The HESI (Health Education Systems Incorporated) – is an admission assessment exam to evaluate candidates for admission to nursing programs.

- Time is 4 hours.
- Registration is strictly online at [https://www.armstrong.edu/departments/testing-services-calendar](https://www.armstrong.edu/departments/testing-services-calendar). Pre-payment required to reserve the testing appointment.
- Specific dates and times are posted on Armstrong Testing Services webpage under calendar.
- The student/candidate MUST create an account with Evolve prior to their exam date ([https://evolve.elsevier.com](https://evolve.elsevier.com)).
- Armstrong nursing program admission scoring guide consist of the following exam sections:
  - Anatomy and Physiology
  - Grammar
  - Reading Comprehension
  - Vocabulary and General Knowledge
  - Style/Personality Profile
  - Math – (beginning Fall 2018 application)
- Retake of the exam requires a 30-day wait period and only two test options per year.
- Students may purchase study guides directly from Evolve ([https://evolve.elsevier.com](https://evolve.elsevier.com)).
- ***If the student needs the HESI exam for another university, he/she must know which sections are required.
