. Failure to meet any part of the Academic Plan will result in the appeal being rescinded and the immediate loss of financial aid eligibility.

**Standard of Academic Progress Requirements**

1. **Academic Performance.** Graduate students must maintain a 3.0 cumulative grade point average (GPA).

   The cumulative GPA is derived from all hours accepted by and earned at Armstrong, including transfer work from other institutions whether or not the hours apply toward your degree.

2. **Progress Toward Degree Completion.** All students must make significant progress toward completion of degree requirement in order to receive aid. A mandated minimum completion rate of 67% is the standard for acceptable progress toward degree completion. When computing this percentage the numbers are not rounded up or down. The formula for this calculation is as follows:

   \[
   \text{Cumulative number of hours successfully earned / cumulative hours attempted} = \% \text{ competed}
   \]

   Grades of W, WF, WH, V (audit), F, U, I and NR are not considered successful course completion. In addition, all attempts of repeated courses and non-credit coursework are included in the cumulative attempted number.

3. **Credit Hour Limit.** A maximum number of attempted hours in which to complete a degree is established. Students who exceed this limit will lose their eligibility to receive financial aid. That maximum number of attempted hours is based on 150% of the average degree program requirements.

   - Graduate (Master’s Degree) programs requiring less than 40 credit hours must be completed by the 51st attempted semester hour.
   - Graduate (Master’s Degree) programs requiring more than 40 credit hours must be completed by the 74th attempted semester hour.
   - Degree programs above the Master’s level require completion by the 201st attempted semester hour

   Exceptions for second degree seekers will be considered upon receipt of a written Standards of Academic Progress Appeal Form.

**Appeal for Reinstatement of Aid**

If your academic progress was reviewed at the end of the spring semester and you lost your eligibility for financial aid, you can regain financial aid in two possible ways;
1) By continuing to work toward a degree without financial aid, successfully accomplishing all the Standard of Academic Progress requirements and providing written notice of that by filing an appeals form with the Office of Financial Aid

2) By filing an appeal of the loss of eligibility for financial aid that identifies mitigating circumstances.

Mitigating circumstances are defined as unanticipated and unavoidable events or situations beyond a student’s control that prevented him or her from successfully completing courses or meeting the terms of a prior appeal. Examples of mitigating circumstances could include (but are not limited to) serious accident or illness of the student, serious illness or death of immediate family member (parents, grandparents, siblings, spouse, children), unexpected financial obligations, etc. **Examples of unacceptable mitigating circumstances** include (but are not limited to) withdrawal to avoid a failing grade, too many courses attempted, voluntary change of major, limited number of tests/assignments, disagreement with instructor, voluntary change in work hours, and incarceration.

If you choose to file an appeal you must do so through the formal Appeal Form. In your appeal you need to clearly explain:

1. Why you failed to meet the progress requirements
2. What corrective measures you have undertaken to improve your future performance.
3. Provide written and signed documentation of any mitigating circumstances that impacted your performance.
4. Students who are not meeting requirements, due to being over max time frame must submit a letter from their advisor which includes:
   a. Number of attempted hours that go toward current degree
   b. Hours remaining in degree program
   c. Expected term of graduation

A Standards of Academic Progress Committee will review your appeal and supporting documentation and either approve or deny your appeal. Approvals result in the following conditions.

1. **Approved for one semester.** Financial aid granted for one semester if you are deemed able to achieve the progress standard in one semester.
2. **Academic Plan.** On a case by case basis, the Committee may offer an academic plan to students exhibiting documentable, mitigating circumstance. If it is mathematically possible for a student to regain SAP, then the student will be given an Academic Plan. Students will be reviewed for compliance at the end of each semester. If the student fails to adhere to the Academic Plan, then the student will be denied financial aid until such time as the student is back in compliance with the SAP standards.
3. **Reinstated.** Student has regained compliance with SAP.

**Denial.** Automatic denials are given to students for whom it is mathematically impossible for them to gain compliance with SAP.

Approval of all appeals is determined on a case-by-case basis and is not guaranteed. You will be notified in writing of the Committee’s decision through a document called the Standards of Academic Progress Agreement which you must sign and return to the Office of Financial Aid.

You will remain ineligible for financial aid until fully compliant with the Standards of Academic Progress Policy.

Forms for a Standards of Academic Progress Appeal are available at the Office of Financial Aid website at www.finaid.armstrong.edu under Financial Aid Forms.

**Terms and Conditions of Award**

It is especially important that you understand the conditions of your awards and your responsibility as a financial aid recipient. Our policies are explained fully in the Armstrong Catalog. You are required to take course work that applies toward your declared degree objective at Armstrong. All aid will be calculated based on your degree program. Be sure to read and understand the conditions of your award.

If you have any questions, please feel free to contact our office at 912-344-3266.
Student Services and Organizations

As part of its educational mission, Armstrong State University strives for the total development of students. This growth process is enhanced by providing opportunities for social, emotional, cultural, physical, and spiritual development, in addition to intellectual growth. The Division of Student Affairs is committed to providing programs and services in an educational environment that will help students of all ages to adjust to university life and achieve their full potential.

University Housing and Dining Services

Housing and Residence Life provides on-campus student-exclusive communities that are apartment accommodations designed and managed to support upperclass and graduate students. The communities of Compass Point, University Crossings, and University Terrace offer apartments with the following amenities:

- Kitchens with full-size appliances.
- Furnished living rooms and private bedrooms.
- Basic cable television, local telephone service, Internet connection, water, sewer, electricity, and parking decal are included.
- Located close to classes, Student Recreation Center, Lane Library and Savannah shops and restaurants.

Access to classes, campus recreational facilities, meeting spaces, co-curricular activities and events make the communities the choice for undergraduate and graduate students. Housing is based on a first-come, first-served basis.

University food service is provided by Sodexo. Students who live in University Housing are required to purchase a meal plan.

For more information, please visit the website at www.housing.armstrong.edu.

Student Services

Armstrong Student Union: The Student Union is the “living room” of the campus. It offers dining, bookstore, card services, convenience store, meeting and ballroom space, theatre, lounges, and hosts the SGA, Campus Union Board, GSCC and Student Affairs Offices.

Alcohol and Drug Education. The University Counseling Center provides campus alcohol and drug prevention education, as well as services to students with individual concerns about alcohol/drug-related issues including personal assessments, counseling, and/or referral to community treatment programs. Assistance is also offered for other personal issues. They coordinate support group meetings on campus and collaborate with local prevention and treatment facilities. Training is provided for residence hall professional staff, student resident advisors and orientation leaders. Classroom instruction is provided upon request of instructors. Resource materials are available.

University Bookstore. Armstrong’s bookstore, located in the Armstrong Student Union, provides students with textbooks, school supplies, university apparel, gifts, and laboratory and studio supplies. Extended and weekend hours are posted.

Campus Computing Labs. General purpose student computing labs are located in Solms Hall 104, University Hall 112, and Science Hall 129. Each lab provides PC workstations with Internet access, printing capabilities, and a general offering of software applications. Please visit http://www.cis.armstrong.edu/helpdesk/students/labs.html for additional information.

Career Services. Located on the first floor of the Memorial College Center, Career Services provides assistance with all aspects of career development and the job search process. Students in the early stages of career development can obtain assistance in such areas as selecting a major, gathering occupational information, investigating career paths through individualized career advisement and computerized career guidance techniques. Part-time and full-time employment opportunities, and internship opportunities, are listed on the website. Students closer to graduation may take advantage of one-on-one assistance or workshops on topics such as resume writing, interviewing skills, business and social etiquette, dressing for success, and applying to graduate school. Mock interviews are also available to help prepare students and alumni for the job search process. Local, regional, and national job listings, and referrals are available to students and alumni. Career fairs are held each semester to assist students in finding part- and full-time jobs and internships. Check out our website at www.armstrong.edu/Departments/career_services for a wealth of information to assist you with your professional development.

Dining Services. Campus dining, convenience store, and coffee shop are located in the Armstrong Student Union and offer cash service as well as meal plans. A daily hot line, salad bar, deli line, grill, and pizza stand are open when classes are in
session. Armstrong’s newest dining facility is located in the MCC Food Court. You’ll find a Quiznos that features delicious subs, soups, salads & flat bread sandwiches. Included in the Food Court is also the World of Wings, which features award winging chicken wings, chicken tenders, wraps, salads, and delectable sides with a Cajun flare!

Disability Services. Disability Services provides reasonable accommodations to students with disabilities at no charge. It is the student’s responsibility to self-identify to Disability Services and to provide complete, up to date documentation regarding the disability. Students with a visual impairments, hearing impairments, medical disability, mobility impairment, learning disability, acquired brain injury, pervasive developmental disorders (P.D.D), Attention-Deficit/Hyperactivity Disorder (A.D.D.), or psychological disorder that substantially interferes with functioning may be eligible. Documentation regarding the diagnosis of Learning Disability, P.D.D., A.D.D., psychological disorder, and acquired brain injury must be reviewed and approved by the Regents’ Center for Learning Disorders. Students with disabilities must meet all university admission requirements and academic standards. Accommodations are determined on an individual basis and may include: extended time on tests, low distraction test room, assistance finding volunteer note takers, books on tape or CD, enlargement of printed materials, and use of adaptive equipment. Obtaining documentation of the disability and arranging accommodations takes time, so students are urged to contact the ODS as soon as they are accepted for admission. Once a student is approved to receive accommodations, Advocacy Letters outlining approved accommodations are provided to the student to share with professors each semester. Adaptive software and equipment is available on campus. Documentation requirements for various disabilities and Disability Services policies and procedures are also available from ODS.

Hispanic Outreach & Leadership (HOLA). HOLA assists Latino students in succeeding by providing enrollment services, academic support, and leadership opportunities. The office also coordinates Latino Heritage Month and other cultural activities for the University and the greater community. HOLA also leads two grant initiatives, The Goizueta Foundation Scholars Fund and the Lumina Latino Student Success grant, or CAMINO program. The College Access Mentoring Information and Outreach program is the latest addition to a successful Hispanic/Latino program initiative at the university that assist students and families of first generation college backgrounds. HOLA is located in the Memorial College Center.

ID Cards. Armstrong ID cards are produced by the Pirate Card Office in Room D245 of the Student Union Monday through Thursday when classes are in session. For specific hours of operation, call 344-3292.

International Education. Students from other countries are encouraged to contact the International Education Office for information and materials that will assist with the transition to American higher education. Students from this country interested in opportunities to study abroad may also contact that office, located in Gamble Hall 110.

Lane Library. The library, through its collections and services, supports the academic programs of the university and the scholarly information needs of Armstrong students, faculty and staff. Named for Mills B. Lane, prominent Savannah-Atlanta Banker, philanthropist, and an early patron of the university, Lane Library was built in 1966 and substantially enlarged in 1975. The building was completely renovated in 2005-2006. The space devoted to library services grew by 25% with the 2013 opening of the Learning Commons in an adjacent renovated building. The Learning Commons features group study rooms, Macs and PCs, Wi-Fi access, and a variety of furniture ideal for group and individual study.

The library collections include more than 215,000 volumes, 500 journal and magazine subscriptions, over 2,900 online journals, 80,000 electronic books, and approximately 7,200 audiovisual titles, including compact discs, videocassettes, DVD’s and educational software. Special collections include the University Archives and the Florence Powell Minis Collection, which contains published materials on local history and culture and first editions by Conrad Aiken and other Savannah writers.

In addition, through the state-sponsored GALILEO system and through locally selected resources, library users have online access to over 200 bibliographic and full-text databases of books and journal articles. Books from other University System of Georgia Libraries can be requested free-of-charge through the GIL Express service. Most journal articles and books that are not otherwise available can be obtained from other libraries in the United States via an interlibrary loan service.

To guide students through the maze of print and electronic sources, reference librarians provide a number of services, including: instruction sessions for classes on the selection, evaluation, and use of course-related library and information resources; individualized assistance at the reference desk by a professional librarian during most hours of library operation; e-mail, IM, and text reference service (Ask A Librarian) and telephone references service; research consultations, scheduled in advance, for students who desire extended, in-depth assistance with their research.

Off-campus library services for Armstrong programs are supported online library services through Lane Library and by local libraries. Off-campus students have access to online library resources via the library webpage (http://library.armstrong.edu) using their Armstrong Port login or the GALILEO password. From the webpage, students can view listings of the
library’s books and media through the links to GIL and GIL Express; bibliographic and full-text databases are available to off-campus, currently-enrolled students through the links in the library Subject Guides. Off-campus students may also request materials that are not available in full text online by using the library’s interlibrary loan service.

**Multicultural Affairs.** The purpose of the Office of Multicultural Affairs (OMA) is to provide support services to underrepresented students, and to assist in the facilitation of their University Engagement. OMA provides services in the areas of Academic, Professional, and Social Development.

In addition to programs and services (such as Safe Space and the African-American Male Initiative), we prioritize these goals through interpersonal one-on-one interaction. OMA symbolizes a safe haven for students and an area on campus that students can readily identify with and call their own.

Our goal is to serve as an advocate for, and to assist in the navigation of our students in exploring not only their own culture, but those of other Armstrong students within their respective living environments as well as the surrounding Savannah area. OMA is located on the second floor of the Memorial College Center.

**Parking.** All vehicles driven on campus must be registered and display a university parking decal. Decals may be purchased from University Police (located in building #16). All students, faculty, and staff are responsible for complying with Armstrong’s parking regulations. A copy of the regulations may be picked up at the University Police office or can be accessed on the University Police website.

**Student Health Center.** The Student Health Center provides quality care in times of need for physicals, illness, immunizations, sports and annual physical exams, testing for HIV, sexually transmitted illnesses (STIs), pregnancy, and tuberculosis, contraception management, and for minor injury. Medical and laboratory services are offered to currently matriculating students at a minimum cost. The office is supervised by a licensed board-certified nurse practitioner under the direction of a physician. Students may schedule an appointment Monday through Friday. The Student Health Center requires payment at time of service and does not accept insurance. An itemized bill will be given to the student in order that they may request reimbursement directly from their insurance company.

**Testing.** The following state- and nation-wide testing programs are administered by the coordinator for Testing Services: ACT Residual Exam, Certified Health Education Specialist Examination (CHES), College-Level Examination Program (CLEP), DANTES Subject Standardized Tests, Georgia Government Exam, GRE Subject tests, Independent and Distance Learning Examinations, Health Occupation Basic Entrance Test (HOBET), Measure of Academic Proficiency and Progress (MAPP), Major Field Tests, Miller Analogies Test (MAT), and the SAT On-Campus. For information about these and other testing programs, please contact Testing Services, located in the Memorial College Center, 2nd Floor.

**University Counseling Center.** Services are offered to currently enrolled students at no cost by licensed mental health and substance abuse counselors. Whether setting goals or resolving personal issues, students can be assured that discussions held with professional counselors are strictly confidential. Students may schedule individual appointments or sign up for group workshops in the University Counseling Center on the first floor of Compass Point.

**Veterans.** The veterans affairs representative is helpful in advising about certification procedures and services available to veterans.

**Writing Center.** Students in all disciplines may come to the writing center in Gamble Hall for help with their writing. Tutors in the writing center offer individual instruction in basic writing skills and provide guidance in the preparation of essays, reports, and research papers. Writing center staff members not only assist students in core composition courses, but are also available to work with faculty to improve writing across the curriculum. The center is administered by the Department of Languages, Literature, and Philosophy.

**University Bookstore.** Armstrong’s bookstore, located in the Armstrong Student Union, provides students with textbooks, school supplies, university apparel, gifts, and laboratory and studio supplies. Extended and weekend hours are posted.

**Student Activities and Organizations**

**Cultural Opportunities.** Nationally known speakers, contemporary concerts, dances, popular films, exhibits, and performances by outstanding classical and modern artists from around the world complement students’ general education. These programs are selected and coordinated by the Campus Union Board. Student dramatic, choral, and instrumental groups, under professional direction, have established distinguished traditions. On-campus offerings broaden knowledge
and interest in a non-classroom setting. The thousand-seat Fine Arts Auditorium often hosts performances, area arts groups, and out-of-town troupes such as the National Shakespeare Company.

**Intercollegiate Athletics.** Armstrong is affiliated with the National Collegiate Athletic Association (NCAA) Division II. Athletic scholarships are available to support student-athletes who participate in the intercollegiate program. The men’s athletic teams consist of basketball, baseball, golf, tennis, and cross country. Women’s teams include basketball, softball, soccer, tennis, golf and volleyball. Armstrong State University is a charter member of the Peach Belt Conference, an 12-school conference consisting of schools from Georgia, North Carolina and South Carolina, Armstrong State University, Augusta State University, Clayton State University, Columbus State University, Francis Marion University, Georgia College & State University, Georgia Southwestern State University, Lander University, North Georgia College & State University, UNC Pembroke, USC Aiken, and the University of Montevallo.

**Recreation and Wellness.** The university places high priority on its recreational offerings and provides a wide variety of activities and programming, including intramurals, club sports, informal recreation fitness classes, and wellness education. The Student Recreation Center includes an exercise room for group fitness, 2 basketball/volleyball courts, and a fitness center with a wide variety of equipment including cardio, machine weights, and free weights. Other indoor on-campus facilities include a pool and a track. Outdoor facilities include tennis courts and intramural fields.

**Student Clubs and Organizations.** Armstrong State University students have numerous opportunities to develop leadership skills, broaden their social and professional backgrounds, and make significant contributions to the university and the community. Clubs and organizations reflect the natural variety of interests found in a diverse student body:

- **Faith Based.** Baptist Collegiate Ministry, Chi Alpha, Eklesia Campus Ministries, Episcopal Campus Ministry, Generation of Faith Ministries, Hillel, The Navs, One Life Campus Outreach Ministries, Reformed University Fellowship, Sigma Alpha Omega and Wesley Fellowship.

- **Professional.** Armstrong Health Sciences Student Association; Armstrong Association of Nursing Students; Association for Computing Machinery; Georgia Association of Educators; National Student Speech, Language, and Hearing Association; Phi Alpha Delta; Physical Therapy Club; Student Council for Exceptional Children.

- **Special Interest.** A.B.L.E. (Abilities Beyond Limitations Through Education), African Caribbean Student Organization, Amnesty International, Autism Speaks U, Collaboration Models, College Democrats, College Libertarians, College Republicans, Colleges Against Cancer, Collegiate 100, Design Matters, Epsilon Sigma Alpha, Feminists United, Filipino Student Association, Gay-Straight Alliance, Gospel Choir, HOLA (Hispanic Outreach and Leadership at Armstrong), International Student Association, Japanese Pop Culture Appreciation Club, NAACP, the Philosophical Debate Group, Science Fiction/Fantasy Club, Student Veterans of America.

- **Academic Honor Societies.** Honor societies recognize leadership and encourage superior scholarship in many fields of study. Campus chapters include: Alpha Eta (Allied Health); Delta Omega (Public Health); Kappa Delta Pi; Phi Alpha Theta (History); Upsilon Pi Epsilon (Computer Science); Phi Kappa Phi (Scholarship); Omicron Delta Kappa (Leadership).

Inquiries concerning any campus club or organization should be addressed to the Office of Student Life.

**Graduate Student Coordinating Council.** The purposes of this organization are to represent the graduate student body in all matters concerning academics, welfare, administration, and services; to assist graduate students by providing professional development activities that make them more employable; to promote closer graduate student—faculty-administration relations; and to work with Graduate Studies, the Division of Student Affairs, and other campus offices to promote greater recognition of graduate education on and off the campus.
Organization and Degrees

The College of Education offers graduate courses from the academic units of Childhood and Exceptional Student Education and Secondary, Adult, and Physical Education. Graduate degree programs include the Master of Education in adult education; early childhood education; curriculum and instruction; reading specialist education; and special education. Teacher certification is available through the Master of Arts in Teaching degree in early childhood education; secondary education (with concentrations in English, history, mathematics, or science); and special education. In addition, teacher certification is also available through non-degree post-baccalaureate certification programs in art and music.

Accreditation

All teacher education programs at Armstrong are approved by the Georgia Professional Standards Commission (GaPSC), and accredited by the National Council for Accreditation of Teacher Education (NCATE) [Council for the Accreditation of Educator Preparation].

Acceptance into or completion of a teacher preparation program through the College of Education does not guarantee employment by a school district or licensure by the Professional Standards Commission. Some course or internship fees and program revisions due to modifications in certification requirements are subject to change without notice.

Conceptual Framework

The College of Education and those partners who compose the Educator Preparation Program share the vision established by the conceptual framework. It guides their efforts as they work collaboratively to develop highly qualified teachers who are prepared to educate diverse learners. The conceptual framework is based upon seven tenets: respect for diversity, the essentials of professionalism, the importance of collaboration, the value of authentic assessment, the merit of reflection, the value of technology, and essential pedagogical and content knowledge. The shared vision and seven tenets provide direction for programs of study, instruction, scholarship, and service. Armstrong-prepared educators exemplify the highest qualities of character and ethical behaviors while demonstrating the dispositions, knowledge, and skills required to succeed in the modern classroom.

Philosophy and Goals

The College of Education offers a variety of degree programs designed to produce prepared, reflective educators committed to excellence in the profession and learning by all students. All degree programs in the College of Education are guided by specific objectives reflecting university goals. These objectives include providing prospective teachers with the following: proficiency in the content of their chosen teaching fields; learning theory and methodology necessary for successful implementation of classroom plans and procedures; ability and skills to offer appropriate educational opportunities to students from diverse cultural and economic backgrounds; ability and skills to enable them to meet the special needs of exceptional children; and a professional and educational atmosphere conducive to the development of the highest qualities of character, commitment, and professional competence.

Admission to Graduate Programs

Applicants to College of Education graduate programs must satisfy all requirements for regular program admission. The College of Education does not offer provisional admission.

Students assume primary responsibility for knowledge of and compliance with program requirements. Questions should be directed to the student’s academic advisor or to the graduate admissions coordinator.

Non-Degree Program Information

Post-Baccalaureate (Non-Degree) certificate and/or endorsement programs offered through departments within the College of Education (refer to department for program specific requirements):
Certificate in Adult Education
Reading Endorsement
Special Education Transition Specialist Endorsement

Department of Secondary, Adult, & Physical Education
Department of Childhood & Exceptional Student Education
Department of Childhood & Exceptional Student Education

Post-Baccalaureate (Non-Degree) Programs offered:

Art (P-12) Music (P-12)
Department of Art, Music, and Theatre Department of Art, Music, and Theatre

Individuals who are admitted as non-degree-seeking students or Armstrong students who qualify for “senior privilege” are limited to taking no more than four of the following courses:

- EDUC 6000 Professional Orientation to Teaching
- EDUC 6100 Technology Theories and Applications for Teachers
- EDUC 6200 Curriculum, Instruction and Assessment
- EDUC 6300 Educating Students with Disabilities
- SPED 5010G Technology for the Special Educator
- EEXE 6025 Legal and Procedural Issues in Special Education
- EEXE 6027 Disabilities that Impact Learning and Behavior

In order to take more than four courses, an individual must be admitted to a program, which requires satisfying all admissions requirements for that program.

Please contact the College of Education Graduate Admissions Coordinator at 912.344.2568 for questions regarding admission.

Field Experiences. Many courses in the College of Education require students to participate in field experiences. These are conducted off-campus and students must arrange their own transportation to their assigned school site. The following requirements must be met before students may participate in a field experience:

1. Evidence of professional tort liability insurance valid for a period no less than three (3) years from the date of Admission to Candidacy.
2. Georgia Professional Standards Commission Pre-Service Certificate (includes criminal background check requirement).

Clinical Internship. Internship II, the culminating activity of the professional sequence, is performed in selected off-campus school centers. Completed applications must be submitted to the department head of the respective program one semester prior to the internship semester. School placement is arranged jointly by the university and the participating school system; students receive letters of assignment. Students are required to adhere to The Georgia Code of Ethics for Educators, established policies and procedures of the cooperating school system in addition to those policies and procedures established by the university. Orientation will be held at the beginning of the semester in which internship is scheduled. The following requirements must be met before students may enroll in clinical internship:

1. Admission to Candidacy.
2. Successful completion of all coursework in the degree program with a cumulative 2.5 unrounded grade point average on all courses attempted, and a grade of “C” or better in all courses in the teaching field, professional sequence, concentration, and related electives.
3. Recommendation by the College of Education department faculty. Students in a secondary field or a P-12 field housed in the College of Liberal Arts or the College of Science and Technology must also secure a recommendation from the department that houses the major. Positive assessment of dispositions must be completed through the LiveText system.
4. Passing scores on all GACE content area examinations.
5. Georgia Professional Standards Commission Pre-Service Certificate.
6. Payment of $325.00 clinical internship fee (assessed with tuition and fees).
7. Evidence of professional tort liability Insurance valid for a period of three (3) years from the date of Admission to Candidacy.
8. Official program of study signed by the student’s advisor indicating completion of all courses.
9. Faculty review of content pedagogy assessment through the LiveText system.

Students who are unsuccessful (receiving a “U” or “W”) may apply to intern one additional semester only, after completing the prescribed Plan of Improvement, as outlined by the Director of Field Experiences, Clinical Placements and Partnerships.
College of Education candidates for Internship II who complete their program of study in initial certification programs but do not complete Internship II, will be allowed no more than five additional academic semesters (including summers) following the completion of their coursework to complete their internship. If a candidate is unable to complete the internship by the fifth semester following completion of coursework, the candidate will need to reapply to the university, present passing scores on appropriate GACE content exams, and be subject to any changes to the program of study and/or admission requirements.

**Transfer of Credit.** Accreditation rules and regulations for Educator Preparation Programs may limit the potential of transferring credits into specific certification fields. A transcript analysis by an Educator Preparation Program academic advisor would be required.

**Academic and Admissions Appeals.** The Educator Preparation Program has an Academic and Admission Appeals committee that reviews appeals. To view the appeal procedure visit the college’s “Forms” website.

**Academic Probation and Dismissal.** In addition to the University’s academic probation and dismissal regulations, the College of Education Educator Preparation Program maintains separate standards for academic probation and dismissal for compliance with the accreditation guidelines.

Eligibility to candidacy in the Armstrong College of Education Educator Preparation Program (EPP) requires a minimum Grade Point Average (GPA). Candidates accepted into an educator preparation program (EPP) must maintain a minimum GPA of 3.0 throughout the program of study. For graduate students seeking an MAT, MEd, or Endorsement, the minimum GPA is 3.0. If a candidate’s grades fall below the minimum, candidates will be notified by that they are on Probation and have one (1) semester in which to bring their grades up to the minimum GPA. If a candidate is able to bring up their grades, they will be restored to full candidacy. If they are unable to bring up their GPA, they will be suspended from the College of Education. If a candidate who has been suspended later attains the minimum GPA, they can reapply to the College of Education in order to proceed with their candidacy. GPAs will be checked at the end of each semester to chart the progression and qualifications of candidates throughout the EPP.

*As of Fall 2015, the Pre-Service Certificate will revoked if candidates are suspended from the EPP. Students reapplying to the College of Education will also have to reapply for the Pre-Service Certificate and meet all eligibility requirements.*

---

**CHILDHOOD AND EXCEPTIONAL STUDENT EDUCATION**

John Hobe, Department Head

**POST-BACCALAUREATE CERTIFICATE IN READING ENDORSEMENT**

This program is designed for educators who seek to add the Reading Endorsement to a renewable teaching certificate. Teachers pursuing the reading endorsement may be enrolled as non-degree students or may be enrolled in specific programs. Non-reading teachers benefit from this program because research indicates that reading achievement is greater when students are taught by teachers who complete a preparation program on reading instruction. This endorsement program has the following outcomes:

- develop reading teachers, kindergarten through grade twelve, who explicitly explain an understanding of readers and the reading process
- link reading assessment to instruction.
- teach using research-based effective teaching practices.
- design instructional reading practices used in the content areas.

**Admission Standards**

**Regular Admission**

1. An earned baccalaureate degree from a regionally accredited institution.
2. A minimum overall undergraduate grade point average of 2.50 OR in most recent degree.
3. Documented T-4 or higher certification or equivalent state-issued, clear, renewable teaching certificate in any field.
4. A current clear criminal background check conducted as directed by the College of Education. Note: This requirement may be waived only with evidence of employment as a full-time teacher of record in a public school in Georgia. Evidence must be presented on the College of Education’s Employment Verification Form.

Standards of Progression
A. Each candidate must have an official program of study signed by the candidate and his/her advisor on file in the appropriate College of Education department. A program of study does not become official until it has been signed and filed.
B. The candidate must maintain an overall grade point average of 3.0 or higher with no grades below a “C”.

MASTER OF ARTS IN TEACHING—EARLY CHILDHOOD EDUCATION

The degree program in early childhood education shall prepare a teacher who can address the academic, social, and emotional development of the student in grades pre-school through grade five (P-5). The candidate who successfully completes the program will be eligible for certification through the Georgia Professional Standards Commission. The program of study will accomplish develop candidates who:

• maintain a professional commitment to all students and their learning.
• demonstrate the responsibility for managing and monitoring student learning.
• systematically reflect on their practice and learn from their experiences.
• collaborate with a broad spectrum of constituencies.
• prevent early learning difficulties that may ultimately lead to school failure.
• support area communities’ efforts to improve elementary school education.
• teach using research-based effective teaching practices.

Admission Standards

Regular Admission
1. An earned baccalaureate degree from a regionally accredited institution.
2. A minimum overall undergraduate grade point average of 2.50 OR in most recent degree.
3. Passing scores on the Georgia Assessments for the Certification of Educators (GACE) Program Admission Assessment or an allowed exemption.
4. Two (2) completed and signed College of Education initial disposition assessments using the appropriate form.
5. A letter of intent (following the College of Education’s approved format).
6. Completion of the Georgia educator Ethics Assessment.

Standards of Progression and Graduation

A. Each candidate must have an official program of study on file in the appropriate department of the College of Education. Note: A program of study does not become official until a copy, signed by the candidate and his/her advisor, is placed in the candidate’s departmental file.
B. Fifty percent of the program of study must be completed at the 6000 level or higher.
C. Within two weeks after the start of the first semester, candidates must submit:
   1. Evidence of professional tort liability insurance or exemption (College of Education’s Employment Verification Form for candidates employed as a teacher of record in a public school);
   2. Georgia Professional Standards Commission Pre-Service Certificate application (includes criminal background check) or exemption (College of Education’s Employment Verification Form for candidates employed as a teacher of record in a public school).
D. Candidates must maintain an overall grade point average of 3.0 or higher with no grades lower than “C”.
E. The graduate internship is required for program completion certification. Candidates will be admitted to internship following:
   1. Completion of all required coursework with an overall GPA of 3.0 or better.
   2. Submission of an application to internship having all documentation required by the Office of Field Experiences, Clinical Practice and Partnerships.
   3. Attainment of Georgia Professional Standards Commission Pre-Service Certificate (includes criminal background check) or exemption (College of Education’s Employment Verification Form for candidates employed as a teacher of record in a public school).
   4. Registration for the graduate internship course.
   5. Evidence of current professional tort liability insurance or exemption (College of Education’s Employment Verification Form for candidates employed as a teacher of record in a public school).
   6. Passing scores on the Georgia Assessments for the Certification of Educators (GACE) content assessments in Early Childhood Education (001 and 002 or combined 501).
7. Students who are unsuccessful (receiving a “U” or “W”) may apply to intern one additional semester only, after completing the prescribed plan of improvement, as outlined by the Director of Field Experiences, Clinical Placements and Partnerships.

F. College of Education candidates for Graduate Internship who complete their program of study in initial certification programs but do not complete internship will be allowed no more than five (5) additional academic semesters (including summers) following the completion of their coursework to complete their internship. If a candidate is unable to complete the internship by the fifth semester following completion of coursework, the candidate will need to reapply to the university, present passing scores on appropriate Georgia Assessments for the Certification of Educators (GACE) content assessments, and be subject to any changes to the program of study and/or admission requirements.

G. Program completion requires the following:
1. Completion of all required coursework with a GPA of 3.0 or better.
2. Successful completion of the graduate internship.

H. Students are encouraged to apply for graduation two semesters before the anticipated date of graduation. Note: A copy of the official program of study must accompany the candidate’s application.

I. All requirements for the degree must be completed within seven (7) years of the official admission date.

J. Certification. To be recommended for a certificate of eligibility, candidates must complete the requirements for an approved Educator Preparation Program with an approved program of study, must satisfy the Georgia Assessment for the Certification of Educators (GACE) Program Admission Assessment. These requirements include, but are not limited to: at least 30 credit hours of education courses taken in the Educator Preparation Program, the passing of the Ethics Assessment, content pedagogy assessment, GACE content assessment in the certificate field(s), and any additional program specific items.

MASTER OF ARTS IN TEACHING—SPECIAL EDUCATION

The Master of Arts in Teaching in Special Education is a preparation program leading to initial teacher certification. Graduates of this program are prepared to teach exceptional students whose learning needs require an individualized education plan (IEP). Graduates will instruct these students in the general education curriculum using specialized strategies that prepare them to participate in the statewide assessment process required of all P-12 public school students in Georgia.

Graduate of this program will demonstrate the knowledge and skills required to:

- use research-based effective teaching practices.
collaborate with a broad spectrum of constituencies.
• serve individuals with special needs within the Armstrong service area in southeast Georgia.
• teach so all learn the Common Core Georgia Performance Standards aligned to the I.E.P. goals and supports.
• support communities’ efforts to improve special education programming and services.
• co-teach with regular education teachers serving students with special needs.
• create school transition policies assisting students with special needs to transition successfully from one educational level to another and/or to career and to college options.

Special Note: In order to be considered highly qualified teachers, candidates must demonstrate that they have 15 hours of course work in one content area (English, history, mathematics, or science) or pass the appropriate Georgia Assessments for the Certification of Educators (GACE) content assessment in one of the previously listed content areas.

Admission Standards

Regular Admission
1. An earned baccalaureate degree or above from a regionally accredited institution.
2. A minimum overall undergraduate grade point average of 2.50 OR in most recent degree.
3. Passing scores on the Georgia Assessments for the Certification of Educators (GACE) Program Admission Assessment examination or allowed exemption.
4. Two (2) completed and signed College of Education initial disposition assessments using the appropriate form;
5. A letter of intent (following the College of Education’s approved format).
6. Completion of the Georgia educator Ethics Assessment.

Standards of Progression and Graduation

A. Each candidate must have an official program of study on file in the appropriate department of the College of Education.
   Note: A program of study does not become official until a copy, signed by the candidate and his/her advisor, is placed in the candidate’s departmental file.
B. Fifty percent of the program of study must be completed at the 6000 level or higher.
C. Within two weeks after the start of the first semester, candidates must submit:
   1. Evidence of professional tort liability insurance or exemption (College of Education’s Employment Verification Form for candidates employed as a teacher of record in a public school);
   2. Georgia Professional Standards Commission Pre-Service Certificate application (includes criminal background check) or exemption (College of Education’s Employment Verification Form for candidates employed as a teacher of record in a public school).
D. Candidates must maintain an overall grade point average of 3.0 or higher with no grades lower than “C”.
E. The graduate internship is required for program completion and recommendation for teacher certification. Candidates will be admitted to internship following:
   1. Completion of all required coursework with an overall GPA of 3.0 or better.
   2. Submission of an application to internship having all documentation required by the Office of Field Experiences, Clinical Practice and Partnerships.
   3. Attainment of Georgia Professional Standards Commission Pre-Service Certificate (includes criminal background check) or exemption (College of Education’s Employment Verification Form for candidates employed as a teacher of record in a public school).
   4. Registration for the graduate internship course.
   5. Evidence of current professional tort liability insurance or exemption (College of Education’s Employment Verification Form for candidates employed as a teacher of record in a public school).
   6. Successful performance on the Georgia Assessments for the Certification of Educators (GACE) content assessment(s) in Special Education, General Curriculum (081 and 082 or combined 581).
   7. Students who are unsuccessful (receiving a “U” or “W”) may apply to intern one additional semester only, after completing the prescribed plan of improvement, as outlined by the Director of Field Experiences, Clinical Placements and Partnerships.
F. College of Education candidates for Graduate Internship who complete their program of study in initial certification programs but do not complete internship will be allowed no more than five (5) additional academic semesters (including summers) following the completion of their coursework to complete their internship. If a candidate is unable to complete the internship by the fifth semester following completion of coursework, the candidate will need to reapply to the university.
present passing scores on appropriate Georgia Assessments for the Certification of Educators (GACE) Content exams, and be subject to any changes to the program of study and/or admission requirements.

G. Program completion requires the following:
1. Completion of all required course work with a GPA of 3.0 or better.
2. Successful completion of the graduate internship.

H. Students are encouraged to apply for graduation two semesters before the anticipated date of graduation. Note: A copy of the official program of study must accompany the candidate’s application.

I. All requirements for the degree must be completed within seven (7) years of the official admission date.

J. Certification. To be recommended for a certificate of eligibility, candidates must complete the requirements for an approved Educator Preparation Program with an approved program of study, must satisfy the Georgia Assessment for the Certification of Educators (GACE) Program Admission Assessment. These requirements include, but are not limited to: at least 30 credit hours of education courses taken in the Educator Preparation Program, the passing of the Ethics Assessment, content pedagogy assessment, GACE content assessment in the certificate field(s), and any additional program specific items.

MASTER OF EDUCATION—SPECIAL EDUCATION
The Master of Education in Special Education degree provides qualified special education professionals with advanced research-based special education skills for delivering successful inclusionary programming and transitional preparation outcomes for their students with moderate to severe disabilities. The program emphasizes autism spectrum disorders (ASDs).
The Armstrong program meets the following goals:

- analyze and demonstrate the learning process using advanced learning training methods.
- synthesize learning process variables through demonstration and writing.
- research and explain variables leading to successful special education instruction.
- prepare educational leaders to improve schools and students with special needs learning.
- prepare advanced students with special needs transition policies allowing successful transition from one educational level to another and/or to career and to college options.
- explain in writing and through demonstration effective assessment and instructional procedures for students with Autism Spectrum Disorder (ASD).

NOTE: Individuals who complete the program also will earn the special education transition specialist endorsement.

MASTER OF ARTS IN TEACHING—SECONDARY EDUCATION

The degree program in secondary education shall prepare a teacher who can address the academic, social, and emotional development of the student in grades six through twelve. The candidate who successfully completes the program will be eligible for certification through the Georgia Professional Standards Commission. The program of study will prepare candidates to:

- create learning experiences that address the developmental needs of the adolescent student.
- plan and teach lessons that elevate their adolescent students’ subject matter knowledge and skills.
- implement developmentally responsive practices that reflect the philosophical foundations of 6-12 education.
- employ best practices in the creation and use of middle-level curriculum and assessment using a variety of strategies to meet the varying abilities and learning styles of all young adolescents.
- understand the importance of working collaboratively with family and community members to increase student welfare and learning.
- engage in practices and behaviors that develop competence as professionals.
Admission Standards

Regular Admission

1. An earned baccalaureate degree from a regionally-accredited institution.
2. A minimum overall undergraduate grade point average of 2.50 OR in most recent degree.
3. Passing scores on the Georgia Assessments for the Certification of Educators (GACE) program admission assessment or an allowed exemption.
4. Passing scores on the Georgia Assessments for the Certification of Educators (GACE) content assessment for the proposed field of study; NOTE: Candidates who earned a degree in their field of study within the past seven years can have this GACE requirement deferred until the start of internship.
5. Two (2) completed and signed College of Education initial disposition assessments using the appropriate form.
6. A letter of intent (following the College of Education’s approved format).
7. Completion of the Georgia educator Ethics Assessment.

Standards of Progression and Graduation

A. Each candidate must have an official program of study on file in the appropriate department of the College of Education.  
   Note: A program of study does not become official until a copy, signed by the candidate and his/her advisor, is placed in the candidate’s departmental file.
B. Fifty percent of the program of study must be completed at the 6000 level or higher.
C. Within two weeks after the start of the first semester, candidates must submit:
   1. Evidence of professional tort liability insurance or exemption (College of Education’s Employment Verification Form for candidates employed as a teacher of record in a public school);
   2. Georgia Professional Standards Commission Pre-Service Certificate application (includes criminal background check) or exemption (College of Education’s Employment Verification Form for candidates employed as a teacher of record in a public school).
D. Candidates must maintain an overall grade point average of 3.0 or higher with no grades below a “C”.
E. The graduate internship is required for program completion. Candidates will be admitted to internship following:
   1. Completion of all required coursework with an overall GPA of 3.0 or better.
   2. Submission of an application to internship including all documentation required by the Office of Field Experiences, Clinical Practice and Partnerships.
   3. Attainment of Georgia Professional Standards Commission Pre-Service Certificate (includes criminal background check) or exemption (College of Education’s Employment Verification Form for candidates employed as a teacher of record in a public school).
   4. Registration for the graduate internship course.
   5. Evidence of current professional tort liability insurance or exemption (College of Education’s Employment Verification Form for candidates employed as a teacher of record in a public school).
   6. Students who are unsuccessful in internship (receiving a “U” or “W”) may apply to intern one additional semester only after completing the prescribed Plan of Improvement, as outlined by the Director of Field Experiences, Clinical Placements and Partnerships.
   7. Passing scores on the GACE content assessment for their field of study.
F. College of Education candidates for Graduate Internship who complete their program of study in initial certification programs but do not complete internship will be allowed no more than five (5) additional academic semesters (including summers) following the completion of their coursework to complete their internship. If a candidate is unable to complete the internship by the fifth semester following completion of coursework, the candidate will need to reapply to the university, present passing scores on appropriate Georgia Assessments for the Certification of Educators (GACE) content assessments, and be subject to any changes to the program of study and/or admission requirements.
G. Program completion requires the following:
   1. Completion of all required coursework with a GPA of 3.0 or better.
   2. Successful completion of the graduate internship.
H. Students are encouraged to apply for graduation two semesters before the anticipated date of graduation. Note: A copy of the official program of study must accompany the candidate’s application.
I. All requirements for the degree must be completed within seven (7) years of the official admission date.
J. Certification. To be recommended for a certificate of eligibility, candidates must complete the requirements for an approved Educator Preparation Program with an approved program of study, must satisfy the Georgia Assessment for the Certification of Educators (GACE) Program Admission Assessment. These requirements include, but are not limited to: at least 30 credit hours of education courses taken in the Educator Preparation Program, the passing of the Ethics
Assessment, content pedagogy assessment, GACE content assessment in the certificate field(s), and any additional program specific items.

MASTER OF EDUCATION—ADULT EDUCATION
The program in adult education shall prepare individuals who are trainers and educators to better disseminate their knowledge to others. The program of study will require students to:
- develop a deeper, comprehensive understanding of the adult learner through a plan of study which builds upon prior professional preparation and experience.
- interpret adult behavior through exploration theories and research findings related to the physical, social, emotional, intellectual and moral development of the adult learner.
- investigate historical and philosophical factors which influence curriculum and pedagogy/andragogy for the adult learner.
- plan and facilitate lessons that elevate their learners’ subject matter knowledge and skills.
- implement developmentally responsive practices that reflect the philosophical foundations of education.
- employ best practices in the use of assessment using a variety of strategies to meet the varying abilities and learning styles of all learners.
- implement appropriate instructional strategies designed according to learner variables and academic discipline.
- understand the importance of working collaboratively with a variety of stakeholders.
- engage in practices and behaviors that develop competence as professionals.

Admission Standards

Regular Admission
1. An earned bachelor’s or master’s degree from a regionally accredited institution.
2. A minimum overall undergraduate grade point average of 2.50 OR in most recent degree.
3. Two (2) letters of recommendation.
4. A letter of intent (following the program’s approved format).
Standards of Progression and Graduation

A. Each candidate must have an official program of study signed by the candidate and his/her advisor on file in the appropriate College of Education department. A program of study does not become official until it has been signed and filed.

B. To graduate, all course work and assigned exit projects must be completed and earn the candidate an overall 3.0 or higher grade point average.

C. All requirements for the degree must be completed in seven (7) years from the official date of admission.

D. Students are encouraged to apply for graduation two semesters before the anticipated date of graduation. Note: A copy of the official program of study must accompany the candidate’s application.

E. This program does not lead to initial teacher certification.

TOTAL 30 hours

Special topics courses or courses transferred from another graduate institution may be used to satisfy specialized content or elective requirements, if approved by advisor.

MASTER OF EDUCATION—CURRICULUM AND INSTRUCTION

The purpose of the M.Ed. in Curriculum and Instruction, which is entirely online, is to improve P-12 teaching and learning by providing educators with deeper and broader knowledge of curriculum, pedagogy and assessment. This degree will prepare curriculum and instruction professionals who positively impact learning for every student and who advocate for and contribute to the field of education.

Graduates of the program will be prepared to demonstrate advance knowledge of and the ability to:

- design, implement, and evaluate curriculum that promotes student learning.
- plan, implement, and evaluate instruction to facilitate student learning.
- develop depth and breadth of knowledge and skills in the academic discipline and pedagogy.
- use research to promote student achievement and to contribute to the teaching profession.
- analyze the student through the lens of cognitive, physical, emotional, social, cultural, environmental, and economic factors.
- assess using multiple sources of assessment for maximizing student learning.
- provide accurate program and assessment data to key constituents including parents, administrators, colleagues, and other professionals.
- effectively communication skills required to collaborate with parents, colleagues and other professionals.
- maintain high standards for academic rigor by being reflective, engaging in professional development, advocating for the profession, maintaining ethical principles, and staying current and knowledgeable of policy, trends and practices in education.
Admission Standards

Regular Admission
1. An earned baccalaureate degree from a regionally accredited institution.
2. A minimum overall undergraduate grade point average of 3.00 OR in most recent degree.
3. Documented T-4 certification or above, or equivalent state-issued, clear, renewable teaching or service certificate
4. A letter of intent (following the College of Education’s approved format);
5. One (1) completed and signed College of Education initial disposition assessment form; and
6. A College of Education’s Employment Verification Form signed by the appropriate school representative or criminal background check as directed by the College of Education.

Standards of Progression and Graduation
A. Each candidate must have an official program of study signed by the candidate and his/her advisor on file in the appropriate College of Education department. A program of study does not become official until it has been signed and filed.
B. Candidates must maintain an overall grade point average of 3.0 or higher with no grades below a “C”.
C. Within the two weeks after the first semester, candidates must submit evidence of current professional tort liability insurance or exemption (College of Education’s Employment Verification Form for candidates employed as a teacher of record in a public school).
D. To graduate, all course work and assigned exit projects must be completed and earn the candidate an overall 3.0 or higher grade point average.
E. Students are encouraged to apply for graduation two semesters before the anticipated date of graduation. Note: A copy of the official program of study must accompany the candidate’s application.
F. All requirements for the degree must be completed in seven (7) years from the official date of admission.

Organization and Degrees

The College of Health Professions offers graduate courses from the academic units of communication sciences and disorders, health sciences, nursing, and physical therapy.

Graduate degree programs include the Master of Public Health, Master of Health Services Administration, the Master of Science in Nursing, the Doctorate in Physical Therapy, the Master of Science in Sports Medicine, and the Master of Science in Communication Sciences and Disorders. Post-baccalaureate certification in gerontology and post-master’s nursing certification are also available.

Criminal Background Checks

Clinical agencies utilized by the College of Health Professions may require criminal background checks and/or drug testing prior to acceptance of the student into clinical facilities. Students who do not pass the criminal background check and/or drug test may be unable to attend clinical courses and therefore may be unable to complete their program of study. Any fees or cost associated with background checks and/or drug testing is the responsibility of the student.

Accreditation

The Master of Science in Nursing program is accredited by the Commission on Collegiate Nursing Education. The Doctorate in Physical Therapy is accredited by the Commission on Accreditation in Physical Therapy Education. The Master of Public Health program is accredited by the Council on Education for Public Health. The Master of Health Services Administration is accredited by the Commission on Accreditation on Healthcare Management Education (CAHME). The Master of Science in Communication Sciences and Disorders is accredited by the Council on Academic Accreditation of the American Speech-Language-Hearing Association (ASHA). Accreditation of these programs is an indication of approbation, attesting to the quality of the educational program and the continuing commitment of the university to support the program.

POST-BACCALAUREATE CERTIFICATE IN RADIOLOGIC SCIENCES

Admission Standards

A. An earned baccalaureate degree from a regionally accredited institution.

B. Current professional certification from the American Registry of Radiologic Technologists, Nuclear Medicine Technology Certification Board or the American Registry for Diagnostic Medical Sonography or equivalent. (If not yet certified, must become certified prior to the end of the first semester at Armstrong).

C. Grade point average of 2.5 or higher for all college work.

Standards of Progression and Completion

A. Each student will file a program of study with Graduate Studies.

B. A minimum overall grade point average of B or better must be earned for the certificate to be awarded on the graduate level.

C. Students are encouraged to apply for graduation two semesters before the anticipated date of graduation. Note: A copy of the official program of study must accompany the candidate’s application.

D. If any change in the approved program of study is required, an amended program of study, signed by the student, the advisor, and the program coordinator must be submitted to Graduate Studies.
E. Consistent with Graduate Studies policies, any student who earns a grade of C will be placed on academic probation. Students who earn a C in any required course should meet with their academic advisor (and other appropriate professors) to develop a plan to enhance future success.

F. Students may attempt any given course no more than two times. A student who does not receive a grade of C or higher in a given course after two attempts will not be allowed to continue in the program.

GRADUATE CERTIFICATE IN STRENGTH AND CONDITIONING
Robert LeFavi, Coordinator

Admission Standards

For admission to the Strength and Conditioning certificate program, the applicant must:

A. Have completed requirements for a baccalaureate degree from a regionally-accredited institution;
B. A minimum 2.5 cumulative undergraduate GPA; AND
C. Be admitted to Graduate Studies.

Standards of Progression and Graduation

A. Each student will file a program of study with Graduate Studies after a review with his/her advisor.
B. A minimum overall grade point average of B or better must be earned for the certificate to be awarded on the graduate level.
C. Each student will successfully complete a comprehensive assessment administered during the student’s last semester of completion.

Program of Study

A. Required Courses (6 hours)

SMED 7070 Theory and Methodology of Strength & Conditioning................................................................. 3
SMED 7075 Program Design and Advanced Training Techniques ....................................................................... 3

B. Three of the following four courses (9 hours)

SMED 5090G Nutritional Issues in Sports Medicine............................................................................................. 3
SMED 5940G Internship in Strength & Conditioning ............................................................................................ 3
SMED 6060 Exercise Physiology .......................................................................................................................... 3
SMED 6080 Performance Evaluation and Exercise Testing .................................................................................... 3

Total 15 hours

Post-Certification Admission to MSSM

Students who successfully complete the Program of Study for the graduate certificate in strength and conditioning may be considered for admission into the MSSM program. Students who wish to be considered for admission into the MSSM program upon successful completion of the graduate strength and conditioning certificate must formally petition the MSSM program for consideration if they do not yet meet all other requirements (undergraduate GPA, GRE scores) for admission. The following criteria will be utilized by the MSSM program coordinator in evaluating each student’s petition for post-certificate admission to the MSSM program when they do not meet normal admission requirements:

A. Minimum GPA of 3.5 obtained during certificate program of study in non-elective courses; AND
B. Successful completion of the NSCA’s CSCS exam (both sections)

Regardless if a Certificate student qualifies for regular MSSM admission or has a successful petition based on the criteria above, only 9 credit hours earned during completion of the strength and conditioning certificate may be applied to completion of the MSSM.

POST-BACCALAUREATE CERTIFICATE IN CLINICAL INFORMATICS

*The Clinical Informatics certificate program is currently not accepting new students.

Admission Standards
A. Completed requirements for a baccalaureate degree from a regionally-accredited institution.

and

B. A minimum of two years of clinical experience with some health IT/IS experience preferred.

OR

C. Completed requirements for a graduate degree from a regionally-accredited institution.

**Standards of Progression and Graduation**

A. Each student will file a program of study with Graduate Studies.

B. A minimum overall grade point average of B or better must be earned for the certificate to be awarded. Any student making two C's in the program will be academically dismissed.

**MASTER OF HEALTH SERVICES ADMINISTRATION (MHSA)**

Joseph Crosby, Graduate Coordinator

The objective of the Master of Health Services Administration degree is to provide the student with mastery of the knowledge and skills for the effective administration of health service organizations across the continuum of care. Specifically, the student will understand the basic organizational, financial, legal, and managerial components of health services as they relate to a dynamic and evolving healthcare delivery system.

**Criminal Background Checks**

Clinical agencies utilized by the Department of Health Sciences and Program in Health Services Administration may require criminal background checks and/or drug testing prior to acceptance of the student into clinical facilities. Students who do not pass the criminal background check and/or drug test may be unable to initiate/complete the applied learning experience. Any fees or cost associated with background checks and/or drug testing is the responsibility of the student.

**Admission Standards**

For consideration of admission to the MHSA program, the applicant must have completed an application for admission to Graduate Studies at Armstrong, submitted official copies of all academic transcripts related to undergraduate and graduate coursework at the time of program application, submitted official GRE or GMAT scores, prepared a formal Letter of Intent and submitted an updated professional/personal resume, detailing educational and work experiences for a period of not less than three (3) years from the time of application. The applicant must also have satisfactorily completed requirements for the baccalaureate degree from a regionally-accredited institution, and must also score a minimum of 70 out of 110 possible points according to the following formula (NOTE: scoring the minimum required DOES NOT GUARANTEE acceptance to the MHSA program, only CONSIDERATION for admission):

1. Cumulative undergraduate GPA multiplied times 10 (max 40 points)
   and
2. Verbal + Quantitative GRE scores divided by 25 (max 50 points) (See note under Admissions Examinations on page 9 about using revised GRE scores after August 1, 2011)
   or
   Verbal + Quantitative GMAT scores divided by 12.5 (max 50 points)
   and
3. # of years of related management/administrative/clinical experience multiplied times 5 (max 20 points)
Add 1-3 together to get formula score

Total possible score = 110

Minimum score for admission consideration = 70

Note: In lieu of the above GRE/GMAT requirements, an earned doctorate or masters from a regionally-accredited institution may qualify the student for regular admission.

At the discretion of the MHSA program coordinator, the MHSA program reserves the right to waive the GRE/GMAT requirement if EITHER of the following criteria are met by a prospective applicant:

Minimum undergraduate GPA: 3.2 AND minimum years of relevant experience: 3 or more (preference for health-related experience)

OR

Minimum undergraduate GPA: 3.5 AND minimum years of relevant experience: 2 or more (preference for health-related experience).

Standards of Progression and Graduation
A. All degree requirements must be completed within seven years.
B. Students are encouraged to apply for graduation two semesters before the anticipated date of graduation. Note: A copy of the official program of study must accompany the candidate’s application.

The Master of Public Health (MPH) degree provides students with education and training in the theory, knowledge, and skills that are essential to a career in public and community health. The program prepares students with a broad foundation in all five core areas of public health: health promotion, health services administration, epidemiology, biostatistics, and environmental health sciences. The program emphasis in Community Health Education also exposes students to specialized training in health promotion and education methods, health communication, program planning and evaluation, and program management. Graduates with an MPH are prepared for entry level and/or supervisory positions in community and public health.

Criminal Background Checks

Clinical agencies utilized by the Department of Health Sciences and Program in Public Health may require criminal background checks and/or drug testing prior to acceptance of the student into clinical facilities. Students who do not pass the criminal background check and/or drug test may be unable to attend clinical courses and therefore may be unable to complete their program of study. Any fees or cost associated with background checks and/or drug testing is the responsibility of the student.

Admission Standards

For consideration of admission to the MPH program, the applicant must have completed an application for admission to Graduate Studies at Armstrong, submitted official copies of all academic transcripts related to undergraduate and graduate coursework at the time of program application, submitted official GRE or MAT scores, prepared a formal Letter of Intent, and submitted a work history form and two recommendation forms.

Minimum criteria to be considered for admission are stated below. Meeting the minimum criteria does not guarantee admission to the program:

1. A minimum undergraduate GPA of 2.8 and
2. A score of no less than 146 on the verbal section and 140 on the quantitative section of the Graduate Record Examination (GRE). (See note under Admissions Examinations on page 9 about using revised GRE scores after August 1, 2011)
   or
   A minimum score of 400 on the MAT*

*Applicants who already possess an advanced degree do not need to submit GRE or MAT scores.

Applicants who meet the minimum criteria will be considered individually. Admission decisions are based on academic achievement, evidence of ability to perform graduate level work, previous experiences in a health related field, professional recommendations, and writing skills. (NOTE: scoring the minimum required DOES NOT GUARANTEE acceptance to the MHSA program, only CONSIDERATION for admission).

Applicants are admitted every fall, spring, and summer semesters. Applicants should contact Graduate Studies for details on the application process and application deadlines each term. Applicants are encouraged to apply early for full consideration.

Standards of Progression and Graduation

A. All degree requirements must be completed within seven years.
B. Students must earn a grade of C or better in any individual course to count toward the degree requirements and maintain an overall GPA of 3.0 or higher every semester in order to remain in the program.
C. Students are encouraged to apply for graduation two semesters before the anticipated date of graduation. Note: A copy of the official program of study must accompany the candidate’s application.
D. Students may attempt any given course no more than two times. A student who does not receive a grade of C or higher in a given course after two attempts will not be allowed to continue in the program.

MASTER OF SCIENCE IN SPORTS MEDICINE (MSSM)
Robert LeFavi, Graduate Coordinator

The Master of Science in Sports Medicine (MSSM) degree at Armstrong State University prepares leaders for the general field of sports medicine with advanced education in either Strength & Conditioning or Advanced Athletic Training.

The MSSM provides an interdisciplinary scientific background in sport and physical activity with a significant emphasis on work-related concepts and experiences. The educational experiences are designed utilizing evidence-based research to develop leaders in the scientific and clinical aspects of Sports Medicine.

Criminal Background Checks

Clinical agencies utilized by the Department of Health Sciences and the Sports Medicine program may require criminal background checks and/or drug testing prior to acceptance of the student into clinical facilities. Students who do not pass the criminal background check and/or drug test may be unable to attend clinical courses and therefore may be unable to complete their Program of Study. Any fees or costs associated with background checks and/or drug testing is the responsibility of the student.

Admission Standards

For consideration of admission to the MSSM program, the applicant must have completed an application for admission to Graduate Studies at Armstrong, submitted official copies of all academic transcripts related to undergraduate and graduate coursework at the time of program application, submitted official GRE scores, and prepared a formal Statement of Graduate Education Goals. Courses in statistics, research methods, anatomy and physiology are recommended. The applicant must also have:

1. Completed requirements for a baccalaureate degree from a regionally-accredited institution; AND
2. A minimum 2.80 cumulative undergraduate GPA; AND
3. GRE: No less than 146 Verbal AND 141 Quantitative. See note under Admissions Examinations on page 9 about using revised GRE scores after August 1, 2011.
Note: In lieu of the above requirements, an earned doctorate or masters from a regionally-accredited institution may qualify the student for regular admission.

**Standards of Progression and Graduation**

A. All degree requirements must be completed within seven years.
B. Students must satisfactorily complete a thesis or research project.
C. Students must satisfactorily complete a comprehensive assessment.
D. Students are encouraged to apply for graduation two semesters before the anticipated date of graduation. Note: A copy of the official program of study must accompany the candidate’s application.

NURSING

Catherine Gilbert, Department Head
Anita Nivens, Graduate Coordinator

The mission of the graduate program in nursing at Armstrong is to educate master’s-prepared nurses who are able to meet the evolving health needs of individuals and populations. This mission is accomplished through a multi-faceted approach which incorporates education, research, and service.

The graduate program is committed to educational preparation of masters prepared nurses to address the nursing needs of southeast Georgia. Toward this end, students are actively recruited from this region. It is the faculty’s belief that students who live, work, and are educated in the region will be more likely to remain after graduation, thereby filling vital healthcare needs.

The faculty also believe that education is a lifelong process and that students must participate actively in the learning process. Quality teaching, as a part of academic excellence, and positive faculty/student interactions are imperative for the development of caring and knowledgeable nurses. Teaching is enhanced by faculty participation in practice, continuing education, and mentoring. A commitment to teaching excellence by both administration and faculty fosters ongoing enrichment.

Research activities sponsored or guided by the graduate program in nursing are directly responsive to regional needs. Consistent with the university’s position, applied research is the predominant, although not exclusive, focus of nursing research projects. Exploring regional healthcare needs; evaluating the effectiveness of clinical therapeutic nursing interventions or programs which were created to meet identified needs; and analysis of healthcare delivery issues are examples of research projects which are supported.

The service mission is met in a variety of ways, including professional practice, consultation, and collaboration. The nursing faculty serve as resource persons to the university, the community, and clinical agencies. Relationships among the university, the community, and clinical agencies are forged and maintained through these types of activities that are vital to the advancement of nursing care, and to the improvement of health in the region. The foundation of these beliefs is the value placed on the holistic nature of human beings, concern for the quality of human life and concerns that people have about health.

POST-BACCALAUREATE CERTIFICATE IN CLINICAL INFORMATICS

*The Clinical Informatics certificate program is currently not accepting new students.

Admission Standards
A. Completed requirements for a baccalaureate degree from a regionally-accredited institution.
and
B. A minimum of two years of clinical experience with some health IT/IS experience preferred.
OR
C. Completed requirements for a graduate degree from a regionally-accredited institution.

Standards of Progression and Graduation
A. Each student will file a program of study with Graduate Studies.
B. A minimum overall grade point average of B or better must be earned for the certificate to be awarded. Any student making two C's in the program will be academically dismissed.

**Program of Study**

**Content Courses (12 hours)**

MHSA/NURS 6010 Foundations of Clinical Informatics ................................................................. 3
MHSA/NURS 6020 Information/Knowledge Management ............................................................... 3
MHSA/NURS 6030 Project Management ......................................................................................... 3
MHSA/NURS/CSCI 6040 System Life Cycle & Applications ............................................................ 3

**TOTAL** 12 hours

**MASTER OF SCIENCE IN NURSING (MSN)**

Consistent with the mission of the university, the educational objectives for the Master of Science in Nursing Program are as follows:

1. Integrate scientific findings from nursing, and other disciplines as the basis for advanced practice.
2. Utilize leadership and ethical decision making with interprofessional teams to improve quality and safety.
3. Apply evidence based knowledge to resolve problems and effect change.
4. Incorporate technology and informatics to deliver quality care.
5. Advocate to influence health policy development and improve healthcare systems.
6. Collaborate with interprofessional teams to improve patient and population health outcomes.
7. Integrate health promotion and disease prevention in planning the care of individuals, families, and communities.
8. Integrate advanced practice nursing interventions to influence outcomes for individuals, populations, and systems.

**Criminal Background Checks and Drug Testing**

Clinical agencies utilized by the Department of Nursing require criminal background checks and/or drug testing prior to acceptance of the student into clinical facilities. Students who do not pass the criminal background check and/or drug test will be unable to attend clinical courses and therefore will be unable to complete their program of study. Any fees or costs associated with background checks and/or drug testing are the responsibility of the student.

**Admissions Standards**

The admission standards listed below are applicable to students in all tracks.

**A. Prerequisites**

1. Undergraduate elementary statistics or a statistics oriented methodology course
2. Basic knowledge of computer operations strongly recommended
3. Undergraduate health appraisal/physical assessment course (for all NP tracks)

**B. Regular Admission**

1. Completed requirements for a baccalaureate degree in nursing from a nationally accredited institution.
2. Current unrestricted Georgia RN license to practice nursing.
3. A score of no less than 150 (verbal) and 141 (quantitative) on the Graduate Record Examination (GRE) or a scaled score of 402 or higher on the Miller Analogies Test (MAT)
   **OR**
   Eligibility for the GRE/MAT waiver by documenting a 3.00 overall grade point average (GPA) or higher on all undergraduate work AND a 3.00 cumulative nursing GPA.
4. A Letter of Intent is required and should describe the applicant’s interest in obtaining a Master of Science in Nursing degree (or a Post Master’s Certificate) as well as depicting professional experiences predictive of future success in graduate nursing education. The letter will be evaluated for clarity of thought, writing style and grammar/syntax.
5. The following documents are also required for admission to the MSN Program:
   - Three professional recommendations
   - Current health appraisal form
   - Employment history
6. Applicants should submit all materials well in advance of the application cut-off date. All applications will be reviewed and evaluated by the Graduate Nursing Application Subcommittee. Students will be notified of admission decisions by Graduate Studies.

C. Provisional Admission
1. Completed requirements for a baccalaureate degree in nursing from a nationally accredited institution.
2. A score of no less than 150 (verbal) and 138 (quantitative) on the Graduate Record Examination (GRE) (or a scaled score of 389 or higher on the Miller Analogies Test (MAT)
   OR
   Eligibility for the GRE/MAT waiver by documenting a 3.00 overall grade point average (GPA) or higher on all undergraduate work AND a 3.00 cumulative nursing GPA.
3. A Letter of Intent is required and should describe the applicant’s interest in obtaining a Master of Science in Nursing degree (or a Post Master’s Certificate) as well as depicting professional experiences predictive of future success in graduate nursing education. The letter will be evaluated for clarity of thought, writing style and grammar/syntax.
4. The following documents are also required for admission to the MSN Program:
   - Three professional recommendations
   - Current health appraisal form
   - Employment history
5. Applicants should submit all materials well in advance of the application cut-off date. All applications will be reviewed and evaluated by the Graduate Nursing Application Subcommittee. Students will be notified of admission decisions by Graduate Studies.

D. Transfer Credit
Each student requesting transfer credit will have a transcript evaluation with gap analysis. Students requesting transfer credit for any graduate level nursing course will be required to provide a course description and syllabus. Pharmacology credits must be no older than five years. Students enrolled under regular admission may have transcripts evaluated for a maximum of six semester hours from a regionally-accredited graduate program.

E. Advanced Practice Nursing Students
To be considered for admission to this track, students must submit proof of current nurse practitioner certification by a nationally recognized certifying organization for nurse practitioners. Proof of certification may be used to satisfy requirements for the major clinical courses.

F. Nurse Practitioner Students
Armstrong offers three Nurse Practitioner tracks: Adult-Gerontological Acute Care, Adult-Gerontological Primary Care and Family. All NP students apply and are admitted to the Masters of Science in Nursing program. Admission to the MSN program does not guarantee admission to a specific NP track.

Application to the desired NP track occurs while successfully completing prerequisites to the clinical courses. Cohorts to each NP track are admitted during the semester prior to beginning the NP clinical courses.

Track admission decisions are based primarily on student request, on graduate coursework GPA, and clinical site and preceptor availability. Armstrong graduates are awarded a point preference. Prerequisite work experience is also considered as the Adult-Gerontological Acute Care NP track requires a minimum of one year of critical care RN work experience within the last three years.

Should a student not receive admission to the requested NP track, they will be placed on a waiting list and receive priority in the next cohort of admissions or they may elect to apply to another track.

G. Post-Master’s Certificates
Students with previously earned Master of Science in Nursing degrees from an accredited university may apply for admission to earn a post-master’s certificate. Students must complete all program requirements for an earned graduate nursing degree before enrolling in a post-master’s certificate program of study. Admission is on a space available basis. A program of study must be submitted to Graduate Studies.

Post Master’s certificate students are admitted to a Post-Graduate certificate category and are also required to apply for the requested NP track. All requirements as described in section F also apply to the Post Master’s certificate track applicants.
   a. All applicants will have a gap analysis to determine needed coursework and clinical hours.
   b. APRN applicants must be currently certified and actively practicing as an advanced practice nurse.
   c. Applicants who are not APRNs will be required to successfully complete courses identified in gap analysis.
d. Advanced pharmacology course must be no older than 5 years.

**Standards of Progression and Graduation**

A. Each student is responsible for reading and following the policies outlined in the Student Handbook.

B. Students are responsible for submitting all documents required for program admission and progression in the graduate nursing program. This includes, but is not limited to, the annual updates necessary for verification of licensure, liability insurance, CPR certification, health insurance waiver, and annual health appraisal. Students will be informed by notice of approaching document expiration dates and may be administratively withdrawn from courses if not current.

C. Students may not register for thesis, project, or practicum course hours until all incomplete grades have been removed from their transcript. Students must register for thesis or project hours every semester in which faculty or university resources are utilized toward completion of the thesis or project.

D. Students enrolled in the MSN program must complete a three credit hour project or the six credit hour thesis option. All degree requirements must be completed within seven years.

E. The Graduate Nursing Program publishes explicit Project and Thesis guidelines, timelines and outcomes. The guidelines reference an expected sequence of study over a minimum of three semesters: Spring (a year before expected graduation); Fall; and Spring of graduation. Specific outcomes are delineated for each of the semesters. If the identified outcomes are not met to the satisfaction of the Committee Chair and the Committee, the student will receive a grade of “U” for the semester for the Project or Thesis and will not be allowed to progress in any Graduate Nursing course (including major track courses) until the Project or Thesis outcomes are achieved. The student will be required to meet with the Committee Chair and the Committee periodically for remediation.

F. Students must satisfactorily pass a comprehensive assessment in the final semester of study in order to complete degree requirements. If determined by the student’s committee, the defense of the Thesis or Project may be considered as the comprehensive assessment.

G. Students are encouraged to apply for graduation two semesters before the anticipated date of graduation. Note: A copy of the official program of study must accompany the candidate’s application.

H. If any change in the approved program of study is required, an amended program of study, signed by the student, the advisor, and the program coordinator must be submitted to Graduate Studies.

I. Consistent with Graduate Studies policies, any student who earns a grade of C will be placed on academic probation. Students who earn a C in any required nursing course should meet with their academic advisor (and other appropriate professors) to develop a plan to enhance future success. A second C, D or F in any course in the program of study will result in academic dismissal. Repeating required courses for a higher grade will not be allowed to substitute for the C grade.

J. Students enrolled in a post-master’s certificate program of study must follow the published policies and procedures of the graduate program in nursing.

K. In compliance with Armstrong State University Graduate Program policies, the Master of Science in Nursing Program must be completed in 7 years. If a student’s progression is interrupted for any reason, it is the student’s responsibility to complete a Request for Leave of Absence or Deferral form, as well as to meet with the Graduate Program Coordinator. Because of limited space in the advanced clinical courses, any alteration in progression may lengthen the student’s program. Students may be readmitted on a space available basis. Following an approved leave of absence, the student in good standing (GPA >3.0) may submit a request for re-admission to the Graduate Nursing Program Admissions Committee with the understanding that selected courses, determined by the Committee, may need to be repeated.

**Program of Study—Adult-Gerontological Primary Care Nurse Practitioner**

The Adult-Gerontological Primary Care Nurse Practitioner track prepares advanced practice nurses capable of providing primary health care to diverse clients in a variety of settings. Graduate nursing core courses are foundational to exploration and synthesis of theoretical and evidence based approaches to advanced nursing practice. Opportunities to precept in clinical practice with experienced clinicians allow students to integrate knowledge of advanced physical assessment, pharmacotherapeutics, and varied aspects of client care. Adult-Gerontological Primary Care Nurse Practitioner graduates are eligible to take national certification exams as an Adult-Gerontological Primary Care Nurse Practitioner.

TOTAL 44 hours

Program of Study—Adult-Gerontological Acute Care Nurse Practitioner

The Adult-Gerontological Acute Care Nurse Practitioner provides advanced nursing care to acutely, critically, or chronically-ill adults and/or geriatric patients. Practice occurs in settings requiring complex, specialized assessment, monitoring and care. Graduates are eligible for certification and licensure as an Adult-Gerontological Acute Care Nurse Practitioner.

TOTAL 44 hours

Program of Study—Advanced Practice Nursing

The Advanced Practice Nursing track affords currently certified nurse practitioners the opportunity to satisfy requirements for the major clinical courses in the Master’s of Science in Nursing degree by virtue of current national nurse practitioner certification. Students are able to integrate advanced practice experiences with knowledge of theoretical and evidence based approaches to care.
### Program of Study—Adult-Gerontological Health Clinical Nurse Specialist

*The Adult-Gerontological Health Clinical Nurse Specialist program is currently not accepting new students.*

The objective of the Adult-Gerontological Health Clinical Nurse Specialist Program is to provide the registered nurse with the knowledge and skills for advanced practice as an expert clinician and client advocate for the adult population. Specifically, the student will have the ability to provide direct client care, including assessing, diagnosing, planning, and prescribing pharmacologic and non-pharmacologic treatment of health problems, health promotion and preventive care. Additionally, the student will understand the sub-roles of expert clinician, leader, educator, consultant, researcher, and change agent in a dynamic and ever-changing healthcare environment.

Program of Study—Nursing Administration

*The Nursing Administration program is currently not accepting new students.*

The Master of Science in Nursing degree with a major in Nursing Administration prepares nurses to assume increasingly demanding responsibilities in managing the delivery of health care in various settings. Based on theoretical foundations, the curriculum focuses on the practical application of leadership and management in the delivery of health care. Didactic and care-based approaches offer the student multiple opportunities to synthesize the body of nursing knowledge and managerial precepts appropriate to current health care organizations. Emphasis is placed on organizational behavior, financial management, and the nurse’s ability to impact the process of developing public policy.

The rapidly evolving healthcare system provides a dynamic venue for professional development. Managerial expertise, with applied leadership skills, is essential at all levels of the organization. The Nursing Administration major prepares nurses who have demonstrated clinical expertise for role expansion as leaders and administrators at an advanced level.

REHABILITATION SCIENCES

Anne Thompson, Department Head and DPT Graduate Coordinator
Maya Clark, Communication Sciences and Disorders Graduate Coordinator

MASTER OF SCIENCE—COMMUNICATION SCIENCES AND DISORDERS

Consistent with the mission of the university and the goals of the College of Health Professions, the overall mission of the program is to provide inter-professional, diverse learning experiences in the classroom and the community to prepare graduate students for clinical fellowships in speech-language pathology.

The Master of Science Program in Communication Sciences and Disorders is accredited by the Council on Academic Accreditation in Audiology and Speech-Language Pathology (CAA) of the American Speech-Language-Hearing Association (ASHA) for the period of January 1, 2009 through December 31, 2016.

Address: Accreditation Unit, American Speech-Language-Hearing Association, 2200 Research Blvd, #310, Rockville, MD 20850; telephone, 301-296-5700, accreditation@asha.org.

Graduates of this program will:
1. Demonstrate the knowledge and principles necessary for prevention, evaluation, and treatment of communication impairments across the lifespan
2. Analyze factors important to diagnosis and treatment plan development
3. Document and effectively communicate their findings to the clients, their families and other professionals
4. Meet legal and professional standards of competence and ethics
5. Employ active learning methods that encourage self-reliance and promote continuous professional development
6. Integrate theoretical knowledge and therapeutic competencies through group discussions, laboratories, and clinical practice
7. Demonstrate the highest qualities of character and ethical behavior as well as the knowledge, skills, and disposition that support scholarship, professionalism, technology, and diversity
8. Demonstrate clinical skill in supervised practicum settings and document the minimum of 400 clinical clock hours with a variety of populations as described by the American Speech-Language-Hearing Association (ASHA) for the Certificate of Clinical Competency

**Criminal Background Checks**

Clinical agencies utilized by the Program in Communication Sciences & Disorders require criminal background checks and/or drug testing prior to acceptance of the student into clinical facilities.

**Admission Standards**

1. Immunizations and physical exams as required of all Armstrong State University students.
2. Applicants must complete the requirements for a baccalaureate degree in speech-language pathology from a regionally accredited institution or complete the requirements for a baccalaureate degree in a field other than communication sciences and disorders plus appropriate prerequisite coursework in the field of speech-language pathology/communication sciences and disorders.
3. A cumulative grade point average of at least 3.0.
4. Admission requires a score of no less than 145 on the Verbal Reasoning section (or the equivalent score of 380) and 141 on the Quantitative Reasoning section (or the equivalent score of 430) of the Graduate Record Exam (GRE). Retired GRE scores may only be submitted if taken in the last 5 years otherwise the new GRE scores must be submitted. For students whose second language is English, a score of 550 paper-based score or 100 computer-based score or better on the Test of English as a Foreign Language (TOEFL) or a score of 6.5 or better on the International English Language Testing System (IELTS) may be substituted for the verbal GRE score.
5. The following documents are required for admission to the Master of Science program in Communication Sciences and Disorders: Armstrong State University graduate school application; official college transcripts with documentation of courses planned or in progress; official test scores sent from ETS to the Graduate school (Within 5 years of the application due date); three recommendation forms (see 5a); a Letter of Intent; and, an undergraduate degree in CSDS or a baccalaureate degree in a field other than communication sciences and disorders plus appropriate prerequisite coursework, or progress toward an UG degree, and Coursework Worksheet documenting pre-requisite courses passed with a grade of C or better.
   a. At least two of the three recommendation forms should be from professors with knowledge of the applicant’s academic performance and professionalism. Professors in communication sciences and disorders are preferred.
   b. No more than one of the three forms should be completed by a professional reference such as an employer.
   c. Each form should be in a signed, sealed envelope and included in the application packet.
7. Documentation required by July 15th in the month prior to the first day of classes includes the following: Clinical observation hours (See 6); proof of professional liability insurance; health insurance; a background check; first aid/CPR certification by the American Red Cross, the American Heart Association or the equivalent; a drug screen; Negative TB PPD skin test; and, a final transcript demonstrating required coursework.
8. Meeting the minimum criteria for application for graduate school does not guarantee admission to the Communication Sciences and Disorders program. It should be noted that the pool of applicants for the Communication Sciences and Disorders program includes many highly qualified applicants, and the number of available positions is limited. Therefore, admission to the Communication Sciences and Disorders program is highly competitive.

**Admissions Process**

1. Applications are available at the beginning of each academic year. Applicants must obtain the most recent Communication Sciences and Disorders application packet from the Office of Admissions. This application packet outlines the steps in the application process.
2. Deadline: the written application and all support materials should be postmarked by January 15th of each year. Send all materials directly to Office of Admissions, Armstrong State University, 11935 Abercorn St., Savannah, GA 31419.
3. Written applications and support materials are reviewed, and a limited number of applicants are accepted into the program.
Standards of Progression and Graduation

A. Program Progression Requirements
1. Students must maintain a B average or better on all coursework taken as a graduate student. If the student’s average falls below 3.0, the student will have one probationary semester to earn the required B average or better. The student must be registered for all of the required courses in the program of study during the probationary semester. If the average is not raised to a B or better in that term, or the student earns a C or below on more than 6 hours, the student will be dismissed from the program. Students who are dismissed due to unsatisfactory performance cannot reapply to the program.

A student, who earns a D, F or WF in an academic course or a grade of C, D, F or WF in clinical practicum but has not met the criteria for dismissal, must demonstrate mastery of the failed content before the program is completed and the degree is granted. The student may be required to retake the failed course or retake specific course content via independent study or special topics classes.

2. Students must adhere to the American Speech-Language and Hearing Association Code of Ethics and guide for professional practices and the state of Georgia’s rules and regulations governing the practice of speech-language pathology. The program provides copies of, and instruction in, all of these policies. Students who violate these rules and regulations will be dismissed from the program and are ineligible for readmission.

3. Graduate coursework and clinical practicum are completed simultaneously over five consecutive semesters, which includes summer. Students are admitted as full-time. If the student is not enrolled for two consecutive semesters, that student must reapply for admission.

4. Students must complete the program within seven years.
5. Students who do not complete the program in seven years must reapply for admission. Those students must begin to meet the program requirements in effect at the time of readmission. For clarification, refer to Readmission Procedures C.1-3.
6. Students must annually present evidence of professional liability insurance, health/medical insurance, Negative TB PPD skin test, and first aid/CPR certification. In addition, students may need to provide evidence of preventative inoculations depending on extern placements.

B. Graduation Requirements
1. Students are encouraged to apply for graduation two semesters before the anticipated date of graduation. Note: A copy of the official program of study must accompany the candidate’s application.

2. Students must take the Praxis II examination in speech-language pathology and present a score of 600 or higher to the graduate advisor by March 31st if graduating in May, June 30th if graduating in August or October 31st if graduating in December. Praxis scores will not be accepted if completed prior to midterm of the fall semester of the second year of graduate study.

3. Students who do not earn a Praxis score of 600 must take a comprehensive assessment developed by the program and earn a score of eighty percent or higher.

4. Students must maintain a B average or better in the program.
5. Students must accumulate a minimum of 400 client contact hours as described by the department and set forth by the American Speech-Language and Hearing Association.
6. Demonstrate acquisition of knowledge and skills needed for a graduate student in speech-language pathology.

C. Readmission Procedures
1. The student must complete the readmission application and go through the readmission process by submitting the current graduate application for Armstrong and the Communication Sciences and Disorders major.

2. The student will be required to meet admission requirements in effect at the time of application for readmission.
3. The student’s admission will be based upon space available in the class into which the former student is seeking admission and recommendation of the department faculty.
4. The student who has been dismissed for inability to meet minimum grade requirements or ethics violations is NOT eligible for readmission.

**TOTAL 54 hours**

- A total 54 semester hours of course work and an accumulation of a minimum of 400 client contact hours as described by the Armstrong Communication Sciences and Disorders program and set forth by the American Speech-Language and Hearing Association are required for program completion.
- A maximum of 6 graduate credit hours of course work approved by the Communication Sciences and Disorders faculty may be transferred from another institution at the discretion of program faculty.
- An individual student’s Plan of Study may reflect additional courses mutually agreed upon by the student and academic advisor and approved by the Program Director, but may include no less than the 54 credits listed above.

**DOCTOR OF PHYSICAL THERAPY**

The Physical Therapy Program at Armstrong State University offers the Doctor of Physical Therapy (DPT) degree.

The DPT Program includes nine semesters of academic course work with three full-time clinical affiliations (totaling at least thirty weeks of full-time clinical practice), and numerous additional clinical experiences. Upon completion of the program, students are awarded the Doctor of Physical Therapy (DPT) degree.

The bachelor’s degree is required for admission to the physical therapy program. Contact the Department of Rehabilitation Sciences, Physical Therapy Program, for further information concerning eligibility.

Consistent with the mission of the university and the goals of the College of Health Professions, the mission of the Doctor of Physical Therapy program is to educate individuals whose physical therapy skills and knowledge meet the challenges of the rapidly changing healthcare system and the expanding need for physical therapy services. The program will work collaboratively with the physical therapy community to improve the quality of physical therapy care and enhance the scientific basis of professional practice.

Specifically, the Doctor of Physical Therapy program will:

1. Provide program graduates with the scientific knowledge and principles which practitioners need to examine, diagnose, develop prognoses, treat, document, measure outcomes, and instruct persons of all ages with movement disorders.
2. Equip program graduates with diagnostic abilities to critically analyze a large number of factors, determine the most important of those factors, and develop a treatment plan based on that analysis.
3. Supply graduates with the documentation and communication skills to effectively communicate their findings to the clients, the clients’ families, other healthcare providers, and the agencies that reimburse the clients and/or the physical therapists for the physical therapy service.

4. Furnish graduates with the skills to provide care in a compassionate, competent, legal, and ethical manner.

5. Equip graduates with the skills to develop programs for the prevention of injuries and disabilities.

6. Provide students with clinically case-centered courses with the emphasis on problem identification and problem solving. This allows students to integrate pathophysiology, evaluation methods, treatment approaches, and psychosocial principles into each case. Students are encouraged to seek new solutions to the clinical problems and propose new treatment approaches.

7. Maintain an active learning environment that promotes independent thinking. Students learn to seek and confirm answers on their own rather than relying on faculty to provide answers. Active learning methods develop student self-reliance, an increase in self assessment skills, and a pattern of independent learning which promotes lifelong learning and further professional development.

8. Support a curriculum where students work with each other in small groups. Small group activities:
   a. Develop among the students a respect and understanding for the problem solving skills and clinical solutions developed by their classmates.
   b. Promote the development of teamwork and leadership skills.

9. Provide group discussions, laboratories, and clinical practice experiences designed to foster the development of intellectual and physical competencies and strong professional values.

10. Promote, as the central axiom in the department’s educational philosophy that the primary role of the instructor is as a facilitator of learning, not as the sole source of knowledge. The department will provide a supportive environment in which students take responsibility for their own learning. The department fosters mutual respect between faculty and students, between students and their classmates, and between students and other health care professionals. The department promotes a respect and understanding for all individuals regardless of their cultural background.

Admissions Standards

A. Prerequisites

1. Applicants must complete the requirements for a baccalaureate degree from a regionally accredited institution. While any major field of study is acceptable, the degree and all prerequisite courses must be completed prior to matriculation. At least 5 of the 8 prerequisite science courses must be completed at the time of application.

2. Applicants need to demonstrate effective oral and written communication skills.

3. Applicants must demonstrate an understanding of the social, biological and physical sciences and mathematics so that they can comprehend and integrate physiological, pharmacological, behavioral and biomechanical principles into physical therapy practice. Minimal satisfaction of this criterion will include completion of:
   a. A one-year sequence of basic (general, inorganic) chemistry with laboratories that is designed for science or health professions majors;
   b. A one-year sequence of general physics with laboratories (both calculus or non-calculus physics are acceptable) that is for science or health professions majors and which include mechanics, electricity, magnetism and light;
   c. A one-year sequence of anatomy and physiology with laboratories (either as two combined anatomy and physiology courses or with one course in physiology and one course in anatomy) which may be lower division human anatomy and physiology courses for health professions majors or upper division vertebrate or human physiology and comparative or developmental anatomy. Applicants are also encouraged to take advanced human physiology and anatomy courses such as exercise physiology, neurophysiology, advanced human physiology, kinesiology and/or biomechanics;
   d. One general biology course with laboratory (botany, ecology, and environmental science are not acceptable substitutes).
   e. One course in statistics (at a minimum, covering measures of central tendency, probability distributions, and linear regression).
   f. Two courses in the social sciences are also required. Abnormal psychology and human development are recommended.

4. Applicants should have an understanding of the scope of physical therapy practice. This understanding is best developed through observation of physical therapists in multiple types of clinical practice. It is strongly recommended that the applicant demonstrate a total of 75-100 hours of observation, in as many as 3 different types of settings. Setting types include but are not limited to: acute care, fitness/wellness, general adult outpatient, inpatient rehabilitation, outpatient adult orthopedics/sports, pediatric inpatient, pediatric outpatient, school systems, skilled nursing facilities, and wound care. Receiving physical therapy treatment or being a caregiver for someone with a physical disability can count toward one setting for purposes of this requirement.
5. Applicants must have no less than a 3.0 in the PTCAS science grade point average (GPA) and an overall grade point average of 3.0. No grade of D or F will be acceptable for satisfaction of the prerequisite courses. If a grade of D or F is earned in a prerequisite course, that course cannot be repeated more than one time. Only two prerequisite courses may be repeated. Applicants may repeat courses with grades of C or higher to improve their prerequisite course GPA, but repeated courses will be averaged in the calculation of the prerequisite GPA.

6. Applicants must achieve a score on the Graduate Record Exam (GRE) of no less than 146 on the verbal section and 144 on the quantitative section. For students whose second language is English, a TOEFL score of at least 600 paper-based, 250 computer-based or 80 internet-web-based may be substituted for the minimal verbal GRE score. The TOEFL score is not used in calculating a final application score during review of the applications, as there is no mechanism for converting a TOEFL score into a GRE score. As a result, the applicant’s application score may be lower than those of applicants who took the entire GRE. (Note that when requesting to have GRE scores sent to Armstrong, the appropriate codes to be used are: school code 7813, department code 5199.)

7. The following documents are required for admission to the Doctor of Physical Therapy (DPT) program: Physical Therapist Centralized Application Service (PTCAS) application, college transcripts, GRE scores and three recommendation forms. One of the recommendations must be written by a physical therapist who has observed and supervised the applicant in a clinical setting. ALL application documents will be collected by PTCAS.

8. In addition to the PTCAS fees, a supplemental application fee of $25 for Georgia residents, or $50 for out-of-state applicants, is required.

9. All students are required to submit evidence of health insurance prior to participation in clinical experiences.

10. Meeting the minimum criteria for application does not guarantee admission to the physical therapy program. It should be noted that the pool of applicants for the program includes many highly qualified persons, and the number of available positions is limited.

B. Admissions Process

1. Program applications are available through the Physical Therapist Centralized Application Service website (www.ptcas.org). The Graduate Studies application for Armstrong is not used.

2. Specific application deadlines are set annually and are posted at the PTCAS (www.ptcas.org) and program (www.pt.armstrong.edu) websites.

3. Students selected for admission must formally accept the position and submit a non-refundable deposit. Students who matriculate in the DPT Program at Armstrong will have their deposits refunded during the first week of classes.

C. Accreditation Status and Degrees Offered

1. The Doctor of Physical Therapy Program is accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE), 1111 North Fairfax Street, Alexandria, Virginia 22314; telephone: 703-706-3245; email: accreditation@apta.org; website: www.capteonline.org. The program received initial accreditation in May 1997. Present accreditation continues through December 31, 2022.

D. The Georgia Board of Physical Therapy Legal Requirements

1. Graduation from an accredited professional physical therapy education program allows students to take the National Physical Therapy Examination (NPTE). Passing this exam is required for licensure in any jurisdiction within the United States and its territories. In addition, the graduate must pass the Georgia state Jurisprudence exam to obtain licensure in Georgia.

2. The Georgia Board of Physical Therapy has the authority to refuse or revoke licensure to an applicant upon a finding by the board that the applicant has been convicted of any felony, crime involving moral turpitude, or crime violating any federal or state law relating to controlled substances or dangerous drugs in the courts of this state, any other state, territory, or country or in the federal courts of the United States including but not limited to a plea of nolo contendere entered to the charge.

Standards of Progression and Graduation

A. Program Progression Requirements

1. Students must pass all courses with a B (Clinical Practicum 3 and Supervised Clinical Education 1, 2, and 3 must be passed with a satisfactory grade). If less than the required grade is earned in a PT course, that course must be repeated. Only one course can be repeated and that course can be repeated only once. A course can be repeated only when it is normally offered again in the curricular sequence. No additional courses can be taken in the physical therapy curriculum until the course deficiency is satisfied. Thus, failure to pass a course will require the student to “drop back” to the next graduating class.

2. All graded activities within courses must be passed at the 80% level or remediated, as directed by the course instructor. A TOTAL of 4 remedial activities will be allowed in each semester in ALL COURSES combined. A student that fails more than 4 examinations in one semester will not progress through the curriculum.
3. Failure to pass more than one course or failure to pass any course more than once will result in dismissal from the program.

4. Students will be dismissed from the program if they violate the professional standards of physical therapy established by the Code of Ethics and Guide for Professional Conduct of the American Physical Therapy Association, or violate the rules and regulations governing the practice of physical therapy within the state of Georgia or any other jurisdiction in which the student is working.

5. Students must be continuously enrolled in the program through the entire nine-semester sequence of courses. Medical or personal leave may be granted but will also require the student to “drop back” to the next graduating class.

6. Students must obtain faculty permission to “drop back” for academic, medical, or personal reasons. A student may re-enroll in PT courses only if the faculty has determined that space is available for that student.

7. Students must complete all courses in the physical therapy curriculum within five consecutive years from the date of their initial admission to the physical therapy major.

8. Students who do not complete the program in the required period of time may apply for readmission.

9. Students must maintain malpractice/liability and health/medical insurance; up-to-date immunizations; medical tests and physical exams required by the program; and CPR/first aid certification.

B. Graduation Requirements

1. Students must successfully complete all courses in the curriculum (earning a B or better in all courses; Clinical Practicum 2 and 3 and Supervised Clinical Education 1, 2, and 3 must be passed with a satisfactory grade).

2. Students must satisfactorily complete a research project.

3. Students must follow graduation procedures for Armstrong State University.

4. The Doctor of Physical Therapy program of study requires a total of 134 semester hours.

C. Readmission Procedures

1. The student must complete the readmission application for the physical therapy major.

2. The student will be required to meet admission and curriculum requirements in effect at the time of application for readmission.

3. The student’s admission will be based upon space available in the class into which the former student is seeking admission and recommendation of the department faculty.

4. The former student, who has failed out of the program because of an inability to meet the grade requirements or has been dismissed from the physical therapy program for any reason, is not eligible to apply for readmission.

Becky Kohler da Cruz, Graduate Coordinator

POST-BACCALAUREATE CERTIFICATE IN CYBER CRIME

Admission Standards

A. Completed requirements for a baccalaureate degree from a regionally accredited institution.
B. A minimum of 2.5 overall undergraduate GPA
C. Letter of Intent

Standards of Progression and Graduation

A. Each student will file a program of study with Graduate Studies upon completion of the requirements for the certificate.
B. A minimum grade point average of 3.0 or better must be earned for the certificate to be awarded.
C. Each student must complete an exit interview.

TOTAL 18 hours
MASTER OF SCIENCE—CRIMINAL JUSTICE

To provide qualified professionals in criminal justice for southeast Georgia, the program will prepare graduates with:

1. Sophisticated knowledge and understanding of the criminal justice system;
2. Knowledge and understanding of the administration of individual criminal justice agencies;
3. Knowledge and skills to apply advanced research methodology to collect, analyze, synthesize, and report information and empirical data; and
4. Knowledge and sensitivity prerequisite to ethical practice and professionalism as a criminal justice practitioner.

Admission Standards

A. Regular Admission

For regular admission the applicant must have:

1. A 2.5 overall grade point average or higher on completed requirements for a baccalaureate degree from a regionally-accredited institution and a 2.75 grade point average over the last two years of undergraduate study (last sixty semester hours).
2. A score of no less than 150 on the verbal section and a 141 on the quantitative section or a 3.5-4.0 on the analytical section of the Graduate Record Examination (GRE)(See note under Admissions Examinations on page 9 about using revised GRE scores after August 1, 2011); or, a score of no less than 44 (402-407) on the Miller Analogies Test.
3. Letter of Intent, approximately 500 to 1000 words in length, to the MSCJ coordinator indicating applicant’s intent to enroll if selected, a brief paragraph about applicant’s academic background and professional credentials, and a statement concerning applicant’s reasons for desired enrollment in the program.
4. Two letters of recommendation addressing applicant’s 1) academic work; 2) professional experience, if any; 3) ability to handle master’s level curriculum, and 4) how the applicant can be expected to contribute to the program.
5. While an undergraduate degree in criminal justice is not a prerequisite to admission, newly-admitted students must be deemed adequately prepared for graduate study in this essentially multidisciplinary area. Students who lack the necessary background may be required to complete additional undergraduate course work. However, with a major in social science or a minor in criminal justice, and at least a C in a course in statistics, no additional course work will be required.

B. Provisional Admission

For provisional admission the applicant must have:

1. A minimum 2.3 overall undergraduate grade point average on all completed requirements for a baccalaureate degree from a regionally-accredited institution.
2. No less than 146 on the verbal section and 140 on the quantitative section or 3.0-3.4 on the analytical section of the GRE (See note under Admissions Examinations on page 9 about using revised GRE scores after August 1, 2011) or a 35 (388-393) on the MAT.
3. Letter of Intent, approximately 500 to 1000 words in length, to the MSCJ coordinator indicating applicant’s intent to enroll if selected, a brief paragraph about applicant’s academic background and professional credentials, and a statement concerning applicant’s reasons for desired enrollment in the program.
4. Two letters of recommendation addressing applicant’s 1) academic work; 2) professional experience, if any; 3) ability to handle master’s level curriculum, and 4) how the applicant can be expected to contribute to the program.

C. Prerequisites for Admission

While an undergraduate degree in criminal justice is not a prerequisite to admission, newly-admitted students must be deemed adequately prepared for graduate study in this essentially multidisciplinary area. Students who lack the necessary background may be required to complete additional undergraduate course work. However, with a major in social science or a minor in criminal justice, and at least a C in a course in statistics, no additional course work will be required.

D. Reclassification

A student may be reclassified with regular admission providing that they have completed three Armstrong courses, approved by their advisor, with a grade of no less than B. Additional courses may be required to be completed prior
to a student’s reclassification. No more than nine hours may be earned under the provisional admission classification. After nine hours, the student must either be reclassified as a regular admission student or be removed from the program.

**Standards of Progression and Graduation**

A. The graduate student must maintain a 3.0 overall grade point average in all graduate courses. The student will be placed on academic probation if he or she earns one (1) C or below. If a student earns two (2) C’s or below, the student will be dismissed from the program. There is a one (1) semester waiting period after the first C is earned so that the student has the opportunity to replace the grade and get the GPA back to a 3.0. The student may repeat a class only once to replace a grade.

B. The student must file a program of study and an application for graduation with Graduate Studies. Fifty percent of the program of study must be completed at the 6000-8000 levels.

C. If any change in the approved program of study is required, an amended program of study, signed by the student and advisor, must be submitted to Graduate Studies.

D. Satisfactory completion of a written comprehensive assessment one semester prior to graduation for practicum and coursework option students is required. Students choosing the thesis option must receive a satisfactory after a formal thesis defense.

E. Students are encouraged to apply for graduation two semesters before the anticipated date of graduation. Note: A copy of the official program of study must accompany the candidate’s application.

F. All degree requirements must be completed within seven years.

**Program of Study**

A. **Content Courses (12 hours)**

**Gender Studies**

Jane Rago, Coordinator

**Graduate Certificate in Gender Studies**

The GNST Graduate Certificate provides a coherent, graduate-level grounding in the scholarship of Gender and Women’s Studies and Feminist Theory, and prepares students interested in gaining leadership credentials in many fields to certify their expertise in women’s issues. The certificate has a global emphasis, with selected courses focusing on intersections of gender, race, ethnicity, nationality, and culture. The curriculum will also allow students to focus their graduate work on a specific professional track by registering for the GNST Internship which may be used to integrate professional work experience with scholarly research in Women’s Studies.

*The Gender Studies Certificate program is currently not accepting new students.*

**Admission Standards**

A. Completed requirements for a baccalaureate degree from a regionally-accredited institution.
B. A minimum 2.5 overall undergraduate GPA.
C. Evaluation of transcript by program Coordinator.
D. Letter of Intent

**Standards of Progression and Graduation**

A. Each student will file a program of study with Graduate Studies.
B. A minimum grade point average of 3.0 or better must be earned for the certificate to be awarded.
C. Each student will successfully complete an oral comprehensive assessment (administered each semester at a predetermined date).

**Program of Study**

A. Required Course (3 hours)

GNST 5700G Perspectives in Feminist Theory ................................................................................... 3

B. Three courses chosen from the following (9 semester hours)

ARTS 5760G History of Photography ................................................................................................. 3
ARTS 5770G Art and Identity ............................................................................................................. 3
COMM 5500G Communication Between the Genders ....................................................................... 3
ENGL 5340G Literature by Women .................................................................................................... 3
ENGL 5355G Black Women Writers ................................................................................................. 3

## History

Christopher Curtis, Department Head  
Ella Howard, Graduate Coordinator

### Graduate Certificate in Public History

The Graduate Certificate in Public History is designed to offer professional development for those working in public history and introductory courses for those seeking to move into the field. The flexible 15 credit-hour program of study results in the award of a stand-alone certificate. Students who complete the Certificate in Public History who are subsequently admitted to the M.A. in History may also apply these accumulated credits toward that degree.

#### Admission Standards

A. A baccalaureate degree from an accredited institution, with a minimum overall undergraduate grade point average of 2.75  
B. Official transcripts  
C. A writing sample of at least 1000 words. This sample should reflect scholarly writing but may represent professional or creative writing.

#### Standards of Progression and Graduation

A. Each student will file a program of study with Graduate Studies upon completion of the requirements for the certificate.  
B. A minimum grade point average of 3.0 must be earned for the certificate to be awarded.

### Program of Study

Choose five. Minimum grade of B required.

**MASTER OF ARTS—HISTORY**

The program in history will prepare a student whose knowledge of history can be used in the public information sector, at the secondary educational and two-year college level, or in pursuit of a degree beyond the Master of Arts in History. Students who concentrate their course of study in either American or World history will develop a mastery of the factual, chronological, methodological, and interpretive aspects of their given major. The public history student will develop mastery of those professional methods, techniques, and skills requisite for historical collection, preservation, and public interpretation/education. The program of study will:

1. Provide a sophisticated and comprehensive understanding of the complexities of human history;
2. Examine carefully the theoretical and methodological elements of the discipline of history;
3. Enable the student to exercise advanced research techniques and analytical skills necessary to their concentration;
4. Provide numerous opportunities for the student to communicate orally and in writing the knowledge and skills gained by participation in the program; and
5. Familiarize students with public applications of historical inquiry and provide them with a solid grounding in the standard methods and canon of historical research.

**Admission Standards**

**A. Regular Admission**

For regular admission the applicant must have:

1. Completed requirements for the baccalaureate degree from a regionally-accredited institution in history or the equivalent in the proposed field of study.
2. Grade point average of 3.0 or higher on all undergraduate work.
3. A score of no less than 151 on the verbal section and 145 on the quantitative section or 4.0 on the analytical section of the Graduate Record Examination (GRE). See note under Admissions Examinations on page 9 about using GRE scores received before August 1, 2011.
4. Three letters of recommendation.
5. A writing sample of at least 1000 words. This sample should reflect scholarly writing but may represent professional or creative writing.

**B. Provisional Admission**

For provisional admission the applicant must have:

1. Completed requirements for the baccalaureate degree from a regionally-accredited institution in history or the equivalent in the proposed field of study.
2. A minimum score of 145 on the verbal section and 141 on the quantitative section or 3.0 on the analytical section of the GRE. See note under Admissions Examinations on page 9 about using GRE scores received before August 1, 2011.
3. At least a 2.75 overall grade point average on all undergraduate college work.
4. Three letters of recommendation.
5. A writing sample of at least 1000 words. This sample should reflect scholarly writing but may represent professional or creative writing.
6. A student may be reclassified with regular admission providing s/he has taken three Armstrong history courses at the graduate level, approved by an advisor, with a grade of no less than B. Additional courses may be required to be completed prior to a student’s reclassification. No more than nine hours may be earned.
Admissions Process

1. For priority review of application and consideration for funding, completed application should be submitted by March 1 for Fall admission and November 1 for Spring admission.

Standards of Progression and Graduation

A. Time Limit
All degree requirements must be completed within seven years.

B. Program of Study
Students will formalize a program of study with the graduate coordinator or their major advisor. Students must choose a concentration in one of the following: American, World, or public history. The student, major advisor, and graduate coordinator will sign the program of study. Students are encouraged to apply for graduation two semesters before the anticipated date of graduation. A copy of the official program of study must accompany the candidate’s application. The courses listed in the program of study must include a minimum of thirty hours of graduate work, and at least fifty percent of the projected courses must be courses open only to graduate students. If any change in the approved program of study is required, an amended program of study signed by the advisor and the student must be submitted and approved by Graduate Studies.

C. Graduation Requirements
The student must maintain a 3.0 overall average of all graduate courses completed. Students must earn a B or better in a course in order for it to count toward the degree. Students must also satisfactorily pass a foreign language examination.

Students are encouraged to apply for graduation two semesters before the anticipated date of graduation. Note: A copy of the official program of study must accompany the candidate’s application.

D. Seminar Paper and Professional Internship
• A prospective candidate for a graduate degree must register for a seminar (HIST 7570, 7585, or 7590). The student will then produce an article-length seminar paper, which must pass through a review committee. A candidate pursuing the public history concentration, must register for six hours of professional internship (HIST 7995). In addition, a student must register for independent study or professional internship during each semester in which the seminar paper or internship report is under preparation and where university facilities or staff time are utilized.
• The letters “IP” will be recorded each semester that a graduate student registers for credit without completing the seminar paper or internship report requirements. When the project has been accepted by the committee and approved by the Dean of Liberal Arts, a grade will be assigned for class credit. Only six hours of internship credit will count toward a degree.
• The Master of Arts seminar paper must demonstrate the student’s ability to research and analyze a problem in history. The research must utilize primary sources, as well as incorporate a critical grasp of the secondary works relevant to the inquiry. The paper shall be written under the direction of the student’s advisor/major professor and must receive the approval of two of the three members of the committee assigned to review the paper. The paper must be signed by the major professor and the assenting committee members and submitted to the Dean of Liberal Arts.
• In lieu of completing a seminar paper, students majoring in American or World history may pursue the comprehensive option. Under this option, the student will select a faculty member in the appropriate field to head a comprehensive exam committee. Two other faculty members will serve on the committee, which must be approved by the department Graduate Committee. Once the candidate receives approval, s/he must consult with each member of the comprehensive committee to discuss the content of the exams and any additional preparation that may be required. Students will schedule their comprehensive exams through their committee chair. All three written comprehensive exams must be taken within five consecutive workdays (Monday-Friday). Each written exam has a three-hour time limit. If the candidate fails any or all of the written comprehensives, s/he may retake the failed exam(s) once more. If the candidate’s performance on one or more of the written comprehensive exams is still deemed to be unsatisfactory, the candidate may not continue as a candidate for the master’s degree. The oral assessment will be scheduled to occur within seven days of the successful completion of the written assessments. Each member of the comprehensive committee will examine the candidate for up to twenty minutes. The oral examination covers the three areas addressed in the written exams and may focus on the weaknesses of the candidate’s written responses. Candidates may repeat the oral exam once. If a candidate’s performance in the oral examination is still deemed to be unsatisfactory, the candidate may not continue towards completion of the master’s degree.

PROFESSIONAL COMMUNICATION AND LEADERSHIP

Robert Terry, Coordinator

POST BACCALAUREATE CERTIFICATE IN PROFESSIONAL COMMUNICATION AND LEADERSHIP

The Graduate Certificate in Professional Communication and Leadership prepares students for workplace communication, critical thinking, and organizational leadership. It is directed toward both working professionals and mature college graduates who are either already in the work force or who are making the transition from an undergraduate degree to a professional setting, and who aim to sharpen their communication abilities. At the core of the program are four courses that focus on writing, professional communication, and leadership. From there, students choose one more specialized course in information design, psychology, leadership, communication, or ethics to complete the 15 credit hours.

Admission Standards
A. A bachelor’s degree from an accredited college or university, with a minimum GPA of 2.50
B. Official transcripts
C. A resume or vita
D. A Letter of Intent. A writing sample of 200-500 words that describes how a Graduate Certificate in Professional Communication and Leadership would help you meet your personal and professional goals. This essay may include a discussion of any weaknesses in your academic record.
E. Two professional letters of recommendation

Standards of Progression and Graduation
A. Time Limit
   All degree requirements must be completed within seven years.
B. Program of Study
   Students will formalize a program of study with the program coordinator. Students are encouraged to apply for graduation in the semester before the anticipated date of graduation. A copy of the official program of study must accompany the candidate’s application. At least fifty percent of the program must be completed at the 6000-8000 levels.
C. Graduation Requirements
   The student must maintain a 3.0 overall average of all graduate courses completed.

Program of Study

A. Core Courses (12 hours)
   ENGL 7100 Professional Communication Strategies ................................................................. 3
   ENGL 5740G Technical Editing .................................................................................................. 3
   COMM 7200 Organizational Communication in Diverse Contexts ............................................. 3
   LEAD 7200 Leadership in the Public Arena: From Ideas to Action ............................................ 3

B. Elective: Students must select one course from the list below.
   ARTS 6110 Digital Media Management ...................................................................................... 3
   COMM 5100G Communication Theory .................................................................................... 3
   COMM 5200G Nonverbal Communication .............................................................................. 3

MASTER OF ARTS—PROFESSIONAL COMMUNICATION AND LEADERSHIP

The Master of Arts in Professional Communication and Leadership is designed to further professional development through coursework in written and verbal communication skills, critical thinking, and leadership. The program is directed toward both traditional and non-traditional students who are either already in the work force or are making the transition from an undergraduate degree to a professional setting. Unlike traditional master’s programs, which focus on developing skills in one specific discipline, the Professional Communication and Leadership program combines the interdisciplinary nature of liberal studies with a practical focus on professional development. Students who have a firm foundation in the arts and sciences are well positioned to advance professionally, but they often need specific skills that are not covered by traditional majors. This M.A. degree is designed to meet that specific need. The M.A. in Professional Communication and Leadership includes a core of courses in organizational communication, professional writing, and leadership, with elective courses available in written communication, professional ethics, small group communication, and conflict resolution, among others.

Admission Standards

A. Regular Admission

For regular admission the applicant must have:

1. Official transcripts that demonstrate completion of requirements for the baccalaureate degree from a regionally accredited institution and a 2.5 overall grade point average or higher on all undergraduate work.
2. A resume or vita.
3. Two professional letters of recommendation.

**Standards of Progression and Graduation**

A. **Time Limit**
All degree requirements must be completed within seven years.

B. **Program of Study**
Students will formalize a program of study with their major advisor. Students are encouraged to apply for graduation two semesters before the anticipated date of graduation. A copy of the official program of study must accompany the candidate’s application. At least fifty percent of the program must be completed at the 6000-8000 levels.

C. **Graduation Requirements**
The student must maintain a 3.0 overall average of all graduate courses completed.

**Program of Study**

Organization and Degrees
The College of Science and Technology offers graduate courses from the academic units of biology, chemistry and physics, computer science, information technology, mathematics, and psychology. Graduate degree programs are offered in computer and information science.

COMPUTER SCIENCE AND INFORMATION TECHNOLOGY
Hong Zhang, Department Head
Ray R. Hashemi, Graduate Coordinator
The main mission of the computer and information science program is to provide students with the necessary knowledge and skills for the current and near future job markets in industry as well as academia. The program is student-focused, transformative, experiential and rigorous, leading to student success.

Students graduating from the program will be ready to take a wide variety of positions in the industries in which computer science or information science are required, and also pursue an academic career in computer science or a cognate field.

Besides developing fundamental skills in computer and information science in order to adapt to rapid technological changes students must also develop an understanding of the algorithmic approach to problem solving including the development, representation, communication, and analysis of information systems and algorithms.

POST-BACCALAUREATE CERTIFICATE IN CLINICAL INFORMATICS
*The Clinical Informatics certificate program is currently not accepting new students.
The Post-Baccalaureate Certificate in Clinical Informatics is an interdisciplinary certificate offered in conjunction with the Department of Health Sciences and the Department of Nursing.

Admission Standards
A. Completed requirements for a baccalaureate degree from a regionally-accredited institution.

and

B. A minimum of two years of clinical experience with some health IT/IS experience preferred.

OR

C. Completed requirements for a graduate degree from a regionally-accredited institution.

Standards of Progression and Graduation
A. Each student will file a program of study with Graduate Studies.
B. A minimum overall grade point average of B or better must be earned for the certificate to be awarded. Any student making two C’s in the program will be academically dismissed.

POST-BACCALAUREATE CERTIFICATE IN SCIENTIFIC COMPUTING

Admission Standards

For admission to the PBCSC program, the applicant must hold a Bachelor’s of Science degree in a science, mathematics, engineering, or related field of study, and must complete an application for admission to The Office of Graduate Studies at Armstrong. A complete application comprises a Letter of Intent, two official undergraduate transcripts, official GRE scores, and three recommendation letters. The University also requires a certificate of immunization for admission. There are two categories of admission to the PBCSC program: regular admission and provisional admission.

A. Regular Admission

Regular admission requires all of the following conditions to be met:

1. Bachelor of Science in a science, mathematics, or engineering discipline or a Bachelor’s degree in a related field. In addition, the applicant must have completed undergraduate course work equivalent to the following:
   • CSCI 1301 (Introduction to Programming Principles).
2. An undergraduate cumulative GPA of at least 2.7.
3. GRE verbal of 156 or higher, GRE quantitative of 144 or higher, and GRE analytical writing of 4.0 or higher. See note under Admissions Examinations on page 9 about using revised GRE scores after August 1, 2011.

B. Provisional Admission

Provisional admission requires that all of the following conditions be met:

1. A Bachelor of Science degree in a science, mathematics, or engineering discipline or a Bachelor’s degree in a related field.
2. An undergraduate cumulative GPA of at least 2.4.
3. GRE verbal greater than 146, GRE quantitative greater than 141, and GRE analytical writing of 3.0 or higher. See note under Admissions Examinations on page 9 about using revised GRE scores after August 1, 2011.

Students who are admitted provisionally are required to meet with the graduate coordinator to determine the appropriate course of study. Students are expected to pass CSCI 1301: Introduction to Programming Principles, or an equivalent course, with a grade of B or better to obtain regular admission.

Standards of Progression and Completion

A. A program of study must be maintained for each student. The program of study (signed by the student, advisor, and graduate coordinator) must be forwarded to Graduate Studies accompanying the student’s application for graduation. Students are required to complete twelve hours of study. At least six of these hours are from advanced graduate courses. Students must achieve a grade of C or higher to receive credit for a class and must maintain a grade point average of 3.0 or higher in the program.

B. If any change in the approved program of study is required, an amended program of study, signed by the student and the advisor, must be submitted to Graduate Studies.

Program of Study

MASTER OF SCIENCE IN COMPUTER AND INFORMATION SCIENCE

The main objectives of the computer and information science program are to provide a solid foundation in computer and information science so that graduates will have the fundamentals necessary to evolve with the discipline and to provide innovative graduate course work in core computer science and information science areas.

Admission Standards

For admission to the MSCIS program, the applicant must hold a Bachelor’s of Science degree in a science, mathematics, engineering, or related field of study, and must complete an application for admission to The Office of Graduate Studies at Armstrong. A complete application comprises a Letter of Intent, two official undergraduate transcripts, official GRE scores, and three recommendation letters. The University also requires a certificate of immunization for admission. There are two categories of admission to the MSCIS program: regular admission and provisional admission.

A. Regular Admission

Regular admission requires all of the following conditions to be met:

1. Bachelor of Science in a science, mathematics, or engineering discipline or a Bachelor’s degree in a related field. In addition, the applicant must have completed undergraduate course work equivalent to the following:
   • CSCI 1301 (Introduction to Programming Principles).
2. An undergraduate cumulative GPA of at least 2.7.
3. GRE verbal of 156 or higher, GRE quantitative of 144 or higher, and GRE analytical writing of 4.0 or higher. See note under Admissions Examinations on page 9 about using revised GRE scores after August 1, 2011.

B. Provisional Admission

Provisional admission requires that all of the following conditions be met:

1. A Bachelor of Science degree in a science, mathematics, or engineering discipline or a Bachelor’s degree in a related field.
2. An undergraduate cumulative GPA of at least 2.4.
3. GRE verbal greater than 146, GRE quantitative greater than 141, and GRE analytical writing of 3.0 or higher. See note under Admissions Examinations on page 9 about using revised GRE scores after August 1, 2011.

Students who are admitted provisionally are required to meet with the graduate coordinator to determine the appropriate course of study. Students are expected to pass CSCI 1301: Introduction to Programming Principles, or an equivalent course, with a grade of B or better to obtain regular admission.
Standards of Progression and Graduation

A. A program of study must be maintained for each student. The program of study (signed by the student, advisor, and graduate coordinator) must be forward to Graduate Studies accompanying the student’s application for graduation. Students are required to complete thirty hours of study. At least fifteen of these hours are from advanced graduate courses. The Master’s Project CSCI 8200, or Thesis CSCI 8210, required of all students, serves as a capstone course. Students must complete at least eighteen hours of graduate study before enrolling in CSCI 8200 or CSCI 8210. Students must achieve a grade of C or higher to receive credit for a class and must maintain a grade point average of 3.0 or higher in the program.

B. If any change in the approved program of study is required, an amended program of study, signed by the student and the advisor, must be submitted to Graduate Studies.

C. Students are encouraged to apply for graduation two semesters before the anticipated date of graduation. Note: A copy of the official program of study must accompany the candidate’s application.

Program of Study

Choose one of the following tracks:

Track 1: Computer Science

A. Core Required Course (3 hours)

*CSCI 6001 Foundations of Computing ................................................................. 3

*Waived for students with a BS in CS from an ABET accredited program

B. Foundation Courses (12 semester hours)

CSCI 5220G Data Communications and Networks .............................................. 3

ADED - Adult Education

ADED 7010 SPECIAL TOPICS IN ADULT EDUCATION 2-V-3
Designed to promote specialized investigation appropriate to the instructional needs of adult educators. Topics of independent student exploration will vary. This course may be repeated one time.

ADED 7100 HISTORY AND THEORY OF LITERACY AND ADULT EDUCATION 3-0-3
Introduction to the fundamental nature, function and scope of adult education and its impact on the field of literacy, including an overview of the historical, sociological and political forces affecting the field. Particular attention is paid to how these societal forces directly impact the rate and level of literacy throughout the world. Program providers, relations with parent organizations, societal influences and awareness of resources will be examined.

ADED 7110 PSYCHOLOGY OF THE ADULT LEARNER 3-0-3
Exploration of adults as learners. Emphasis on conditions that affect the adult learner: brain research, adult development, ability, potential, motivation, self-perception, role-identification status, and learning styles.

ADED 7120 PROGRAM PLANNING AND EVALUATION 3-0-3
A technology enhanced, community based initiative logic model course that includes a the study and implementation of systematic process of situation analysis, with needs assessment, priority setting, program action and evaluation, participants in this course plan and implement a high quality adult education program.

ADED 7170 GRANT WRITING IN ADULT LEARNING 3-V-3
Provides students with the knowledge regarding the process of seeking grant funding. Students will conduct a needs-based assessment of community/university needs and use that research to work in small groups to complete a state or federal grant proposal. They will experience the peer review process both as applicant and reviewer. This course will cover a variety of funding sources and a range of funding types to provide students with an information base for preparing future grant applications.

ADED 7180 CULTURAL DIVERSITY AND COMMUNITY DEVELOPMENT 3-0-3
Knowledge of areas of diversity that affect the community. Participants will explore group dynamics, team building strategies and leadership techniques, strategies and skills, and ways to recognize and develop these in group situations through a servant leadership framework.

ADED 7250 TRAINING & DEVELOPMENT IN THE WORKPLACE 3-0-3
This course examines foundations, practices and application of training and development in the workplace. Students will explore benefits for workplace training, history, current trends, characteristics, definitions, theories, and research associated with workplace development.

ADED 7260 ISSUES & STRATEGIES IN ADULT LITERACY 3-0-3
This course examines causal factors contributing to adult literacy and undereducation. Students will explore the underlying political and cultural causes of literacy relevant to designing educational programs (curriculum) for adult learning. Community action and learning processes in a variety of global community settings with emphasis on literacy levels is also studied.

ADED 7310 ONLINE LEARNING ENVIRONMENT 3-0-3
Exploration of emergence of online learning environments as viable alternatives to traditional classroom instruction. Topics will include theoretical, conceptual, instructional and technical framework of implementing and using OLEs to support the learning paradigm. Basic technology and pedagogical implications of distance education explored: the Internet, asynchronous/synchronous communication tools, methods of instruction, online tools to support learning and instruction, design of OLE, facilitator and learner evaluation and assessment of distance education technologies.

ADED 7500 WORKPLACE APPLICATION 3-0-3
Application of adult education theory and practice in an adult education setting.

ADMT - Administration

ADMT 7400 HUMAN RESOURCES MANAGEMENT 3-0-3
Survey course of the principles and practices of contemporary management of human resources that is common to all types of organizational enterprises. Topics considered include recruitment and selection, job analysis and design, training and development, performance evaluation, and the legal and regulatory environment of human resources management.
ADMT 7410 ORGANIZATION THEORY AND ORGANIZATIONAL BEHAVIOR 3-0-3
This course is designed to familiarize students with the basic concepts, models, and theories of organizations needed to lead contemporary organizations. Topics will include managerial roles, the structure and design of organizations, organizational governance, communication and coordination, organization change, group dynamics, conflict and negotiation, individual differences, and motivation.

ADMT 7430 PRINCIPLES OF FINANCIAL MANAGEMENT FOR EFFECTIVE LEADERSHIP 3-0-3
This course will provide students with a greater understanding of the fundamentals of financial and managerial accounting required for successful leadership/stewardship of contemporary organizations. An overview is provided of the tools and models available to assist with financial decision support and decision-making processes as well as the retrospective evaluation of resource allocation decisions.

AFAS - African American Studies

AFAS 5000G TOPICS IN AFRICAN AMERICAN STUDIES 3-0-3
Prerequisite: Acceptance into Graduate Studies
Special topics in African American Studies will be offered in conjunction with selected upper-level courses in the university curriculum when content of those courses address issues related to African American Studies.

ARTS - Art

ARTS 5400G ART IN THE ELEMENTARY GRADES 3-1-3
Prerequisite: Limited, Provisional, Regular, or Certification acceptance into Graduate Studies.
Planning and implementing instruction at the elementary level. Overview of materials, methods, classroom management and technology appropriate to children at different developmental levels in the elementary classrooms. Ten hours of practicum work is required.

ARTS 5410G ART IN THE MIDDLE AND SECONDARY GRADES 3-1-3
Prerequisite: Limited, Provisional, Regular, or Certification acceptance into Graduate Studies.
Planning and implementing instruction at the middle and secondary level. Overview of materials, methods, classroom management and technology appropriate for the middle and secondary classroom. Ten hours of practicum work is required.

ARTS 5430G TECHNOLOGY IN ART EDUCATION 1-0-1
Prerequisite: Limited, Provisional, Regular, or Certification acceptance into Graduate Studies
Examination, development, and use of technological resources for teaching art in pk-12 classrooms.

ARTS 5500G CURRICULUM AND METHODS IN ART EDUCATION 1-4-3
Prerequisite: Limited, Provisional, Regular, or Certification acceptance into Graduate Studies.
The planning, implementation, and evaluation of a sequential curriculum for the visual arts in the P-12 teaching environment. Areas of analysis include past and present art programs and art education movements as alternative models for curriculum design; creation and evaluation of innovative school, museum, and other institutional art programs; meaning and method of curriculum improvement; guidelines for curriculum, decision making; and evaluation.

ARTS 5560G ISSUES IN AESTHETICS AND ART EDUCATION CRITICISM 3-0-3
Prerequisite: Limited, Provisional, Regular, or Certification acceptance into Graduate Studies
An introduction to basic issues related to teaching aesthetics, art criticism, and art history to P-12 students. Students will design, implement, and evaluate developmentally appropriate instruction for teaching these issues.

ARTS 5750G CONTEMPORARY ART AND CRITICISM 3-0-3
Prerequisite: Acceptance into Graduate Studies
Exploration of contemporary art, historical, and critical issues.

ARTS 6110: DIGITAL MEDIA MANAGEMENT 3-0-3
Prerequisite: Permission of Program Coordinator or Instructor
Creating, preparing and managing imagery and content for the web including image manipulation and best practices for web design. Concepts concerning basic design and development of websites emphasized.

ARTS 6689 SPECIAL TOPICS IN ART V-V-(1-3)
A study of topics from selected areas of studio art, art history, or art education.
ARTS 6750 GRADUATE INTERNSHIP  
Prerequisite: Admission into the Art Education post-bac teacher certification program and candidacy in the Department of Art, Music, and Theatre; completion of all coursework. Supervised field-based capstone experience.

ARTS 6900 DIRECTED INDIVIDUAL STUDY  
Prerequisite: Acceptance into Graduate Studies and permission of instructor/department. Qualified students create a body of artwork following research and supervised studio experimentation. Proposed work must be approved in writing by supervising faculty and department head prior to initiation of work.

ASTR - Astronomy

ASTR 6100 STELLAR ASTRONOMY  
A review of stellar astronomy. Stars, evolution of stars, galaxies, active galaxies and quasars, structure of the universe, and cosmology. This course is a survey of stellar astronomy but is designed primarily for students enrolled in graduate education programs, and credit may not be earned in both ASTR 3100 and ASTR 6100.

BIOL - Biology

BIOL 6000 SPECIAL TOPICS IN BIOLOGY  
Prerequisite: Permission of instructor/department. A consideration of topics and issues in biology.

CHEM - Chemistry

CHEM 5600G CHEMICAL SAFETY  
Prerequisite: CHEM 2102. Standard laboratory safety practices emphasizing the hazardous properties of chemicals, safe storage, chemical disposal, and government regulations.

CHEM 5700G HISTORY OF CHEMISTRY  

CHEM 6971 INDEPENDENT STUDY I  
Prerequisite: Permission of instructor/department. Qualified students write acceptable research reports and perform literature searches and supervised laboratory experimentation. Proposed work must be approved in writing by supervising faculty and department head prior to initiation. Graded on an S or U basis.

CHEM 7020 CHEMISTRY FOR SECONDARY SCIENCE TEACHERS  
Prerequisite: Permission of instructor/department. Topics in chemistry with emphasis on their application to the secondary science classroom. Hands-on activities may include demonstrations, laboratory experiments, and computer technology.

CHEM 7940 CHEMISTRY FOR MIDDLE GRADES TEACHERS  
Prerequisite: Permission of instructor/department. Topics in chemistry with emphasis on their application to the middle grades classroom. Hands-on activities may include demonstrations, laboratory experiments, and computer technology.

COMM - Communications

COMM 5050G INTERPERSONAL COMMUNICATION IN THE WORKPLACE  
Prerequisites: Admission to PCL or permission of instructor. Communication theory, research, and applications of various forms of interpersonal communication in the workplace. Topics may include superior-subordinate communication, interviewing, and presentations.

COMM 5100G COMMUNICATION THEORY  
Prerequisites: Admission to PCL or permission of instructor. A broad survey of contemporary theories and processes of interpersonal, public, and mediated human communication.
COMM 5200G NONVERBAL COMMUNICATION  3-0-3
Prerequisites: Admission to PCL or permission of instructor.
An introduction to the theories, processes and effects of communication in nonverbal codes. Topics may include kinesics, proxemics and paralanguage. Critical analysis and contemporary research emphasized.

COMM 5500G COMMUNICATION BETWEEN THE GENDERS  3-0-3
Prerequisites: Admission to PCL or permission of instructor.
An overview of communication research and theory examining differences in verbal and nonverbal communication between men and women and the effects and functions of communication between the genders.

COMM 5600G SPECIAL TOPICS IN COMMUNICATION  3-0-3
Subject announced when course offered. Topics vary, such as environmental impacts on communication, transactional analysis theory, non-verbal communication.

COMM 5700G ORGANIZATIONAL COMMUNICATION IN DIVERSE CONTEXTS  3-0-3
Theories and principles of professional discourse applied toward working effectively in ethnically diverse organizations and in international contexts.

COMM 7500G TOPICS IN COMMUNICATION  3-0-3
Selected topics in the field of communication defined by the instructor. May be taught as a colloquium, directed reading, or seminar.

CRJU - Criminal Justice

CRJU 5003G CYBER FORENSICS  3-0-3
Application of computer investigation and analysis techniques to gather evidence suitable for presentation in a court of law. Techniques of cyber crime scene analysis, media analysis, and the use of various forensic tools. Students cannot receive credit for both CRJU 5003U/G and CRJU 5010U/G.

CRJU 5010G DIGITAL FORENSICS I  3-0-3
Identification, capture, and recording of evidence from suspect and victim’s computer hard drives and laptops. Students cannot receive credit for both CRJU 5003U/G and CRJU 5010U/G.

CRJU 5020G DIGITAL FORENSICS II  3-0-3
Prerequisite: CRJU 5010G
Expansion of the identification, capture, and recording of evidence from suspect and victim’s mobile devices such as mobile phones, tablets, and PDAs.

CRJU 5100G POLITICAL TERRORISM  3-0-3
International and domestic terrorism undertaken for political purpose in liberal states. Primary focus on state-sponsored terrorism and American domestic revolutionary terrorism and on the dilemmas of counterterrorism in a democracy.

CRJU 5200G ALCOHOL, DRUGS, & CRIMINAL JUSTICE  3-0-3
Exploration of the pharmacological effects and medical uses of drugs and alcohol; the relationship between drugs and crime, the criminal justice system, and government’s crime control policy.

CRJU 5300G JUVENILE DELINQUENCY  3-0-3

CRJU 5500G LAW AND LEGAL PROCESS  3-0-3
Law as a dynamic societal institution. Sources and functions of both civil and criminal law, and operations of the legal process viewed from the perspectives of jurisprudence, political science, and sociology.

CRJU 5520G COMPARATIVE JUDICIAL SYSTEMS  3-0-3
Law enforcement and judicial procedure in political systems such as Great Britain, France, Russia, and Japan.

CRJU 6801G PROSEMINAR IN ETHICS/CRIMINAL JUSTICE  3-0-3
Analysis of the criminal justice process and its agencies from prevention and arrest to release after incarceration. Emphasizes ethical dimension of official decision making.

CRJU 6810G CRIMINOLOGICAL THEORY  3-0-3
Intensive overview of major classical and current criminological perspectives. Emphasizes sociological constructions of criminality, including treatment of values and domain assumptions implicit in theory construction.
CRJU 6811 CRIMINAL JUSTICE LEADERSHIP/MANAGEMENT  3-0-3
Effectiveness and efficiency of criminal justice agencies, as fostered by ethical leadership. Focus on administrative theory and its application to practical reality.

CRJU 6813 ADVANCED RESEARCH METHODS  3-0-3
Application of advanced research methods to problems in the criminal justice system.

CRJU 7820 LAW ENFORCEMENT PROBLEMS/PRACTICE  3-0-3
Current issues of policing and police administration. Emphasizes police-society relationships, including those related to minorities, police unionization, and corruption.

CRJU 7821 SEMINAR IN ADVANCED POLICE ADMINISTRATION  3-0-3
Functions and unique context of police administration. Emphasizes police professionalism and the moral dimension of administration.

CRJU 7822 TOPICS IN LAW ENFORCEMENT  3-0-3
In-depth analysis of selected topics in the enforcement of laws in a system of ordered liberty.

CRJU 7840 INSTITUTIONAL INCARCERATION/TREATMENT  3-0-3
Theory, purposes, and practices of correctional institutions. Gangs, AIDS, and other problems in control and treatment.

CRJU 7841 COMMUNITY TREATMENT/SERVICES  3-0-3
Probation and other community alternatives to incarceration, their feasibility, and other effectiveness.

CRJU 7842 SEMINAR IN ADVANCED CORRECTIONS ADMINISTRATION  3-0-3
Functions and unique context of correctional administration. Emphasized correctional officer professionalization and the moral dimensions of administration.

CRJU 7843 TOPICS IN CORRECTIONS  3-0-3
In-depth analysis of selected topics in corrections within a larger system of ordered liberty.

CRJU 7850 CRIMINAL PROCESS  3-0-3
Intensive examination of criminal adjudication from initial appearance through post-conviction remedies, as posited in the context of criminal justice policy.

CRJU 7851 SEMINAR IN LAW/SOCIAL CONTROL  3-0-3
Jurisprudential paradigms, societal norms and sanctions, and prescriptive moral frameworks.

CRJU 7852 ADVANCED CRIMINAL LAW  3-0-3
Developing doctrines and concepts in criminal law.

CRJU 7853 TOPICS IN LAW & COURTS  3-0-3
In-depth analysis of selected topics in the role and operation of law and courts in a system of ordered liberty.

CRJU 7862 SPECIAL TOPICS IN CYBER CRIME AND CRIMINAL INVESTIGATIONS  3-0-3
Examines contemporary issues in cyber security policy and use of investigational technology. Topics change depending on national and international issues in cyber crime.

CRJU 7864 LEGAL ASPECTS OF CYBER CRIME  3-0-3
Examination of the laws related to computers, cell phones, other electronic devices, and the internet. Evaluate computer misuse crimes, traditional crimes committed using computers, punishment and sentencing issues, Fourth Amendment issues, jurisdiction at the state and federal levels, international computer crime, and national security.

CRJU 7865 FIRST RESPONDER TOOLS AND APPLICATION  3-0-3
Examines basic computer forensic tools and applications that include; seizure, imaging and analysis of computer media with reference to computer hard drive and forms of storage.

CRJU 7866 READINGS IN CYBER CRIME  3-0-3
Examination of the foundational works in cybercrime with a focus on the hacker ethic.

CRJU 7867 CYBER ETHICS AND INTERNET CULTURE  3-0-3
Application of ethical theory to 21st century issues, such as music piracy, cyber warfare, and cyber stalking.

CRJU 7868 CYBER CRIMINOLOGY  3-0-3
Application of criminological theories to cyber crime and evaluation of measures to control such crimes.

CRJU 7880 PRACTICUM  V-V-(1-3)
Planned program of research observation, study and work in selected criminal justice agencies. Graded on an S or U basis.
CRJU 7881 PRACTICUM II
Prerequisite or Corequisite: CRJU 8880
Planned program of research observation, study, and work in selected criminal justice agencies. Graded on an S or U basis.

CRJU 7890 THESIS
Prerequisite: CRJU 8813
Planned research and writing directed by the student’s thesis committee. Graded on an S or U basis.

CRJU 8812 CRIMINAL JUSTICE PLAN/INNOVATION 3-0-3
Planning techniques and their impact on criminal justice program development. Analysis of policy and decision-making procedures of affiliated agencies and organizations.

CRJU 8830 SEMINAR IN JUVENILE JUSTICE ADMINISTRATION 3-0-3
Prerequisite: CRJU 5300G or equivalent
Assessment of policies and practices of agencies processing youthful offenders. Focus on impact of changing demographics on the process and system of juvenile justice.

CRJU 8854 CONSTITUTIONAL CRIMINAL PROCEDURE 3-0-3
In-depth analysis of the doctrines and concepts of constitutional, criminal procedures that adhere to the Fourth, Fifth, and Sixth amendments of the United States Constitution.

CRJU 8860 SPECIAL TOPICS IN CRIMINAL JUSTICE 3-0-3
In-depth analysis of special topics in criminal justice. Emphasizes interrelationships among law enforcement, law/courts and correctional components of the criminal justice system.

CSCI - Computer Science

CSCI 5100G OBJECT-ORIENTED PROGRAMMING 3-0-3
An advanced study of the object-oriented paradigm for software development. Topics include abstract data types, classes, contracts, design patterns, inheritance, polymorphism, OO languages, and design methods. Essential background material for this course is covered in CSCI 3321 (Software Engineering) or equivalent.

CSCI 5210G HIGH PERFORMANCE COMPUTING 3-0-3
High performance software development for modern hardware. Introduction to multi-threaded and parallel computing concepts. Optimization techniques for practical parallel algorithms. Programming required. Essential background for this course is covered in CSCI 2490 (C++) and CSCI 3341 (Operating Systems) or equivalents.

CSCI 5220G DATA COMMUNICATIONS AND NETWORKS 3-0-3
Introduction to data communications and networking. Topics include communications media, codes, data transmission, multiplexing, protocols, and layered networks. Essential background material for this course is covered in CSCI 3202 (Organization and Architecture) or equivalent.

CSCI 5322G ADVANCED SOFTWARE ENGINEERING 3-0-3
Advanced software engineering principles, including software processes and methodologies, CASE tools, software metrics, software quality assurance, reusability and reengineering, and future trends. Major project encompassing some or all of these concepts. Essential back-ground material for this course is covered in CSCI 3321 (Software Engineering) and CSCI 3720 (Database Systems).

CSCI 5342G ADVANCED OPERATING SYSTEMS 3-0-3
Case studies of UNIX(tm) and/or similar operating systems. Elementary knowledge of C/C++ required. Essential background material for this course is covered in CSCI 3341 (Operating Systems) or equivalent.

CSCI 5350G COMPILER THEORY 3-0-3
Programming language translation and basic compiler implementation techniques, formal grammars and languages, specification of syntax and semantics, lexical analysis, parsing, and semantic processing. A major project encompassing some or all of these concepts. Essential background material for this course is covered in CSCI 3330 (Comparative Languages) and CSCI 3510 (Theory of Computation), or equivalent.

CSCI 5360G EMBEDDED SYSTEMS PROGRAMMING 3-0-3
Developing applications for embedded microprocessors including virtual machine architectures, data communications, time critical I/O, cross compiling, and debugging techniques. Essential background material for this course is covered in CSCI 3202 (Organization and Architecture) or equivalent.
CSCI 5370G HANDHELD AND UBIQUITOUS COMPUTING 3-0-3
Survey of personal digital assistants (PDAs) and ubiquitous computing hardware, operating systems, virtual machines, and APIs. Development of PDA applications, cross compiling and hardware emulation, PDA GUI design, infra-red and wireless data communications, and desktop conduit development. Essential background material for this course is covered in CSCI 3202 (Organization and Architecture) or equivalent.

CSCI 5410G ANALYSIS OF ALGORITHMS 3-0-3
Advanced techniques for designing and analyzing efficient algorithms for combinational, algebraic, and number theoretic problems. Essential background material for this course is covered in CSCI 2410 (Data Structures) or equivalent.

CSCI 5520G RAPID JAVA DEVELOPMENT 3-0-3
Study of rapid application development techniques for producing software with minimum coding. Includes component-based software development, JavaBeans, event delegation model, model-view approach, and Swing components. Essential background material for this course is covered in CSCI 2410 (Data Structures) or equivalent.

CSCI 5610G NUMERICAL ANALYSIS 3-0-3
Introductory numerical analysis and scientific computation. Topics include computer arithmetic, numerical error, polynomial interpolation, systems of linear equations, iterative methods for nonlinear equations, least squares approximation, and numerical integration. Essential background material for this course is covered in MATH 2072 (Calculus II) and CSCI 1301 (Introduction to Programming), or equivalents.

CSCI 5700G COMPUTER SECURITY 3-0-3
Key concepts and algorithms involved in cryptography and computer security. Includes intrusion detection, firewalls, and digital signatures. Essential background material for this course is covered in CSCI 5220U or CSCI 5220G (Computer Networks) or CSCI 5410U or CSCI 5410G (Algorithms) or equivalent.

CSCI 5720G ADVANCED DATABASE SYSTEMS 3-0-3
Survey of database systems, query processing and optimization, transactions, transaction systems, currency control, recovery, security, and e-commerce. Essential background material for this course is covered in CSCI 3720 (Database Systems) or equivalent.

CSCI 5735G DATA MINING 3-0-3
Study of data mining functionalities including Characterization and discrimination, classification and prediction, cluster analysis, association analysis, outlier analysis, evolution analysis; Data mining system architectures; data mining query languages; and OLAP technology for data mining. Multiple projects encompassing a number of the discussed concepts. Essential background material for this course is covered in CSCI 3720 (Database Systems) or equivalent.

CSCI 5820G MACHINE LEARNING 3-0-3
Developing advanced applications using diverse machine learning and computational intelligence algorithms for pattern recognition, classification and decision-making, including decision trees, neural networks, Bayesian learning, clustering, and kernel-based techniques. Multiple projects and a term project encompassing some or all of these concepts. Essential background material for this course is covered in CSCI 2410 (Data Structures) or equivalent.

CSCI 5825G ARTIFICIAL INTELLIGENCE 3-0-3
An introduction to machine intelligence, problem solving paradigms, search in state spaces, inference methods, expert systems, game trees, natural language understanding, intelligent agents, multi-agent systems, robotics, and logic and theorem proving. Essential background material for this course is covered in CSCI 3330 (Comparative languages) or equivalent.

CSCI 5830G COMPUTER GRAPHICS 3-0-3
Introduction to computer graphics programming. Topics include graphics programming standards, two- and three-dimensional rendering pipelines, geometric models (including primitives, fonts, curves, and surfaces), affine transformations, orthogonal and perspective views, shading and lighting models, images and texture mapping, interactions and animations. Major project encompassing some or all of these concepts. Essential background material for this course is covered in CSCI 2410 (Data Structures) or equivalent.

CSCI 5990G SPECIAL TOPICS IN COMPUTER SCIENCE V-V-(1-4)
Prerequisites: announced with the topic
Selected new topics in computer science.

CSCI 6001 FOUNDATIONS OF COMPUTING 3-0-3
Prerequisite: Permission of department head.
The course is intended to give prospective master’s students a solid foundation in computer programming and computational thinking that are requisite for success in subsequent courses in the master’s program. Topics include fundamental concepts of discrete mathematics, data structures, algorithms, and programming.
CSCI 6040 SYSTEM LIFE CYCLE APPLICATIONS 3-0-3
Prerequisite(s): MHSA/NURS 6010
An overall coverage of a healthcare information system’s life cycle and detailed study of concepts, methodologies, and tools currently used in analysis, design, and implementation of such a system. Practical understanding of system development is enforced through team projects in reference to a fictitious healthcare environment.

CSCI 6100 TECHNICAL WRITING 3-0-3
Issues of technical writing and effective presentation of computer science. Preparation of documents, papers, books, and computer programs. Includes a term paper and presentation.

CSCI 6371 ADVANCED HUMAN COMPUTER INTERACTION 3-0-3
Prerequisite: Permission of department head
Paradigms in modern user interface design and related human factors. Topics include: user-system compatibility analysis, techniques for user interface design, methods for interface analysis, multimodal interaction and interaction analysis.

CSCI 6999 INDEPENDENT STUDY V-V-(1-3)
In depth study of a specific issue in computer science that is not presented through regular courses. Essential background material for this course is determined by instructor.

CSCI 7010 DECISION SUPPORT SYSTEMS 3-0-3
Prerequisite: CSCI 6001
Methods to model, represent, validate, integrate and enact decision support algorithms, which is aimed at the medical knowledge as conceived by humans, either in the form of expert knowledge of clinicians, or in textual form such as scientific articles or clinical guidelines.

CSCI 7200 REAL-TIME SYSTEM CONCEPTS AND IMPLEMENTATION 3-0-3
Prerequisite: CSCI 3341 (Operating Systems) or equivalent
Principles, reviews, and uses of real-time systems in robotics, manufacturing, and multimedia applications.

CSCI 7300 COMPUTER NETWORKS 3-0-3
Prerequisite: CSCI 5220U or CSCI 5220G (Data Communications and Networks) or equivalent
Fundamentals of computer networks. Includes topologies, routing, congestion control, multimedia, protocols, and management.

CSCI 7320 SOFTWARE DEVELOPMENT PROCESS 3-0-3
Prerequisite: CSCI 3321 (Software Engineering) or equivalent
Process of developing software systems. Includes the development and assessment of processes, their instantiation in product development, and techniques relating to quality assurance.

CSCI 7500 MOBILE COMPUTING 3-0-3
Prerequisite: CSCI 5370 (Handheld) or CSCI 5220U or CSCI 5220G Data Communications and (Networks) or equivalent
Fundamentals of mobile computing. Includes mobile IP, TCP over wireless networks, cellular networks, impact of mobility on distributed algorithms, location management, and security.

CSCI 7600 COLLABORATIVE COMPUTING 3-0-3
Prerequisite: CSCI 6001
The foundations for establishing collaborative systems that enables geographically distributed centers to share (a) the expertise in emergency cases (b) their research findings, and/or (c) the solutions to components of a partitioned health problem.

CSCI 7710 ADVANCED COMPUTER SECURITY 3-0-3
Prerequisite: CSCI 5700 or CSCI 5410
Theory and practice of computer security. Topics include cryptography, cryptanalysis, digital certificates, coding theory, computer forensics, and system security.

CSCI 7800 COMPUTATIONAL INTELLIGENCE 3-0-3
Prerequisite: CSCI 6001
Advanced algorithms including Bayesian learning, neural networks, fuzzy logic, genetic algorithms, support vector machines, clustering techniques and hybrid algorithms.

CSCI 7835 IMAGE PROCESSING 3-0-3
Prerequisite: CSCI 5410 or equivalent
In depth study of digital image fundamentals and digital image processing including, image enhancement techniques in both spatial and frequency domains; image restoration, compression, and segmentation; representation, description, and object recognition; color and morphological image processing.
<table>
<thead>
<tr>
<th>COURSE</th>
<th>Credits</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>CSCI 8100 SPECIAL TOPICS</strong></td>
<td>3-0-3</td>
<td>Topics of current interest in computing.</td>
</tr>
<tr>
<td><strong>CSCI 8200 MASTER’S PROJECT</strong></td>
<td>V-V-(1-6)</td>
<td>Comprehensive project involving the synthesis of existing knowledge and the application of it to a current problem in computer science. Oral and written presentation of the project to the public is required. Graded on an S or U basis.</td>
</tr>
<tr>
<td><strong>CSCI 8210 THESIS</strong></td>
<td>V-V (1-6)</td>
<td>A scientific investigation of a selected problem in computer science resulting in a written and orally defended thesis. Graded on an S or U basis.</td>
</tr>
<tr>
<td><strong>CSDS - Communication Sciences and Disorders</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td><strong>CSDS 7140 DIAGNOSIS AND APPRAISAL OF COMMUNICATION DISORDERS</strong></td>
<td>3-0-3</td>
<td>Prerequisite: completion of 25 observation hours. Instruments, principles and practices in the assessment of populations with communication impairments. This includes non-verbal, culturally diverse, preschool and school aged children, and adults. Field experiences required.</td>
</tr>
<tr>
<td><strong>CSDS 7141 COGNITIVE AND LINGUISTIC FOUNDATIONS OF LANGUAGE</strong></td>
<td>3-0-3</td>
<td>Prerequisite: Admission to the program. Presents an overview of the nature, and development of cognitive and linguistic skills needed for effective communication. Topics to be addressed include but are not limited to development of object permanence auditory and visual memory, and metalinguistics and Brown’s stages of development. Cultural factors related to cognition and linguistics will be discussed. Field experience may be required.</td>
</tr>
<tr>
<td><strong>CSDS 7142 PROFESSIONAL AND ETHICAL ISSUES IN COMMUNICATION SCIENCES AND DISORDERS</strong></td>
<td>3-0-3</td>
<td>Prerequisite: Admission to the program. Implementation and administration of speech-language pathology programs in a variety of therapeutic settings. Topics include the ASHA Code of Ethics, legal issues, confidentiality, documentation, scheduling, service delivery models and professional practices according to state of Georgia regulations.</td>
</tr>
<tr>
<td><strong>CSDS 7143 LANGUAGE DISORDERS IN SCHOOL-AGE CHILDREN</strong></td>
<td>3-0-3</td>
<td>Prerequisite: CSDS 7145 or Admission to the program. Examines theoretical perspectives and various approaches to working with children and adolescents with language impairments. Practical application of language assessment procedures, individualized intervention planning and language intervention strategies will be discussed. The multicultural and multidimensional nature of language will be addressed, as well as language requirements for successful classroom performance from school entry through high school.</td>
</tr>
<tr>
<td><strong>CSDS 7144 NEURO-ANATOMY AND PHYSIOLOGY</strong></td>
<td>3-0-3</td>
<td>In-depth study of neuroanatomy and physiology along with characteristics, etiology, assessment, and therapeutic management of neurogenic communication disorders across the lifespan. Field experiences may be required.</td>
</tr>
<tr>
<td><strong>CSDS 7145 LANGUAGE DISORDERS IN EARLY CHILDHOOD</strong></td>
<td>3-0-3</td>
<td>Prerequisite: Admission to the program. This course covers assessment and treatment of infants and toddlers with a variety of speech, language, feeding, and oral motor disorders. Typical development and atypical development will be overviewed, as well the importance of working with families through the establishment of individualized family service plans. Intervention models for diverse populations will also be discussed.</td>
</tr>
<tr>
<td><strong>CSDS 7147 LANGUAGE AND LITERACY</strong></td>
<td>3-0-3</td>
<td>Prerequisites: CSDS 7143. This course provides an overview of the skills necessary for literacy acquisition, the progression of literacy development and its relationship with language. Students will learn to identify and promote emergent literacy skills, acquire strategies to support the developing reader, gain knowledge of disorders of spoken language and literacy, discuss methods for assessing language-based literacy skills and develop a literacy-based language intervention unit to target all components of language (phonology, pragmatics, morphology, syntax, and semantic).</td>
</tr>
<tr>
<td><strong>CSDS 7148 ORAL AND SPEECH MOTOR DISORDERS</strong></td>
<td>3-0-3</td>
<td>Prerequisite: CSDS 7144. Emphasis is on oral-motor issues affecting feeding, dysphasia, apraxia and the dysarthrias.</td>
</tr>
</tbody>
</table>
CSDS 7149 AURAL REHABILITATION  3-0-3
Prerequisite: Admission to the program
Principles of hearing and issues of intervention relevant to the practice of speech-language pathology. Study of hearing impairment, etiological factors associated with auditory habilitation and the effective use of amplification. Field experiences may be required.

CSDS 7150 SWALLOWING DISORDERS  3-0-3
Prerequisite: CSDS 7144
The study of anatomy and physiology related to the swallowing mechanism and the nature of dysphagia, as well as current practices in the assessment and treatment of swallowing disorders in children and adults with various etiologies. Cultural implications of swallowing disorders will be discussed. Field experience/observation anticipated.

CSDS 7151 APHASIA AND RELATED NEUROGENIC DISORDERS  3-0-3
Prerequisite: CSDS 7144
Case studies emphasizing the etiology, assessment, and treatment of language impairments in adults. Field experience may be required.

CSDS 7153 INTRODUCTION TO CLINICAL PRACTICUM IN COMMUNICATION DISORDERS  1-V-3
Prerequisite: 25 observation hours
A practicum course designed to provide instruction and practice experience in diagnostic and therapeutic approaches to communication impairments in children, youth and/or adults being served in a clinic setting.

CSDS 7154 ADVANCED PRACTICUM IN COMMUNICATION DISORDERS I  1-V-3
Prerequisites: CSDS 7145, CSDS 7143, CSDS 7150, CSDS 7151, CSDS 7153, CSDS 7157, CSDS 7147 and admission to the program
Fourth semester of supervised clinical practicum with clients of all ages and various cultural/linguistic backgrounds. A practicum course designed to provide instruction and practical experience in diagnostic and therapeutic approaches to communication impairments with minimum to moderate supervision. Emphasis on development of interpersonal skills and professionalism.

CSDS 7155 ADVANCED PRACTICUM IN COMMUNICATION DISORDERS II  1-V-3
Prerequisites: CSDS 7143, CSDS 7145, CSDS 7147, CSDS 7150, CSDS 7151, CSDS 7153, CSDS 7154, CSDS 7157, and admission to the program
Fifth semester of supervised clinical practicum with clients of all ages and various cultural/linguistic backgrounds. A practicum course designed to provide instruction and practical experience in diagnostic and therapeutic approaches to communication impairments with emphasis on independent service delivery. Continued development of interpersonal skills, professionalism, and clinical fellowship readiness.

CSDS 7156 VOICE AND FLUENCY DISORDERS  3-0-3
Prerequisite: Admission to the program
Detailed study of anatomical structures of the larynx. Classification, etiology, evaluation, and therapeutic management of voice disorders across the life span, including alaryngeal rehabilitation. Review of theories, types, characteristic, etiologies, and treatment methods of fluency disorders across the life span. Field experience may be required.

CSDS 7157 ARTICULATION & PHONOLOGICAL DISORDERS  3-0-3
Prerequisites: Admission to the program
Case studies emphasizing the etiology, assessment, and treatment of articulatory and phonological disorders across the life-span. Field experience may be required.

CSDS 7158 ACQUIRED COGNITIVE-COMMUNICATION DISORDERS  3-0-3
Prerequisite: CSDS 7144
Presents an overview of the nature, assessment, and treatment of cognitive-communication disorders, including (but not limited to) communication impairments related to acquired deficits in attention, memory, problem solving, and executive function. Specific etiologies to be discussed include traumatic brain injury, dementias, and right hemisphere damage. Cultural implications of cognitive-communication disorders will be discussed. Field experience may be required.

CSDS 7159 CLINICAL PRACTICUM IN COMMUNICATION DISORDERS  1-V-3
Prerequisite: CSDS 7153
Second semester of supervised clinical practice. The clinical experience is designed to provide skill development in diagnostic and therapeutic approaches beyond the introductory level for communication impairments in children, adolescents and/or adults.
COURSE DESCRIPTIONS

CSDS 7162 CLINICAL PRACTICUM IN COMMUNICATION DISORDERS- INTERMEDIATE  1-V-3
Prerequisite: CSDS 7159
Third semester of supervised clinical practice. The clinical experience is designed to provide skill development in diagnostic and therapeutic approaches beyond the introductory level for communication impairments in children, adolescents and/or adults. Emphasis is placed on the development of interpersonal skills, professionalism and clinical independence.

CSDS 7165 INDEPENDENT STUDY  V-V-(1-3)
Prerequisites: permission of instructor or department
Independent study in an area of interest or need in communication sciences and disorders.

CSDS 7230 SPECIAL TOPICS IN SPEECH/ LANGUAGE PATHOLOGY  3-0-3
Prerequisite: Permission of instructor/department
The study of a topic relevant to speech/language pathology.

CURI - Curriculum and Instruction

CURI 7040 CONTEMPORARY ISSUES AND PRACTICES IN ADVANCED CONTENT PEDAGOGY  3-0-3
Examines current research, legislation and curricular/instructional materials and practices related to content pedagogy. Enhances and extends students’ knowledge of curriculum and instruction related to content in their area of certification.

CURI 7044 GLOBAL PERSPECTIVES IN CURRICULUM AND CONTENT PEDAGOGY  3-0-3
Explores curriculum and pedagogical content as it is influenced by international standards and global forces, including culture, social, economic, political, and educational dynamics. The course fosters global awareness and develops knowledge and dispositions to promote critical thinking, communication, problem solving, and interpersonal understandings necessary for curriculum development and student learning of content within a global context.

CURI 7123 ADVANCED INSTRUCTION FOR DIVERSE LEARNERS  3-0-3
Explores the role of student diversity in curriculum and instructional development. Emphasizes examination of educational issues surrounding student diversity from historical and contemporary perspectives and examines the use of educational data to determine the instructional needs of students.

CURI 7124 PROGRAM EVALUATION FOR CURRICULUM IMPROVEMENT  3-0-3
Prerequisites: FOUN 7035, FOUN 7040
Focus on developing and applying skills in program evaluation, alignment of curriculum with pedagogical content, state and national standards, and utilizing data and research for the improvement of P-12 educational programs.

CURI 7125 LITERACY FOR CONTENT AREA INSTRUCTION  3-0-3
Examination of the current theory, research and practice involving literacy for developing and deepening content instruction in P-12 educational settings. Emphasizes literacy skills and the impact of curriculum and instruction on those skills in content areas.

CURI 7126 CHANGE PROCESSES FOR CURRICULUM DEVELOPMENT  3-V-3
Prerequisites: CURI 7124
Focuses on processes for development and implementation of innovations and effective practices in curriculum, pedagogy, and assessment. Emphasis on knowledge base and skills to support collaboration and professionalism leading to improvement in curriculum and student learning at all levels of the P-12 system. Candidates are expected to engage in experiences working directly with instructional coaches, curriculum specialists, or other instructional leaders during this course. A field experience is required.

CURI 7200 SEMINAR IN APPLIED RESEARCH IN CURRICULUM AND INSTRUCTION  1-V-3
Prerequisites: CURI 7126 and Permission of Instructor
Capstone course for the Master of Education in Curriculum and Instruction. Candidates will conduct research, analyze data, and apply best practice to the developments and implementation of improvements in curriculum and instruction in a content area. Candidates will be required to submit their capstone projects for publication or presentation.

ECEG - Early Childhood Education (MED)

ECEG 5450G ECONOMICS EDUCATION FOR TEACHERS  3-0-3
The study of basic microeconomic and macroeconomic concepts, methodology, resources for incorporating economics in the school curriculum, and teaching material development at the appropriate grade levels.
ECEG 7000 ADVANCED METHODS IN ELEMENTARY LANGUAGE ARTS 3-0-3
In-depth exploration in four broad areas of the language arts. Opportunities for incorporating the use of technology in teaching will be provided.

ECEG 7010 ADVANCED METHODS IN EARLY CHILDHOOD SCIENCE 3-V-3
This course is designed to reinforce basic knowledge as well as enhance current teaching strategies. A field experience is required.

ECEG 7020 ADVANCED METHODS IN ELEMENTARY GEOGRAPHY 3-0-3
An investigation of current research in the teaching of geography to the elementary school student. Opportunities for incorporating the use of technology will be provided.

ECEG 7030 ADVANCED METHODS IN EARLY CHILDHOOD SOCIAL STUDIES 3-V-3
A study of methods and materials used in teaching social studies concepts and skills at the elementary level. Stresses theoretical foundations and integration of social studies into the early childhood curriculum. A field experience is required.

ECEG 7050 ADVANCED METHODS IN ELEMENTARY MATHEMATICS 3-0-3
An extension of the knowledge-base necessary to provide a firm foundation for mathematics instruction to the P-5 student. Emphasis will be on problem solving, mathematical reasoning and communication, and the use of technology when delivering instruction.

ECEG 7060 MULTIMEDIA APPROACH TO CHILDREN’S LITERATURE AND WRITING 3-0-3
Designed to expand the knowledge of children’s media, both in print and non-print, to provide for more in-depth study of literature and writing, to focus on the development of literacy for the classroom.

ECEG 7070 TEACHING COMMUNICATION ACROSS CULTURES 3-0-3
This course is designed to address the power of language as it relates to communication between educators and students, including Youth At-Risk and students in poverty.

ECEG 7080 CREATIVE ARTS IN THE ELEMENTARY SCHOOL 3-0-3
Course emphasis is on the utilization and integration of fine art skills into the elementary school curriculum. Music, art, and creative dramatics as instructional tools are explored.

ECEG 7090 METHODS OF INSTRUCTIONAL DIFFERENTIATION IN EARLY CHILDHOOD EDUCATION 3-V-3
Content, approaches, methods, and materials appropriate for young children as presented in interdisciplinary or experience approach emphasizing how language arts, science, mathematics, social studies, and the creative arts are adapted to the skills and needs of children. A field experience is required.

ECEG 7110 ADVANCED CHILD GROWTH AND DEVELOPMENT 3-0-3
In-depth look at concepts related to and problems during growth and development of the young child. Exploration of teacher-child and teacher-family interactions will be integral to the course.

ECEG 7190 DIAGNOSIS AND CORRECTION OF READING DIFFICULTIES 3-0-3
Prerequisites: RDEN 7071, RDEN 7072
A study of the diagnosis and remediation of reading difficulties of K-12 students. Provides practical experience in the use of diagnostic techniques and remedial procedures.

ECEG 7310 FIELD-BASED RESEARCH V-V-(1-6)
Students will identify a particular classroom issue and conduct a semester long classroom-based research project.

ECEG 7990 SPECIAL TOPICS IN ELEMENTARY EDUCATION V-V-(1-3)
This course is designed to promote specialized training appropriate to the needs of in-service school personnel. Topics will vary based upon their significance to local school systems.

ECMT - Early Childhood Education (MAT)

ECMT 6000 TEACHING READING DIAGNOSIS AND REMEDIATION 3-V-3
Prerequisites: EDUC 6000, EDUC 6100
An overview of the program of reading in the elementary school with an emphasis on instruction and assessment. Considers the stages of children’s reading development, instructional materials and strategies, and use of diagnostic techniques in the classroom. A field experience is required.
ECMT 6010 DEVELOPMENTAL CHARACTERISTICS OF YOUNG CHILDREN 3-V-3
Prerequisites: EDUC 6000, EDUC 6100
Early growth and development of young children that focuses on physical, emotional, cognitive and social development. Traditional and contemporary theories for cognition and learning will be examined and schooling from a cultural and sociopolitical context. A field experience is required.

ECMT 6020 LANGUAGE ARTS/CREATIVE ACTIVITIES 3-0-3
An overview of literacy and the arts. Emphasis on the arts as languages and how the arts engage young children through a common language. Materials and methods for teaching literacy and the arts.

ECMT 6030 SOCIAL STUDIES/SCIENCE 3-V-3
Prerequisites: EDUC 6000, EDUC 6100
A study of methods and materials used in teaching social studies and science skills and content at the elementary level. A field experience is required.

ECMT 6040 TEACHING MATHEMATICS IN ELEMENTARY SCHOOL 3-V-3
Prerequisites: EDUC 6000, EDUC 6100
An overview of content and methods for teaching elementary mathematics. Topics include algorithms, number systems, geometry, mathematical reasoning and representation. Emphasis will be one on problem solving, communication and the use of technology when delivering instruction. A field experience is required.

ECMT 6090 CLASSROOM MANAGEMENT 3-0-3
Prerequisites: EDUC 6000, EDUC 6100
Designed to explore the interaction of the characteristics of P-5 learners and pedagogy. Emphasis will be placed on classroom management and discipline.

ECMT 6750 GRADUATE INTERNSHIP 0-V-4
Prerequisites: Completion of all M.A.T. Program of Study courses.
Supervised field-based teaching experiences providing the opportunity to use knowledge and skills in a P-5 public school setting.

ECON - Economics

ECON 5030G SPECIAL TOPICS IN ECONOMICS 3-0-3
Upper-level courses not otherwise offered in the economics curriculum. Various substantive topics, Theoretical issues and problems with possibility to repeat with different topics.

ECON 5150G SURVEY OF ECONOMICS FOR EDUCATORS 3-0-3
Prerequisite: Admission to Candidacy in the College of Education or holds current teaching certification
Survey of macroeconomic, microeconomic, and personal finance topics relevant to the Georgia Performance Standards for teaching economics in grades K-12. Course examples will be drawn from classroom resources available to educators. Students will be expected to develop a portfolio of grade-level appropriate examples for future classroom use.

EDTL - Teacher Leadership

EDTL 7010 SUPERVISION FOR IMPROVEMENT OF INSTRUCTION 3-V-3
Prerequisites: Admission into the Teacher Leadership Endorsement Program
Analysis and application of the knowledge and skills relating to supervision of instruction with an emphasis on models of supervision, coaching, and strategies for improvement of curriculum and instruction in contemporary educational settings. A practicum experience in supervision of instruction is required.

EDTL 7020 RESEARCH AND ASSESSMENT STRATEGIES FOR CURRICULUM AND LEARNING 3-V-3
Prerequisites: EDTL 7010
The study, analysis and application of research and assessment strategies for monitoring and improving teaching and learning with an emphasis on date-informed decision making. A field-based practicum experience is required.

EDTL 7030 ADVANCED CONTENT PEDAGOGY AND CURRICULUM P12 3-V-3
Prerequisites: EDTL 7010, EDTL 7020
Comprehensive study of curriculum aligned with standards, instruction, and assessment as well as In-depth study of mentoring and coaching to foster best practices in pedagogy in a collaborative work environment. A field-based practicum experience is required.
EDUC - Education

EDUC 5455G STUDY ABROAD IN TEACHER EDUCATION 3-V-3
Prerequisite: Admission to candidacy in the College of Education and permission of the instructor
This course will prepare teacher candidates for travel and study abroad by engaging them in the study of the culture, cultural transmission to the young, the education system, and the role of the teacher in the designated country in which the study abroad field experience will occur. Candidates will travel to the country to engage in either supervised research or teaching activities to learn more about the instructional theories, philosophies, and practices that support the educational processes for children and adolescents who are comparable to K-12 students in the United States. A field experience is required.

EDUC 5750G EXTENDED FIELD EXPERIENCE V-V-(3-9)
Prerequisite: Satisfactory score(s) on the appropriate GACE II certification test(s), and completion of all coursework in the program of study.
This field experience is a targeted experience in Planning, Instruction, and/or Assessment based on the performance assessment data. Completion and submission of a national pedagogical assessment is required (edTPA).

EDUC 6000 PROFESSIONAL ORIENTATION TO TEACHING 3-0-3
An overview of the critical and contemporary issues which confront professional educators, the best practices ascribed to content knowledge in the area of learning and teaching, and the skills and dispositions necessary to work with diverse students.

EDUC 6100 TECHNOLOGY THEORIES AND APPLICATIONS FOR TEACHERS 2-0-2
This course combines theoretical, technical, and experiential components using a pragmatic approach for teachers using educational technology in the classroom.

EDUC 6200 CURRICULUM, INSTRUCTION, AND ASSESSMENT 3-0-3
Overview of the best practices associated with the design of curriculum, the planning and implementation of instruction, and the skills necessary to design authentic assessment materials.

EDUC 6300 EDUCATING STUDENTS WITH DISABILITIES IN THE GENERAL EDUCATION CLASSROOM 3-0-3
Survey of specific disabilities and the impact they have on learning for the P-12 student. Strategies for academic modification, social skill development, and behavior management as well as federal and state legislation will be presented. Meets certification requirements for H.B. 671.

EDUC 6400 COASTAL SAVANNAH WRITING PROJECT 6-0-6
Prerequisite: Application required.
This course requires extensive and varied writing, running the gamut from note-taking to reflective journals, and from personal narrative to formal position papers. Students enrolled in the course are encouraged to explore topics of importance and interest.

EEXE - Exceptional Education

EEXE 6025 LEGAL AND PROCEDURAL ISSUES IN SPECIAL EDUCATION 3-0-3
Legislative requirements and procedures that determine assessment, placement, and for students with learning and behavioral problems including IEPs, termination of services, and due process.

EEXE 6027 DISABILITIES THAT IMPACT LEARNING AND BEHAVIOR 3-0-3
This course offers in-depth study of students with various cognitive, social, and behavioral problems that disrupt learning. Covers etiologies, characteristics, cultural and social impacts of the disabilities and the theories, research, and systems that support assessment, interventions, and support services.

EEXE 6029 MIND/brains RESEARCH AND EDUCATIONAL PRACTICE 3-0-3
Explores current research and theory of brain functioning and their impact on instructional practices. Looks at dysfunctions and their resulting learning and/or behavioral problems in light of research findings.

EEXE 6406 SOCIAL AND BEHAVIORAL ISSUES OF INDIVIDUALS WITH DISABILITIES 3-V-3
Prerequisites: Candidacy in the Department of Special and Adult Education and EEXE 6034, EEXE 6130, EEXE 6790
Covers strategies and techniques to develop appropriate social interactions and to foster an internal locus of control in children and adolescents with social skills deficits and/or behavior problems.
EEXE 6750 GRADUATE INTERNSHIP  0-V-4
Prerequisites: Satisfactory score(s) on the appropriate GACE II certification test(s), completion of all course work in the program of study, and completion of all College of Education requirements for admission to the graduate level internship. This internship requires a semester long, supervised field experience in a school setting that has been approved and designated by the College of Education. Successful completion of this internship is a requirement for teacher certification in the State of Georgia.

EEXE 7000 CHARACTERISTICS OF BEHAVIOR DISORDERS  3-0-3
Characteristics of the types of emotional and behavioral disorders encountered among children and youth are reviewed along with currently accepted theories and systems for their education.

EEXE 7020 METHODS AND STRATEGIES FOR TEACHING STUDENTS WITH AUTISM  3-0-3
This course will focus on current research and best practices for teaching students with Autism.

EEXE 7030 CHARACTERISTICS IN LEARNING DISABILITIES  3-0-3
A review of different types of learning disabilities and the theories and systems related to their identification, assessment, and remediation.

EEXE 7035 ADVANCED METHODS OF INSTRUCTION FOR INDIVIDUALS WITH LEARNING DISABILITIES  3-V-3
Prerequisite or Corequisite: EEXE 7030
This course explores the research and theoretical bases for instructional methods and strategies currently used to educate individuals identified as having learning disabilities. Field experience required.

EEXE 7040 SOCIAL DEVELOPMENT AND ANGER MANAGEMENT  3-0-3
Prerequisite: SPED 4005
Covers the social development of children and adolescents with particular emphasis placed on language pragmatics socially appropriate peer interactions, development of personal behavior habits, and anger management skills.

EEXE 7070 ADVANCED RESEARCH METHODS  3-V-3
Prerequisites: FOUN 7060 and completion of at least 21 semester hours from the program of study. Field experience required. Corequisite: EEXE 7071
Course offers students advanced practice in the methods of research design required to conduct educational research. Students will develop a research proposal or design a project in some area of special education which will be completed in EEXE 7071.

EEXE 7071 RESEARCH PROJECT  3-V-3
Prerequisites: FOUN 7060 and completion of at least 15 semester hours from the program of study. Field experience required.
Course offers students specific practice in conducting a research project in the field of special education.

EEXE 7240 CHARACTERISTICS OF GIFTED  3-0-3
The study of behavioral characteristics of gifted children with emphasis on school-related behaviors.

EEXE 7250 SEMINAR SPECIAL EDUCATION  3-0-3
Students research an area of study related to the exceptional individual and present findings to the seminar for critical review. Must be taken within last twelve hours of program of study.

EEXE 7260 METHODS GIFTED  3-0-3
Prerequisite: EEXE 7240
A review of instructional procedures for teaching the gifted student.

EEXE 7270 CURRICULUM GIFTED  3-0-3
Prerequisite: EEXE 7240
An overview of curriculum and program development for the gifted student.

EEXE 7310 ADVANCED BEHAVIORAL INTERVENTION PROCEDURES  3-0-3
Designed to build upon the basic principles of discipline and classroom management. Emphasis will be on various categories of emotional and behavioral problems in children and youth.

EEXE 7319 CAREER DEVELOPMENT AND TRANSITION PLANNING  3-0-3
This course will focus on understanding legal and procedural issues in interventions at the systems level of transition, including the following: identification of exemplary transition practices, issues in transition policies, dropout prevention issues, the vocational service system, ecological transition models, inclusive transition models of transition, self-determination and family involvement models, and continuous evaluation and improvement of transition services.
EEXE 7320 VOCATIONAL ASSESSMENT OF SPECIAL EDUCATION STUDENTS 3-V-3
Provides students with the knowledge and skills to select, administer, and interpret instruments which sample vocational interests, aptitudes, and development. Emphasis is placed on the evaluation of students with disabilities and others at-risk of school failure. Field-based experience required.

EEXE 7321 INTERAGENCY PLANNING AND SERVICE FOR TRANSITION TO ADULTHOOD 3-V-3
Prerequisites: EEXE 7319, EEXE 7320
Emphasis is placed on theory and practice related to interagency collaboration, systems change efforts in transition services, and state-of-art practices regarding supporting individuals with disabilities in community employment, living, socialization, community participation, and other areas of adult life. Covers specific federal and state mandates concerning transition planning and collaboration with agencies in the community for assisting students as they move through the P-12 educational experience and on to post secondary education and/or training. Field-based experience required.

EEXE 7322 COMMUNITY BASED INSTRUCTION 3-V-3
Prerequisites: EEXE 7319, EEXE 7320
The course explores the use of appropriate community environments, methods for linking community based instruction, and methodology for preparing students with multiple and severe disabilities for adulthood. Emphasis is placed upon theory and practice related to career development, job development, facilitating natural supports on the job, job partnerships, and school and community vocational training models. Field-based experience required.

EEXE 7507 CHARACTERISTICS OF STUDENTS WITH MULTIPLE/SEVERE DISABILITIES 3-0-3
Characteristics of the types of multiple and severe disabilities encountered among children and youth are reviewed along with currently accepted theories and systems for development and implementation based on a community referenced model.

EEXE 7508 STRATEGIES FOR TEACHING STUDENTS WITH MULTIPLE AND SEVERE DISABILITIES 3-V-3
Prerequisite: EEXE 7507
The study of instructional methodologies, curriculum development and implementation based on a community referenced model for students with mental retardation, autism, orthopedic impairments, visual impairments, deaf-blindness, and multiple impairments. A field experience is required.

EEXE 7510 ASSISTIVE TECHNOLOGY FOR STUDENTS WITH MULTIPLE/SEVERE DISABILITIES 3-0-3
This course provides an overview of a wide range of forms of assistive technology including switches, computer use and adaptations, and communication devices. Provides opportunities for candidates to develop devices for use in meeting the needs of students with physical and sensory disabilities.

EEXE 7512 AUGMENTATIVE AND ALTERNATIVE COMMUNICATION FOR STUDENTS WITH MULTIPLE/SEVERE DISABILITIES 3-0-3
The study of devices and systems used to meet the communication needs of students with multiple and severe disabilities.

ENGL - English

ENGL 5000G SPECIAL TOPICS 3-0-3
Subject announced when course offered. May be repeated for additional credit when topics change.

ENGL 5200G POSTCOLONIAL LITERATURE 3-0-3
Literature and theory that emphasizes the interactions between European nations and the societies they colonized.

ENGL 5215G LITERATURE OF THE NON-WESTERN WORLD 3-0-3
Explorations of literatures outside or at the margin of Western literary traditions. The course is topical, and not limited by specific cultural, generic, or linguistic boundaries. Sample topics might include Tri-Continentalism, The Novel in World Literature, Africa and the Atlantic Rim, Post-colonialism, The Epic Tradition, The Trickster in World Literature, or the Classic Chinese Novel. This course may be repeated with different topics.

ENGL 5225G LITERATURE OF THE WESTERN WORLD 3-0-3
Examination of the Western literary canon, exclusive of works originally written in English, through extended reading of Homer, Dante, Cervantes, Goethe, Dostoevsky, and Proust. Focusing on the linguistic, formal, cultural, and historical context that shaped them.

ENGL 5280G LITERATURE AND THE ENVIRONMENT 3-0-3
Prerequisite: permission of instructor
An examination of representations of the environment in literature and theory. Readings in ecological literary criticism as well as fiction and literary nonfiction from various world areas and historical periods.
ENGL 5315G SEVENTEENTH AND EIGHTEENTH CENTURY AMERICAN LITERATURE 3-0-3
An examination of the responses of American novelists, poets, and prose writers to the issues of these centuries, with attention to characteristic themes, genres, and stylistic features.

ENGL 5325G NINETEENTH CENTURY AMERICAN LITERATURE 3-0-3
An examination of the responses of American novelists, poets, and prose writers to the issues of this century, with attention to characteristic themes, genres, and stylistic features.

ENGL 5335G TWENTIETH CENTURY AMERICAN LITERATURE 3-0-3
An examination of the responses of American novelists, poets, and prose writers to the issues of this century, with attention to characteristic themes, genres, and stylistic features.

ENGL 5340G LITERATURE BY WOMEN 3-0-3
Exploration of literature written by women within its social, historical, and theoretical contexts. Topics such as Renaissance and medieval women writers, nineteenth century novels by women, feminist theory and criticism, contemporary poetry by women.

ENGL 5350G TOPICS IN AFRICAN-AMERICAN LITERATURE 3-0-3
Thematic approach to African American Literature, with emphasis on historical, philosophical, and /or cultural contexts. Topics such as religion, migration, the oral tradition, autobiography, popular culture, rhetoric, civil rights, slavery, sexuality, or literary theory. May be repeated for additional credit when topics change.

ENGL 5355G BLACK WOMEN WRITERS 3-0-3
Prerequisite: Permission of instructor or department head
Writing by Black women. Topics may include race, class, and gender; history and society; literary and social criticism; political discourse; or Black feminist theory.

ENGL 5380G SOUTHERN LITERATURE 3-0-3
Southern literature in its distinctive social and aesthetic contexts.

ENGL 5415G THE NOVEL 3-0-3
An exploration of the origins and development of the novel as a distinct literary form, examining the aesthetic, philosophical, and social concerns that inform selected works from the eighteenth, nineteenth, and twentieth centuries. The course may focus primarily on the American or the British novel, or it may integrate the two through a specific thematic focus.

ENGL 5425G AMERICAN/BRITISH POETRY 3-0-3
American and/or British poetry in the context of technological developments, philosophical movements, and literary currents. Exploration of forms and themes with emphasis on prosody and interpretation.

ENGL 5435G TOPICS IN DRAMA 3-0-3
Study of a selected topic in English, American, or world dramatic literature. May be repeated as topics vary. May be repeated for additional credit when topics change.

ENGL 5440G EARLY ENGLISH LITERATURE 3-0-3
English literature from its beginnings through 1485. Includes study of medieval phonology, morphology, and syntax. Writers include the Beowulf poet and other old English authors, early middle English lyrics, and the major figures of the fourteenth century (the Pearl poet, Malory, Langland, Gower).

ENGL 5455G SHAKESPEARE 3-0-3
A selection of Shakespeare’s tragedies, comedies, and history plays illustrating representative themes and literary techniques of the dramatist, as well as his links to contemporary issues of his day.

ENGL 5465G CHAUCER 3-0-3
Chaucer’s two masterpieces, The Canterbury Tales and Troilus and Criseyde, and minor poetry. Includes in-depth study of Chaucer’s culture, context, and language.

ENGL 5480G LITERATURE OF THE ENGLISH RENAISSANCE 3-0-3
A selection of representative literary works from the period 1485–1689. Typical topics include the rise of the sonnet, the Metaphysical and Neoclassical poetic schools, the growth of English prose, and non-Shakespearean drama.

ENGL 5485G MILTON 3-0-3
Study of Milton’s early lyric poetry, Paradise Lost, Samson Agonistes, Areopagitica, and the divorce and monarchy tracts.

ENGL 5500G EIGHTEENTH CENTURY BRITISH POETRY AND PROSE 3-0-3
British poetry and prose from 1660 to 1800, emphasizing philosophic and aesthetic concerns. Authors such as Swift, Pope, Johnson, and Fielding.
ENGL 5525G NINETEENTH CENTURY BRITISH POETRY AND PROSE  
An exploration of the literary culture of the nineteenth century, including examinations of the works and contexts of the major figures in Romantic and Victorian literature. An examination of the responses of novelists, poets, and prose writers to the issues of the century. The conflicts between science and religion, faith in progress and the growth of industrialism, the rights of the individual and of society, and the role of the artist will be explored.

ENGL 5535G TWENTIETH CENTURY BRITISH POETRY AND PROSE  
An exploration of the literary culture of the twentieth century, including examinations of the works and contexts of the major figures in modern and contemporary literature. An examination of the responses of novelists, poets, and prose writers to the issues of the century. These writers will be examined within the context of continental developments, the World Wars, and post-war period. The literary traditions and cultural movements of the century will be explored.

ENGL 5550G CONTEMPORARY LITERATURE  
Fiction and/or poetry since World War II as it relates to literary traditions and cultural movements; topics possibly including postmodernist fiction, ethnic writers, confessional poetry.

ENGL 5590G POPULAR LITERATURE  
Focus on popular literary genres, such as science fiction, horror, Arthurian legend, and detective fiction. Topics vary.

ENGL 5610G MAJOR AUTHOR  
Subject announced when course offered. May be repeated for additional credit when topics change.

ENGL 5620G DRAMA IN THEORY AND PRACTICE  
Introduction to distinct traditions of criticism, theory, and practice in dramatic literature and theatrical performance. Significant figures, models, and currents, including the key concepts, philosophical assumptions, historical and ideological contexts.

ENGL 5630G MODERN AND CONTEMPORARY DRAMA  
Exploration of drama in its social, historical, and theoretical contexts from 1880 to the present.

ENGL 5700G PROMOTIONAL WRITING  
Theory and practice of the techniques of writing for public relations, advertising, political campaigns, fundraising, and marketing.

ENGL 5710G WRITING FOR THE NONPROFIT SECTOR  
Techniques for writing for local and national nonprofit organizations. Possible service learning component.

ENGL 5730G RHETORIC  
History of rhetoric from Aristotle to the present, with emphasis on rhetorical analyses of literature and other forms of discourse.

ENGL 5740G TECHNICAL EDITING  
This course presents techniques for editing technical publications including all levels of editing, document management, and collaboration with writers.

ENGL 5750G PUBLICATION DESIGN  
This course presents techniques for preparing documents from development to publication.

ENGL 5760G LITERARY NONFICTION  
History of the personal essay from Greek philosophers through contemporary authors. Reading and writing journals, letters, memoirs, and essays about nature, history, and other topics of fact. Crossing genres by employing authors’ private voices and other creative techniques in developing various forms of inquiry.

ENGL 5770G ADVANCED CREATIVE WRITING, POETRY  
Prerequisite: Permission of the instructor. 
The creation of accurate images, the making of successful figures of speech, including simile, metaphor, personification, synecdoche, metonymy, etc. Experimentation with different poetic forms. Workshop format.

ENGL 5780G ADVANCED CREATIVE WRITING, FICTION  
Prerequisite: Permission of instructor. 
The creation of compelling plot lines and complex characterization; the meaningful integration of setting into storyline; greater experimentation with various points of view. Workshop format.

ENGL 5800G ADVANCED GRAMMAR  
Current approaches to grammar, including generative transformational. Phonology, morphology, syntax.

ENGL 5815G LITERARY THEORY  
Introduction to the major currents and models in modern critical and literary theory, examining their basic concepts, philosophical assumptions, historical and ideological contexts, and applications.
ENGL 5820G HISTORY OF THE ENGLISH LANGUAGE 3-0-3
English language from its beginnings in the fifth and sixth centuries to its worldwide expansion in the twentieth. Chronological consideration of language from Old to Middle to Modern English. Phonetic, syntactic, and lexical changes emphasizing both external and internal influences.

ENGL 5840G CONTENT AND METHODS ENGLISH 3-2-3
Prerequisites: Admission to the College of Education, EDUC 6200, EDUC 6300
Methods, content, and materials focusing on the teaching of English. Directed field experience required.

ENGL 5990G SENIOR CAPSTONE SEMINAR 3-0-3
Engages students in advanced critical analysis. Requires students to reflect on their process of study. Preparation, revision, and oral presentation of an original research project.

ENGL 6880 TEACHING INTERNSHIP 0-V-4
Prerequisites: Admission to College of Education, completion of requirements for graduate post-baccalaureate teacher certification program
Supervised field-based teaching experience providing the opportunity to use knowledge and skills in a grade 6-12 setting. For post-baccalaureate certification.

ENGL 7100 PROFESSIONAL COMMUNICATION STRATEGIES 3-0-3
Communication strategies employed by leaders in business, industry, education, and health professions; practice in writing effective memos, letters, and reports; oral communication skills required for influencing group decisions, conducting interviews, and making presentations.

ENGL 7300 COASTAL GEORGIA WRITING PROJECT V-V-(1-6)
This course requires extensive and varied writing, running the gamut from note-taking to reflective journals, from personal narrative to formal position papers. Students enrolled in the course are encouraged to explore topics of importance and interest.

ENGL 7310 FIELD-BASED RESEARCH IN WRITING V-V-(1-6)
Prerequisite: Permission of instructor/department, ENGL 7300
Student will identify a particular classroom issue related to writing and carry out a year-long, classroom-based ethnographic research project.

ENGL 7756 SEMINAR IN BRITISH LITERATURE 3-0-3
A detailed study of a selected author, topic, or genre in British literature. May be repeated for credit as topics vary.

ENGL 7757 SEMINAR IN WORLD LITERATURE 3-0-3
A detailed study of a selected author, topic, or genre in literature to include works outside Britain and the United States. May be repeated for credit as topics vary.

ENGL 7758 SEMINAR IN AMERICAN LITERATURE 3-0-3
A detailed study of a selected author, topic, or genre in American literature. May be repeated for credit as topics vary.

ENGL 7799 SELECTED TOPICS 3-0-3
Subject announced when course offered. May be repeated for additional credit when topics change.

ENGL 8800 THEORY AND PRACTICE OF TEACHING COMPOSITION 3-0-3
Rhetorical theories and practices used in teaching composition. Emphasis on theoretical underpinnings of and research on composition pedagogy.

ENGL 8840 LITERATURE FOR ADOLESCENTS 3-0-3
A study of literature especially suitable for adolescents, with emphasis on contemporary literature written specifically for this age group. Cultural and psychological issues of importance to adolescents.

ENGL 8860 CRITICISM, THEORY, AND PEDAGOGY 3-0-3
A study of classical through contemporary literary criticism, emphasizing its application to the teaching of English in the secondary school. Current theories to include post-structuralism, feminism, and multiculturalism.

ENGL 8870 SEMINAR IN LITERARY THEORY 3-0-3
A detailed study of an author, problem, or topic within literary theory. May be repeated for credit as topics vary.

ESOL - English to Speakers of Other Languages

ESOL 6100 APPLIED LINGUISTICS FOR ESOL TEACHERS 3-0-3
Course will provide instruction in the theory and application of linguistics necessary for educators who teach English to speakers of other languages.
ESOL 6110 METHODS AND MATERIALS FOR ESOL TEACHERS 3-0-3
Course teaches methods and strategies that help educators select appropriate materials when teaching English to speakers of other languages. Course also covers instructional methodology.

ESOL 6120 CULTURAL ISSUES FOR ESOL TEACHERS 3-V-3
Course will enable educators to understand and be sensitive to cultural issues that influence teaching English to speakers of other languages. A field experience required.

ESOL 6130 FIELD EXPERIENCE FOR ESOL TEACHERS 1-V-6
Course offers educators practice in teaching English to speakers of other languages through a supervised field experience in an educational setting.

FILM - Film

FILM 5010G TOPICS IN FILM 3-0-3
Subject announced when course offered. For example, film genres, auteurs, critical approaches, and individual historical periods. May be repeated for additional credit when topics change.

FILM 5025G POPULAR CULTURE THEORY AND CRITICISM 3-0-3
Examination of the theoretical and critical approaches to the study of various forms of popular cultural expression, such as film, television, popular literature, magazines and music. Critical methodologies present may include semiotics, genre criticism, ethnography, feminism, and cultural studies.

FILM 5030G TELEVISION THEORY AND CRITICISM 3-0-3
Critical examination of various aspects of television, such as genres, social implications, historical significance, and modes of production.

FILM 5035G FILM THEORY AND CRITICISM 3-0-3
Prerequisite: None
Introduction to the major schools of film theory and criticism and their application to elected film texts.

FILM 5040G WOMEN AND FILM 3-0-3
Prerequisite: Permission of Instructor
Representations of women in film; may include issues such as feminist film theory and criticism; presentation of female characters in major film genres and movements; women directors, screenwriters, and actors; and women’s independent cinema.

FILM 5510G FILM AND LITERATURE 3-0-3
Relationship between film and literature with special emphasis on the adaptation of literature into film.

FOUN - Education Foundations

FOUN 6001 PROVIDING TEACHER SUPERVISION SUPPORT SERVICES 3-0-3
Experienced teachers will be prepared to provide support to student teachers, interns, and beginning teachers while serving in support roles such as supervising teacher, mentor, or peer coach.

FOUN 6002 TEACHER SUPPORT SPECIALIST INTERNSHIP V-V-(1-3)
Prerequisite: FOUN 7080
A structured internship requiring supervision of at least one but not more than two of the following: a student teacher, an intern, a beginning teacher, or practicum participant.

FOUN 6745 CLASSROOM BASED RESEARCH 3-V-3
Course helps educators learn to apply basic principles of research to classroom instruction to assess its effectiveness with diverse students. Demonstrates applied research principles, data collection, data analysis, summarizing results, and reporting procedures for various constituents. Course project may be included in a program’s exit portfolio. A field experience is required.

FOUN 7001 PROFESSIONAL PRACTICES 3-0-3
In-depth study of educational psychology and ethical and legal issues associated with the profession of teaching.

FOUN 7002 DESIGNING CURRICULUM FOR EFFECTIVE TEACHING AND LEARNING 3-0-3
Designed to prepare the master teacher to break down ineffective paradigms of instruction through the design and evaluation of curriculum.

FOUN 7010 HISTORY AND PHILOSOPHY OF EDUCATION 3-0-3
Traditional and modern philosophical systems and their impact on educational theory and practice.
COURSE DESCRIPTIONS

FOUN 7030 SOCIAL FOUNDATIONS OF EDUCATION 3-0-3
Basic graduate course in the contribution of the social sciences to education, focused on significant issues and problems of education.

FOUN 7035 EDUCATIONAL ASSESSMENT FOR INSTRUCTIONAL IMPROVEMENT 3-0-3
Methods of formal and informal assessment as well as an analysis of assessment findings required to make instructional decisions to improve student learning in P-12 educational settings.

FOUN 7040 ADVANCED THEORIES OF CURRICULUM AND INSTRUCTION
Explores the theoretical frameworks supporting various curricular and instructional models, historical and contemporary issues in curriculum development, and the nature and purpose of curriculum change. Examines theoretical constructs that undergird modern classroom instruction and assessment practices and to use effective paradigms of instruction through examining design and evaluation of curriculum.

FOUN 7045 EDUCATIONAL PSYCHOLOGY AND LEARNING THEORY 3-0-3
Analysis of major learning theories as they apply to curriculum, pedagogical content, student learning and assessment of learning. Emphasis on cognitive, physical, emotional, and social factors that influence learning.

FOUN 7050 MULTICULTURAL EDUCATION 3-0-3
Educational study as it relates to the American multi-ethnic society. Particular emphasis on ethnic minorities.

FOUN 7060 EDUCATIONAL RESEARCH 3-0-3
An orientation to research methods, problems and procedures in quantitative and qualitative studies; criteria for evaluating research; and the elements of research proposals.

FOUN 7065 FIELD BASED RESEARCH SEMINAR 1-V-2
Prerequisites: FOUN 7035, FOUN 7040, FOUN 7060
Course offers degree candidates instruction in applied research and guidance for developing the research projects for the program’s culminating experience.

FOUN 7070 FIELD BASED RESEARCH 1-V-4
Prerequisite: FOUN 7065
This is a capstone course designed for conducting an action research project.

FOUN 7100 SELECTED TOPICS IN FOUNDATIONS OF EDUCATION 3-0-3
Group study in selected topics in educational foundations or curriculum.

FOUN 7120 TECHNOLOGY APPLICATIONS FOR TEACHERS 1-2-3
Students will evaluate, select, and integrate computer/technology-based instruction in the curriculum of one’s subject area(s) and/or grade level.

FREN - French

FREN 5030G SPECIAL TOPICS IN FRANCOPHONE LITERATURE 3-0-3
Analysis of post-colonial, French-language literatures from Asia, Africa, the Caribbean, Canada and Cajun areas, in English translation.

GEOG - Geography

GEOG 5530G HUMAN/ENVIRONMENT INTERACTIONS 3-0-3
Survey of the key themes, ideas, and methodological approaches within the discipline of geography that seek to understand the relationship between humans and their environment (i.e. cultural/political ecology) over the last century. An interdisciplinary approach will be provided, with a focus on anthropology.

GEOG 5550G TOPICS IN REGIONAL GEOGRAPHY 3-0-3
A survey of the physical, cultural, historical, and economic geography of a world region. May be repeated as topics vary.

GEOG 5860G TOURISM GEOGRAPHIES 3-0-3
A critical/cultural analysis of the influence of tourism on communities and landscapes, focusing on its economic, social, and environmental impacts through case studies.
GEOL - Geology

GEOL 6100 HISTORICAL GEOLOGY  3-0-3
A review of the history of the earth. Determining geologic time, the history of life as revealed in the fossil record, reconstructing a chronology of events from associated rock bodies. This course is a survey of historical geology but is designed primarily for students enrolled in graduate education programs. Credit may not be earned in both GEOL 3100 and GEOL 6100.

GERO - Gerontology

GERO 5500G SURVEY OF GERONTOLOGY  3-0-3
Introduction to the emotional, physiological, and social changes associated with the aging process and their effects on health.

GERO 5510G HEALTHY AGING  3-0-3
Principles of holistic aging: spiritual, social, emotional, intellectual, occupational, physical, and motivational needs of the elderly.

GERO 5520G GERONTOLOGY PRACTICUM  V-V-(1-3)
Prerequisite: Permission of instructor/department
Practical experience tailored to the student’s interest. Developed in collaboration with a faculty member and qualified site supervisor. Graded on an S or U basis.

GNST - Gender Studies

GNST 5000G TOPICS IN GENDER STUDIES  3-0-3
Special topics in Gender Studies. Will be cross listed with selected upper-level courses in the university curriculum when content of those courses addresses issues related to Gender Studies. May be repeated for credit with different topics.

GNST 5500G TOPICS IN WOMEN'S LEADERSHIP  3-0-3
Examination of the basic themes of leadership through the lens of gender studies. The course will address alternative styles of leadership, globalization and women’s roles, under representation, the gender gap, and the perseverance of women in traditionally male-dominated careers, professions, and public offices.

GNST 5600G SOCIOLOGY OF GENDER  3-0-3
Examines the social construction of gender and gender inequality in society. Cross-listed with SOCI 5600U/G.

GNST 5700G PERSPECTIVES IN FEMINIST THEORY  3-0-3
An in-depth look at Feminist Theory. This course may be taught from the perspective of a particular discipline. Cross-listed with POLS 5700U/G.

GNST 7500 INTERNSHIP IN GENDER AND WOMEN'S STUDIES  3-0-3
Individually designed project involving off-campus study and research in an appropriate agency. Project must be designed to be completed within one semester, during which time the student will be under the joint supervision of the sponsoring agency and the faculty supervisor. Upon completion of the project, the student will present the formal report to the Gender Studies advisory committee. The report must be approved to satisfy the requirement for the graduate certificate.

GNST 7900 DIRECTED READINGS  3-0-3
A student whose program of study shows a need for additional graduate coursework in Gender Studies that cannot be met through the projected schedule of courses may register for this course once. This course may be repeated once with the permission of the program coordinator.

HIST - History

HIST 5100G TOPICS IN LATIN AMERICAN HISTORY  3-0-3
Detailed analysis of a specific problem, theme, or topic in Latin American history. May be repeated as topics vary.

HIST 5150G TOPICS IN MIDDLE EASTERN HISTORY  3-0-3
Detailed analysis of a specific problem, theme, or topic in Middle Eastern history. May be repeated as topics vary.

HIST 5200G TOPICS IN AFRICAN HISTORY  3-0-3
Topics in the history of Africa, including political, economic, social, religious, and/or cultural trends as defined by the instructor. May be repeated as topics vary.

HIST 5250G TOPICS IN ASIAN HISTORY  3-0-3
Detailed analysis of a specific problem, theme, or topic in Asian history. May be repeated as topics vary.
HIST 5300G HISTORY OF RUSSIAN/SOVET FOREIGN POLICY  
Examination of topics of Russian and Soviet foreign policy from the end of the tsarist period to the present. Analysis of the effect on the international system of the collapse of the Soviet Union and the place of Russia in the world today.

HIST 5450G TOPICS IN MEDIEVAL HISTORY  
Study of a topic in medieval history such as the Crusades, Byzantine history, or other medieval subjects dependent on available primary source materials. May be repeated as topics vary.

HIST 5480G TOPICS IN EUROPEAN HISTORY  
Selected topics in European history. May be repeated as topics vary.

HIST 5490G TOPICS IN EUROPEAN INTELLECTUAL AND CULTURAL HISTORY  
Study of the evolution of ideas in European history such as liberty, nationalism, or equality, emphasizing primary sources and varied historical interpretations. May be repeated as topics vary.

HIST 5500G TOPICS IN BRITISH HISTORY  
Selected topics in the history of Great Britain and Ireland. May be repeated as topics vary.

HIST 5540G TOPICS IN U.S. FOREIGN RELATIONS  
Study of United States' objectives and policies in foreign affairs. May be repeated as topics vary.

HIST 5560G TOPICS IN HISTORY OF GEORGIA  
Select topics in the history of Georgia with emphasis on political, economic, social, religious, and cultural trends in the context of the South and the nation.

HIST 5565G TOPICS IN THE HISTORY OF AMERICAN REFORM  
Topics in the history of American reform emphasizing the evolution of social policy as it applied to class, gender, ethnicity, and religion. May be repeated for credit as topics vary.

HIST 5570G TOPICS IN THE HISTORY OF THE AMERICAN SOUTH  
Topics including economic, cultural, and political history of the South with emphasis on those factors that made the South a unique section of the nation.

HIST 5575G TOPICS IN URBAN HISTORY  
Examines urban and suburban development, considering themes that may include immigration, consumerism, deindustrialization, politics, urban renewal, poverty and crime. May be repeated as topics vary.

HIST 5580G TOPICS IN ENVIRONMENTAL HISTORY  
Prerequisite: admission to the graduate program in History
A historical study of the interactions between people and their environments. Course may focus on local environments, the Southeast, the entire United States, or survey the environmental history of the world.

HIST 5640G TOPICS IN THE HISTORY OF TECHNOLOGY AND CULTURE  
Examination of developments in the history of technology, emphasizing relationships among European and American technologies, societies, and cultures. May be used for European or American history credit, depending upon the emphasis of the course.

HIST 5650G TOPICS IN AFRICAN-AMERICAN HISTORY  
Topics in the history of African-American people emphasizing their social, economic, political, and regional experiences. May be repeated as topics vary.

HIST 5660G TOPICS IN THE HISTORY OF WOMEN AND GENDER IN AMERICA  
Prerequisite: Admission to graduate program.
Selected topics in the history of women and gender relations in America. May be repeated when topics vary.

HIST 5670G TOPICS IN THE HISTORY OF WOMEN AND GENDER IN EUROPE  
Prerequisite: Admission to graduate program.
Selected topics in the history of women and gender relations in Europe. May be repeated as topics vary.

HIST 5690G TOPICS IN AMERICAN THOUGHT AND CULTURE  
Selected topics in the history of American thought, values, and culture. May be repeated as topics vary.

HIST 5700G AMERICAN MATERIAL CULTURE  
Introduction to methods of material culture analysis and key groups of American artifacts. Topics covered may include furnishings, fashion, cemeteries, industrial design, and consumerism.
HIST 5720G HISTORICAL ARCHAEOLOGY  3-0-3
Examination of archaeological artifacts, methods, and theories, emphasizing the use of archaeological evidence consistent with the disciplinary standards of history. Chronological and regional focus varies with instructor’s area of expertise. May be repeated as topics vary.

HIST 5750G AMERICAN FOLKLIFE  2-2-3
The study of the creation of tradition in societies and of the process of change as demonstrated in such aspects as narrative, music, song, celebration, festival, belief, and material culture. Emphasis on understanding the multi-ethnic nature of the traditions in American life.

HIST 5770G ORAL HISTORY  1-4-3
The study of how to prepare and conduct oral history interviews, how to transcribe, log, and index oral history recordings, and how to use oral history collections in writing research papers.

HIST 5790G ARCHIVAL STUDIES  3-0-3
Introduction to the archivist as a professional and to the role of archives in society. Survey of the documentary materials and of the principles and practices involved in their acquisition, cataloging, care, and retrieval in public and private facilities also included.

HIST 5810G TOPICS IN ARCHITECTURAL HISTORY  2-1-3
Study of selected topics in architectural history, including various styles of architecture (Georgian, Federal, Neoclassical, Eclecticism, and Modern), and vernacular architecture. Recording techniques, research strategies, theoretical approaches, landscape architecture, field trips, and visiting lecturers. May be repeated as topics vary.

HIST 5830G HISTORIC PRESERVATION  3-0-3
Examination of the field including values, principles, practices, development of planning and organization for preservation; preservation law, economics, and politics.

HIST 5850G MUSEUM STUDIES  2-2-3
Development of museums in the United States and of the ethics and practices of the museum profession, to include collections management, planning, outreach, and public education.

HIST 5870G HERITAGE TOURISM  3-0-3
History of tourism, with emphasis on heritage and tourism, and of the function and impact of tourism on guest and host societies. Aspects of the modern tourist industry and its products, such as promotional and travel literature, accommodations and transport, and tourist arts also investigated.

HIST 5890G TOPICS IN PUBLIC HISTORY  V-V-(1-3)
Special topic in the field of public history defined by the instructor. May be taught as a colloquium or as a seminar.

HIST 5940G FIELDWORK IN HISTORY  V-V-(1-3)
Prerequisite: Permission of instructor/department
Field-trip based and/or engagement in extended site visits, whether abroad or in U.S. Research, reading, and written assignments tailored to the specific area of study indicated on student transcript. Course may be repeated for credit as topics vary, but no more than three hours counted among the eighteen hours required for the major. Offered only by special advance arrangement with the department.

HIST 7100 INTERNSHIP IN PUBLIC HISTORY  V-V-(1-3)
Individually designed project involving off-campus study and research in an appropriate agency, requiring at least one term for completion, during which time the student is under the joint supervision of the sponsoring agency and a faculty supervisor. Graded on an S or U basis.

HIST 7430 COLLOQUIUM IN AMERICAN HISTORY  3-0-3
Small, writing-intensive course using readings and discussion of the history and historiography of a given topic or theme in American History. May be repeated as topic/theme varies.

HIST 7440 COLLOQUIUM IN WORLD HISTORY  3-0-3
Small, writing-intensive course using readings and discussion of the history and historiography of a given topic or theme in World History. May be repeated as topic/theme varies.

HIST 7580 SEMINAR IN AMERICAN HISTORY  3-0-3
Course that addresses a particular topic or theme in American History through primary sources and the writing of a critical research essay. May be repeated as topic/theme varies.
HIST 7585 SEMINAR IN WORLD HISTORY
Course that addresses a particular topic or theme in World History through sources and the writing of a critical research essay. May be repeated as topic/theme varies.

HIST 7850 SPECIAL TOPICS IN MATERIAL CULTURE
Topics may include African-American material culture, cross-cultural material culture, European material culture, method and theory, and decorative and performing arts.

HIST 7920 DIRECTED READINGS
By petition to graduate committee for student whose program of study shows a need for an additional graduate course that cannot be met by the projected schedule of courses. Student may register for this course only once.

HIST 7950 INDEPENDENT STUDY
Provides opportunity for students to pursue individual research and readings in chosen field under the supervision of a faculty member. Application should be filed during the early enrollment period of the semester before the independent study will be taken. Unanimous approval of graduate committee or majority of department required.

HIST 7990 THESIS
Prerequisite: Permission of graduate coordinator/ department head
Planned research and writing of master’s thesis directed by the student’s thesis committee. May be repeated for a maximum of nine credits with a maximum of six credits only counting toward the degree. Graded on an S or U basis.

HIST 7995 PROFESSIONAL INTERNSHIP IN PUBLIC HISTORY
Prerequisite: Permission of graduate coordinator/ department head
Individually designed project involving off-campus study and research in an appropriate agency. Projects designed to require at least two terms for completion, during which time the student will be under the joint supervision of the sponsoring agency and the faculty supervisor. Upon completion of project, students will present the formal report to their master’s internship committee. The report must be approved to satisfy the requirement for the master’s degree. May be repeated for a maximum of nine credits with a maximum of six credits only counting toward the degree.

LEAD - Liberal and Professional Studies

LEAD 7100 ORGANIZATIONAL DYNAMICS IN MULTICULTURAL SOCIETIES
A study of organizational dynamics and leadership skills in the contexts of education, politics, and the work place. Emphasis on the theory and practice of individual and institutional behaviors in multicultural societies.

LEAD 7200 LEADERSHIP IN THE PUBLIC ARENA: FROM IDEAS TO ACTION
Examination of the leadership necessary to move from ideas to action on public issues. Course explores the unique role of the public sector in society and will compare leadership issues in public sector and private sector organizations.

LEAD 7300 SELECTED ISSUES IN LEADERSHIP STUDIES
Prerequisite: Admission to the PCL program or by permission of the instructor
Reading, research, practice, and discussion devoted to selected topics in Leadership Studies. Topics may include leadership in literature, creativity and leadership, communication skills and strategic leadership, and leadership in team-based organizations. May be repeated for credit as topics change.

LING - Linguistics

LING 5000G TOPICS IN LINGUISTICS
Seminar in topics of theoretical and applied linguistics. May be repeated for additional credit when topics change.

LING 5440G EARLY ENGLISH LITERATURE: BEGINNINGS THROUGH 1485
English literature from its beginnings through 1485. Includes study of medieval phonology, morphology, and syntax. Writers include the Beowulf poet and other old English authors, early middle English lyrics, and the major figures of the fourteenth century (the Pearl poet, Malory, Langland, Gower).

LING 5465G CHAUCER
Chaucer’s two masterpieces, The Canterbury Tales and Troilus and Criseyde, and minor poetry. Includes in-depth study of Chaucer’s culture, context, and language.

LING 5800G ADVANCED GRAMMAR
Current approaches to grammar, including generative transformational. Phonology, morphology, and syntax.
LING 5820G HISTORY OF THE ENGLISH LANGUAGE  3-0-3
English language from its beginnings in the fifth and sixth centuries to its worldwide expansion in the twentieth. Chronological consideration of language from Old to Middle to Modern English. Phonetic, syntactic, and lexical changes emphasizing both external and internal influences.

MAED - Mathematics Education

MAED 5500G TEACHING MATHEMATICS WITH TECHNOLOGY  3-0-3
Use of graphing calculators and special computer software to teach algebra, geometry, advanced algebra, and pre-calculus.

MAED 5900G SPECIAL TOPICS IN MATHEMATICS EDUCATION  3-0-3
The study of topics relevant to the secondary mathematics classroom.

MAED 5940G TEACHING MIDDLE GRADES/ GENERAL MATHEMATICS  2-3-3
Problems of teaching traditional topics, such as fractions, decimals, percentage, measurement, informal geometry, algebraic structures, probability, and statistics. Cooperative learning in an activity-based, problem-solving environment will be emphasized. Incorporation of drill and practice in necessary skills with appropriate games and exercises.

MAED 6900G SPECIAL TOPICS IN MATHEMATICS EDUCATION  3-0-3
The study of topics relevant to the secondary mathematics classroom.

MAED 7010 UNDERSTANDING NUMBERS AND OPERATIONS  3-0-3
This course focuses on preparing P-5 mathematics specialist candidates to understand and use the major concepts of numbers and operations in mathematics via the study of manipulatives and technological tools through collaboration, critical thinking, hands-on exploration, problem-based inquiry for various learning styles and multiple intelligences while offering many summative assessment techniques to monitor student progress. This is the first course of four leading to P-5 Mathematics endorsement certificate.

MAED 7020 UNDERSTANDING ALGEBRA  3-0-3
This course focuses on preparing P-5 mathematics specialist candidates to understand and use the major concepts of algebra via the study of patterns and relationships found in tables, graphs, algebraic symbols, verbal descriptions, manipulatives, and geometric figures through collaboration, critical thinking, hands-on exploration, problem-based inquiry for various learning styles and multiple intelligences while offering many summative assessment techniques to monitor student progress. This is the second course of four leading to P-5 Mathematics endorsement certificates.

MAED 7030 UNDERSTANDING DATA ANALYSIS AND PROBABILITY  3-0-3
This course focuses on preparing P-5 mathematics specialist candidates to make decisions and predictions via the study of collecting, representing, processing, summarizing, analyzing, and transforming data through technological tools, collaboration, critical thinking, hands-on exploration, problem-based inquiry for various learning styles and multiple intelligences while offering many summative assessment techniques to monitor student progress. This is the third course of four leading to P-5 Mathematics endorsement certificate.

MAED 7040 UNDERSTANDING GEOMETRY  3-0-3
This course focuses on preparing P-5 mathematics specialist candidates to understand fundamental concepts of geometry via the study of manipulatives and technological tools through collaboration, critical thinking, hands-on exploration, problem-based inquiry for various learning styles and multiple intelligences while offering many summative assessment techniques to monitor student progress. This is the fourth course of four leading to P-5 Mathematics endorsement certificate.

MAED 7900G SPECIAL TOPICS IN MATHEMATICS EDUCATION  3-0-3
The study of topics relevant to the secondary mathematics classroom.

MAED 7910G TOPICS IN MATHEMATICS FOR ELEMENTARY TEACHERS  2-3-3
Selected topics related to the content and methodology of teaching mathematics in grades preK-6.

MAED 7930G TOPICS IN MATHEMATICS FOR MIDDLE SCHOOL TEACHERS  2-3-3
Selected topics related to the content and methodology of teaching mathematics in grades 4-8.

MAED 8600G TEACHING ALGEBRA AND GEOMETRY  3-0-3
Major topics in algebra and geometry (such as functions, graphs, inequalities, proofs, constructions) and the problems in teaching them. Students will be expected to show mastery of the content and will make brief classroom presentations.
MATH - Mathematics

MATH 5160G THEORY OF NUMBERS  3-0-3
A survey of topics from number theory to include: divisibility and congruence; Diophantine equations; distribution of prime numbers, famous unsolved problems, number-theoretic functions and their applications; theorems of Fermat and Euler.

MATH 5412G SECONDARY SCHOOL CURRICULUM AND METHODS  3-0-3
Prerequisite: Permission of Instructor.
Materials and methods of teaching secondary school mathematics including field experience.

MATH 5600G FOUNDATIONS OF MATHEMATICS  3-0-3
Fundamental ideas of axiomatic mathematics, including sets, relations, functions, algebraic structures, with emphasis on techniques of writing proofs.

MATH 5700G HISTORY OF MATHEMATICS  3-0-3
The historical development of mathematics from its empirical beginnings to its present state.

MATH 5900G SPECIAL TOPICS IN MATHEMATICS  V-V-(1-3)
Selected topics of current interest in upper-level mathematics.

MATH 5911G TOPICS IN MATHEMATICS FOR EDUCATORS  3-0-3
Topics in mathematics designed for pre-service and in-service elementary and middle grades teachers.

MATH 6900G SPECIAL TOPICS IN MATHEMATICS  3-0-3
Selected topics in mathematics.

MATH 6910 TOPICS IN ANALYSIS  3-0-3
Selected topics in an area of real or complex analysis.

MATH 6920 TOPICS IN GEOMETRY  3-0-3
Topics from Euclidean and non-Euclidean geometry.

MATH 6930 TOPICS IN APPLIED MATHEMATICS  3-0-3
Selected topics in an area of mathematics that has broad applications to disciplines outside of mathematics.

MATH 7210 QUANTITATIVE METHODS FOR DECISION-MAKING  3-0-3
Intermediate level linear models concentrating on multiple regression, linear programming techniques, queuing theory, and simulation.

MATH 7530 PROBLEM SOLVING  3-0-3
A study of patterns involved in solving problems. Particular attention is paid to Polya’s heuristics and his characterization of the problem-solving process. The application of these techniques by mathematics teachers will be stressed.

MATH 7900 SPECIAL TOPICS IN MATHEMATICS  3-0-3
Selected topics in mathematics.

MATH 8540 FUNDENTALS OF PROBABILITY  3-0-3
A study of fundamental ideas of probability with emphasis on topics, examples, and applications for secondary mathematics teachers.

MATH 8570 TRANSFORMATION GEOMETRY  3-0-3
Algebraic operations on the complex numbers and their corresponding geometric interpretations; a characterization of isometries’ of the complex plane as translations, rotations, reflections and glide reflections; a study of isometries as groups; similarities, some classic theorems.

MATH 8580 CALCULUS FIRST THREE DIMENSION  3-0-3
A survey of the basic notions of differential and integral calculus for functions in dimensions one, two, and three, presented for students with previous courses in calculus with emphasis on concepts, applications, problem solving, and historical development.

MGED - Middle Grades Education (MED)

MGED 5450G ECONOMICS EDUCATION FOR TEACHERS  3-0-3
The study of basic microeconomic and macroeconomic concepts, methodology, resources for incorporating economics in the school curriculum, and teaching material development at the appropriate grade levels.

A study of current issues and trends in teaching middle grades geography.

Designed to promote specialized training appropriate to the needs of in-service school personnel. Attention will be given to a range of specific problems of significance for the local school systems.

Prerequisites: Admission into candidacy in the College of Education.

Current issues and trends in teaching middle grades geography.

Prerequisites: Admission to Graduate Studies, Advisor approval.

An examination of contemporary middle school theory, best practice strategies and, curriculum including current trends, issues, and models. Attention will be focused on middle school children, middle school teachers, integrated and interdisciplinary studies, standards-based curriculum, multiple assessments and the laws surrounding middle grades education.

Prerequisites: Admission to the College of Education at the Graduate level.

An investigation of the developmental processes from birth through adulthood with an emphasis on adolescents. Course is cross-listed with SCED 6100.

Prerequisites: Admission to the College of Education at the Graduate level, EDUC 6200

Designed to explore the interaction between adolescent learners and teachers at the secondary level with an emphasis placed on classroom management techniques. Directed field experience required. Course is cross-listed with SCED 6400.

Prerequisites: Admission to the College of Education at the Graduate level, SCED 6100

Investigation of literature and multimedia offerings appropriate for adolescent readers in all of the content areas. Course is cross-listed with SCED 6500.

Prerequisites: Admission to Candidacy in the Department of Adolescent and Adult Education and completion of all other required program coursework and passing scores on the appropriate GACE II exams.

Supervised field-based teaching experiences providing the opportunity to use knowledge and skills in the 4-8 or 7-12 public school setting. Opportunity to engage in professional projects such as: research projects, professional presentations, service learning projects, studies abroad, and other special projects directly relating to and impacting Middle Grades Education at the graduate level. Projects must be approved by the Department.

Prerequisites: PUBH 7100

An in depth survey of the structure, function, and comparative performance of a variety of health care delivery and financing systems in the U.S. and other nations of the world.

Prerequisites: PUBH 7100

An overview of the systems of health care delivery and financing in the United States, including public and private payers and insurers as well as public and private providers of health services.
MHSA 6010 FOUNDATIONS OF CLINICAL INFORMATICS 3-0-3
An introduction to contemporary information systems and applications utilized as part of the patient care delivery process. Topics include the history of clinical informatics as a discipline, concepts of health care data, knowledge, and information, legal and regulatory environmental issues, and the evolution and use of clinical information systems such as electronic medical records, electronic health records, CPOE (computerized physician/provider order entry), and various E-health applications.

MHSA 6020 INFORMATION/KNOWLEDGE MANAGEMENT 3-0-3
Prerequisite(s): MHSA/NURS 6010
An introduction to the principles of knowledge management and its application to healthcare informatics. The course will address standard knowledge management lifecycle, including acquisition, organization, processing, sharing and operationalization within a healthcare enterprise. Approaches to clinical decision support, diffusion of innovation, data warehouse, and data mining will be explored.

MHSA 6030 PROJECT MANAGEMENT 3-0-3
Prerequisite(s): MHSA/NURS 6010
A survey of methods and techniques used to effectively initiate, plan, control and report on the development and implementation of health information systems projects. The emphasis is on the use of a structured approach to project management to ensure a well-planned project where scope is managed, risks are assessed, and stakeholders’ expectations are met vis-à-vis the end product. This course is aligned with the processes described in the Project Management Institute’s PMBOK® (Project Management Book of Knowledge) Guide.

MHSA 6040 SYSTEM LIFE CYCLE APPLICATIONS 3-0-3
Prerequisite(s): MHSA/NURS 6010
An overall coverage of a healthcare information system’s life cycle and detailed study of concepts, methodologies, and tools currently used in analysis, design, and implementation of such a system. Practical understanding of system development is enforced through team projects in reference to a fictitious healthcare environment.

MHSA 6100 ORGANIZATION THEORY/ORGANIZATIONAL BEHAVIOR IN HEALTH CARE 3-0-3
Introduction to the fields of organization theory and organizational behavior and their application to the management of health services organizations. Topics covered included organizational governance, design, and structure, organizational ethics, the role of management as a professional within the health services organization, management interfaces with other health professionals, intra-organizational coordination and communication, the effective use of groups and teams, negotiation and conflict management, organizational power and politics, and initiation and management of organizational change.

MHSA 6200 QUANTITATIVE ANALYSIS METHODS FOR HEALTH CARE MANAGEMENT I 3-0-3
An introduction to quantitative analysis methods utilized for problem solving and decision making at the population/macro level. Topics include principles of epidemiologic analysis and statistical applications as they are applied to population health issues.

MHSA 6300 HEALTH CARE FINANCIAL MANAGEMENT I 3-0-3
An introduction to financial and managerial accounting, health care finance and the current financial environment in which health care organizations function. The course considers and evaluates basic financial, accounting and reimbursement tools and how they are applied in the management decision-making process.

MHSA 6400 HEALTH CARE ECONOMICS 3-0-3
An overview of the economics of health care at both the micro and macro levels utilizing a variety of conceptual and empirical models. Particular attention is given to the supply and demand of healthcare resources and the impact of those resources on a population in a market-driven, but government-regulated system. Healthcare production is studied with respect to distributional issues both in perfectly competitive and imperfect markets, and from both investor owned and not-for-profit perspectives.

MHSA 6600 MHSA PROFESSIONAL SEMINAR I V-V-1
A competency-based seminar focused on the professional development of the 1st year MHSA student. Topics will vary based on assessments of competency and/or professional development needs but may include the development/refinement of skills related to resume writing, interviewing, professional presentations, professional ethics, and academic / professional portfolio development.

MHSA 6625 HEALTH INFORMATION SYSTEMS MANAGEMENT 3-0-3
A survey of the disciplinary field that deals with the storage, retrieval, sharing, and optimal use of health-related information, data, and knowledge for problem solving and decision making in a variety of organizational settings.
MHSA 6630 SELF DIRECTED STUDENT RESEARCH V-V-(1-3)
Prerequisites: Permission of Department
Student-initiated and directed study relating to their professional interest(s) and/or responsibilities under the direction and approval of a graduate faculty advisor.

MHSA 6650 HUMAN RESOURCES MANAGEMENT IN HEALTH CARE 3-0-3
A study of the organization, training, motivation, and direction of employees with an emphasis on maintaining productivity and morale at a high level. Topics include selection, compensation, financial incentives, work standards, and leadership.

MHSA 6700 QUALITY MANAGEMENT METHODS IN HEALTHCARE 3-0-3
An overview of the theory, principles, and techniques of quality management within contemporary health services organizations. Quality assurance and quality/process improvement approaches to QM are considered. Qualitative and quantitative methods that support organizational QM are also discussed.

MHSA 6800 LEGAL ENVIRONMENT OF HEALTH CARE 3-0-3
Comprehensive survey of the legal basis for healthcare decision making. The course is designed to give the student a working knowledge of tort law, contract law, and regulatory agencies and statutes pertinent to administrative functions in general, as well as health service organizations in particular.

MHSA 6850 MANAGERIAL AND BIOMEDICAL ETHICS 3-0-3
This course is designed to explore the theory of ethics and the principal frameworks for ethical decision-making within the context of health care organizations. Through case studies, discussion, and course readings, students will examine, critically analyze, and consider resolutions to both routine and unique bio-medical and managerial ethical dilemmas. The primary focus will be on applied ethics or “identifying and doing the right thing” in a variety of managerial situations.

MHSA 6880 STRATEGIC MARKETING FOR HEALTHCARE ORGANIZATIONS 3-0-3
A comprehensive study on the application of fundamental marketing principles and practices in various health care settings such as hospitals, physician practices, public health organizations, and managed care organizations. The course will also focus heavily on the development of strategic thinking and the integration of marketing strategies across various functional areas. Content will include the tools, concepts, analytical frameworks, and skills necessary to understand and analyze an organization’s competitive environment, create profitable customer relationships, use and apply marketing information to segment and target specific customers and markets, design marketing programs and make marketing decisions to create competitive advantage. To facilitate learning, the course will include lectures, class discussions, case analyses, and a team-based project in which students develop a comprehensive marketing plan for a health care product or service.

MHSA 7100 LEADERSHIP SEMINAR 3-0-3
Prerequisite: MHSA 6100
Exploration of a variety of leadership theories and principles and examination of historical and contemporary examples of leadership. Focus is on developing a lifelong orientation to enhancing leadership skills and style.

MHSA 7250 QUANTITATIVE ANALYSIS METHODS FOR HEALTH CARE MANAGEMENT II 3-0-3
Prerequisites: MHSA 6200
An introduction to quantitative analysis methods utilized for problem solving and decision making at the organizational/micro level. Topics include economic analysis and decision making, operations analysis/research methods, and time series analysis/forecasting.

MHSA 7325 HEALTH CARE FINANCIAL MANAGEMENT II 3-0-3
Prerequisite: MHSA 6300
An advanced and detailed view of how managers apply financial theory and principles, the course builds on principles learned in Health Care Financial Management I and uses a case method approach to allow students to develop competencies in financial management and analysis. Quantitative decision analysis techniques, costing methods, and financial policy analysis skills will be employed in the case method approach.

MHSA 7400 HEALTH POLITICS AND POLICY 3-0-3
Prerequisite: MHSA 6400
An overview of the policymaking process that results in the formulation of health policy in the public sphere. Topics considered include principles of public policy analysis, policy evaluation methods, and political environmental assessment techniques. Various domains of current health policy interest are also discussed.
MHSA 7600 MHSA PROFESSIONAL SEMINAR II V-V-1
Prerequisite: MHSA 6600
A competency-based seminar focused on the professional development of the 2nd year MHSA student. Topics will vary based on assessments of competency and/or professional development needs but may include the development/refinement of skills related to job and administrative fellowship search, leadership development, and career planning.

MHSA 7620 HEALTHCARE ADMINISTRATION 3-0-3
This course analyzes current and prospective issues in healthcare administration. Concepts related to healthcare delivery in an evolving market include reimbursement, TQM/CQI, case management, integrated and multi-provider systems, and productivity/efficiency issues. Administrative problems common to a variety of healthcare delivery venues are investigated.

MHSA 7750 RISK MANAGEMENT AND INSURANCE IN HEALTH CARE 3-0-3
An overview of the theory and applications of risk management practice within contemporary health services organizations. Topics considered include, but are not limited to: methods of organizational risk assessment, risk prevention, and risk control, most commonly by means of the acquisition of various types of insurance coverage(s). An overview of the structure, function, and types of insurance products is also provided.

MHSA 7880 STRATEGIC MANAGEMENT OF HEALTHCARE ORGANIZATIONS 3-0-3
Prerequisite: MHSA 6880
This course addresses the strategic management and marketing functions within contemporary health services organizations. It focuses on the organizational strategic planning processes, including principles and methods of strategic assessment, strategy formulation, evaluation, implementation, and control, as well as the role and function of marketing strategy as part of the strategic implementation process. As the capstone course for the MHSA degree, it is based on the culmination of knowledge and skills obtained throughout the MHSA curriculum and focuses on integrating all of those elements within a comprehensive, coherent strategic management approach.

MHSA 7900 INTERNSHIP / RESIDENCY IN HEALTH SERVICES ADMINISTRATION V-V-3
Prerequisite: Permission of Program Coordinator
Completion of a structured experiential learning program under the auspices of a site-based and program-approved protocol. Students pursuing this option are required to complete their assigned duties/responsibilities in a satisfactory fashion and prepare a post-experience report for program faculty evaluation. Graded on an S or U basis.

MHSA 7913 HEALTH SERVICES ADMINISTRATION PRACTICUM V-V-3
Prerequisite: Permission of Program Coordinator
This course provides the student an individualized, guided experience in healthcare administration with appropriate agencies and selected preceptors. This experience is designed to assist the student in synthesizing the knowledge gained in the classroom and applying this knowledge across multiple disciplines within the healthcare delivery system. Graded on S or U basis.

MHSA 7950 HEALTH SERVICE ADMINISTRATION CAPSTONE PROJECT V-V-3
Corequisite: MHSA 7880
Comprehensive assessment of skill and knowledge-based program competencies based upon student completion, presentation, and defense of results from assigned or approved project(s), case studies, and/or other applied research assignments. Student must earn a grade of A or B to satisfy the requirements for graduation.

MHSA 8640 MANAGED HEALTH CARE 3-0-3
Investigation of the history and rationale for the development and growth of managed care as a legitimate system for healthcare delivery and financing. Included are data-based initiatives of managed care organizations, risk-based contracting, operational issues that impact MCOs on a daily basis, and other timely issues related to the continuing evolution of healthcare delivery.

MHSA 8645 LONG TERM CARE ADMINISTRATION 3-0-3
Knowledge of issues particular to the care of residents and management of the environment in a long-term care setting. Topics studies elsewhere are synthesized into and made relevant to a long-term care setting. Emerging trends are investigated with particular emphasis on public policy issues and administrative law pertinent to this segment of healthcare delivery.

MHSA 8863 HEALTHCARE STRATEGIC MANAGEMENT AND MARKETING 3-0-3
Corequisite(s): MHSA 8911 or MHSA 8912
Investigation of the strategic management function within contemporary health services organizations. Overview of organizational strategic planning processes, including principles and methods of strategic assessment, strategy formulation, evaluation, implementation, and control. Specific emphasis is given to the role and function of marketing strategy as part of the strategic implementation process. Capstone course requirement for all MHSA students.
MHSA 8921 LONG-TERM CARE PRACTICUM I  V-V-1
This two-semester sequence provides an opportunity to experience daily administrative functions working under the tutelage of a licensed nursing home administrator. An independent project dealing with the management of a long-term care facility is simultaneously completed working with an on-site supervisor as well as a faculty director. Graded on S or U basis.

MHSA 8922 LONG-TERM CARE PRACTICUM II  V-V-1
This two-semester sequence provides an opportunity to experience daily administrative functions working under the tutelage of a licensed nursing home administrator. An independent project dealing with the management of a long-term care facility is simultaneously completed working with an on-site supervisor as well as a faculty director. Graded on S or U basis.

MUSC - Music

MUSC 5300G CURRICULUM & METHODS IN GENERAL MUSIC  3-2-3
Prerequisites: permission of the instructor or Prerequisite: Limited, Provisional, Regular, or Certification acceptance into Graduate Studies. Open only to music majors. Overview of curriculum, methods, classroom management and technology appropriate for P-8 general music programs. Twenty hours of practicum work is required.

MUSC 5330G BAND METHODS  2-1-2
Prerequisite: Limited, Provisional, Regular, or Certification acceptance into Graduate Studies. Organization and development of school concert and marching band ensembles. Includes a laboratory experience.

MUSC 5340G CHORAL METHODS  2-1-2
Prerequisite: Limited, Provisional, Regular, or Certification acceptance into Graduate Studies. Organization and development of choral ensembles in secondary schools. Includes a laboratory experience.

MUSC 5430G TECHNOLOGY IN MUSIC  2-1-2
Examination of the impact of technology on music and music education, with an emphasis on computer music notation. Other topics may include Musical Instrument Digital Interface (MIDI), basic sequencing software, technology applications for live music, and basic audio recording skills.

MUSC 6689 TOPICS IN MUSIC  V-V-(1-3)
A study of topics from selected areas of instrumental music, vocal music, piano music, or music education.

MUSC 6750 GRADUATE INTERNSHIP  0-V-4
Prerequisite: Admission into the Music Education post-bac teacher certification program and candidacy in the Department of Art, Music, and Theatre; completion of all coursework. Supervised field-based capstone experience.

NURS - Nursing

NURS 6010 FOUNDATIONS OF CLINICAL INFORMATICS  3-0-3
An introduction to contemporary information systems and applications utilized as part of the patient care delivery process. Topics include the history of clinical informatics as a discipline, concepts of health care data, knowledge, and information, legal and regulatory environmental issues, and the evolution and use of clinical information systems such as electronic medical records, electronic health records, CPOE (computerized physician/provider order entry), and various E-health applications.

NURS 6020 INFORMATION/KNOWLEDGE MANAGEMENT  3-0-3
Prerequisite(s): MHSA/NURS 6010 An introduction to the principles of knowledge management and its application to healthcare informatics. The course will address standard knowledge management lifecycle, including acquisition, organization, processing, sharing and operationalization within a healthcare enterprise. Approaches to clinical decision support, diffusion of innovation, data warehouse, and data mining will be explored.

NURS 6030 PROJECT MANAGEMENT  3-0-3
Prerequisite(s): MHSA/NURS 6010 A survey of methods and techniques used to effectively initiate, plan, control and report on the development and implementation of health information systems projects. The emphasis is on the use of a structured approach to project management to ensure a well-planned project where scope is managed, risks are assessed, and stakeholders’ expectations are met vis-à-vis the end product. This course is aligned with the processes described in the Project Management Institute’s PMBOK® (Project Management Book of Knowledge) Guide.
NURS 6040 SYSTEM LIFE CYCLE APPLICATIONS 3-0-3
Prerequisite(s): MHSA/NURS 6010
An overall coverage of a healthcare information system’s life cycle and detailed study of concepts, methodologies, and tools currently used in analysis, design, and implementation of such a system. Practical understanding of system development is enforced through team projects in reference to a fictitious healthcare environment.

NURS 6050 PSYCHODYNAMICS OF HEALTH 2-0-2
The course employs a holistic and humanistic family framework, emphasizing evidence based nursing practice in the recognition, assessment, management and/or referral of individuals who are experiencing emotional, psycho-biopharmacokinetic, developmental and psychiatric disorders.

NURS 6460 ADVANCED HEALTH ASSESSMENT 2-4-3
Prerequisites: NURS 6641
Prerequisite or Corequisite: NURS 6667
Advanced health assessment focusing on abnormal conditions through comprehensive assessments of patients across the lifespan. Communication of findings is refined. Practicum includes precepted clinicals.

NURS 6641 ADVANCED PATHOPHYSIOLOGY 3-0-3
Pathophysiologic mechanisms underlying selected health alterations across the lifespan are examined. Current and emerging biomedical research is integrated and lays the foundation for advanced practice nursing.

NURS 6600 EPIDEMIOLOGY FOUNDATIONS FOR NURSING INTERVENTIONS 2-0-V-(2-3)
Prerequisite: undergraduate statistics course
This course examines methods for analyzing a population to determine patterns of health, health promotion, and disease prevention as a foundation for advanced nursing practice.

NURS 6650 THEORY DEVELOPMENT IN NURSING 3-0-3
Definitions, purposes, and elements of theory are reviewed as related to advanced nursing practice. Selected theories and conceptual frameworks from nursing and related disciplines are examined for application in practice.

NURS 6652 RESEARCH DESIGN IN NURSING 3-0-3
The research process in the context of nursing theory and practice is studied. Quantitative and qualitative methods are reviewed. Students critique nursing research and develop a research proposal.

NURS 6654 PROFESSIONAL ROLES: ISSUES AND CONCERNS 3-0-3
Advanced nursing practice roles and issues are explored to build and shape strategies for role changes and implementation.

NURS 6656 HEALTH POLICY CONCERNS IN DELIVERY SYSTEMS 3-0-3
The course includes analysis of the political system, economic environment, and trends in nursing as underlying causes of change in healthcare delivery. Political, economic and professional aspects of policy making are also emphasized and examined.

NURS 6670 TRANSITION TO FAMILY NURSING 2-4-3
Prerequisites: Graduate of an accredited MSN Program
Co-requisite: NURS 7041
NURS 6670 helps prepare the student to become a change agent in health care. The course emphasizes the transition and socialization of a master’s prepared nurse to the role of the family nurse practitioner.

NURS 7041 PRIMARY HEALTH CARE I 2-8-4
Prerequisites: NURS 6640, NURS 6641, NURS 6667
Advanced nursing assessment, diagnosis and management of episodic health deviations occurring in a variety of primary care settings throughout the adult-gerontological lifespan. Health promotion and disease prevention concepts are discussed.

NURS 7042 PRIMARY HEALTH CARE II 2-12-5
Prerequisites: NURS 7041
Advanced nursing assessment, diagnosis and management of chronic or terminal illness in a variety of primary care settings throughout the adult-gerontological lifespan. Health promotion and disease prevention strategies are integrated.
NURS 7043 ADVANCED GERONTOLOGICAL CONCEPTS  
Prerequisites: NURS 7041  
Prerequisite or Co-requisite: NURS 7042  
Focus on advanced practice nursing management of the geriatric population through the discussion and analysis of selected concepts that influence the health status and health promotion needs of young-old, old, and old-old adults. Long-term care implications for older adults and their families are explored.

NURS 7044 PRIMARY HEALTH CARE III  
Prerequisites: NURS 7042  
Advanced assessment, diagnosis and management of emergent health deviations in a variety of primary care settings throughout the adult-gerontological lifespan. Collaboration to ensure quality care and transition to advanced nursing practice is emphasized.

NURS 7051 ADULT-GERONTOLOGICAL HEALTH CNS I  
Prerequisites: NURS 6640, NURS 6641, NURS 6667  
Development of clinical reasoning and scientific inquiry in advanced nursing practice. Clinical experiences focus on comprehensive nursing health assessment and care of adult and geriatric clients and their families.

NURS 7052 ADULT-GERONTOLOGICAL HEALTH CNS II  
Prerequisites: NURS 7051  
Utilization of organizational and management theories and concepts to expand the knowledge of advanced nursing practice. Clinical experiences include the implementation of comprehensive nursing health assessment in the care of adult and geriatric clients and their families.

NURS 7053 ADULT-GERONTOLOGICAL HEALTH CNS III  
Prerequisites: NURS 7051, NURS 7052  
Enactment of the clinical nurse specialist role in a specific client care setting provides the primary learning focus. Students explore processes and dynamics designed to support and promote adaptation in diverse and changing healthcare systems.

NURS 7061 FOUNDATIONS OF NURSING ADMINISTRATION  
Prerequisites: Permission of instructor/department or prerequisite or Corequisite: NURS 6650, NURS 6652, NURS 6656  
Historical and current trends in the behavioral sciences are explored as related to management in nursing. The application of organizational and administration theories in the changing health care system are discussed. Nursing responsibilities with the interprofessional health care team are explored.

NURS 7062 FINANCIAL MANAGEMENT FOR NURSE ADMINISTRATORS  
Prerequisites: Permission of instructor/department or prerequisite or Corequisite: NURS 6650, NURS 6652, NURS 6656, NURS 7061  
Finance and economics concepts in changing health care systems and the implications for nursing administration are explored.

NURS 7064 LEGAL AND ETHICAL NURSING  
Prerequisites: Permission of instructor/department or prerequisite: NURS 6650, NURS 6652, NURS 6656  
Advanced practice nurses are faced with increasing legal, moral and ethical dilemmas in health care settings. The practical application of the principles of law and ethics to nursing administration in healthcare are examined.

NURS 7066 MARKETING IN NURSING ADMINISTRATION  
Prerequisites: NURS 6650, NURS 6652, NURS 6656, AND NURS 7061, NURS 7062, or permission of instructor.  
An overview of the marketing process in health care systems will be discussed. Emphasis is given to the advanced nursing responsibilities in management and marketing.

NURS 7068 HEALTH INFORMATION SYSTEMS  
Health care informatics development and utilization are explored in relation to nursing administration, and healthcare systems. The use of informatics and information processes and outcomes are examined.

NURS 7070 HEALTH PROMOTION & ADVANCED NURSING CARE OF CHILDREN  
Prerequisites: NURS 7041  
Prerequisite or Co-requisite: NURS 7042  
Advanced nursing care of common pediatric health variations including assessment, differential diagnosis, and management of episodic and chronic illnesses while also focusing on health promotion. Students explore the process of collaboration with other health professionals involved in the care of children and their families.
COURSE DESCRIPTIONS

NURS 7071 HEALTH PROMOTION & MANAGEMENT OF THE PARTURIENT & NEWBORN 2-4-3
Prerequisites: NURS 7042
Prerequisite or Co-requisite: NURS 7044
This course explores the influence of physical and psychosocial factors involved with normal/abnormal sexual and reproductive health in pregnancy and the newborn time period. Common medical illnesses complicating pregnancy and their effect on the fetus and newborn are included.

NURS 7095 INDEPENDENT STUDY 0-V-(1-3)
Prerequisites: Permission of instructor/department
Student-directed individual study and learning is facilitated in a specific area.

NURS 7096 SELECTED TOPICS IN NURSING V-0-(1-3)
Prerequisites: Permission of instructor/department
Student/faculty directed study is facilitated in a specific topic area of interest.

NURS 7841 ADULT-GERONTOLOGY ACUTE CARE NURSE PRACTITIONER I 2-12-5
Prerequisite: NURS 7740, NURS 7741, NURS 7767
Content includes advanced nursing practice assessment, diagnosis and management of episodic health deviations occurring across the continuum of acute care settings throughout the adult/geriatric lifespan. Health promotion and disease prevention concepts are integrated.

NURS 7842 ADULT-GERONTOLOGY ACUTE CARE NURSE PRACTITIONER II 4-16-8
Prerequisite: NURS 7841
Focus is on advanced nursing practice assessment, diagnosis and management of exacerbations of chronic or terminal illness across the continuum of acute care settings throughout the adult/geriatric lifespan. Health promotion and disease prevention strategies are discussed.

NURS 7844 ADULT-GERONTOLOGY ACUTE CARE NURSE PRACTITIONER III 2-16-6
Prerequisite: NURS 7842
Course content covers assessment, diagnosis and management of emergent, critical health deviations that require complex monitoring and high intensity advanced practice nursing interventions for adult and geriatric clients. Collaboration to ensure quality care and transition to other care settings is emphasized.

NURS 7865 NURSING ADMINISTRATION PRACTICUM 1-6-3
Prerequisite or Corequisite: NURS 7061, NURS 7062, NURS 7064, NURS 7068
The advanced practice role of the nurse administrator is examined with a nurse administrator as preceptor in various health care settings. The student is able to synthesize and apply theory to practical experiences in nursing administration. Students critically examine the behaviors, activities, and responsibilities of the nurse leaders in administration.

NURS 7897 PROJECT V-V-(1-3)
Prerequisites: Permission of instructor/department
Actual or potential solutions to well-defined nursing and healthcare problems are created and applied through in-depth study and exploration. Graded on an S or U basis.

NURS 7899 THESIS V-V-(1-6)
Prerequisites: Permission of instructor/department
The research process is applied to an identified nursing problem in order to increase nursing knowledge, create new solutions, and impact the delivery of nursing and health care. Graded on an S or U basis.

PADM - Public Administration

These courses are approved electives from Savannah State University and maybe used as part of the program of study for the MPH degree.

PADM 6830 HISTORY, SCOPE, AND PRACTICE OF PUBLIC ADMINISTRATION 3-0-3
An examination of the study and practice of public administration in the United States. It provides a historical account of the evolution and development of the field of public administration as a discipline and a profession.

PADM 6833 MANAGEMENT OF HUMAN RESOURCES 3-0-3
A comprehensive study of the organization, techniques, and theories of personnel management. The emphasis is on human resource and management and its role as a force in addressing the issues of social responsibility and economic equity. Topics include changing composition of the public service work force, affirmative action, comparable worth, position qualification, education and training needs, unions, collective bargaining, and rights of public employees.
PADM 6837 INTERGOVERNMENTAL RELATIONS 3-0-3
An examination of the interaction of federal, state, and local political systems in the development of public policy. Focus is on the reciprocal influences of local, state, and federal bureaucracies, the grant-in-aid system, revenue-sharing, and federal, state and local policy-making. Roles and responsibilities of federal, state, regional, and local systems are examined from the theoretical and practical perspectives. The course is oriented to urban governments and their interactions with other levels of government.

PADM 6838 INTRODUCTION TO PUBLIC POLICY 3-0-3
An introduction to the study of public policy, including theories of public policy and public choice theory. Focus is on understanding the public policy process at national, state, and local levels.

PADM 6858 SEMINAR IN CULTURAL DIVERSITY 3-0-3
This course provides the basic knowledge, skills, attitudes, and change strategies necessary to understand, value, and manage cultural diversity within organizations.

PCLE - Professional Communication and Leadership

PCLE 7800 PROFESSIONAL COMMUNICATIONS AND LEADERSHIP INTERNSHIP V-V-3
Prerequisite: Permission of Program Coordinator
Completion of a structured experiential learning program under the auspices of a site-based and program-approved protocol. Graded on an S or U basis.

PCLE 7700 INDEPENDENT STUDY IN PROFESSIONAL COMMUNICATIONS AND LEADERSHIP V-V-3
Prerequisite: Permission of Program Coordinator
An in-depth, closely supervised, instructor-approved study in student’s area of concentration. Student must have skills in independent research and study.

PCLE 7900 COMPREHENSIVE PROJECT 3-0-3
Prerequisite: Completion of 24 hours of graduate course work
Individually designed project or portfolio involving applied research and/or off-campus study in an appropriate setting. Oral presentation of the project is required. The report must be approved to satisfy the requirement for the 2master’s degree. Graded on an S or U basis. This option is recommended for those seeking to go on to doctoral work.

PECI - Physical Education - Curriculum and Instruction

PECI 7000 GLOBAL SPORT HISTORY 3-0-3
This course studies the development of sport across a number of cultures and explores its impact on societies. This course will assist the physical educator to predict future trends.

PECI 7100 CULTURAL ASPECTS OF SPORTS 3-0-3
This course will examine the role sport and physical activity plan in society with emphasis on its relationship to cultural diversity and issues, both historical and contemporary. Emphasis is placed on issues with affect the teacher, student/athlete, coach, administrator, and sports fan.

PECI 7200 MOVEMENT EDUCATION 3-0-3
A study of fundamental movement concepts and skill themes with an emphasis on promoting desirable self-concepts and realistic self-images in young children.

PECI 7300 PHYSICAL ACTIVITY IN YOUTH 3-0-3
An in-depth examination of the personal, social, and environmental determinants of physical activity patterns that explain the rising obesity rates and related health issues in youth.

PECI 7400 ADAPTIVE PHYSICAL EDUCATION 3-0-3
This course will assist the physical educator in curriculum and program development that will promote participation and learning outcomes for students with disabilities in general physical education classes and sports with necessary accommodations and modifications. Curriculum and program development, legislative considerations, and various instructional strategies will be presented.

PECI 7500 INSTRUCTIONAL STRATEGIES AND DESIGN IN HEALTH AND PHYSICAL EDUCATION 3-0-3
Investigates the specific foundation of teaching methods, content, organization, and evaluation of health and physical education programs in schools. This course will examine interdisciplinary teaching models that can be used as guides for organizing content, collaborating with others, and creating meaningful activities that impact student learning.
PECI 7600 OPERATION AND MANAGEMENT OF PHYSICAL EDUCATION AND SPORTS PROGRAMS
3-0-3
Planning, designing, and managing sports events, facilities, and programs

PHIL - Philosophy

PHIL 7100 PROFESSIONAL AND APPLIED ETHICS 3-0-3
Training in professional ethics in the work place. Emphasis on specific ethical issues and dilemmas that arise in particular professional contexts; ethical theory, including central notions such as social justice, merit, individual liberty, freedom of communication, privacy, informed consent, confidentiality, utility, the work ethic and collective responsibility and logical reasoning, including logical fallacies.

PHSC - Physical Science

PHSC 7640 PHYSICAL SCIENCE FOR MIDDLE/ HIGH SCHOOL TEACHERS V-V-[1-4]
Topics in physical science with emphasis on applications to the middle/high school science classroom. Hands-on activities will include demonstrations, laboratory experiments, and computer technology.

PHSC 7641 PHYSICAL SCIENCE II FOR MIDDLE GRADE TEACHERS V-V-[1-4]
The primary goal of this course is to enhance the content knowledge, laboratory and computer skills of middle school teachers in the area of physical science. Course content will be based on the topics listed in the middle school physical science curriculum guide.

PHSC 7642 SCIENCE PROCESS SKILLS FOR TEACHERS V-V-(1-4)
Content is designed to assist participants in the successful design of K-12 research and science projects.

PHSC 7950 SCIENCE FOR ELEMENTARY TEACHERS V-V-(1-4)
Prerequisite: Permission of instructor/department
Acquaints the student with problems encountered in teaching elementary physical science. Emphasis on the discovery process and other teaching strategies.

PHTH - Physical Therapy

PHTH 7101 FUNCTIONAL AND STRUCTURAL ASPECTS OF MOVEMENT 1 4-4-5
Prerequisite: Admission to the DPT Program
Gross anatomy and physiology of the cardiovascular and pulmonary systems and an introduction to musculoskeletal anatomy.

PHTH 7111 INTRODUCTION TO PATHOPHYSIOLOGY 1 2-0-2
Prerequisite: Admission to the DPT Program
Basic histopathology, pathophysiology pharmacology, imaging and selected medical and surgical interventions of the cardiovascular and pulmonary systems.

PHTH 7131 FOUNDATIONS OF PHYSICAL THERAPY EXAMINATION, EVALUATION AND INTERVENTION 1 5-4-6
Prerequisite: Admission to DPT Program
Fundamental patient care skills including basic examination, evaluation, diagnosis, prognosis, intervention, outcomes and documentation for patients with cardiovascular and pulmonary dysfunction and an introduction to therapeutic modalities.

PHTH 7161 PHYSICAL THERAPY PRACTICE ISSUES 1 1-0-1
Prerequisite: Admission to DPT Program
Discussions of professional socialization, cultural issues in health care, legal and ethical aspects of health care, psychosocial aspects of illness, quantitative terminology in clinical practice and clinical documentation.

PHTH 7181 CLINICAL PRACTICUM 1 0-4-1
Prerequisites: Admission to DPT Program
Preparation for and exposure to healthcare settings related to acute care through didactic, laboratory and half-day, on-site observational experiences.

PHTH 7202 FUNCTIONAL AND STRUCTURAL ASPECTS OF MOVEMENT 2 4-4-6
Prerequisite: PHTH 7101
Gross anatomy, physiology kinesiology, and imaging of the musculoskeletal system.
PHTH 7212 INTRODUCTION TO PATHOPHYSIOLOGY 2 2-0-2
Prerequisite: PHTH 7111
Histopathology, pathophysiology, pharmacology, imaging and selected surgical interventions of the musculoskeletal system.

PHTH 7232 FOUNDATIONS OF PHYSICAL THERAPY EXAMINATION, EVALUATION, AND INTERVENTION 2 6-8-8
Prerequisite: PHTH 7131
Fundamental patient care skills including basic examination, evaluation, diagnosis, prognosis, intervention, outcomes and documentation for patients with musculoskeletal dysfunction.

PHTH 7262 PHYSICAL THERAPY PRACTICE ISSUES 2 1-0-1
Prerequisite: PHTH 7161
Discussions of methods and approaches to physical therapy research, ethics, jurisprudence and related professional topics.

PHTH 7282 CLINICAL PRACTICUM 2 0-4-1
Prerequisite: PHTH 7181
Exposure to health care settings through half-day, on-site observational experiences.

PHTH 7303 FUNCTIONAL AND STRUCTURAL MOVEMENT 3 3-3-4
Prerequisite: PHTH 7202
The kinesiology of gait and the anatomy, physiology, and imaging of the nervous system.

PHTH 7313 INTRODUCTION TO PATHOPHYSIOLOGY 3 2-0-2
Prerequisite: PHTH 7212
The pathophysiology of the neuromuscular and integumentary systems.

PHTH 7333 FOUNDATIONS OF EXAMINATION, EVALUATION AND INTERVENTION 3 6-8-8
Prerequisite: PHTH 7232
Fundamental patient care skills including basic examination, evaluation, diagnosis, prognosis, intervention, outcomes and documentation of gait deviations and for patients with neuromuscular and integumentary dysfunction.

PHTH 7363 PT PRACTICE ISSUES 3 1-0-1
Prerequisite: PHTH 7262
Discussions of legislative issues in health care, clinical outcomes research, and evidence based practice.

PHTH 7383 CLINICAL PRACTICUM 3 0-4-1
Prerequisite: PHTH 7282
A one-week full time clinical exposure to patient care in a physical therapy setting, which may include specialty clinics, long-term care facilities, hospitals, and school systems.

PHTH 7390 PHYSICAL THERAPY CASE MANAGEMENT 2-2-3
Prerequisite: PHTH 7232
Simulated clinical experiences with the management of specific cases from referral to discharge.

PHTH 8400 CRITICAL INQUIRY IN PHYSICAL THERAPY 2-0-2
Prerequisite: PHTH 7363
Design of research proposals in preparation for Physical Therapy Project 1, 2, 3 and 4.

PHTH 8481 SUPERVISED CLINICAL EDUCATION 1 0-32-8
Prerequisite: PHTH 7333
Eight weeks of full time clinical affiliation in general care settings providing an opportunity for students to practice in the clinical setting the skills learned in all preceding courses.

PHTH 8491 CLINICAL EDUCATION SYNTHESIS 1 2-0-2
Prerequisite: PHTH 7333
Small group discussions integrating didactic and clinical learning experiences using case studies based on clinical experiences in Supervised Clinical Education 1.

PHTH 8501 CLINICAL MEDICINE 1 3-0-3
Prerequisite: PHTH 8481
Study of the pathophysiology, medical differential diagnosis and pharmacological and surgical treatment of medical diseases and disorders.
PHTH 8531 ADVANCED EXAMINATION, EVALUATION AND INTERVENTION 1  
Prerequisite: PHTH 8481  
Advanced patient care skills including examination, evaluation, diagnosis, prognosis, intervention, outcomes and documentation from a lifespan perspective including orthotics, spinal cord injury and advanced care of patients with stroke and other neurological conditions.

PHTH 8561 IMPLEMENTATION OF LIFESPAN CONCEPTS IN PHYSICAL THERAPY 1  
Prerequisite: PHTH 8481  
Discussion of clinical implications and healthcare issues from a lifespan approach.

PHTH 8602 CLINICAL MEDICINE 2  
Prerequisite: PHTH 8501  
Study of the pathophysiology, medical differential diagnosis and pharmacological and surgical treatment of medical diseases and disorders.

PHTH 8632 ADVANCED EXAMINATION, EVALUATION AND INTERVENTION 2  
Prerequisite: PHTH 8531  
Advanced patient care skills including examination, evaluation, diagnosis, prognosis, intervention, outcomes and documentation in selected physical therapy patient care areas including an introduction to sports medicine.

PHTH 8662 IMPLEMENTATION OF LIFESPAN CONCEPTS IN PHYSICAL THERAPY 2  
Prerequisite: PHTH 8561  
Continued discussion of clinical perspectives and healthcare issues from a lifespan perspective.

PHTH 9703 CLINICAL MEDICINE 3  
Prerequisite: PHTH 8602  
Continued study of the pathophysiology, medical differential diagnosis and pharmacological and surgical treatment of medical diseases and disorders.

PHTH 9733 ADVANCED EXAMINATION, EVALUATION AND INTERVENTION 3  
Prerequisite: PHTH 8632  
Advanced patient care skills including examination, evaluation, diagnosis, prognosis, intervention, outcomes and documentation for the pediatric client.

PHTH 9763 IMPLEMENTATION OF LIFESPAN CONCEPTS IN PHYSICAL THERAPY 3  
Prerequisite: PHTH 8662  
Continued discussion of clinical perspectives and healthcare issues from a lifespan perspective.

PHTH 9804 CLINICAL MEDICINE 4  
Prerequisite: PHTH 9703  
Integration of the medical concepts in the examination and treatment of medically complex patients.

PHTH 9834 ADVANCED EXAMINATION, EVALUATION AND INTERVENTION 4  
Prerequisite: PHTH 9733  
Integration of patient care skills including examination, evaluation, diagnosis, prognosis, intervention, outcomes and documentation for the management of medically complex patients.

PHTH 9882 SUPERVISED CLINICAL EDUCATION 2  
Prerequisite: PHTH 9733  
Eleven-week full-time clinical field experience in general, acute care, rehabilitation, or other specialty settings. Demonstration of the ability to integrate information from all didactic and clinical components of the curriculum in patients with all physical therapy diagnoses, including multiple diagnoses.

PHTH 9900 LEADERSHIP AND MANAGEMENT IN PHYSICAL THERAPY  
Prerequisite: PHTH 9882  
Introduction to the practical application of management strategies specific to physical therapy settings, including finance, personnel management, quality assurance, and accreditation/licensure processes with an emphasis on hospital, private practice, rehabilitation and home care settings.

PHTH 9901 PHYSICAL THERAPY PROJECT 1  
Prerequisite: PHTH 8400  
Conducting a research project as part of the project advisor’s ongoing research activities.
PHTH 9902 PHYSICAL THERAPY PROJECT 2  V-V-1
Prerequisite: PHTH 9901
Continuation of a research project as part of the project advisor’s ongoing research activities.

PHTH 9903 PHYSICAL THERAPY PROJECT 3  V-V-1
Prerequisite: PHTH 9902
Continuation of a research project as part of the project advisor’s ongoing research activities.

PHTH 9904 PHYSICAL THERAPY PROJECT 4  V-V-1
Prerequisite: PHTH 9903
Completion of a research project as part of the project advisor’s ongoing research activities.

PHTH 9983 SUPERVISED CLINICAL EDUCATION 3  0-40-10
Prerequisite: PHTH 9882
Eleven-week full-time clinical field experience with demonstration of the ability to independently evaluate and treat complex patients as would be appropriate for a new graduate working at the facility.

PHTH 9992 CLINICAL EDUCATION SYNTHESIS 2  3-0-3
Prerequisite: PHTH 9882
Research, writing, presentation and discussion of case studies based on clinical experiences in Supervised Clinical Education 2 and 3.

POLS - Political Science

POLS 5130G POLITICAL TERRORISM  3-0-3
International and domestic terrorism undertaken for political purposes in liberal states. Primary focus on state-sponsored international terrorism, American domestic revolutionary terrorism, and the dilemmas of counter-terrorism in a democracy.

POLS 5140G ASIAN REGIONAL SECURITY 3-0-3
Applies international relations theory and conceptual frameworks to a broad discussion of regional policy with a focus on the changing role of China.

POLS 5210G INTERNATIONAL LAW  3-0-3
Prerequisite: Permission of the instructor
International agreements, cases, and customs on the legal relationships between nations. Emphasis on recognition, state succession, jurisdiction, extradition, nationality, treaties, diplomacy, and war.

POLS 5220G THEORY OF INTERNATIONAL RELATIONS  3-0-3
Prerequisite: Permission of the instructor
Relations among nations with emphasis on political realism vs. idealism in international politics causes of war, and conflict resolution methods. Covers some of the pertinent global issues of the post-Cold War Era; e.g. nuclear proliferation, multinational corporations, environmental and public health, and human rights protection issues.

POLS 5250G INTERNATIONAL ORGANIZATIONS  3-0-3
Prerequisite: Permission of the instructor
Survey of formal international organizations, treaty organizations, regional organizations, trade and development organizations, and international non-governmental organizations with emphasis upon the role of these institutions in the maintenance of peace, trade, and security.

POLS 5270G INTELLIGENCE AND NATIONAL SECURITY POLICY  3-0-3
Prerequisite: HIST/POLS 1100 or POLS 2100
An examination of the roles played by the President, the National Security Council, the Cabinet Departments of State, Defense, and Homeland Security, and the intelligence community in the national security/defense policy-making process.

POLS 5280G SEMINAR IN GLOBAL POLITICS 3-0-3
Prerequisite: Permission of the instructor
Political structures and leadership strategies in a postmodern world. Topics will include issues covering the European Union, political transitions in the Middle East and Africa, Latin America, and Southeast Asia.

POLS 5290G AMERICAN FOREIGN POLICY  3-0-3
Prerequisite: Permission of the instructor
Analysis of United States foreign policy and factors, both domestic and global, contributing to its formulation.
COURSE DESCRIPTIONS

POLS 5291G CONSTITUTIONAL LAW OF FOREIGN POLICY  3-0-3
Prerequisite: Permission of the instructor
An exploration of the narrow intersection of American constitutional law and foreign policy, powers of the executive and legislative in foreign policy, and issues such as the war, treaty, and spending powers.

POLS 5300G MARXISM, SOCIALISM, AND DEMOCRACY  3-0-3
Readings in Marxist and other socialist texts as well as critiques of socialism. Examination of communist regimes, revolutions, and social democratic governments. Evaluation of significance for contemporary democratic theory and practice.

POLS 5410G ASIA AND THE UNITED STATES  3-0-3
How the U.S. and Asian countries grapple with key issues facing the world today such as trade, security, and environment.

POLS 5420G POLITICS OF THE MIDDLE EAST  3-0-3
Prerequisite: Permission of the instructor
A descriptive look at and comparison of the governments of the 24 nation-states that comprise the area generally referred to as the Middle East.

POLS 5430G GOVERNMENTS OF AFRICA  3-0-3
Prerequisite: Permission of the instructor
Political institutions and governments of Africa and the African Union, ethnic conflict and state disintegration, democratization and post-colonial political economy, post-Apartheid South Africa, public health and environmental issues of the continent.

POLS 5440G LATIN AMERICAN POLITICS  3-0-3
Prerequisite: Permission of the instructor
Examination of cultural traditions, economic institutions and problems, efforts to strengthen and deepen the recent transitions to democracy, and civil-military relations in post-authorization Latin America.

POLS 5450G POLITICAL SOCIOLOGY OF NATIONALISM  3-0-3
Prerequisite: Permission of the instructor
Various theories of nationalism and their social, historical, economic, and cultural contexts. Cultural, ethnic, and national identity and conflict are the focus. Ethnic, religious, civic, economic, and anti-colonial nationalism are examined in a global perspective.

POLS 5460G POLITICS OF EAST ASIA  3-0-3
Primer on the history, nationalism, political institutions, maritime disputes and economic development of Southeast and East Asia. Offers a comprehensive and integrated introduction to the present problems and issues of the region.

POLS 5490G POLITICAL TRANSFORMATION OF THE FORMER SOVIET UNION  3-0-3
Prerequisite: Permission of the instructor
Political change in the former Soviet Union with emphasis on the new direction of the political, economic and social transformation of the regime. Comparison of tsarist autocracy, Soviet Totalitarianism, and the contemporary Russian political system.

POLS 5500G LAW & LEGAL PROCESS  3-0-3
Law as a dynamic societal institution. Sources and functions of both civil and criminal law and operation of the legal process viewed from the perspective of jurisprudence, political science, and sociology.

POLS 5510G THIRD WORLD NATIONAL SECURITY  3-0-3
Prerequisite: Permission of the instructor
Examination of the role, behavior and perspective of Third World nations in the international system, including ethnic conflicts, war, and their search for stability within a chaotic world.

POLS 5520G COMPARATIVE JUDICIAL SYSTEMS  3-0-3
Law enforcement and judicial procedure in political systems such as Great Britain, France, Russia, and Japan.

POLS 5530G GLOBAL ENVIRONMENTAL POLITICS  3-0-3
Introduction to the politics of environmental issues from local, national, and international perspectives including public perception, competing ideologies, the nature of the political process, the courts, the media, and political institutions.

POLS 5533G TWENTIETH CENTURY IDEOLOGIES  3-0-3
Ideological currents of our times. Selected in-depth readings from original sources.

POLS 5550G INSURGENCY AND COUNTERINSURGENCY  3-0-3
An examination of the forms of organized movement aimed at the overthrow of a government through the use of violence and the measurements taken by a government to defeat insurgency.
**POLS 5560G COMPARATIVE FOREIGN POLICY** 3-0-3
Prerequisite: Permission of the instructor
Examination of various theories of state type and foreign policy behavior and evaluation of such theories in foreign policy analysis.

**POLS 5570G POLITICS & SECURITY IN SOUTHWEST ASIA** 3-0-3
An in-depth understanding of the political and security challenges confronting Southwest Asia (Pakistan, Afghanistan, India) and how those challenges affect global security.

**POLS 5580G VIOLENT NON-STATE ACTORS (VNSAS)** 3-0-3
An examination of the different types of VNSAs and how they challenge the nation-state.

**POLS 5700G PERSPECTIVES IN FEMINIST THEORY** 3-0-3
An in-depth look at Feminist Theory. This course may be taught from the perspective of a particular discipline. Cross-listed with GNST 5700G

**POLS 7210 TOPICS IN MODERN EAST ASIA** 3-0-3
Selected topics in nineteenth and twentieth century international, political, economic, social, intellectual, or contemporary developments in East Asia. Topics and instructors vary. May be repeated as topic varies.

**PSYC - Psychology**

**PSYC 5010G, -20G SPECIAL TOPICS IN PSYCHOLOGY** 3-0-3
Prerequisite: PSYC 1101
Upper-level courses not otherwise offered in the psychology curriculum. Various substantive topics, theoretical issues and problems. Possibilities to repeat with different topics. No more than two such courses counted in the minor. Special topics courses may satisfy sections II-V of the major course requirements at the discretion of the department head.

**PSYC 5060G BASIC BEHAVIOR PRINCIPLES AND BEHAVIOR CHANGE** 3-0-3
Prerequisite: Acceptance to Graduate Studies or baccalaureate degree in psychology.
Basic principles of behavior analysis, the definition and characteristics of applied behavior analysis, and behavior change procedures, including positive and negative reinforcement, schedules of reinforcement, punishment, imitation, shaping and chaining, extinction, differential reinforcement, and antecedent interventions. Essential material for this course is covered in PSYC 3400 (Introduction to Learning) or PSYC 4090 (Learning and Behavior) and 4091 (Learning and Behavior Laboratory).

**PSYC 5061G ADVANCED BEHAVIORAL ASSESSMENT** 3-0-3
Prerequisite: PSYC 5060U or 5060G; and acceptance to the Graduate School or baccalaureate degree in psychology.

**PSYC 5062G ADVANCED BEHAVIOR CHANGE TECHNIQUES** 3-0-3
Prerequisite: PSYC 5061U or PSYC 5061G; and acceptance to the Graduate School or baccalaureate degree in psychology.
Seminar course in which students design, implement, and evaluate behavior change programs to practice selection of intervention outcomes and strategies, behavioral measurement and assessment, use behavior change procedures and systems support. Includes a comprehensive survey of recent literature on applied behavior analysis in clinical, educational, vocational, and social settings and examination of ethical issues surrounding behavior change programs.

**PSYC 5100G WOMEN AND MENTAL HEALTH** 3-0-3
Prerequisite: Graduate Standing
A review of current research and theory related to women’s mental health, including psychological phenomena and disorders prevalent at higher rates among women and a discussion of biopsychosocial factors influencing gender differences in mental health and illness.

**PSYC 5150G CONFLICT RESOLUTION** 3-0-3
Social processes of conflict between parties (individuals or groups) and techniques for collaborative resolutions, with special emphasis on mediation processes.

**PSYC 5300G LEADERSHIP AND GROUP DYNAMICS** 3-0-3
Exploration of the social psychological approach to leadership development and the role of the leader in influencing group dynamics. Emphasis on the application of research findings in social psychology to the development of leadership skills.
PSYC 6100 DIRECTED SCHOLARLY ACTIVITIES IN PSYCHOLOGY  V-V- (1-6)
Prerequisite: Enrolled in a graduate program at Armstrong State University and permission of the student’s academic advisor, the supervising instructor, and the head of the psychology department
Scholarly project supervised by a psychology department faculty member qualified in the student’s area of interest. Credit will vary depending on the work to be completed. Course may be repeated up to a total of six (6) credit hours.

PUBH - Public Health

PUBH 5550G NUTRITION  3-0-3
Basic concepts of nutrition as major components to the enhancement of health.

PUBH 5560G INTRODUCTION TO INTERNATIONAL HEALTH  3-0-3
Introduction of the application of public health and its relationship to other health disciplines in the field of international health.

PUBH 5565G STRATEGIES FOR THE PREVENTION OF CHEMICAL DEPENDENCY  3-0-3
Educational strategies and techniques related to prevention of chemical dependence.

PUBH 5570G WOMEN AND MINORITY HEALTH ISSUES  3-0-3
The exploration of public health issues concerning women and minorities.

PUBH 5575G HUMAN SEXUALITY  3-0-3
Fundamentals of the history of sexual beliefs, values and behavior, and health issues in the U.S.

PUBH 5585G EPIDEMIC DISEASE: SOCIAL, HISTORICAL AND ETHICAL PERSPECTIVES  3-0-3
Examines the effect of epidemic disease on human societies from the ancient period to the present and future scenarios.

PUBH 5600G HEALTHY WEIGHT MGMT & BODY COMP  3-0-3
A survey of research and applications for methods of improving body composition with a focus on optimal health and physical performance. Students will investigate effective strategies for long-term changes in body fatness and lean body mass.

PUBH 5800G EPIDEMIOLOGY OF CANCER  3-0-3
This course will examine the epidemiology of cancer in contemporary populations.

PUBH 6000 BIOSTATISTICS  3-0-3
Entry, analysis, and application of public health statistics. Descriptive and inferential analysis through multivariate linear models are addressed.

PUBH 6050 HEALTH COMMUNICATION  3-0-3
This course provides a broad introduction to communication theory, media and health literacy, and cultural competence.

PUBH 6100 EPIDEMIOLOGY  3-0-3
The study of distribution and determinants of health and disease in defined populations. Emphasis on the skills necessary to research, produce, utilize, and critique epidemiological literature

PUBH 6125 ENVIRONMENTAL HEALTH ISSUES  3-0-3
The study of the interface of environmental health issues, epidemiology, and risk assessment. This course will emphasize the nexus of population-based practice, environmental health, and the epidemiology of diseases.

PUBH 6150 THEORY IN HEALTH EDUCATION  3-0-3
Individual and environmental variables causing opposing viewpoints regarding health education needs and concerns. Practical application of various theories is stressed.

PUBH 6175 RESEARCH METHODS  3-0-3
Acquisition of skills necessary to develop research proposals

PUBH 6200 METHODS OF HEALTH PROMOTION  3-0-3
This course surveys current methods for designing educational strategies in health promotion programs. Students will learn to develop culturally sensitive and ability-appropriate materials that recognize the ecological context of health behavior change.

PUBH 6225 HEALTH PROMOTION IN THE WORKSITE  3-0-3
Risk assessment, programs planning, implementation and evaluation of factors which impact health status in various worksites such as schools, corporations, and hospitals. Data extrapolation and model selection emphasize via case structure

PUBH 7210 PRINCIPLES OF POPULATION STUDIES  3-0-3
Introduces the student to current concepts in population studies and biodemography. Particular emphasis will be place on the interaction of population growth, environmental issues, and disease epidemiology.
PUBH 7220 ZÖONOTIC AND VECTOR BORNE DISEASE EPIDEMIOLOGY 3-0-3
Prerequisite: PUBH 6100
Introduces the student to specific topics in zoonotic and vector-born disease epidemiology.

PUBH 7240 NUTRITION & PUBLIC HEALTH 3-0-3
Prerequisite: PUBH 5550G
The relationship of human nutrition to public health

PUBH 7250 HEALTH/ILLNESS CONTINUUM 3-0-3
Survey of fundamental pathophysiologic processes as they impact population-based health and disease.

PUBH 7260 ADVANCED EPIDEMIOLOGY 3-0-3
Prerequisite: PUBH 6100
A wide array of advanced epidemiological techniques for the study of risk factors and disease relationships.

PUBH 7270 CRITICAL READINGS IN WOMEN'S HEALTH 3-0-3
Advanced seminar that provides for in-depth examination of critical issues in women’s health. Topic areas may include: intersection of race, class, gender, gender and health inequalities; woman’s health in a global context; and violence, gender and the media.

PUBH 7280 SELF-DIRECTED STUDENT RESEARCH V-V-(1-3)
Prerequisite: Permission of instructor/department
Students conduct studies relating to their professional interest and responsibilities under the direction of a graduate faculty advisor.

PUBH 7300 SPIRITUALITY AND HEALTH ISSUES 3-0-3
Dimensions of spirituality and their effects on indices of health and illness.

PUBH 7350 SELECTED TOPICS IN COMPLEMENTARY AND ALTERNATIVE HEALTH PRACTICES 3-0-3
This course will present an overview of selected practices from each of the five major domains of complementary and alternative wellness and health care: alternative medical systems, mind-body interventions, biologically based therapies, manipulative and body-based methods, and energy therapies.

PUBH 7500 PUBLIC HEALTH PLANNING AND EVALUATION 3-0-3
Prerequisites: MHSA 6000, PUBH 6100, PUBH 6150, PUBH 6175
Fundamentals needed to plan and evaluate public health programs including needs assessment, behavioral and educational diagnosis, administration diagnosis, objective writing and process, impact and outcome evaluation methods. This is the capstone course for all MPH students.

PUBH 7600 SPECIAL TOPICS IN PUBLIC HEALTH V-V-(1-3)
Prerequisite: Permission of Instructor
A study of selected issues in health.

PUBH 7675 PUBLIC HEALTH PRACTICUM V-V-(1-3)
Prerequisite: Permission of Instructor
The application of skills, concepts, and theories in a chosen public health setting.

PUBH 7700 THESIS V-V-(1-3)
Prerequisite: Permission of Program Coordinator
The student will identify and develop a research study in an area of interest in health. Graded on an S or U basis.

RADS - Radiologic Sciences

RADS 6000 FOUNDATIONS OF RADIOLOGIC SCIENCES 3-0-3
Prerequisite: Formal admission to the certificate program
This course is an overview of Radiologic Science modalities. It will emphasize the inter-professional relationships among the disciplines of Radiologic Sciences.

RADS 6005 EMERGING TRENDS IN RADIOLOGIC SCIENCES 3-0-3
Prerequisite: Formal admission to the certificate program
Examines emerging trends in Radiologic Sciences. Topics include current issues related to technological advances, radiation protection and professional practice issues.
RADS 6010 PRINCIPLES OF ACCREDITATION CONCEPTS 3-0-3
Prerequisite: Formal admission to the certificate program
An overview of accreditation with emphasis on issues relevant to medical and educational institutions. Topics include institutional and programmatic accreditation pertinent to Radiologic Sciences.

RADS 6020 FUNDAMENTAL ADMINISTRATION TOPICS IN RADIOLOGIC SCIENCES 3-0-3
Prerequisite: Formal admission to the certificate program
This course will delve into the administrative requirements for Radiologic and imaging administrators. Content includes management theories, legislative requirements pertaining to the healthcare environment and leadership concepts.

RADS 6030 PICTURE ARCHIVING AND COMMUNICATION SYSTEMS 3-0-3
Prerequisite: Formal admission to the certificate program
Topics for this course include a study of the process involved in capturing, archiving, processing and displaying of medical images and related information.

RADS 6040 GLOBAL HEALTH ISSUES 3-0-3
Prerequisite: Formal admission to the certificate program
An introduction to global health. Includes the evaluation of case studies illustrating how global health issues are best understood from multiple perspectives. Topics may include global health ethics, global health policies, gender and health and health and human rights.

RDEN - Reading

RDEN 7070 UNDERSTANDING READERS AND THE READING PROCESS 3-0-3
Major theories underlying reading and the teaching of reading, current topics and issues in the literacy field, variety of teaching strategies, and an introduction to past and present literacy scholars and their contributions to the teaching of reading. The first of three courses that will lead to the Reading Endorsement certificate.

RDEN 7071 LINKING LITERACY ASSESSMENT TO INSTRUCTION 3-0-3
Prerequisite: RDEN 7070
Emphases include understanding and applying a variety of assessment techniques and making informed decisions based on the assessment data. The second of three courses that will lead to a Reading Endorsement certificate.

RDEN 7072 INSTRUCTIONAL STRATEGIES IN THE CONTENT AREAS 3-0-3
Prerequisite: RDEN 7070
Reading strategies applicable to a P-12 content area. The third of three courses that will lead to a Reading Endorsement certificate.

RDEN 7170 ISSUES IN VOCABULARY, STRUCTURAL ANALYSIS, AND WORD STUDY 3-0-3
Prerequisites: RDEN 7071, RDEN 7072
A focus on advanced reading methods to teach and assess the fluent decoding of words, vocabulary development, word study, spelling, and, subsequently, the construction of words and meaning for students K-12.

RDEN 7172 COMPREHENSION, COGNITION, AND CONTENT AREA READING 3-0-3
Prerequisites: RDEN 7071, RDEN 7072
Advanced reading instruction that explores reading as a process of constructing meaning for K-12 classrooms, includes study of approaches, materials and procedures for integrating reading and writing into content area classrooms to improve learning.

RDEN 7185 TEACHING WRITERS AND WRITING 3-V-3
Teaches the process of written expression and demonstrates the integration of reading and writing. Field experience required.

RDEN 7188 COACHING LITERACY SUCCESS 3-V-3
Prerequisites: RDEN 7172, RDEN 7185
Course prepares the individual to work collaboratively with other professionals in a school or agency setting to coach literacy improvement for children, adolescents, or adult clients. Field experience required.

RDEN 7210 INSTRUCTION FOR STRUGGLING READERS 3-0-3
Prerequisites: RDEN 7071, RDEN 7072
An analysis of research relevant to the identification, placement, and instructional strategies effective with students with reading difficulties, learning disabilities, and diverse populations in the area of literacy. Differentiated instructional approaches to meet students’ reading and writing needs are reviewed.
RDEN 7774 K-4 READING INTERNSHIP 0-V-2
Prerequisite: Successful completion of 30 hours of course work in the program of study.
Candidate will be assigned a student from K-5 setting to demonstrate teaching skills in reading.

RDEN 7775 MIDDLE GRADES READING INTERNSHIP 0-V-2
Prerequisite: Successful completion of 30 hours of course work in the program of study.
Candidate will be assigned a student from middle grades to demonstrate teaching skills in reading.

RDEN 7776 ADULT READING INTERNSHIP 0-V-2
Prerequisite: Successful completion of 30 hours of course work in the program of study.
Candidate will teach reading skills to an adult learner.

RDEN 7880 CAPSTONE PROJECT 1-V-4
Prerequisite: Successful completion of 30 semester hours of course work in the program of study.
Requires a field based research project, case study, or curriculum project that is to be presented or published in a public forum.

SCED - Secondary Education

SCED 5300G CONTENT METHODS IN SECONDARY ENGLISH AND LANGUAGE ARTS 3-V-3
Prerequisites: Admission to the Master of Arts in Teaching Secondary program, EDUC 6200
Methods, content, and materials focusing on literature and the communicative arts for grades 6-12 student learning. Directed field experience required.

SCED 5400G CONTENT METHODS IN SECONDARY HISTORY AND SOCIAL STUDIES 3-V-3
Prerequisites: Admission to the Master of Arts in Teaching Secondary program, EDUC 6200
Methods, content, and materials focusing on the teaching of the social studies for grades 6-12 student learning. Directed field experience required.

SCED 5500G CONTENT METHODS IN SECONDARY SCIENCE 3-V-3
Prerequisites: Admission to the Master of Arts in Teaching Secondary program, EDUC 6200
Methods, content, and materials focusing on the teaching of science for grades 6-12 student learning. Directed field experience required.

SCED 5600G CONTENT METHODS IN SECONDARY MATHEMATICS 3-V-3
Prerequisites: Admission to the Master of Arts in Teaching Secondary program, EDUC 6200
Topics in the teaching of mathematics for grades 6-12 student learning. Focus on how to teach mathematics, development of problem solving skills, and critical thinking in mathematics. Directed field experience is required.

SCED 6100 UNDERSTANDING THE NATURE AND NEEDS OF THE ADOLESCENT LEARNER 3-V-3
Prerequisites: Admission to the Master of Arts in Teaching Secondary program.
An investigation of the developmental processes from birth through adulthood with an emphasis on adolescents. Observation hours required. Course is cross-listed with MGSE 6100.

SCED 6330 CLASSROOM INSTRUCTIONAL ASSESSMENT 3-0-3
Prerequisites: Admission to the Master of Arts in Teaching Secondary program, EDUC 6200
Course prepares candidates to plan instruction supported by assessment techniques that are valid and reliable. Covers procedures for lesson development and planning, with an emphasis on differentiated instruction. Covers basic formal and informal assessment instruments and techniques.

SCED 6400 CLASSROOM MANAGEMENT 3-V-3
Prerequisites: Admission to the Master of Arts in Teaching Secondary program, EDUC 6200
Designed to explore the interaction between adolescent learners and teachers at the secondary level with an emphasis placed on classroom management techniques. Directed field experience required. Course is cross-listed with MGSE 6400.

SCED 6500 INSTRUCTIONAL APPROACHES TO READING AND WRITING ACROSS THE CURRICULUM 3-V-3
Prerequisites: Admission to the Master of Arts in Teaching Secondary program, SCED 6100
Investigation of literature and multimedia offerings appropriate for adolescent readers in all of the content areas. Directed field experience required. Course is cross-listed with MGSE 6500.
SCED 6750 INTERNSHIP 0-V-4
Prerequisite(s): Successful completion of all other course work in the program of study, passing scores on the appropriate GACE certification tests, and completion of all other College of Education requirements for entry into graduate internship. This internship requires a semester long supervised placement in a school setting that has been approved and designated by the College of Education. Successful completion of this internship is a requirement for teacher certification in the State of Georgia.

SCED 7990 SPECIAL TOPICS IN SECONDARY EDUCATION 3-0-3
A study of a topic relevant to secondary education.

SMED - Sports Medicine

SMED 5015G ASSESSMENT AND EVALUATION OF MUSCULOSKELETAL INJURIES 3-0-3
Fundamental skills of athletic training assessment and evaluation including basic examination, acute care, and documentation for patients with athletically related injuries or illnesses. Emphasis is placed on musculoskeletal disorders. Case studies will link the material presented in this course with other courses taught concurrently.

SMED 5050G PHARMACOLOGY OF SPORTS MEDICINE INJURY AND ILLNESS 3-0-3
Prerequisite: Permission of instructor.
Basic understanding of pharmacology and the drugs commonly used in physical medicine and exercise.

SMED 5055G PATHOPHYSIOLOGY OF SPORTS MEDICINE INJURY AND ILLNESS 3-0-3
Prerequisite: Permission of instructor.
Examines mechanisms responsible for disease processes and subsequent care of illness associated with the participation in physical activity.

SMED 5065G MOVEMENT AND POSTURE ASSESSMENT AND EXERCISE 3-0-3
Prerequisite: SMED 5015G
Techniques to identify impaired movement patterns and altered tissue adaptations. Corrective exercise strategies, including inhibitory, stretching and activation techniques and program design will be emphasized.

SMED 5090G NUTRITIONAL ISSUES IN SPORTS MEDICINE 3-0-3
Impact of various nutritional regimens on performance and recovery in athletics.

SMED 5555G PHYSICAL ACTIVITY IN DISEASE PREVENTION/TREATMENT 3-0-3
Effects of physical activity on health enhancement and maintenance. Bioenergetics, physical assessment methods, equipment, and exercise prescription.

SMED 5600G HEALTHY WEIGHT MGMT & BODY COMPOSITION 3-0-3
A survey of research and applications for methods of improving body composition with a focus on optimal health and physical performance. Students will investigate effective strategies for long-term changes in body fatness and lean body mass.

SMED 5940G INTERNSHIP IN STRENGTH AND CONDITIONING V-V-(1-3)
Supervised instruction in strength and conditioning techniques.

SMED 5945G INTERNSHIP IN SPORTS MEDICINE I V-V-(1-3)
Prerequisite: Permission of instructor
May be taken for repeat credit. On-site clinical experiences closely supervised by university faculty and facility instructors in the wellness/health promotion, adult fitness or cardiac rehabilitation settings; weekly seminars will address current clinical issues in the selected population.

SMED 6005 RESEARCH METHODS IN SPORTS MEDICINE 3-0-3
Methods of quantitative scientific inquiry and interpretation of research in sports medicine. In addition to promoting the skills to become critical consumers of research products; this course is designed to assist students in developing their research project required for degree completion.

SMED 6030 EVIDENCE-BASED RESEARCH IN STRENGTH & CONDITIONING 3-0-3
This course is a survey of research design, statistical methodology, and the application of such investigations in the field of strength and conditioning. The focus is on the student’s ability to access, appropriately interpret, and apply research findings in practice.

SMED 6060 EXERCISE PHYSIOLOGY 3-0-3
Acute and chronic physiological and biochemical responses of the human body when subjected to exercise.
SMED 6080 PERFORMANCE EVALUATION AND EXERCISE TESTING 1-4-3
Prerequisite: SMED 6060
Study of laboratory and field-based techniques, using biomedical instrumentation, for assessment of physiological responses. Effective appraisal and exercise prescription in various populations is emphasized.

SMED 6605 PHYSICAL ACTIVITY AND AGING ACROSS THE LIFESPAN 3-0-3
The contribution of human movement to the well-being and quality of life of aging populations. Principles, practices, and programs for seniors related to the concept of wellness. The myths, needs, and movement potential of aging persons will be evaluated.

SMED 7010 INJURY PREVENTION AND RISK MANAGEMENT IN SPORTS MEDICINE 3-0-3
Prerequisite: Permission of Instructor
Study of methods and techniques used in injury prevention and risk management in the sport setting, community based programs, and occupational settings. An epidemiological perspective and case studies will be used throughout the course.

SMED 7050 DRUGS AND ERGOGENIC AIDS IN SPORTS MEDICINE 3-0-3
Efficacy and safety of drugs and performance-enhancing supplements in athletics.

SMED 7070 THEORY AND METHOD OF STRENGTH & CONDITIONING 3-0-3
Prerequisites: Permission of Instructor
The efficacy of methods and models of sports training in activities requiring intensive strength and conditioning programs.

SMED 7075 PROGRAM DESIGN AND ADVANCED TRAINING TECHNIQUES 3-0-3
Prerequisite: SMED 7070
An advanced course examining principles of program design, current concepts regarding periodized training and the physiological adaptations in response to power, plyometrics, speed and agility training. Practical mastery as well as theoretical understanding will be required.

SMED 7225 INTERNSHIP IN SPORTS MEDICINE V-V-(1-3)
Prerequisite: Permission of Instructor
May be taken for repeat credit. On-site clinical experiences closely supervised by university faculty and facility instructors in the wellness/health promotion, adult fitness or cardiac rehabilitation settings: weekly seminars will address current clinical issues in the selected population.

SMED 7400 BIOMECHANICAL ANALYSIS OF HUMAN MOVEMENT AND MUSCULOSKELETAL INJURY 3-0-3
Prerequisite: Permission of Instructor
Mechanical principles and qualitative movement analysis applied to understanding mechanism, treatment, and prevention of musculoskeletal injury. Application of biomechanical principles to integrate joint mechanics with a systems approach to prevent injury and optimize human performance. Case studies will be used throughout the course.

SMED 7500 SPECIAL TOPICS IN SPORTS MEDICINE V-V-(1-3)
Special assignments, agreed to by an advisor, used to provide a unique experience in an educational setting consistent with the student’s professional objectives and program focus.

SMED 7505 ORGANIZATIONAL LEADERSHIP IN SPORTS MEDICINE 3-0-3
Knowledge, skills, and values required to develop, lead, administer, and manage a health care facility and associated venues providing sports medicine services. Case studies will be used throughout the course.

SMED 7515 CARDIOPULMONARY PATHOPHYSIOLOGY, EXERCISE AND REHABILITATION 3-0-3
The physiology and disease process specific to the cardiovascular system. Exercise and rehabilitative mechanisms will be discussed. Case studies will be used throughout the course.

SMED 7520 PSYCHOSOCIAL ISSUES IN SPORTS MEDICINE 3-0-3
Psychological and sociological factors impacting the various aspects of sports medicine and physical activity.

SMED 7700 SELF-DIRECTED STUDENT RESEARCH IN SPORTS MEDICINE V-V-(1-3)
Students conduct studies relating to their professional interest and responsibilities under the direction of a graduate faculty advisor.

SMED 7994 THESIS/PROFESSIONAL PROJECT IN SPORTS MEDICINE I V-V-(1-3)
Prerequisite: Permission of Instructor
Planning and conducting an original research project as a group project or an individual thesis, supervised by the student’s thesis committee or project advisor.
SMED 7995 THESIS/PROFESSIONAL PROJECT IN SPORTS MEDICINE II  V-V-(1-3)
Prerequisite: SMED 7994
Completing and presenting an original research project as a group project or an individual thesis, supervised by the student’s thesis committee or project advisor.

SOCL - Sociology

SOCL 5130G POLITICAL TERRORISM  3-0-3
International and domestic terrorism undertaken for political purposes in liberal states. Primary focus on state-sponsored international terrorism, American domestic revolutionary terrorism, and the dilemmas of counter-terrorism in a democracy. Cross-listed with CRJU 5130G and POLS 5130G.

SOCL 5600G SOCIOLOGY OF GENDER  3-0-3
Examines the social construction of gender and gender inequality in society. Cross-listed with GNST 5600G.

SOCL 7100 CRITICAL THINKING AND METHODS OF APPLIED RESEARCH  3-0-3
Examines concepts and methods used in social science research with particular emphasis on the philosophy of science; presuppositions; aims and history of procedures and methods; research techniques; sources; bibliography and presentation and publication of investigative results.

SPAN - Spanish

SPAN 5442G CONTENT AND METHODS SPANISH EDUCATION  3-2-3
Prerequisite: Admission to candidacy in the post-baccalaureate teaching certification program of the Department of Language, Literature, and Philosophy.
Methods, contents, and materials focusing on the teaching of foreign languages for P-12. Directed field experience involved with opportunity for presentation of instructional models in the classroom.

SPAN 6750 TEACHING INTERNSHIP  0-V-4
Prerequisite: Admission to the College of Education, completion of requirements for graduate post-baccalaureate teacher certification program.
Supervised field-based teaching experience providing the opportunity to use knowledge and skills in a grades K-12 setting. For post-baccalaureate teacher certification.

SPED - Special Education

SPED 5010G TECHNOLOGY FOR THE SPECIAL EDUCATOR  3-0-3
Course covers methods for using technology to support and extend instruction, the appropriate use of assistive and adaptive technology, techniques for selecting and utilizing computer based instructional programs, and methods for developing multimedia-based interactive instructional materials.

SPED 5130G ASSESSMENT IN SPECIAL EDUCATION  3-V-3
Instruction in formal and informal assessment techniques and instruments appropriate for use in assessing students with disabilities. Demonstrates the use of assessment data to determine eligibility for services and to develop and evaluate individual education plans (IEP). A field experience is required.

SPED 5231G TEACHING READING AND DISABILITIES  3-V-3
Prerequisites: SPED 5010G, SPED 5130G
Research based, multisensory, technology enhanced strategies and techniques for teaching reading, spelling, and written expression skills in an integrated process. A field experience is required.

SPED 5232G TEACHING MATHEMATICS AND DISABILITIES  3-V-3
Prerequisite: SPED 5010G, SPED 5130G
Strategies and techniques for teaching mathematics through research based and technology enhanced approaches. A field experience is required.

SPED 5400G TRANSITION PLANNING  3-V-3
Prerequisites: EEXE 6025 and SPED 5130G
Offers strategies for working collaboratively with parents/guardians, a variety of support professionals and related personnel and agency staff to plan and provide appropriate special education services to individuals in various instructional settings, including transitions to secondary education or employment. Emphasizes skills required for team building. A field experience is required.
Graduate Faculty

Permanent, Full-Time Members of the Teaching Corps holding Graduate Faculty Status.

The number in parentheses after the names represents the initial year of employment at Armstrong State University. An asterisk indicates full graduate faculty status.

* Andrews, Carol M. (1988)
  Associate Professor of English
  Ph.D., Vanderbilt University
  M.A., Vanderbilt University
  B.A., Furman University

* Arens, Olavi (1974)
  Professor of History
  Ph.D., Columbia University
  M.A., Columbia University
  A.B., Harvard University

* Baker, Christopher P. (1994)
  Professor of English
  Ph.D., University of North Carolina
  M.A., University of North Carolina
  B.A., St. Lawrence University

Beckworth, Jill (2011)
Instructor of Nursing
  D.N.P., Georgia Southern University
  M.S.N., Armstrong Atlantic State University
  B.B.A., Georgia Southern University
  A.D.N., Armstrong Atlantic State University

Belzer, Allison (2009)
Associate Professor of History
  Ph.D., Emory University
  M.A., Emory University
  A.B., Vassar College

Benjamin, Michael (2010)
Assistant Professor of History
  Ph.D., Drew University
  M.Ph., Drew University
  M.A., Drew University
  J.D., University of Pittsburgh
  A.B., Lincoln University

* Bennett, Katherine (1997)
  Professor of Criminal Justice
  Ph.D., Sam Houston State University
  M.C.J., University of South Carolina
  B.S., University of South Carolina-Spartanburg

Associate Professor of Music Education
  D.M.A., Shenandoah Conservatory
  M.M., Virginia Commonwealth University
  B.M.E., Virginia Commonwealth University

* Bleicken, Linda M. (2009)
  President
  Professor of Management
  Ph.D., Georgia State University
  M.S., Georgia State University
  B.A., Georgia State University

* Bolton-Gary, Cynthia (2012)
  Assistant Dean of Education
  Professor of Childhood and Exceptional Student Education
  Ph.D., University of North Carolina-Chapel Hill
  M.Ed., University of North Carolina-Charlotte
  B.S., University of North Carolina-Chapel Hill

* Brawner, James (1997)
  Head of Mathematics
  Professor of Mathematics
  Ph.D., University of North Carolina-Chapel Hill
  B.A., Williams College

Bringman, David A. (2011)
Assistant Professor of Physical Therapy
  D.P.T., Simmons College
  M.S., Armstrong Atlantic State University
  B.S., Armstrong Atlantic State University

  Associate Provost for Academic Affairs and Graduate Studies
  Associate Professor of Communication Sciences and Disorders
  Ph.D., Purdue University
  M.A., Hampton Institute
  B.S., Hampton Institute

Brooksher, Kelly
Assistant Professor of Special Education
  Ed.D., Samford University
  Ed.S., Lincoln Memorial University
  M.Ed., Clemson University
  B.A., Clemson University

Brown, Trisha Muldoon (2009)
Associate Professor of Mathematics
  Ph.D., University of Kentucky
  M.S., University of Kentucky
  B.S., Marshall University
**Bryant, Maxine (2014)**  
Lecturer of Criminal Justice  
Ph.D., Walden University  
M.A., Saginaw Valley State University  
B.S., Ball State University

Dean of Education  
Professor of Education  
Ph.D., The University of Toledo  
M.Ed., The University of Toledo  
B.S.Ed., Bowling Green State University

**Buelow, Janet R. (2007)**  
Professor of Health Services Administration  
Ph.D., University of Illinois, Chicago  
M.P.H., University of Illinois, Chicago  
M.S.N., Loma Linda University  
B.S., Loma Linda University

**Burke-Fabrikant, Kathleen (2011)**  
Assistant Professor of Adolescent and Adult Education  
Ed.D., Georgia Southern University  
M.Ed., Armstrong Atlantic State University  
B.A., Michigan State University

* **Cato, Thomas (1993)**  
Head of Art, Music & Theatre  
Professor of Art  
Ed.D., University of Georgia  
M.Ed., Valdosta State College  
B.F.A., Valdosta State College

**Clark, Maya R. (2006)**  
Program Coordinator, Communication Sciences and Disorders  
Associate Professor of Communication Sciences and Disorders  
Ph.D., University of Texas, Austin  
M.A., The University of Memphis  
B.A., The University of Mississippi

**Cossa, Nedra (2014)**  
Assistant Professor of Reading  
M.Ed., Lynchburg College  
B.S., Longwood University

* **Crosby, Joseph (1995)**  
Professor of Health Sciences  
Ph.D., University of Georgia  
B.S., University of Georgia

* **Curtis, Christopher (2013)**  
Head of History  
Professor of History  
Ph.D., Emory University  
M.A., Virginia Polytechnic Institute and State University  
B.A., University of South Carolina

* **da Cruz, Becky Kohler (2005)**  
Associate Professor of Criminal Justice  
Ph.D., Capella University  
J.D., University of Dayton  
B.A., Wright State University

* **da Cruz, José de Arimateia (2003)**  
Professor of Political Science  
Ph.D., Miami University  
M.A., Miami University  
M.A., Armstrong State University  
M.S., Armstrong Atlantic State University  
B.A., Wright State University

* **Davies, George J. (2004)**  
Professor of Physical Therapy  
D.P.T., MGH Institute of Health Professions  
M.Ed., The College of New Jersey (Trenton State College)  
CERT, Columbia University  
B.A., The College of New Jersey (Trenton State College)

**Desnoyers-Colas, Elizabeth (2005)**  
Associate Professor of Communication  
Ph.D., Regent University  
M.A., Regent University  
B.A., Central Washington University

* **Donahue, Michael E. (1993)**  
Professor of Criminal Justice  
Ph.D., Michigan State University  
M.S., University of South Carolina  
B.A., University of North Carolina-Charlotte

* **Draud, Matthew (2013)**  
Head of Biology  
Professor of Biology  
Ph.D., Lehigh University  
M.S., University of Louisiana at Lafayette  
B.A., Thomas More College

**Elcoro, Mirari (2008)**  
Associate Professor of Psychology  
Ph.D., West Virginia University  
M.S., West Virginia University  
License in Psychology, Universidad Católica Andrés Bello
Eley, Ela Kaye (2012)
Assistant Professor of Educational Technology
Ph.D., University of Florida
Ed.S., University of West Georgia
M.A., Southwest Baptist Theological Seminary
B.M., Valdosta State University

Embrey, Katrina (2013)
Lecturer of Nursing
D.N.S., Kennesaw State University
M.S.N., University of the Incarnate Word
B.S.N., Armstrong Atlantic State University

Associate Professor of English
Ph.D. Emory University
M.A. Friedrich Alexander University

Fertig, Barbara (1992)
Professor of History
Ph.D., George Washington University
B.S., Skidmore College

Foster, Ardyth (2013)
Assistant Professor of Mathematics Education
Ph.D., Illinois Institute of Technology
M.A., St. Xavier University
B.A., City University of New York

Gajdosik-Nivens, Delana (2000)
Associate Provost for Student Engagement and Success
Professor of Chemistry
Ph.D., University of South Carolina
B.S., University of Pittsburgh

Garrity, April W. (2007)
Associate Professor of Communication Sciences and Disorders
Ph.D., Louisiana State University
M.A., Louisiana State University
B.A., Louisiana State University

Gilbert, Catherine (2003)
Head of Nursing
Associate Professor of Nursing
Ed.D., Georgia Southern University
M.S.N., University of Toronto
B.S.N., Ryerson Polytechnic University
R.N., Prince Edward Island School of Nursing

Glenn, Frank (2015)
Assistant Professor of Rehabilitation Sciences
Ph.D., The University of Oklahoma Health Sciences Center
M.S., The University of Oklahoma Health Sciences Center
B.S., Virginia Commonwealth University
B.S., The University of Southern Mississippi

Hagerty, Debra (2011)
Assistant Professor of Nursing
D.N.P., Oakland University
M.S.N., Case Western Reserve University
B.S.N., Case Western Reserve
B.S., University of Michigan

Hall, Michael (1997)
Professor of History
Ph.D., Ohio University
M.A., Ohio University
B.A., Gettysburg College

Hallock, Ann (2013)
Instructor of Nursing
D.N.P., St. Scholastica University
M.S.N., Armstrong Atlantic State University
M.H.S., Armstrong Atlantic State University
B.S.N., Armstrong Atlantic State University

Hamza-Lup, Felix (2006)
Associate Professor of Computer Science
Ph.D., University of Central Florida
M.S., University of Central Florida
B.S., Technical University of Cluj-Napoca

Henderson, Nancy (2011)
Assistant Professor of Physical Therapy
D.P.T., Elon University
M.S., Elon University
B.A., Longwood College

Hendricks, Christopher E. (1993)
Professor of History
Ph.D., College of William and Mary
M.A., College of William and Mary
B.A., Wake Forest University

Hobe, John J. (1991)
Head of Childhood and Exceptional Student Education
Professor of Early Childhood Education
Ed.D., University of San Francisco
M.A., California State University
B.S.Ed., Bowling Green State University
* Hollinger, Karen (1990)
Professor of English
Ph.D., University of Illinois
M.A., Loyola University
B.A., Loyola University

* Holt, Patricia (1996)
Professor of Adult Education
Ed.D., University of Arkansas
M.Ed., University of Arkansas
B.S., Arkansas Tech University

Hom, John (2014)
Assistant Professor of Art Education
Ph.D., The Ohio State University
M.F.A., The Ohio State University
M.A., New York University
B.S., Nyack College

* Hopkins, June (1998)
Professor of History
Ph.D., Georgetown University
M.A., California State University - Northridge
M.P.A., Pace University
B.A., University of California - Berkeley

Horne, Angela Ryczkowski (2005)
Associate Professor of Art
M.F.A., Georgia Southern University
B.A., Georgia Southern University

Howard, Ella (2008)
Associate Professor of History
Ph.D., Boston University
M.A., Bard Graduate Center
B.A., Scripps College

* Howells, H. Elizabeth (2001)
Interim Head of Languages, Literature, and Philosophy
Professor of English
Ph.D., University of North Carolina - Greensboro
M.A., University of Alabama
B.A., University of Notre Dame

Hubbard, Barbara (2010)
Senior Lecturer of Education
Ed.D., Georgia Southern University
Ed.S., Georgia Southern University
M.Ed., Armstrong Atlantic State University
B.A.Ed., University of South Carolina

Jamieson, Deborah (2007)
Associate Professor of Art History
Ph.D., University of Florida
M.A., University of Florida
M.Ed., University of North Florida
B.A.Ed., University of North Florida

* Jamison, Carol P. (1993)
Professor of English
Ph.D., University of Georgia
M.A., University of South Alabama
B.A., University of Montevallo

Johnston, Mark (1997)
Assistant Professor of Music
M.M., Louisiana State University
B.M.E., Murray State University

Katz, Anne (2012)
Assistant Professor of Reading
Ph.D., Fordham University
M.A., Columbia University
B.A., Washington University

Katz, Frank (2002)
Assistant Professor of Information Technology
M.S., Georgia State University

Kim, Jackie Hee-Young (2008)
Associate Professor of Early Childhood Education
Ed.D., University of Houston
M.A., University of Houston
B.A., Chunnam National University, South Korea

Associate Professor of Mathematics
Ph.D., University of New Hampshire
M.A., University of New Hampshire
B.S., Northern Arizona University

Lambert, Joshua (2009)
Associate Professor of Mathematics
Ph.D., North Dakota State University
B.S., North Dakota State University

* LeFavi, Robert (1993)
Interim Head of Health Sciences
Professor of Health Sciences
D.Min., University of the South
Ph.D., Auburn University
M.Div., Erskine Theological Seminary
M.B.A., Nova Southeastern University
B.S., University of Florida
Liang, Daniel (2000)
Professor of Computer Science
Ph.D., University of Oklahoma
M.S., Fudan University
B.S., Fudan University

Logan, Brenda (2002)
Associate Professor of Middle and Secondary Education
Ed.D., Vanderbilt University
M.A., University of Northern Colorado
B.S., Savannah State College

* Loyd, Robert (1997)
Professor of Special Education
Ph.D., University of Missouri-Columbia
M.Ed., University of Missouri-Columbia
B.S.Ed., University of Missouri-Columbia

Mahan, Pamela (2005)
Associate Professor of Nursing
D.S.N., University of Alabama at Birmingham
M.A., Ball State University
B.S.N., Ball State University
B.S., Ball State University

* Mincer, Andi Beth (1996)
Associate Professor of Physical Therapy
Ed.D., Georgia Southern University
M.S., Georgia State University
B.S., University of Florida
A.A., Pensacola Junior College

Associate Professor of Early Childhood Education
Ed.D., Georgia Southern University
Ed.S., Georgia Southern University
M.Ed., Armstrong Atlantic State University
B.A., University of Georgia
A.A., Sullins College

McMillan, Tim (1990)
Associate Professor of Mathematics
Ph.D., University of Florida
M.S., University of Florida
B.S., University of South Carolina

Mendenhall, Annie (2013)
Assistant Professor of English
Ph.D., The Ohio State University
M.A., The Ohio State University
B.A., North Georgia College and State University

* McAdams, Rod (2001)
Associate Professor of Health Sciences
Ph.D., University of Kansas
M.A., University of Akron
B.A., Emporia State University

Mendenhall, Linda (2001)
Associate Professor of Early Childhood Education
Ed.D., Georgia Southern University
Ed.S., Georgia Southern University
M.Ed., Armstrong Atlantic State University
B.A., University of Georgia
A.A., Sullins College

Mroczek, Christy Ann (2011)
Senior Lecturer of English
M.A., Clemson University
B.A., Western Michigan University

* Murphy, Dennis D. (1981)
Professor of Criminal Justice
J.D., University of Florida
Ph.D., University of Florida
M.Ed., University of Florida
B.A., University of Florida

* Nivens, Anita (1998)
Professor of Nursing
Ph.D., University of South Carolina
M.N.F.N.P., University of South Carolina
B.S.N., Medical University of South Carolina

Nti, Kwaku (2011)
Assistant Professor of History
Ph.D., Michigan State University
M.A., Central Michigan University
M. Phil., University of Ghana
P.G.C.E., University of Cape Coast
B.A., University of Ghana
Ogletree, Glenda (2008)
Associate Professor of Early Childhood Education
Ph.D., The University of Alabama
M.S., Jacksonville State University
B.S., Jacksonville State University

O’Mallon, Marilyn (2006)
Associate Professor of Nursing
Ph.D., Hampton University
M.S.N., Armstrong Atlantic State University
B.S.N., Armstrong Atlantic State University
A.D.N., Armstrong Atlantic State University

Plaspohl, Sara S. (2011)
Assistant Professor of Health Sciences (Public Health)
Dr.P.H., Georgia Southern University
M.H.S., Georgia Southern University
B.S., Armstrong State College
A.S., Armstrong State College

Potter, Amy (2013)
Assistant Professor of Geography
Ph.D., Louisiana State University
M.A., University of Kansas
B.S., University of Kansas

* Price, Michael E. (1993)
Professor of History
Ed.D., University of Georgia
M.A., University of Georgia
B.A., Kansas State University

Primatic, Stephen (1997)
Professor of Music
D.M.A., University of Georgia
M.M., University of Miami
B.M., Wilkes University

* Rahimi, Regina (2006)
Interim Head of Secondary, Adult, and Physical Education
Associate Professor of Middle and Secondary Education
Ed.D., Georgia Southern University
Ed.S., Georgia Southern University
M.Ed., Georgia Southern University
B.S., Armstrong Atlantic State University

Reese, Deborah (1999)
Director, Writing Center
Associate Professor of English
Ph.D., The University of Texas-Arlington
M.A., The University of Texas-Arlington
B.A., The University of Texas-Arlington

* Remler, Nancy (1992)
Associate Professor of English
Ph.D., University of Georgia
M.A., Georgia Southern University
B.S.Ed., University of Georgia

Professor of Sports Medicine
Ph.D., University of Pittsburgh
M.A., University of North Carolina - Chapel Hill
B.S., West Chester University

Rinalducci, Edward (1999)
Associate Professor of Sociology
Ph.D., Georgia State University
M.S., Mississippi State University
B.S., Florida State University

Roessing, Lesley (2010)
Director, Coastal Savannah Writing Project
Senior Lecturer of Education
M.S.Ed., Saint Joseph’s University
B.A., University of Pittsburgh

Roy, Nalanda (2013)
Assistant Professor of Political Science—Asian History
Ph.D., Rutgers University
M.A., University of Toledo
M.Ph., Jadavpur University
M.A., Jadavpur University
B.A., Jadavpur University

* Saad, Ashraf (2006)
Professor of Computer Science
Ph.D., Vanderbilt University
M.S., Cranfield Institute of Technology
B.S., Ain Shams University

* Saadatmand, Yassaman (1989)
Head of Economics
Professor of Economics
Ph.D., University of New Hampshire
M.B.A., James Madison University
B.S., National Iranian Oil Company College of Finance

Schaefer, Kathleen (2011)
Assistant Professor of Physical Therapy
D.P.T., Simmons College
M.S., Armstrong Atlantic State University
M.B.A., College of William and Mary
B.A., University of Virginia

Emeriti Faculty

Professor of Psychology and Dean of Arts and Sciences Emeritus

Agyekum, Stephen K. (1979-2007)  
Professor of Early Childhood Education Emeritus

Dean of Community Services and Registrar Emeritus

Ball, Ardella Patricia (1968-2008)  
Associate Professor of Education Emerita

Barnard, Jane (1980-2009)  
Associate Professor of Mathematics Emerita

Bergin, Joyce (1992-2012)  
Professor of Special Education Emerita

Beumer, Ron (1975-2004)  
Professor of Biology Emeritus

Brandt, Patricia (1995-2007)  
Associate Professor of Early Childhood Education Emerita

Professor of Chemistry Emeritus

Brower, Moonyean (1967-1995)  
Associate Professor of Biology Emerita

Brown, George (1972-2003)  
Assistant Professor of Criminal Justice Emeritus

Vice President of Student Affairs Emeritus

Buck, Marilyn (1974-2008)  
Professor of Nursing Emerita

Vice President and Dean of Faculty and Professor of Physics Emeritus

Assistant Professor of Nursing Emerita

Cross, Deanna S. (1989-2006)  
Professor of Nursing Emerita

Dandy, Evelyn (1974-2006)  
Professor of Early Childhood Education Emerita

Daugherty, William J. (1996-2011)  
Professor of Political Science Emeritus

Davenport, Leslie B., Jr. (1958-1983)  
Professor of Biology Emeritus

Professor of Psychology Emeritus

Duncan, John (1965-1997)  
Professor of History Emeritus

Findeis, John (1968-1995)  
Assistant Professor of Mathematics Emeritus

Gross, Jimmie (1967-1997)  
Professor of History Emeritus

Hansen, John (1967-2002)  
Professor of Mathematics Emeritus

Harris, Henry (1966-2002)  
Professor of Chemistry Emeritus

Harris, Karl (1971-1998)  
Assistant Professor of English Emeritus

Hoffman, Lorrie (2004-2014)  
Professor of Mathematics Emerita

Howard, Thomas F. (1993-2012)  
Associate Professor of Geography Emeritus

Hudson, Anne (1971-1997)  
Professor of Mathematics Emerita

Hudson, Sigmund (1985-1997)  
Professor of Computer Science Emeritus

Jenkins, Marvin (1968-1997)  
Assistant Professor of English Emeritus

Associate Professor of Political Science Emeritus

Kilhefner, Dale Z. (1973-2007)  
Professor of Mathematics Emeritus

Professor of Philosophy & Literature Emeritus

Knorr, Virginia (1973-2008)  
Assistant Professor of Health and Physical Education Emerita
Lane, Joseph (1970-2001)  
Professor of Psychology Emeritus

Lanier, Osmos (1965-1997)  
Professor of History Emeritus

Lariscy, Michael (1975-2009)  
Associate Professor of Health and Physical Education Emeritus

Professor of Criminal Justice Emeritus

Professor of Psychology Emerita

Professor of Criminal Justice Emeritus

Professor of Mathematics Emeritus

Newberry, S. Lloyd (1968-2000)  
Professor of Science Education and Dean of Education Emeritus

Professor of English Emeritus

Palefsky, Elliot (1971-2004)  
Professor of Psychology Emeritus

Patterson, Robert (1966-1998)  
Professor of History Emeritus

Professor of Biology Emeritus

Powell, Catharine (1991-2007)  
Associate Professor of Nursing Emerita

Pruden, George (1982-2002)  
Professor of History Emeritus

Relyea, Kenneth G. (1990-2006)  
Professor of Biology Emeritus

Reppola, James F. (1976-2001)  
Professor of Nursing and Dean of Health Professions Emeritus

Robinson, Aurelia (1972-1986)  
Associate Professor of Education Emerita

Schollaeart, Warren (1989-2001)  
Associate Professor of Education Emeritus

Professor of Art Emeritus

Schultz, Lucinda D. (1986-2011)  
Professor Emerita of Music

Shipley, Charles (1972-2005)  
Professor of Computer Science Emeritus

Professor of Health Science and Dean of Graduate Studies Emerita

Sims, Roy Jesse (1955-1990)  
Professor of Physical Education Emeritus

Stephens, Jacquelyn (1979-1990)  
Professor of Education Emerita

Stone, Janet D. (1975-2007)  
Associate Janet D. Emerita

Stratton, Cedric (1965-1993)  
Professor of Chemistry Emeritus

Professor of English Emeritus

Suchower, John (1969-1992)  
Assistant Professor of Drama Emeritus

Tanenbaum, Barbara G. (1972-2008)  
Professor of Dental Hygiene Emerita

Welsh, John (1967-2000)  
Assistant Professor of English Emeritus

White, Nancy A. (1994-2010)  
Professor of History Emerita

White, Susan S. (1974-2008)  
Assistant Professor of Special Education Emerita

White, Virginia (1967-1991)  
Assistant Professor of English Emerita

Whiten, Morris (1970-2001)  
Professor of Physics Emeritus
University System of Georgia Organization

Board of Regents

Glossary of Terms

Academic advisement: A student is assigned a major advisor at the time of admission to Graduate Studies. Advising assists a student in fulfilling academic progress requirements for a degree or certificate.

Academic Dismissal Due to Low Grades: Every student admitted to Armstrong with graduate student status must maintain a record of academic success in graduate coursework. A student may earn one C grade or below without being academically dismissed. If a student earns a second C or below the student will be dismissed regardless of overall GPA. After being academically dismissed, the student must wait one semester before reapplying for admission. For the purposes of this policy, the summer session is considered a semester.

This policy takes effect Fall 2010 semester. Retaking a course and earning a grade above the C level does not change the implementation of this policy. For the purposes of the graduate studies probation and dismissal policy, the following grades are included in the definition of C or below: C, D, F, WF, and U.

Academic Standing: A student maintains good academic standing on their academic record when the student achieves a 3.0 or higher cumulative grade point average (GPA). If a student’s GPA falls below 3.0, the academic standing shall be noted as on probation.

Accreditation: A designation that an institution has been evaluated and met criteria established by an independent oversight agency. The Commission on Colleges of the Southern Association of Colleges and Schools accredits Armstrong. Program accreditation may exist in specific academic program areas. Refer to the section on Accreditation of the Graduate Catalog for further information.

Admission categories: Admission categories for Graduate Studies are:

• Degree Admission — regular
• Degree Admission — provisional

Refer to the section on admissions of the Graduate Catalog for further information.

Admissions examinations: Standardized examinations used as part of the degree admission process. Refer to the sections on Graduate Management Aptitude Test (GMAT), Graduate Record Examination (GRE), and Miller Analogies Test (MAT) and program-specific requirements of the Graduate Catalog for further information.

Audit: Attending a class without receiving credit. A student must be enrolled, receive permission from the instructor, declare audit status at the time of registration and pay tuition and fees for the class.

Banner Student Information System: A system used by the majority of the institutions in the University System of Georgia for student records and registration procedures. Armstrong uses this system.

Board of Regents: The governing board of the University System of Georgia. Further information is provided in the Graduate Catalog.

Certification program: An approved program of study, requiring fewer semester hours than a degree, leading to specialization in a field. Credit hours may vary by certification program, but in no case may the certification program be less than eighteen credit hours. This does not apply to teacher certification. Refer to the appropriate sections in the Graduate Catalog for further information.

Comprehensive assessment: Successful completion of a program specific comprehensive assessment is required for graduation. The design of the comprehensive assessment is determined by graduate faculty in each program area. Scheduling and comprehensive assessment results may be obtained from the academic unit. The results are submitted to the Registrar’s Office from the academic unit as required for graduation.
**Co-requisite**: A course or requirement that must be completed during the same term with a specified course. Co-requisites are listed in the Graduate Catalog under course descriptions.

**Distance learning**: Classes taught at off-campus sites by Armstrong faculty or presented via the internet.

**Dual degree**: An approved program of study that allows a student to earn two degrees simultaneously. Refer to the section on Academic Policies and Information of the Graduate Catalog for further information.

**Elective**: A course which supports the courses in a program of study. They may be open or guided electives, as defined in the program of study.

**External degree program**: An entire degree that is approved by the Board of Regents of the University System of Georgia to be offered at an off-campus site.

**Full-time enrollment**: Students enrolling in nine or more semester hours of credit. Graduate assistants are considered full time by enrolling in six or more semester hours.

**Graduate assistantship program**: A financial aid program that provides a tuition waiver and stipend. Certain services are rendered to the University by the graduate assistant. Refer to the section on Fees and Financial Aid Information of the Graduate Catalog and the Graduate Financial Aid Guidelines.

**Graduate coordinator**: Administrative position assigned for each graduate degree area. A listing may be obtained from Graduate Studies.

**Graduate course work**: Refers to courses beyond the baccalaureate level. At Armstrong, the graduate courses are numbered 5000 and above. Refer to the section on Numbering System for Courses of the Graduate Catalog.

**Graduate Management Aptitude Test (GMAT)**: A standardized examination consisting of seven separately-timed sections, each containing multiple choice questions.

**Good standing**: A standing that indicates that a student is maintaining the required cumulative grade point average (GPA) of 3.0 or higher. The standing is included on the student record for each term.

**Grade Point Average (GPA)**: A point system used to determine the average of all grades a student has received for one term or for an entire college career. To determine GPA, honor points are awarded based on each grade received, which are totaled then divided by the number of hours attempted. The GPA is included on the student record.

**GPA (adjusted)**: The total honor points earned divided by the total hours attempted, with hours and honors points for repeated courses not duplicated in the calculation. This includes transfer hours credited to the student’s program of study.

**GPA (institutional)**: Is determined by dividing the total honor points earned by the total hours attempted on all graduate course work taken at Armstrong only.

**GPA (overall)**: Is determined by dividing the total honor points earned by the total hours attempted on all graduate course work taken at Armstrong and other institutions.

**GPA (transfer)**: Is determined by dividing the total honor points earned by the total hours attempted on all graduate course work taken at other institutions.

**Graduate Record Examination (GRE)**: A standardized examination that measures verbal, quantitative, and analytic abilities.

**Honor points**: The points earned based on the letter grade and semester hours credited for a course. Used to determine grade point average (GPA).

**Independent study**: A class that allows students to pursue individual research and reading in their major field. Permission from the department head or the faculty is required.

**In-state tuition**: Rate of tuition paid by Georgia residents.

**Internship**: Course work related to a student’s program of study generally scheduled at an off—campus site. Refer to the academic unit for program specific guidelines.

**Intramural**: Organized competitive sports activities coordinated through the Department of Health and Physical Education. Open to all interested students.
Major: An area of concentrated study in a degree program approved by the Board of Regents.

Major advisor: Academic advisor that is assigned to each graduate student by Graduate Studies at the time of admission. A listing of major advisors may be obtained from Graduate Studies.

Master’s degree: A program of study that requires a minimum of thirty-six semester hours in a specific area of specialization. This degree is completed after a bachelor’s degree and may require a practicum/project or thesis for completion of the degree.

Miller Analogies Test (MAT): A standardized examination which consists of 100 multiple choice questions designed to measure verbal aptitude.

Out-of-state tuition: Rate of tuition paid by students who are not legal residents of Georgia.

Part-time enrollment: Students, other than graduate assistants, enrolled in fewer than nine semester credits in a semester.

Portfolio: A collection of work (e.g., paintings, writings, etc.) which may be used to demonstrate competency in an academic area.

Prerequisite: A course or requirement that must be completed before a more advanced course may be taken. Prerequisites are listed in the Graduate Catalog under course descriptions.

Program of study: An approved listing of courses and/or requirements leading to a degree or certificate.

Project/Practicum: Planned program that may include research observation, study, and practical experience in an approved area. Refer to the academic unit for program-specific guidelines.

Readmission: Students who have attended Armstrong in the past, but have not taken classes at the university for three or more terms, not including the summer term.

Registration: Scheduled time to enroll for classes for the next term. Registration is held prior to the beginning of classes each term. Web registration is an option.

Residency: Students are considered residents of Georgia if they have lived in Georgia at least one year and meet the Board of Regent’s requirements for determining residency. Students who have not lived in Georgia for one year or who are just coming to Georgia for their education and plan to move back to another state after graduation are not considered residents. Refer to the section on Student Fees and Financial Aid of the Graduate Catalog for further information.

Semester hours: The number of credit hours awarded for a course.

Semester system: A school term based on approximately fifteen weeks, including two regular sessions each year plus a short summer session.

Senior privilege: An undergraduate student with a GPA of 3.0 or higher and within 24 semester hours of graduation may apply for Senior Privilege and enroll in a maximum of 12 hours of graduate coursework at the 5000G and 6000-levels. The maximum of graduate coursework permitted in any one semester is eight hours; the maximum total of all coursework permitted in any semester in which a student is taking graduate coursework is 12 hours. Permission to enroll must be approved by the chairperson of the student’s undergraduate major and by the appropriate graduate program director. The graduate program director holds final authority.

Short course: A credit course that is scheduled in a condensed time frame but still offers the approved number of clock hours.

Thesis: Planned research and writing directed by the student’s thesis committee. Refer to the Graduate Thesis Guidelines.

Transcript: An official record of all courses a student has taken at a particular institution. An official transcript is one with the appropriate school stamp in a sealed envelope; a student copy is a transcript issued to student.

Transfer: A student seeking admission who has previously been enrolled at another institution of higher education and will apply those course credits to an approved program of study.

Transfer credit: Credit for courses taken at another institution. Granting credit will be considered only for course work from an accredited institution. Application to a program of study must be approved by the major advisor.

Transient: Admission status of a student currently enrolled at another institution applying for admission to Armstrong for one term. A student must be in good standing at their home institution and have written permission from their dean or
Registrar to take specific courses at Armstrong. An Armstrong student, if approved, may also enroll at another institution as a transient student.

**University System of Georgia:** The overall system of public higher education in Georgia.

**Withdrawal:** Withdrawing from enrollment in all classes. The date of the withdrawal determines any fee refund or grade penalty.

**Workshop:** A non-credit session. Graduate Studies sponsors a workshop series for professional development.
Appendix I

Honor Code and Code of Conduct

Note: Any revisions to the Honor Code and Code of Conduct will be reflected in the online version under the Office of Student Integrity. Please refer to the online version for the most up-to-date policies and procedures.

Armstrong State University exists to provide an environment in which intellectual achievement, scholarship, and character development can flourish. The Armstrong community — students, faculty, administration, and staff — willingly shares the responsibility for sustaining a creative and productive atmosphere through adherence to the highest standards of personal and professional conduct. All who are privileged to be a part of Armstrong campus life must remain cognizant that they are representatives of Armstrong State University, whether they are on campus or elsewhere, and are therefore expected to avoid behavior which brings discredit or dishonor upon themselves or to the University as an institution. Recognizing that trust is the cornerstone of all human relations, students will work to build and sustain the trust of their peers, the faculty, and the administration by obeying both the letter and the spirit of the Honor Code and the Code of Conduct.

Student Responsibilities

At each registration, students must agree to abide by the rules of the Honor Code and the Code of Conduct. The Honor Code and Code of Conduct shall be printed in the Armstrong Catalog and on the University website.

It will be the responsibility of the Student Court or its designated representative to conduct an orientation program at the beginning of each semester for all new students to explain the Codes and allow discussion of the requirements for each Code. Any student desiring assistance with any matter related to these Codes is invited to seek assistance in the Division of Student Affairs.

Students are expected to:

1. Exercise honesty in all matters, both academic and personal in nature.
2. Be fair and courteous with others, treat them fairly and with respect, showing sensitivity to cultural, ethnic, and religious diversity, and personal dignity.
3. Accept personal responsibility for appropriate behavior as defined by the Codes.
4. Know the offenses under each Code and the penalties for violating them.
5. Understand that they are responsible for knowing and following any additional written or verbal requirements given by the professor which relate to honor or conduct and which are inherent to the classroom or University functions.
6. Know what plagiarism is, as defined under the Honor Code; recognize that it undermines individual and academic integrity; and ensure that it is avoided in both spirit and deed.
7. Understand that the Codes apply at all University activities whether on the main campus or at or other locations.
8. Remember that they are representatives of Armstrong State University and that they must always conduct themselves in a manner which brings credit upon themselves and the University.

Faculty Commitments

In accordance with the University Mission Statement, the faculty is responsible for providing an atmosphere that fosters excellence in learning and student achievement. Faculty responsibilities to the University are detailed in the Armstrong Faculty Handbook in Article VII of the Regulations. Other relevant provisions of the Faculty Handbook are as follows:

1. The primary responsibility of a faculty member is the advancement of knowledge through teaching and scholarship. The faculty member is therefore committed to the development and improvement of scholarly competence both in self and in students. (Regulations, Art. III: Principles of Conduct; Sect. A, Para 1.)
2. As a teacher, the faculty member encourages the free pursuit of learning in each student. The teacher exemplifies to students the highest standards of scholarship and integrity and encourages student adherence to such standards. Recognizing the individual worth of each student, the teacher respects the confidential nature of the student-teacher relationship and makes every effort to ensure that any evaluation reflects the true merit of the student. Although the teacher may have subsidiary interests, these interests should never hamper or compromise his or her responsibility to students. (Regulations, Art. III: Principles of Conduct; Sect. A, Para 2.)
3. Academic dishonesty of any kind (giving or receiving unauthorized help on any assignment, test, or paper) is considered a violation of the Honor Code. At the beginning of each term it shall be the responsibility of each teacher to make clear what shall be considered unauthorized help in each course. (Regulations, Art. VI: Faculty-Student Relations; Sect. A.)
Additionally, the Faculty is committed to:

1. Reinforcing a sense of honesty and integrity in students; setting an example by treating all students with fairness and courtesy; and respecting diversity in all its forms.
2. Providing clear instructions in written format (e.g., in the syllabus) for each course as to what constitutes violations of the Codes. Additional or supplemental verbal instructions that clarify assignments may be provided at the prerogative of the professor.
3. Designing examinations and assignments that fairly and reasonably measure the student’s level of knowledge; and using examinations as teaching tools as well as evaluation mechanisms.
4. Using examination formats that provide clear instructions and supervision as appropriate for examinations and assessments.
5. Communicating to all students they are expected to know, understand, and adhere to the Honor Code and Code of Conduct.

I. General Policies

A. The University is dedicated not only to learning and the advancement of knowledge, but also to the development of ethically sensitive and responsible persons. It seeks to achieve these goals through sound educational programs and policies governing student conduct that encourage independence and maturity.

B. The University may apply sanctions or take other appropriate action when student conduct interferes with the University’s (a) primary responsibility of ensuring the opportunity for attainment of educational objectives, or (b) subsidiary responsibility of protecting property, keeping records, providing services and sponsoring non-classroom activities such as lectures, concerts, athletic events and social functions.

C. Student representatives shall have an opportunity to participate in the formation and evaluation of all policies, rules, and sanctions pertaining to student conduct.

D. Honor offenses discussed in this Code are not considered to be all-inclusive; each Department or College may also promulgate course- or discipline-specific Honor Code violations supplementing the University Code. Such offenses shall be adjudicated according to the University Code.

E. These rules and procedures apply to all students enrolled in Armstrong courses, regardless of the location or training site at which the course or learning experience is conducted.

F. Some Departments may have additional rules or standards beyond this Code that apply to all students within the Department. It is each student’s responsibility to learn and abide by their respective Department’s separate Code, in addition to the Armstrong Code.

II. Honor Offenses

A. Honor offenses may be of two kinds: (a) general violations and (b) specific course- or discipline-related problems as identified by individual instructors. General Violations fall under four categories: Plagiarism, Cheating, Fabrication, and Facilitating Academic Dishonesty.¹

B. Plagiarism is the intentional offering of the words, ideas, or computer data, programs and/or graphics of others for one’s own in any academic exercise. Examples of plagiarism include (but are not limited to):
   1. The offering of another’s work, whether verbatim or paraphrased, as original material in an academic paper;
   2. The offering of another’s original ideas or concepts as one’s own, in an academic paper or assessed exercise;
   3. The inclusion of another’s material in one’s own work without appropriate or accurate citation or credit;
   4. Offering as one’s own materials or data from the Internet or similar computer databases.

C. Cheating is (a) the intentional use or attempted use of unauthorized materials, information, or study aids in any academic exercise; and/or (b) intentional actions taken to gain unfair or undue advantage over others. Examples of cheating include (but are not limited to):
   1. Receiving or providing unauthorized assistance on any work required to be submitted for any course.
   2. Using unauthorized materials or assistance during an examination, including looking at another’s paper.
   3. Alteration or insertion of any academic grade or evaluation so as to obtain unearned academic credit.
   4. Taking, or attempting to take, an examination for another student. This act constitutes a violation for both the student enrolled in the course and for the proxy or substitute.
   5. Tampering with another student’s work or impairing the professor’s ability to assess the academic performance of another student.
   6. Using false excuses to obtain extensions of time or other considerations which would or may yield an unfair advantage over other students.
   7. Impeding the ability of students to have fair access to materials assigned or suggested by the professor (e.g., removal or destruction of library or other source materials).

¹ These definitions are drawn from the publication Code of Academic Conduct, prepared by Gary Pavela (1988)
D. *Fabrication* is the intentional and unauthorized falsification or invention of any information or citation in an academic exercise. Examples of fabrication include (but are not limited to):

1. The offering of contrived or fraudulently created information as the result of systematic research that was never conducted.
2. The deliberate alteration of legitimate research data to obtain a desired result.
3. The alteration or distortion of laboratory experiments to reach a desired result.
4. The deliberate distortion of another’s work or results in order to rebut or undermine the original author’s work or concept.

E. *Facilitating Academic Dishonesty* is the intentional help, or attempt to help, another student to violate any provision of this Code. Examples of facilitating academic dishonesty include (but are not limited to):

1. Instigating, encouraging, or abetting plagiarism, cheating, or fabrication in others.
2. Giving perjured testimony before the Student Court.
3. Intimidating or attempting to intimidate witnesses appearing before the Student Court.
5. Deliberately misleading or deceiving University administrators conducting an investigation of a violation.

III. Reporting Procedures for Honor Offenses

Academic dishonesty is contrary to the purposes of the University, unfair to other students, and demeaning to those who engage in it. It will not be tolerated at Armstrong State University. A suspected honor violation may be reported in one of two ways:

A. Self-reporting. Students who have committed an honor violation should report themselves to a University official in the Division of Student Affairs or to a faculty member.

B. Reporting by others.

1. Anyone (faculty member or student) who is aware of an honor violation may tell persons believed to have committed the offense to report themselves to a University official in the Division of Student Affairs or to a faculty member no later than the end of the next class day. After this period, the person who is aware of the violation must inform either a University official in the Division of Student Affairs or a faculty member.
2. Anyone (faculty member or student) who is aware of an honor violation may report the offense directly to a University official in the Division of Student Affairs without informing the accused.
3. When the Division of Student Affairs receives a report of a possible honor offense in some manner other than in person (e.g., in writing or voice mail), the Division of Student Affairs shall expeditiously advise the person reporting the alleged violation that the Division of Student Affairs has received the report.
4. Anyone wishing to report a suspected violation may come to the Division of Student Affairs or to the Office of the Vice-President for Academic Affairs for assistance.

IV. Adjudication Procedures for Honor Offenses

If the severity of the offense, in the studied opinion of the faculty member, is of a magnitude to warrant suspension or expulsion from the University, formal adjudication procedures involving a hearing before the Student Court are required. Lesser offenses may be handled through an informal process in which the faculty member and the student jointly agree to resolve the issue. Student grades for an individual assignment and/or for the overall course will be held in abeyance until any appeals are concluded and the final decision on the case is rendered by the appropriate University official.

Where sufficient evidence exists that a violation of a municipal, state, or federal law has occurred, the Vice-President for Student Affairs shall refer the case and transmit the evidence to the appropriate law enforcement agency. The student may also be charged with the violation of the Code of Conduct if the interest of the University has been compromised by a student’s conduct.

A. Informal adjudication procedures.

1. When a student becomes aware of another student’s possible academic misconduct and chooses to report it to the professor, or when the professor suspects academic misconduct, the professor should inform the student(s) involved and undertake an investigation of the matter. If the professor is then convinced that a minor violation did occur, the professor and the accused have the option of attempting to resolve the issue informally and in a non-adversarial manner. If both agree, the following procedures may be utilized.

2. For an informal and non-adversarial adjudication the following criteria pertain:
   a. The offense must not rise to the level of a major violation in which expulsion or suspension is a potential penalty.
b. The faculty member will provide the student with written notice of a scheduled meeting at least three calendar days (excluding weekends) prior to the meeting. The purpose of the meeting will be to review and discuss the charges before a final decision is reached.

c. A neutral observer may be present at the request of the faculty member to facilitate the process so that relevant information from each party may be heard and evaluated.

d. Documentary evidence and written statements may be relied upon by the faculty member, as long as the student is permitted to respond to them at the meeting. Students may also be allowed to bring relevant witnesses.

e. If the accused admits to the violation, the professor and the student may then resolve the problem in a manner acceptable to both. If the accused denies the violation, or does not accept the sanction(s) determined by the professor, then the case must be referred to the Division of Student Affairs within twenty-four hours.

f. Should the faculty member conclude that there was no violation of the Honor Code, the case is closed.

g. Upon conclusion of the process, the faculty member and student must both sign and date the appropriate University form, detailing the specific offense(s) and the penalty assessed. Each party will retain a copy and the original shall be deposited with the Vice-President for Student Affairs to assure that repeat offenders are penalized accordingly.

h. The student and the professor shall both be permitted a grace period of seventy-two hours in which to consider the process and penalty. Within that period, either may revoke the decision to accept the informal process and/or the penalty.

i. Should either party exercise the right of revocation, the case will then automatically be transferred to the Vice-President for Student Affairs for formal proceedings.

j. If the alleged violation occurs during final examinations, a grade of Incomplete shall be issued until the matter is resolved.

3. It is strongly recommended that the faculty member advise and consult with the department head (or College dean, if appropriate) throughout the process.

B. Formal adjudication procedures for honor offenses.

1. If the accused opts for a hearing before the Student Court, or if the involved faculty member deems that the alleged offense is of sufficient severity to merit a major sanction, the following procedures pertain:

a. The Vice-President for Student Affairs shall conduct an investigation into the alleged offense solely to determine whether there exists a sufficiency of cause or evidence to merit a continuation of the proceedings. In this investigative stage, the Vice-President for Student Affairs shall follow the standing policies established within the Division of Student Affairs for this purpose.

b. If the Vice-President for Student Affairs determines that the evidence available is insufficient, or is likely to be insufficient, to enable the Student Court to reach a reasonable conclusion as to guilt or innocence, the Vice-President for Student Affairs may, in accordance with established policies, recommend against further proceedings.

c. The above notwithstanding, the faculty member in whose class the alleged offense occurred shall have the right to have the case referred to the Student Court regardless of the investigatory conclusions of the Vice-President for Student Affairs.

d. If the alleged violation occurs sufficiently late in the term to preclude resolution of the issue prior to the end of the term, a grade of Incomplete shall be issued until the matter is resolved.

2. If the investigation by the Vice-President for Student Affairs determines there is sufficient cause or evidence to enable the Student Court to reach a reasonable conclusion as to the guilt or innocence of the accused, the case shall be forwarded to the Student Court.

a. The accused will be notified in writing by the Student Court or its designated representative of the nature and details of the alleged offense, along with the names of accusers and principal witnesses to be brought against them. This notification shall occur no fewer than five calendar days prior to the date of the Student Court hearing.

b. The Court shall be convened by its presiding officer to consider the evidence of the violation as soon as possible after the violation is reported, but no sooner than five calendar days after notification of the accused.

c. A written copy of the Court’s decision shall be given to the student concerned and to the Vice-President for Academic Affairs as a recommendation for administrative action.

d. The Court shall recommend any authorized sanction or combination of sanctions that it deems to be warranted by the circumstances of the case.

C. Procedural Rights of Students Before the Student Court.

1. Any student whose case is referred to the Student Court shall be notified of such referral in writing by the Vice-President for Student Affairs at least five calendar class days before the hearing and shall be apprised in the notice of the charges along with the names of the accusers and the principal witnesses.

2. The accused has the right to choose an advisor. This advisor will not participate directly in the proceedings except to advise the client. It is customary, but not required, that the advisor will be drawn from the University community.
3. The accused and the person bringing the charges shall be afforded an opportunity to present witnesses and documentary or other evidence. The accused and any individual bringing the charges shall have the right to examine all witnesses and may, where the witnesses cannot appear because of illness or other cause acceptable to the Court, present the sworn statement of the witnesses. The Court shall not be bound by formal rules governing the presentation of evidence, and it may consider any evidence presented which is of probative value in the case.

4. The accused may not be made to bear witness against themselves. The Court may not take the refusal of the accused to testify as evidence of guilt, but this proviso does not give the accused immunity from a hearing or from recommendations reached in a hearing simply because the accused does not testify.

5. The accused shall have access to a tape of the hearing upon request of the student.

6. The substantive facts of a case may be re-opened for consideration by the Student Court upon initiation of the accused. The accused shall not be put in double jeopardy.

7. All witnesses will be sequestered from the hearing room during the course of a hearing.

8. Witnesses may not discuss a pending case.

9. The Student Court may, at its discretion, exclude members of the media from proceedings occurring in the academic arena, as permitted by the laws of the State of Georgia.

D. Major Sanctions.
1. Expulsion: The permanent severance of the student’s relationship with the University.
2. Suspension: The temporary abrogation of a student’s relationship with the University.
3. Major sanctions ordinarily shall be imposed only upon the recommendation of the Student Court. In extraordinary circumstances, where gross violations of conduct rules disrupt the proper functioning of the University, students may be summarily suspended by the Vice-President for Student Affairs, the Vice-President for Academic Affairs, or the President of the University.

E. Minor Sanctions:
1. Restrictions: exclusion from such specified student privileges as may be consistent with the offense committed.
2. Written reprimand: a written statement of disapproval to the student which will be retained in the student’s file as long as he remains at Armstrong State University.
3. Disciplinary Probation: Notice to the student that any further violation may result in suspension or expulsion. Disciplinary probation may include restrictions, reprimands, or other appropriate sanctions.
4. Assignment of a grade of “0” for either the course assignment at issue or for the overall course grade (i.e., complete loss of credit for the course).

V. Conduct Offenses

Personal misconduct which brings discredit upon the student or the University are violations of the Code of Conduct and will not be tolerated.

A. Personal misconduct includes (but is not limited to) the following:
1. Disorderly or obscene conduct or breach of the peace on University property or at any functions sponsored or supervised by the University or any recognized University organization.
2. Physically assaulting, or threatening physical assault against, any member of the faculty, administration, staff, or student body, or any visitor to the campus.
3. Sexual assault (i.e., intentionally making physical contact with the intimate parts of the body of another for sexual gratification without the consent of that person).
4. Sexual harassment (i.e., unwelcome sexual advances or conduct, creation of a hostile environment as perceived by the complainant, or the demand for sexual favors in return for some benefit).
5. Any disruption of a positive learning environment in the classroom or actions which impede the ability of other students in the classroom to learn or the ability of the professor to teach (e.g., blatantly inappropriate personal behavior, cellular phones, pagers).
6. Personal conduct on University property, or at functions sponsored or supervised by the University or any recognized University organization, which materially interferes with the normal operation of the University or the requirements of appropriate discipline.
7. Any act of intimidation or harassment, physical force or violence, or threat of physical force or violence that is directed against any person or group of persons including, but not limited to, acts motivated by ethnicity, race, national origin, religion, gender, sexual orientation, disability, or political beliefs.
8. Theft or abuse of computer facilities or computer time, including but not limited to:
   a. unauthorized entry into, or manipulation or transfer of, a file;
   b. unauthorized use of another individual’s identification or password;
   c. use of computing facilities to interfere with the work of another student, faculty member or University official;
d. use of computing facilities to interfere with a University computing system.

9. No student shall use the University computing facilities to violate Federal, State or local laws or University policy. For purposes of this provision, “computing facilities” includes computers and data and/or voice communications networks.

10. Interfering with, or giving false name to, or failing to cooperate with any properly identified University employees while these persons are in the performance of their duties.

11. Lewd, indecent, obscene conduct or expression.

12. Conduct that is a crime under the criminal laws of Georgia, or of the United States, which takes place on University property or at a University activity.

13. Entering, or attempting to enter, any event which is sponsored or supervised by the University or any recognized University organization, whether on- or off-campus, without credentials for admission (e.g. ticket, identification card, invitation, etc.) or other reasonable criteria established for attendance. At these University functions a student must present proper credentials to properly identified University faculty or staff upon request.

14. The malicious or unauthorized intentional damage or destruction of property belonging to a member of the University community, or to a visitor of the campus.

B. Campus Disruption. Students and faculty have the right to a campus atmosphere which is free of violence, disruption, or distraction. The instigation or incitement of, or the participation in, any act which endangers, disrupts, or otherwise disturbs the rights of students or faculty, is a violation of the Code of Conduct.

1. No student shall assemble on campus for the purpose of creating a riot, destruction, or disorderly diversion which interferes with the normal operation of the University. This shall not be construed so as to deny any student the right of peaceful, non-disruptive assembly.

2. No student or group of students shall obstruct the free movement of other persons about the campus or interfere with the normal operation of the University, including teaching, research, administration, disciplinary procedures, or other University activities.

3. The abuse or unauthorized use of sound amplification equipment indoors or outdoors during classroom hours is prohibited. (Use of sound amplification equipment must have prior approval by the Division of Student Affairs.)

C. Miscellaneous Violations of the Code of Conduct: The following rules and regulations are intended to provide a safe, secure, and productive environment for the enjoyment and appreciation of the University community.

1. Falsification of Records and Contracts:
   a. No student shall alter, falsify, counterfeit, forge, or cause to be altered, falsified, counterfeited, or forged any records, forms or documents used by the University.
   b. Violation of contractual agreements between a student and the University, including but not limited to, written financial aid agreements will be subject to discipline under this Code.

2. Explosives:
   a. No student shall possess, furnish, sell, or use explosives of any kind on University property or at functions sponsored by the University or any recognized University organization.
   b. No student shall make, or cause another individual to make, false bomb threats.

3. Fire Safety:
   a. No student shall tamper with fire safety equipment.
   b. The unauthorized possession, sale, furnishing, or use of an incendiary device is prohibited.
   c. No student shall set, or cause to be set, any unauthorized fire in or on University property.
   d. No student shall make, or cause to be made, a false fire alarm.
   e. The possession or use of fireworks on University property or at events sponsored by the University or any recognized University organization is prohibited. Fireworks are defined as any substance prepared for the purpose of producing a visible or audible effect of combustion, explosion, or detonation.

4. Weapons: Students are prohibited from possession of firearms on University property or at events sponsored or supervised by the University or any recognized University organization. The possession or use of any other offensive weapon is prohibited. (Exceptions may be made for official use authorized by the University or as authorized by special procedures approved by the Criminal Justice Training Center for its students who are sworn peace officers.)

5. Hazing: All rites and ceremonies of induction, initiation, continued membership, or orientation into University life or into the life of any University group that tend to promote or inflict physical or mental suffering, or include the destruction of public or private property, are prohibited.

6. Joint Responsibility for Infractions: Students who knowingly act in concert to violate University regulations have individual and joint responsibility for such violations.

7. Student Identification Cards:
   a. Lending, selling, or otherwise transferring a student identification card is prohibited.
b. The use of a student identification card by anyone other than its original holder is prohibited.
8. Theft: No student shall take, attempt to take, or keep in his possession items belonging to students, faculty, staff, student groups, or visitors to the campus without proper authorization.
9. Drugs: The possession or use (without valid medical or dental prescription), manufacture, furnishing, or sale of substances controlled by Federal or Georgia law is prohibited.
10. Neither alcoholic beverages nor their consumption are permitted in any University facilities, buildings, or property except as provided for in the standing University policy on alcohol. This exemption notwithstanding, under no circumstances is anyone under the age of 21 permitted to consume alcoholic beverages in any University facilities, buildings, or property.
11. Gambling: The playing of cards or any other game of chance or skill for money or other items of value is prohibited.
12. Tobacco: Use of all tobacco products is prohibited on campus.
13. Unauthorized Entry or Use of University Facilities:
   a. No student shall make unauthorized entry into any University building, office or other facilities, nor shall any person remain without authorization in any building after normal closing hours.
   b. No student shall make unauthorized use of any University facility.
D. Repeated Violations: Repeated violations of published rules or regulations of the University, which cumulatively indicate an unwillingness or inability to conform to the Code of Conduct, will result in sanctions of escalating severity.
E. Violation of Outside Law: Violation of local, state or federal law, on or off the campus, constitutes a violation of the Code of Conduct and may result in administrative University sanctions in addition to those of the appropriate law enforcement department.
F. Additional Violations: Under this Code of Conduct, sanctions may be imposed for the violation of any University rule subsequently promulgated by the University.
G. Group Offenses:
   1. Offenses by recognized groups fall under the jurisdiction of the Student Activities Committee and shall be referred to that committee for action.
   2. Actions of individual members of a group which constitute a conduct offense shall be dealt with under the provision of the Student Code of Conduct.

VI. Reporting Procedures for Conduct Offenses

It is imperative that all conduct violations be adjudicated promptly and fairly. Therefore, all conduct violations will be immediately reported to a University official in the Division of Student Affairs by any person who has knowledge of the commission of any such violation.

VII. Adjudication Procedures for Conduct Offenses

Where sufficient evidence exists that a violation of a municipal, state, or federal law may have occurred, the Vice President for Student Affairs or his or her designee shall refer the case and transmit the evidence to the appropriate law enforcement agency. The student may also be charged with violation of the Code of Conduct if the interest of the university has been abused by a student’s conduct.

A. Formal adjudication procedures for conduct offenses. (NB: there are no informal adjudication procedures for conduct offenses; all such violations must utilize the following steps.)
   1. The Assistant Dean of Student Integrity shall ensure that the best interests of any accused student are served, regardless of whether disciplinary action is taken, by making sure that the student is advised of his or her rights pursuant to this Article.
   2. Where the evidence establishes that a conduct offense may have occurred, the Assistant Dean of Student Integrity or his or her designee shall advise the accused of the charges being considered. The student then has the right to have the offense handled administratively by the Assistant Dean of Student Integrity or other hearing officer designated by the university or to have the case referred to the Student Court.
      a. If the student prefers that the case not be referred to the Student Court, the student shall be required to sign a document waiving the right to such a hearing.
      b. The case will then be adjudicated by a university hearing officer.
   3. If the student chooses a hearing before the Student Court, the accused will be notified in writing by the Student Court, or its designated representative, of the nature and details of the alleged offense, along with the names of accusers and principal witnesses to be brought against him/her. This notification shall occur no fewer than five calendar days prior to the date of the hearing.
4. If the student chooses to have the case heard by the Student Court, the Court shall be convened by its presiding officer to consider the evidence of the violation as soon as possible after the violation is reported, but no sooner than five calendar class days after notification of the accused.

5. A written copy of the Court’s decision shall be given to the student concerned and to the Associate Vice President for Student Affairs or designee as a recommendation for administrative action.

6. The Court shall recommend any authorized sanction or combination of sanctions that it deems to be warranted by the circumstances of the case.

7. If a student accused of an infraction refuses to cooperate with the Assistant Dean of Student Integrity or his or her designee or the student refuses to attend the hearing, a hearing may be held in absentia and, if the student is found in violation, sanctions may be imposed as a result of a hearing in absentia.

B. Procedural Rights of Students Accused of a Conduct Violation

1. Any student whose case is referred to the Student Court shall be notified of such referral in writing by the Office of Student Integrity at least three class days before the hearing and shall be apprised in the notice of the charges along with the names of the accusers and the principal witnesses.

2. The accused has the right to choose an advisor. This advisor will not participate directly in the proceedings, except to advise the accused. It is customary, but not required, that the advisor will be drawn from the university community.

3. The accused and the person bringing the charges shall be afforded an opportunity to present witnesses and documentary or other evidence. The accused and any individual bringing the charges shall have the right to cross-examine all witnesses and may, where the witnesses cannot appear because of illness or other cause acceptable to the Court, present the sworn statement of the witnesses. The Court shall not be bound by formal rules governing the presentation of evidence, and it may consider any evidence presented which is of probative value in the case.

4. The accused may not be made to bear witness against him or herself. The Court may not take the refusal of the accused to testify as evidence of guilt, but this proviso does not give the accused immunity from a hearing or from recommendations reached in a hearing simply because the accused does not testify.

5. The accused shall have access to a recording of the hearing, upon request of the student.

6. The substantive facts of a case may be reopened for consideration by the Student Court upon initiation of the accused.

7. All witnesses will be sequestered from the hearing room during the course of a hearing.

8. Witnesses may not discuss a pending case.

9. By prior agreement, the accused will be allowed such observers of the hearing as may be commensurate with the space available. Otherwise, to protect the privacy rights of the accused, hearings will be closed, except that the university may also have observers in addition to the advisors to the Student Court.

C. Procedural Rights of Students Filing Complaints of Sexual Harassment or Violence Offenses

For conduct offenses involving sexual harassment or sexual violence, the student filing the complaint has the following rights:

1. The right to present his or her case. This includes the right to adequate, reliable, and impartial investigation of complaints, the right to have an equal opportunity to present witnesses and other evidence, and the right to the same appeal processes as the accused student.

2. The right to be notified of the time frame within which: (a) the Office of Student Integrity will conduct a full investigation of the complaint; (b) the parties will be notified of the outcome of the complaint; and (c) the parties may file an appeal, if applicable.

3. The right for the complaint to be decided using a preponderance of the evidence standard (i.e., it is more likely than not that sexual harassment or violence occurred).

4. The right to be notified, in writing, of the outcome of the complaint. Even though federal privacy laws limit disclosure of certain information in disciplinary proceedings, in cases involving sexual harassment or sexual violence, students filing the complaint:
   a. Must receive information about the sanction imposed if the student is found responsible when the sanction directly relates to the harassed student. This includes no contact orders, transfers to other classes or removal or move in the residence hall.
   b. Cannot be required to abide by a non-disclosure agreement, in writing or otherwise.

D. Major Sanctions

1. Expulsion: The permanent severance of the student’s relationship with the university.

2. Suspension: The temporary abrogation of a student’s relationship with the university.

3. Major sanctions ordinarily shall be imposed only upon the recommendation of the Student Court. In extraordinary circumstances, where gross violations of conduct rules disrupt the proper functioning of the university, students may be summarily suspended pending adjudication by the Associate Vice President for Student Affairs, the Vice President of Student Affairs, or the President of the University.

E. Minor Sanctions
1. Restrictions: exclusion from such specified student privileges as may be consistent with the offense committed.
2. Written reprimand: a written statement of disapproval to the student which will be retained in the student’s file as long as he remains at Armstrong Atlantic State University.
3. Restitution: Reimbursement for damage to or misappropriation of property. This may be in the form of appropriate service or other compensations and may be imposed in addition to other sanctions.
4. Disciplinary Probation: Notice to the student that any further violation may result in suspension or expulsion. Disciplinary probation may include one or more of the following: restrictions, reprimand, and/or restitution.

VIII. The Student Conduct Committee, the Student Court, and Advisors to the Student Court

A. Student Conduct Committee:

1. The Student Conduct Committee shall be responsible to the faculty for recommending policies relating to the Academic Honor Code and the Code of Conduct, for formulating or approving rules, enforcement procedures, and sanctions within the framework of existing policies, and for recommending changes in the administration of any aspects of the Honor Code and the Student Code of Conduct. The Conduct Committee will also interview and select members for the Student Court.
2. The Committee shall consist of six faculty members, the Vice-President for Student Affairs or his or her designee and four students. The four students will be the President and Vice-President of the Student Court, the President of the Student Government Association, and one student-at-large. The faculty members will be appointed by the senate in accordance with the senate statutes. The Vice-President for Student Affairs shall have voting rights on this subcommittee.
3. The Vice-President for Student Affairs shall assist the Conduct Committee in the development of policy and in the discharge of its responsibilities. He or she shall coordinate the activities of all officials, committees, student groups, and tribunals for student conduct.
4. All regulations or rules relating to student conduct that are proposed by any University official, committee or student group, and for which sanctions may be imposed in the name of the University, must be submitted to the Committee for consideration and review prior to submission to the faculty and the student body. The Committee shall have ten days in which to review the same.

B. Student Court:

1. The Student Court will be selected by the Student Court Selection Committee and will be composed of no less than twelve students. Due consideration will be given to equitable apportionment of such members on the basis of academic class, race, and sex. Students on academic probation may not serve. All appointments will be issued and accepted in writing. Appointments will be made as needed to keep the Student Court staffed to do business in a prompt manner. These appointments may constitute permanent or temporary replacements as the Student Conduct Committee deems necessary.
2. The Student Court will elect a President, Vice-President, and a Secretary from its membership. The President will preside at all meetings. The Vice-President will assume the duties of the President if the President is absent. A quorum of the Court shall consist of seven members. A two-thirds majority secret ballot vote is required to reach a finding of guilty. Sanctions and other issues may be decided by simple majority vote.
3. Student Court Members shall examine their consciences carefully to determine whether they can, in good conscience, serve on a panel hearing a particular case. In the event that there is any doubt whatsoever, such members shall excuse themselves from duty on the panel in question.

C. Advisors to the Court:

1. An advisor and an associate advisor to the Student Court shall be appointed by the President of the University.
2. Ordinarily the advisor will serve in that office for one year only and usually will be succeeded in the position by the associate advisor. Therefore, after the initial appointments, the associate advisor will be appointed each year. The succession of an associate to the advisor position should occur on the last day of Spring Semester. If, for any reason, the advisor is unable to complete his/her term, the associate advisor shall succeed to the office of advisor and another associate advisor shall be appointed by the above procedures. If neither advisor is on campus, a temporary advisor will be appointed.
3. It shall be the duty of the advisor to consult with the Court and to offer advice to the President and the members of the Court on substantive and procedural questions. The advisor, or the associate advisor in the event the advisor is unable to attend, shall be present at all meetings and hearings of the Court. The advisor may not vote or participate
directly in the conduct of hearings before the Court except through the chair, or acting chair of the Court. The advisor should be governed at all times by the principle that a hearing before the Student Court is primarily the responsibility of the students.

IX. Appeals Procedures

A student found in violation shall have five business days from the receipt of notice of the final administrative action by the Office of Student Integrity to appeal to the Associate Vice President for Student Affairs, provided that the basis for the appeal is limited to material procedural irregularities or flaws. The final level of appeal at the institution shall be to the Vice President of Student Affairs. An appeal shall be limited to a review of the record of the initial hearing, supporting documents, and the student’s written appeal. The student must explicitly state why he or she believes an appeal is warranted. Appeals will only be considered for one or more of the following reasons:

A. To determine whether the original hearing was conducted fairly and in conformity with prescribed procedures;
B. To determine whether the sanctions or supplementary requirements imposed were appropriate for the violation for which the student was found responsible;
C. To determine whether new information, not available to the student at the time of the hearing, is relevant to the final decision.

Students filing complaints of sexual offenses such as harassment or violence also have the right to appeal on the same grounds as the accused student; therefore, the same appeals procedures apply.

X. Supervision of the Student Court

A. As an institutional means of responding to reported infractions of the Honor Code and the Code of Conduct, the Student Court is ultimately responsible to the President of the University.
B. The Vice-President for Student Affairs and the Advisors will, in accordance with Article V, Section B.5 of the Statutes in the University Faculty Handbook, provide general supervision of the Student Court and will provide other guidance or services as directed by the President of the University.
C. Taped records of all testimony, and exhibits of evidence which by their nature may reasonably be maintained, shall be held in the Division of Student Affairs.

XI. Revision of the Codes

A. Revision or amendment of misconduct offenses by the Student Conduct Committee will require confirmation by majority vote of those faculty and student members voting and will require that two-thirds of the Committee be present.
B. All amendments establishing additional rules of conduct and/or imposing sanctions shall be placed in writing and issued at least once in an official publication. The University’s failure to comply with these requirements shall be a complete defense to any charge of violation of a rule of which the student has no actual knowledge. A student’s failure to familiarize himself with these additional rules shall not be adequate defense. Any such additional rules shall be posted on the bulletin board in the Memorial College Center for a period of ten days before the effective date thereof.
Appendix II

Armstrong State University Equal Opportunity Discrimination and Harassment Policy

Equal Opportunity

It is the policy of Armstrong State University to provide equal opportunity for all students, employees, and applicants for employment, regardless of race, religion, national origin, age, sex, sexual orientation, war veteran status, or disability. Therefore, it is the policy of this university that all faculty, staff and students have the opportunity to study, work and participate in any program or activity sponsored by Armstrong State University, in an atmosphere and environment free from any form of harassment/discrimination or retaliation.

Discrimination

Federal law provides that it shall be an unlawful discriminatory practice for any employer, because of the age, disability, gender, national origin, race, religion or status as a war veteran, to discharge without cause, to refuse to hire, or otherwise discriminate against any person with respect to any matter directly or indirectly related to employment or academic standing.

Definition of Discrimination and Harassment

Discrimination and harassment is defined as verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of race, color, religion, gender, sexual orientation, national origin, age, status as a war veteran, or disability, or that of their relatives, friends or associates, and that:

• Has the purpose or effect of creating an intimidating, hostile or offensive work or study environment; or
• Has the purpose or effect of unreasonably interfering with an individual’s work or study performance; or
• Otherwise adversely affects an individual’s employment or study opportunities.

Examples of harassing conduct include, but are not limited to the following:

• Epithets, slurs, negative stereotyping, or threatening, intimidating or hostile acts that relate to race, color, religion, gender, sexual orientation, national origin, age or disability;
• Written or graphic material that does not serve an academic purpose that denigrates or shows hostility or aversion toward an individual or group because of race, color, religion, gender, sexual orientation, national origin, age or disability and that is placed on walls, bulletin boards or elsewhere on university premises or circulated in the workplace or the classroom.

Definition of Sexual Harassment

Pursuant to Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972, “sexual harassment” is defined as unwelcome sexual advances, requests for sexual favors, and other verbal and physical conduct of a sexual nature when:

• submission to such conduct is made either implicitly or explicitly a term or condition of an individual’s employment or status in a course, program or activity; submission or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting such individual;
• such conduct has the purpose or effect of interfering with the individual’s work or educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one’s ability to participate in or benefit from an educational program or activity.

Examples of sexual harassment may include, but are not limited to the following:

• Physical assault which may carry criminal penalties as well.
• Direct or implied threats that submission to sexual advances will be a condition of employment, work status, compensation, promotion, grades, or letters of recommendation.
• Sexual advances, physical or implied, or direct propositions of a sexual nature. This activity may include inappropriate/unnecessary touching or rubbing against another, sexually suggestive or degrading jokes or comments, remarks of a sexual nature about one’s clothing and/or body, preferential treatment in exchange for sexual activity, and the inappropriate display of sexually explicit pictures, text, printed materials, or objects that do not serve an academic purpose.
• A pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliating another.
• Remarks speculating about a person’s sexual activities or sexual history, or remarks about one’s own sexual activities or sexual history that do not serve a medical, employment or academic purpose.

Armstrong State University ("the University") is committed to maintaining a fair and respectful environment for living, work and study. To that end, and in accordance with federal and state law and Board of Regents’ policy, the University prohibits any member of the faculty, staff, student body, or visitors to campus, whether they be guests, patrons, independent contractors, or clients, from harassing any other member of the University community. Any form of harassment will be met with appropriate disciplinary action, up to and including dismissal from the University.

Definition of Retaliation

Retaliation is any adverse action taken against an individual(s) for filing an action of discrimination, participating in an investigation, or opposing discriminatory practices. Retaliation is prohibited. Retaliatory action is illegal. Actions taken in retaliation for the filing, in good faith, of complaints of harassment/discrimination are prohibited regardless of whether the claim is determined to be valid or unfounded. Reprisal in any form should be reported to a supervisor or university administrator. Retaliatory behavior will not be tolerated and is subject to disciplinary action by the university that can result in sanctions up to and including termination of employment.

Examples of retaliatory actions include, but are not limited to:
• assigning inappropriately low grades.
• giving deflated performance evaluations.
• employment termination.
• punitive scheduling.
• withholding of deserved support for promotion and tenure.
• assigning inadequate and undesirable space.
• undeserved demotion.
• punitive work assignments.

Amorous or Sexual Relationships

Armstrong State University’s educational mission is promoted by professionalism which is fostered by an atmosphere of mutual trust and respect. Trust and respect are diminished when those in positions of authority abuse that authority or place themselves in a situation of perceived or actual conflict of interest. A conflict of interest is created when an individual evaluates or supervises another individual with whom he or she has an amorous or sexual relationship. Such relationships, even when consensual, may be exploitative, and they imperil the integrity of the work or educational environment. They also may lead to charges of sexual harassment. Thus, complying the University System of Georgia policy 8.2.23, the University prohibits a faculty or staff member, including a graduate teaching assistant from having an amorous or sexual relationships with any student who the faculty or staff member supervises, teaches or evaluates in any way. All employees are prohibited from having an amorous relationship with any other employee if either employee supervises, evaluates, or in any other way directly affects the terms or conditions of the other’s employment. Any individual who violates this policy is subject to disciplinary action commensurate with the offense, up to and including termination.

There are situations sufficiently complex that judgments may differ as to whether there is or may be a conflict of interest, and individuals may inadvertently place themselves in situations where conflict exists. Accordingly, should a situation arise in which parties who are or have been involved in any amorous relationship come into a position in which they would normally be called upon to evaluate one another, the individual in authority must promptly report this fact to his or her supervisor. The supervisor is responsible for taking steps to ensure unbiased supervision or evaluation results. Should the individual in authority fail to promptly report an amorous relationship with a person the individual in authority evaluates, the individual in authority has violated University policy and is subject to disciplinary action commensurate with the offense, up to and including termination.

Student-to-Student Harassment

Any form of harassment between students, neither of whom is employed by the University, should be treated as a disciplinary matter and should be reported to the Office of Student Affairs.
Responsibility of Students and Employees

All students and employees should report any form of harassment that they experience, observe, hear about, or believe may be occurring. No student or employee should assume that an official of Armstrong State University knows about a specific situation.

Academic Freedom

Academic freedom shall be considered in investigating and reviewing complaints and reports of harassment. However, raising issues of academic freedom will not excuse behavior that constitutes a violation of the law or the University’s harassment/discrimination policy.

Processing of Reports and Complaint Definitions

• Equity, Diversity, and Inclusion Officer

The Chief Diversity Officer is the individual or individuals designated by the President to be primarily responsible for investigating reports and complaints of harassment/discrimination in accordance with the procedure. The Equity, Diversity, and Inclusion Officer must be designated by name, telephone number, and location. The Equity, Diversity, and Inclusion Officer is authorized to designate other individuals to assist with investigating harassment/discrimination complaints and reports as deemed appropriate.

• Decision-making Authority

The Decision-making Authority is the individual designated to review investigative reports, to make findings whether the harassment/discrimination policy has been violated based upon the investigation, and to determine the appropriate action for the University to take based upon the findings. The Decision-making Authority will be the Vice President and Dean of the Faculty or his /her designee. If the respondent in a harassment/discrimination complaint or report is the Vice President and Dean of the Faculty, the Decision-making Authority will be the President. If the Respondent in a harassment/discrimination complaint or report is the President, the Decision-making Authority will be the Chancellor.

Reports and Complaints

• All reports and complaints of any form of harassment/discrimination will be promptly investigated and appropriate action will be taken as expeditiously as reasonably possible. Complaints and reports of harassment/discrimination should be reported as soon as possible after the incident(s) in order to be most effectively investigated. The University will make reasonable efforts to protect the rights of both the complainant and the respondent. The University will respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses in a manner consistent with the University’s legal obligations to investigate, to take appropriate action, and to comply with any discovery or disclosure obligations required by law.

• The University encourages any person who feels he or she has been harassed to report the incident to the Equity, Diversity, and Inclusion Officer. Any student, faculty member, or employee who knows of, receives information about or receives a complaint of harassment/discrimination should report the information or complaint to the Equity, Diversity, and Inclusion Officer. Administrators and supervisors must report incidents of harassment/discrimination which are reported to them to the Equity, Diversity, and Inclusion Officer in a timely manner.

Investigation and Resolution

• The University’s complaint process, outlined herein, is the procedure to be used to end inappropriate behavior, investigate for the purpose of fact finding, and facilitate resolution of complaints involving allegations of harassment/discrimination. However, as part of the complaint process, the Equity, Diversity, and Inclusion Officer may recommend that the complainant and respondent attempt to resolve their differences through mediation. Mediation is not an option for complaints of sexual harassment. The University reserves the right to investigate and resolve a complaint or report of harassment/discrimination and/or discrimination regardless of whether the complainant pursues the complaint. In such cases, the respondent shall be informed of the status of the investigation at reasonable times up until the University’s final disposition of the complaint, ensuring that the respondent is able to respond to the substance of the complaint during meetings convened by the Decision-making Authority to consider discipline based upon the substance of the investigative report.

• These procedures do not replace the right of complainants or respondents to pursue other options or remedies available under the law.
Informal Process

The following procedures for informal resolution are optional. The Equity, Diversity, and Inclusion Officer shall determine whether and/or how to proceed. The goal of informal resolution is to stop inappropriate behavior, investigate, and facilitate resolutions, if possible. If a complainant is able and feels safe, he or she should clearly explain to the alleged offender that the behavior is objectionable and request that it cease. The complainant should do so as soon as possible after the incident occurs.

The complainant may utilize the assistance of the Equity, Diversity, and Inclusion Officer. Communication with the alleged offender may be in person, on the telephone, or in writing. If the behavior does not stop, or if the complainant believes some adverse employment or educational consequences may result from the discussion, he or she should go to the next higher level of supervision to document the complaint. The supervisor should report the complaint to the Equity, Diversity, and Inclusion Officer. The Equity, Diversity, and Inclusion Officer will work with the supervisor to facilitate a resolution of harassment/discrimination complaints at the local level when deemed appropriate.

If an allegation of harassment/discrimination is pursued through the University’s informal procedure, the Equity, Diversity, and Inclusion Officer must be contacted in order to initiate a complaint. The complaint should be brought as soon as possible after the most recent incident. The Equity, Diversity, and Inclusion Officer will:

- determine whether the complaint is one which should be processed through another university dispute resolution procedure, such as mediation, available to the complainant; if appropriate, the Equity, Diversity, and Inclusion Officer shall refer the complainant to that procedure(s) as soon as possible;
- inform the individual of the provisions of both the informal and formal discrimination/harassment complaint procedures and provide a copy of the complaint procedure;
- inform the person against whom the complaint is being brought of its existence;
- maintain appropriate documentation;
- disclose appropriate information to others only on a need-to-know basis consistent with state and federal law. An informal complaint may be investigated without identifying the complainant, if in the judgment of the Equity, Diversity, and Inclusion Officer, this would increase the likelihood of satisfactory resolution of the complaint. While confidentiality cannot be guaranteed, care will be taken to keep investigation discussions sufficiently broad to protect the complainant’s identify when requested.

If the Equity, Diversity, and Inclusion Officer finds there is evidence that the complained behavior occurred, he/she may use one or more of the following methods (which may also be part of the formal process) to stop the behavior:

- discussing the matter with the alleged offender, informing him or her of the policy and indicating that any inappropriate behavior must stop;
- suggesting counseling and/or sensitivity training;
- conducting training for the unit, division, or department, calling attention to the consequences of engaging in such behavior;
- requesting a letter of apology to the complainant;
- facilitating meetings between the parties; and separating the parties, etc.
- composing a written letter of agreement confirming that respondent has been informed of the policy, identifying and accepting the Equity, Diversity, and Inclusion Officer’s resolution of the complaint, and stating that retaliation is prohibited. During the informal process, the Equity, Diversity, and Inclusion Officer may keep the supervisor/administrator informed of the status of the complaint and may seek input from the appropriate supervisor/administrator when implementing corrective action.

If the informal procedures do not resolve the complaint within a reasonable period of time to the satisfaction of the Equity, Diversity, and Inclusion Officer or the Equity, Diversity, and Inclusion Officer feels that additional steps should be taken, he/she should commence the formal procedures unless reasonable delays are deemed appropriate.

Formal Process

If a complaint is not resolved through the informal complaint procedures or if the Equity, Diversity, and Inclusion Officer determines that the complaint should be pursued through formal complaint procedures, the formal procedures must be used. The Equity, Diversity, and Inclusion Officer or his/her designee will:
• secure a formal complaint in writing. The complaint must include a detailed description of the allegations upon which
the charge is based, a list of possible witnesses as deemed appropriate by the Equity, Diversity, and Inclusion Officer,
and the resolution sought.
• notify the respondent in writing within seven (7) working days of the nature of the allegations and include a copy of the
harassment policy and process. The respondent may provide a written response to the allegations.
• conduct an investigation of the complaint, including appropriate interviews and meetings. The Equity, Diversity, and
Inclusion Officer may convene a committee to assist in conducting the investigation, as needed. Although attorneys are
prohibited from participating in interviews and meetings between the Equity, Diversity, and Inclusion Officer and the
complainant or other witnesses, they may accompany and provide confidential advice to their client.
• prepare a report to the Decision-making Authority.
• the report will be provided to the complainant and respondent as deemed appropriate in keeping with state and federal
law. After receiving the report of the Equity, Diversity, and Inclusion Officer, the Decision-making Authority may, at
his/her discretion, meet with either party; request additional information which may include written arguments from the
complainant/respondent relating to the allegations of the complaint; or take other measures deemed necessary to reach
a decision. The Decision-making Authority will report in writing, within twenty-one (21) working days, to the parties
and the Equity, Diversity, and Inclusion Officer, his or her findings as to whether or not the harassment/discrimination
policy has been violated. The Decision-making Authority will take into account the surrounding circumstances; the
nature of the behavior; the relationship(s) between the parties; the context in which the alleged incident(s) occurred;
and other relevant facts upon which he/she relied in reaching a decision. If the Decision-making Authority makes the
judgment that a violation of policy has occurred he or she will determine the nature and scope of sanctions and when/
how to implement sanctions. A written copy of judgment will be given to the Equity, Diversity and Inclusion Officer as
custodian of files.

Investigative Data
During the investigation, the Equity, Diversity, and Inclusion Officer will keep confidential to the extent permitted by state
and federal law the information gathered during the investigation. The Equity, Diversity, and Inclusion Officer shall exercise
due care in sharing identifiable information about students, staff or faculty at all times.

Summary Action
The President or designee may impose a summary suspension prior to the resolution of informal or formal proceedings.
However, a summary suspension may be imposed only when, in the judgment of the President, the accused individual’s
presence on campus would constitute a threat to the safety and well-being of members of the campus community. Before
implementing the summary suspension, the accused individual shall be given written notice of the intention to impose the
summary suspension and shall be given an opportunity to present oral and written arguments against the imposition of the
suspension. If the accused individual is summarily suspended, the formal process should be completed within the shortest
reasonable time possible, not to exceed ten (10) working days. During the summary suspension, the accused individual may
not enter the campus without obtaining prior permission from the Equity, Diversity, and Inclusion Officer.

University Action
The University will take the appropriate remedial action based on results of the investigation and will follow up as appropriate
to ensure that the remedial action is effective. Complainants are encouraged to report any reoccurrences of conduct which
were found to violate the harassment/discrimination policy.

The Decision-making Authority will notify the complainant and respondent, in writing, of the results of the formal
investigation. Written notice to parties relating to discipline, resolutions, and/or final dispositions is deemed to be official
correspondence from the University.

Right to Appeal
Pursuant to this policy, the complainant and the respondent shall have the right to appeal the decision of the Decision-
making Authority to the President or his or her designee. In exercising the right of appeal to the President as provided
by this procedure, a written appeal must be made within ten (10) working days after written notification of the decision
which is being appealed. The President or his or her designee may receive additional information if he or she believes such
information would aid in the decision. A decision will be made within a reasonable time and the Equity, Diversity, and
Inclusion Officer, the complainant, and the respondent will be notified of the decision. During the time of the appeal and review, disciplinary action taken as a result of the original complaint, may be implemented and enforced.

**Education and Training**

The University will provide a full range of education and training programs to promote awareness and prevention of harassment/discrimination. Education and training programs also should include education about the University’s harassment/discrimination policy as well as training for responsible personnel in conducting investigations, management and implementation of the complaint procedure.

**Dissemination of Policy and Procedure**

Information regarding this policy will be provided during student orientation, during employee orientation, and to all individuals who volunteer in various positions on campus. Copies of the policy will be readily available in all departments and units of the University. In addition, the policy will be posted on the University’s website.

**Record Retention**

During an investigation of a complaint, and, upon the completion of an investigation, the custodian of the file shall be the Equity, Diversity, and Inclusion Officer. Future access to any file shall be provided in keeping with the Georgia Open Records Act and the Family Educational Rights and Privacy Act.

**U.S. Equal Opportunity Commission**

All employees are encouraged to use Armstrong’s internal processes and policies to resolve their complaints of discrimination and/or harassment. If the internal process as described above is not an option the local EEOC office may take the complaint. The contact information for the local office is below:

U.S. Equal Employment Opportunity Commission

Special Notice

The statements set forth in this catalog are for information purposes only and should not be construed as the basis of a contract between a student and this institution.

While the provisions of the catalog will generally be applied as stated, Armstrong State University reserves the right to change any provision listed in this catalog, including but not limited to academic requirements for graduation, without actual notice to individual students. Every effort will be made to keep students advised of any such changes. Information on changes will be available in the Offices of the Registrar, the Vice President for Student Affairs, and the academic deans. It is especially important that students note that it is their responsibility to keep themselves apprised of current graduation requirements for their particular degree programs.

Armstrong State University is an affirmative action/equal opportunity education institution and does not discriminate on the basis of gender, race, age, religion, disability, sexual orientation or national origin in employment, admissions, or activities.
