Emory University School of Medicine
1648 Pierce Dr., NE
Atlanta, GA 30322
404.727.5640

Application Requirements
- Completion of at least three years of a balanced undergraduate education, including at least 90 semester hours or 135 quarter hours in arts and sciences from a regionally accredited U.S. or Canadian institution (completion of the baccalaureate degree is preferred).
- Minimum course requirements:
  - 8 semester hours (with lab) in biology
  - 8 semester hours (with lab) in general or inorganic chemistry
  - 8 semester hours (with lab) in organic chemistry
  - 8 semester hours (with lab) in one of the physical sciences
  - 6 semester hours of English
  - 18 semester hours of humanities and social and/or behavioral sciences
- Demonstration of a high level of scholarship (the means for those accepted: 3.7 GPA and 11 on the MCAT subtests)
- Exposure to patients in a clinical setting. Examples include volunteering at a local hospital or clinic, clinical volunteer work abroad, or shadowing a physician. The Admissions Committee is most interested in applicants who have face-to-face experience with the patient-doctor relationship.

First-Year Class Demographics - Fall 2011

Applications:
- 6605 Applications Received
- 5118 Applications Completed
- 673 Applicants Interviewed

M1 Class
- 139 Students in the First-Year Class
- 72 Male
- 67 Female
- 10 MD/PhD
- 8 MD/MPH
- 23 Average Age at Matriculation
- 20-33 Age Range
- 62 Different Undergraduate Institutions

MCAT and GPA Averages
- 34.5 Cumulative Score
- 12.1 Biological Sciences Subtest Score
- 11.6 Physical Sciences Subtest Score
- 10.8 Verbal Subtest Score
- Q Writing Sample Score
- 3.69 Average Undergraduate GPA
Georgia Health Sciences University - Medical College of Georgia

706-721-0959 fax
stdadmin@georgiahealth.edu

Application Requirements:

- Biology: One academic year** of general biology or zoology with lab
- Chemistry: One academic year of general/inorganic chemistry with lab
  - One academic year of advanced chemistry, two quarters or one semester of which must be organic chemistry with lab. The other quarter or semester may be fulfilled by any advanced chemistry course (lab not necessary).
  - Biochemistry is strongly recommended.
- Physics: One academic year of physics with lab
- English: One academic year of English

** one academic year is equal to two semesters, three quarters, or two quarters and a semester

Courses recommended

- Cellular biology
- Statistics
- Biochemistry
- Immunology

Admissions Committee expects applicants to have experiences shadowing physicians and/or volunteering in a clinical setting.

Facts and Figures for 2012 Entering Class:

- Total applications received: 2,384
- Overall grade point average: 3.7
- Entering students enrolled: 230
- Science grade point average: 3.64
- Ratio of applicants to enrollees: 9.6 to 1
- Mean MCAT score: 30.47

Regular Admission Requirements

- The Admissions Committee looks at each application holistically with a specific focus on prospective and previous commitment to our mission.
- All applicants must be legal residents of Georgia.
- MCAT scores, no more than two years old
- The premedical course requirements are two semesters with an affiliated laboratory in:
  - General Biology
  - General or Inorganic Chemistry
  - Organic Chemistry
  - Physics

Facts and figures for the Entering Class for 2012:

(Biology, Chemistry, Physics, and Math (BCPM)) GPA – 3.47
All Other (AO) GPA – 3.68
Total GPA – 3.57
MCAT: Verbal Reasoning (VR) - 9.02
MCAT: Physical Science (PS) – 9.05
MCAT: Biological Science (BS) - 9.69
Women – 42%
Under-Represented Minorities – 4%

The Admissions Committee recommends that applicants have at least a composite score of 24 on the MCAT and a 3.0 cumulative undergraduate GPA. The School of Medicine receives approximately 850 applications each cycle for 100 seats, therefore an applicant’s academics need to be competitive.

Director of Admissions
Brandon Hunter
Email: bhunter@msm.edu

Regular Admissions Requirements:

- Biology w/laboratory (one year)
- General Chemistry w/laboratory (one year)
- Organic Chemistry w/laboratory (one year)
- Physics w/laboratory (one year)
- College-level Mathematics (one year)
- English, including composition (one year)

It is imperative that applicants have the experience of shadowing a physician. There is no set designation of time, but having a good understanding of the roles and responsibilities of a physician is extremely important.

Facts and figures:

Number of Applicants – 4,052
Percentage of Total Applicants Enrolled – 1%
Average Total GPA – 3.29
MCAT: Verbal Reasoning (VR) – 9
MCAT: Physical Science (PS) – 9
MCAT: Biological Science (BS) – 8
Total MCAT average: 26
Women – 60%
Philadelphia College of Osteopathic Medicine- Georgia Campus

Admissions Requirements:

Prior to matriculation each applicant must meet the following admissions requirements:

- A bachelor’s degree from a regionally accredited college or university. Applications from students with at least three years of exceptional undergraduate work will be considered.
- 8 credit hours each of:
  - General Biology with Lab
  - General Chemistry with Lab
  - Organic Chemistry with Lab
  - General Physics with Lab
- Additionally 3 credits of English Composition and 3 credits of Literature are required.
- Each applicant must sit for the Medical College Admissions Test (MCAT), which is given multiple times each year.

Facts and Figures for the 2012 entering D.O. Class:

In 2012, the entering D.O. Class of 2016 consisted of 268 first-time students from different colleges and states. The average class GPA was 3.46, the science GPA was 3.37 and the mean MCAT score was 28. Students averaged 23 years of age with a range from 21 to 39; 49 percent are women and 18 percent are under-represented minorities.

Average Total GPA – 3.46
Science GPA – 3.37
Mean total MCAT – 28
Age range of those admitted: 21-39
Average age of students admitted – 23
Women – 49%
Under-represented Minorities – 18%
